

LONDON BOROUGH OF BROMLEY

STATEMENT OF EXECUTIVE DECISION

The Portfolio Holder for Care Services (including Public Health), Councillor Robert Evans has made the following executive decision:

DOMICILIARY CARE CALL TRACKER CONTRACT

Reference Report:

Domiciliary Care Call Tracker Contract

Decision:

That the proposed extension of the Panztel contract from 1st April 2016 to 31st March 2017 be agreed.

Reasons:

The existing contract with Panztel for provision of the electronic data collection system which supported the Reablement Service was due to expire on 31st March 2016. To ensure continued provision of this service, it was requested that this contract be extended for a period of one year to allow time for an options appraisal around the future delivery of the Reablement Service to be completed and for consideration to be given to how the service could most effectively be delivered into the future.

The proposed decision was scrutinised by the Care Services PDS Committee on 12th January 2016 and the Committee supported the proposal.
