

**LONDON BOROUGH OF BROMLEY**  
**STATEMENT OF EXECUTIVE DECISION**

The Portfolio Holder for Care Services (including Public Health), Councillor Robert Evans has made the following executive decision:

**ANNUAL QUALITY MONITORING REPORT**

**Reference Report:**

*Annual Quality Monitoring Report*

**Decision:**

That Daret, Krislight, Fabs Homecare, LifeComeCare and Independent Care be added to the Domiciliary Care Framework as providers.

**Reasons:**

The Local Authority commissioned care placements from the Domiciliary Care Framework. When the Domiciliary Care Framework was originally established in 2012, the Local Authority had reserved the right to add new contractors, should one or more of the original providers withdraw or be suspended or removed from the Framework.

Three existing providers on the Framework were no longer providing care in Bromley. The five providers proposed to be added to the Domiciliary Care Framework had previously operated successfully under spot contracts and were delivering care within the rates for domiciliary care set by the Local Authority.

The proposed decision was scrutinised by the Care Services PDS Committee on 12th January 2015 and the Committee supported the proposal.
