EXECUTIVE

Meeting held on 9th September 2015 adjourned, to be re-convened at the close of the Special Executive meeting to be held on 17th September 2015

Although a revised report to the 9th September 2015 meeting was intended to clarify, and where appropriate, correct figures related to costs for the project, the Executive agreed that there appeared to be continued discrepancies related to the project's revised cost estimate and variations.

The Executive therefore agreed to adjourn the meeting until the conclusion of the Executive's special meeting on 17th September 2015 in order to consider the matter further following clarification by officers.
