

LONDON BOROUGH OF BROMLEY

STATEMENT OF EXECUTIVE DECISION

The Portfolio Holder for Environment, Councillor Will Rowlands, has made the following executive decision:

LBB'S NET ZERO CARBON ACTION PLAN – REPORTING YEAR 4

Reference Report:

LBB's Net Zero Carbon Action Plan – Reporting Year 4, 16/11/2023 Environment and Community Services Policy Development and Scrutiny Committee

Decision:

The Environment Portfolio Holder noted the year 4 greenhouse gas assessment (GHG) and progress made to reduce the Council's organisational emissions to net zero by 2027. He also noted the Scope 3 procurement emissions measured.

The Environment Portfolio Holder approved that work be undertaken on an Action Plan for the phased reduction of Scope 3 emissions for presentation to a future meeting of the Executive for a decision.

Reasons:

The Net Zero Carbon Action Plan report detailed the changes in LBB's organisational emissions for carbon reduction for year 4 of the Council's Net Zero Action Plan (2022/23) and provided an update on progress made towards achieving the Council's 2027 net zero carbon target. The report also provided an update on the work to baseline Scope 3 procurement emissions, and set out suggested next steps for a separate action plan to reduce these emissions.

The proposed decision was scrutinised by the ECS PDS Committee on 16th November 2023 and the Committee supported the proposal.
