

## **LONDON BOROUGH OF BROMLEY**

### **STATEMENT OF EXECUTIVE DECISION**

The Portfolio Holder for the Environment, Councillor William Huntington-Thresher, has made the following executive decision:

#### **LOWER SYDENHAM TO BROMLEY QUIETWAY PUBLIC CONSULTATION REPORT AND FINAL PROPOSALS**

##### **Reference Report (ES18026):**

*Lower Sydenham to Bromley Quietway Public Consultation Report and Final Proposals*

##### **Decision:**

**(1) An application be made to TfL to fund the proposed additional interventions and approval of the final designs is delegated to the Executive Director of Environment and Community Services, in consultation with Ward Members and the Portfolio Holder.**

**(2) Construction of the proposed route and interventions set out at section 3 of Report ES18026, following public consultation, is approved with approval of the final designs delegated to the Executive Director of Environment and Community Services, in consultation with Ward Members and the Portfolio Holder.**

##### **Reasons:**

In reporting progress on the above Quietway, Report ES18026 outlines recent consultation outcomes on the route including a summary of non-questionnaire comments and responses from the London Cycling Campaign, Lewisham Cyclists, and the Metropolitan Police. Many consultation comments will help refine designs during the detailed design process and travel information will be evidence for future scheme development.

This decision approves the route's construction and interventions (following public consultation) and a funding application is to be made to TfL for additional interventions outlined in the report. Authority for approving final designs is delegated to the Executive Director of Environment and Community Services, in consultation with Ward Members and Portfolio Holder.

The proposed decision was scrutinised by the Environment PDS Committee on 15th March 2018 and the Committee supported the proposal.
