

LONDON BOROUGH OF BROMLEY

STATEMENT OF EXECUTIVE DECISION

The Portfolio Holder for Environment and Community Services, Councillor William Huntington-Thresher has made the following executive decision:

COURT ROAD/GODDINGTON LANE - DANGER REDUCTION AND WALKING IMPROVEMENT SCHEME

Reference Report:

Enc. 3 for Court Road/Goddington Lane - DANGER REDUCTION AND WALKING IMPROVEMENT SCHEME, 17/11/2021 Environment and Community Services Policy Development and Scrutiny Committee

Decision:

The Portfolio Holder approved that Council Officers should carry out an informal consultation, detailed design and then road safety audits--and that the scheme should subsequently be implemented taking into consideration any matters that may arise out of the consultation and the road safety audits.

The Portfolio Holder agreed that any minor design changes to the scheme that may be required should be delegated to the Director of Environment and Public Protection for authorization.

Reasons:

The Portfolio Holder made this decision as it would enable Council Officers to implement plans which would improve safety and pedestrian facilities on Court Road, by improving the crossing points on Court Road between Goddington Lane and the highway.

The proposed scheme supported priority five of the 2021-- 2022 Environment Portfolio Plan to improve travel, transport and parking by implementing road safety measures and by implementing sustainable travel plans.

The proposed decision was scrutinised by the Environment and Community Services PDS Committee on 17th November 2021 and the Committee supported the proposal.
