

LONDON BOROUGH OF BROMLEY

STATEMENT OF EXECUTIVE DECISION

The Portfolio Holder for Care Services (including Public Health), Councillor Robert Evans has made the following executive decision:

DRAFT JOINT STRATEGY FOR CARERS

Reference Report:

*Draft Joint Strategy for Carers
Enc. 1 for Draft Joint Strategy for Carers*

Decision:

That the draft Joint Strategy for Carers be approved for adoption as the new Bromley Carers' Strategy 2016-2020.

Reasons:

In June 2015, the Local Authority and Bromley Clinical Commissioning Group commissioned a project, funded by the Better Care Fund, to engage with a broad range of local stakeholders to develop a new joint five year Carers' Strategy which responded to changes in local situations and national legislation including the Children and Families Act 2014 and Carers Act 2014, and would identify current priorities, establish the future direction of travel and shape commissioning intentions.

The new Bromley Carers' Strategy 2016-20 has been approved by the Clinical Executive Group of Bromley Clinical Commissioning Group, and it is requested that the Bromley Carers' Strategy 2016-20 be approved to enable work to commence on implementation of the action plan and development of a new commissioning strategy.

The proposed decision was scrutinised by the Care Services PDS Committee on 10th March 2016 and the Committee supported the proposal.
