Budget Monitoring Notes - 30th September 2013

1. Community Safety £0k

The projected overspend on staffing of £46k due to the late notification of revised MOPAC funding has been funded by the agreed diversion of the Prevent monies of Cr £46k.

There is likely to be a net surplus of Cr £10k within Public Protection. This is due to the secondment of the Head of Public Health Nuisance to Executive Assistant for most of 2013/14 offset by the effect of delays in implementing the budget options for 2013/14. This has resulted in a net underspend of Cr £31k. This is partly offsetting a projected shortfall in income of £21k. £14k of which relates to the provision of CCTV to registered social landlords and £7k relates to scientific services income.
