

LONDON BOROUGH OF BROMLEY

STATEMENT OF EXECUTIVE DECISION

The Portfolio Holder for Transport, Highways and Road Safety, Councillor Nicholas Bennett J.P. has made the following executive decision:

UPDATE ON ELECTRIC VEHICLE CHARGING STRATEGY

Reference Report:

Update on Electric Vehicle Charging Strategy-ECS Jan 24, 23/01/2024 Environment and Community Services Policy Development and Scrutiny Committee

Decision:

The Portfolio Holder for Transport, Highways and Road Safety approved:

- 1) The appointment of Connected Kerb as a supplier of the on street electric vehicle charge points, to be installed in the locations defined in the EV Residential Charging Strategy.
- 2) The authorisation of officers to begin the process of rolling out an electric vehicle gulley charging project across the Borough as a paid for service, at no cost to the Council.
- 3) The delegation to the Assistant Director of Legal Services, the authority to sign and execute all legal and ancillary documentation arising in connection thereto.
- 4) The delegation to the Director of Environment and Public Protection, the authority to make minor changes to the schemes in response to operational requirements.

Reasons:

The Portfolio Holder for Transport, Highways and Road Safety was provided with an update regarding the EV Charging Strategy. The recommendations authorised by the Portfolio Holder were necessary for the progression of the next stages of the project.

The proposed decision was scrutinised by the Environment and Community Services PDS Committee on 23rd January 2024 and the Committee supported the proposal.
