

## The ten steps may be achieved through the optimal timeline below

1. Directors briefing
2. Appoint Site Business Change Manager
3. Governance structure, PID & Outlines Business Case and establish resource plan
4. Local approval to proceed
5. Start up readiness assessment
6. Project Launch
7. **Issue first prescription**
8. Complete SADLs ramp up
9. Local CADLs solution established

***The above timescales are achievable only if all decision making parties within organisations are effectively engaged***
