

LONDON BOROUGH OF BROMLEY

STATEMENT OF EXECUTIVE DECISION

The Portfolio Holder for Environment and Community Services, Councillor William Huntington-Thresher, has made the following executive decision:

BROMLEY'S THREE YEAR TRANSPORT PLAN (LOCAL IMPLEMENTATION PLAN 3 2019-2022)

Reference Report (ES18060):

ECS PDS 101018 Report for LIP3 2019-2022

Bromley Draft LIP3 Document

Decision:

(1) Public consultation on the LIP3 document should start on 2nd November 2018.

(2) Amendments to the document post-consultation are delegated to the Executive Director of Environment and Community Services in consultation with the Portfolio Holder for Environment and Community Services.

(3) Submission of the 2019/20 LIP spending plan to TfL is approved.

Reasons:

L B Bromley's third Local Implementation Plan (LIP3) covers the period 2019/20 to 2021/22. It includes delivery proposals, targets, and outcomes the borough is seeking to achieve - identifying how L B Bromley will seek to work in a locally appropriate manner to achieve the Mayor's Transport Strategy (MTS) objectives of:

- Healthy Streets and healthy people;
- A good public transport experience; and
- New homes and jobs.

The LIP3 document also refers to longer term aspirations considered necessary to achieve MTS outcomes by 2041.

The proposed decision was scrutinised by the Environment and Community Services PDS Committee on 10th October 2018. In addition to supporting the recommendations in Report ES18060, the Committee also recommended that submission of the 2019/20 LIP spending plan to TfL is approved. This is agreed and covered at (3) above in the Decision.
