

LONDON BOROUGH OF BROMLEY

STATEMENT OF EXECUTIVE DECISION

The Portfolio Holder for the Environment, Councillor Colin Smith, has made the following executive decision:

TFL FUNDED WORK PROGRAMME FOR 2017/18

Reference Report (ES16047):

LIP Programme 2017/18, 29/09/2016 Environment Policy Development and Scrutiny Committee

Enc. 1 for LIP Programme 2017/18, 29/09/2016 Environment Policy Development and Scrutiny Committee

Decision:

(1) The programme of schemes for 2017/18, outlined at Enclosure 1 to Report ES16047 is approved for submission to TfL.

(2) The Executive Director of Environment and Community Services, in consultation with the Portfolio Holder, be authorised to make post-submission changes to the programme to reflect necessary changes to priority, potential delays to implementation following detailed design and consultation, or other unforeseen events.

Reasons:

Consistent with the Council's Local Implementation Plan (LIP) and a provisional formula allocation of £2.482m Transport for London (TfL) funding for 2017/18, approval is given to develop a recommended list of detailed schemes for submission to TfL on 28th October 2016. This is to be based on a programme of formula-funded projects for 2017/18 as appended to Report ES16047.

Ring-fenced funding will also be available to support other programmes including Local Transport Priorities, Principal Road Maintenance, Bridges and Structures, and the Beckenham Town Centre major scheme.

All schemes will be subject to normal consultation with residents and Ward Members and Portfolio Holder decision.

The proposed decision was scrutinised by the Environment PDS Committee on 29th September 2016 and the Committee supported the proposal.
