

LONDON BOROUGH OF BROMLEY

STATEMENT OF EXECUTIVE DECISION

The Portfolio Holder for Environment and Community Services, Councillor William Huntington-Thresher has made the following executive decision:

REDUCTION AND RECYCLING PLAN

Reference Report: Reduction and Recycling Plan (RRP)

Decision:

The Reduction and Recycling Plan be approved as set out in Appendix A of the report.

Reasons:

In May 2018 the Mayor of London published the London Environment Strategy (LES). This included a requirement for each London borough to produce a Reduction and Recycling Plan enabling each borough to achieve the specific waste management objectives and targets set in the LES. Bromley's Reduction and Recycling Plan documents the actions the Council will take to continue to deliver its corporate priorities for waste management, with a focus on waste minimisation, recycling and carbon reduction. The Plan covers the period May 2019 to May 2022 and the majority of the actions are already incorporated within service delivery plans for the Waste Disposal and Waste Collection contracts.

The report was considered by the Committee via the submission of written comments and the Committee supported the recommendations.
