(2) The Council's policy in response to the new CQC ratings be as set out in paragraphs 3.4 to 3.7 in the report.

Reasons:

National and local policies expect that continuous improvement is achieved in the quality of care delivered in care services serving the local community. The Council has therefore adopted its policy to respond to the new CQC ratings of care homes. Two agencies are recommended for appointment to the framework set up in 2012.
