

LONDON BOROUGH OF BROMLEY

STATEMENT OF EXECUTIVE DECISION

The Portfolio Holder for the Environment, Councillor Colin Smith, has made the following executive decision:

TfL FUNDED WORK PROGRAMME FOR 2015/16

Reference Report (ES14072):

TfL Funded Work Programme for 2015/16, 23/09/2014 Environment Policy Development and Scrutiny Committee

Enc. 1 for TfL Funded Work Programme for 2015/16, 23/09/2014 Environment Policy Development and Scrutiny Committee

Decision:

(1) The programme of formula funded schemes for 2015/16 outlined at Enclosure 1 to Report ES14072 be approved for submission to Transport for London.

(2) The Executive Director of Environment and Community Services, in consultation with the Environment Portfolio Holder, be authorised to make post-submission amendments to the programme reflecting any necessary changes on priority, potential implementation delays following detailed design and consultation, or other unforeseen events.

Reasons:

L B Bromley has a formula allocation of £2.4m from Transport for London (TfL) for 2015/16. Ring-fenced funding will also be available to support a number of other programmes.

It is largely for boroughs to determine how the formula allocation will be spent, (provided spend reflects the Mayor's Transport Strategy) and a list of schemes is provided to TfL for 2015/16.

The proposed decision was scrutinised by the Environment PDS Committee on 23rd September 2014 and the Committee supported the proposal.
