

LONDON BOROUGH OF BROMLEY

STATEMENT OF EXECUTIVE DECISION

The Portfolio Holder for Transport, Highways and Road Safety, Councillor Nicholas Bennett J.P. has made the following executive decision:

CHISLEHURST WAR MEMORIAL SCHEME (BUKI)

Reference Report:

Chislehurst Report, 13/03/2024 Environment and Community Services Policy Development and Scrutiny Committee

Decision:

The Portfolio Holder for Transport, Highways and Road Safety approved the implementation of signalised pedestrian crossings at Bromley Lane and Royal Parade.

The Portfolio Holder agreed that any minor changes to the design should be delegated to the Director of Environment and Public Protection, in consultation with the Portfolio Holder for Transport, Highways and Road Safety.

Reasons:

The proposals aim to improve pedestrian facilities near the Chislehurst War Memorial by providing signalised crossings on Bromley Lane and Royal Parade. Officers worked closely with Transport for London (TfL) to achieve an optimum solution for the design, in order to ensure capacity at the junction is not adversely affected; a number of options were considered to reach the final proposed layout as recommended in the report.

The proposed decision was scrutinised by the ECS PDS Committee on 13th March 2024 and the Committee supported the proposal.
