The Chairman to move that the Press and public be excluded during consideration of the items of business listed below as it is likely in view of the nature of the business to be transacted or the nature of the proceedings that if members of the Press and public were present there would be disclosure to them of exempt information.

The Chairman to move that the attached report, not included in the published agenda, be considered a matter of urgency on the following grounds:

“It has come to officers’ attention that caravans have been placed on the Land without authority and that unauthorised development has taken place on the Land and there is a reasonable apprehension that this will continue and expand prior to the next Plans Sub-committee, making it a matter of urgency that Members consider this report as soon as possible.”
