

LONDON BOROUGH OF BROMLEY

STATEMENT OF EXECUTIVE DECISION

The Portfolio Holder for Transport, Highways and Road Safety, Councillor Nicholas Bennett J.P. has made the following executive decision:

TFL LIP FUNDED PROGRAMME FOR 2024/25

Reference Report:

*LIP FUNDED TRAFFIC AND ROAD SAFETY PROGRAMME, 16/11/2023
Environment and Community Services Policy Development and Scrutiny Committee*

Decision:

The Portfolio Holder approved the draft 2024/25 Transport Improvement Programme, as set out in Appendix A of the report, for submission to TfL for approval of funding.

The Portfolio Holder approved the delegation of any amendments to the programme, once the final allocation was confirmed by TfL, to the Director of Environment & Public Protection, in consultation with the Portfolio Holder for Transport, Highways & Road Safety

Reasons:

This report was to seek approval for the Local Implementation Plan programme submission to Transport for London for the financial year 2024/25. Transport has a key role to play in delivering these MBEB objectives. Projects to enhance walking and cycling infrastructure will be used to improve the public realm of town and local centres, providing a quality environment and creating places that people want to spend time in, thereby supporting vibrant, thriving town centres. By providing attractive walking and cycling infrastructure, residents will be able to undertake exercise as part of their everyday routine, improving their health and reducing the chance of disease. Infrastructure such as benches and improved walking routes help to ensure that older residents can remain active, thereby supporting independence and also promoting a healthy Bromley. Above all, the safety of road users on our streets needs to be enhanced as far as is possible.

The proposed decision was scrutinised by the ECS PDS Committee on 16th November 2023 and the Committee supported the proposal.
