## STATEMENT OF EXECUTIVE DECISION

The Portfolio Holder for Transport, Highways and Road Safety, Councillor Nicholas Bennett J.P. has made the following executive decision:

### TRAFFIC AND ROAD SAFETY POLICIES AND PROGRAMME

#### Reference Report:

*Traffic and Road Safety Policies, 22/11/2022 Environment and Community Services Policy Development and Scrutiny Committee*

#### Decision:

The Portfolio Holder approved the draft 2023/24 transport improvement programme for submission to TfL for approval of funding.

The Portfolio Holder approved the delegation of any amendments to the programme, once the final allocation is confirmed by TfL, to the Director of Environment & Public Protection in consultation with the Portfolio Holder for Transport, Highways & Road Safety.

#### Reasons:

The decision was in line with the Borough's current Transport Plan – "Bromley's Third Local Implementation Plan – Bromley's Transport for the Future" published in 2019.

The decision was consistent with the Council's objective from the 2021-2022 Environment and Community Services Portfolio Plan (section 5) of reducing traffic congestion: reduce traffic congestion, improve road safety (including public perception of improving road safety), and encourage walking and cycling.

The proposed decision was scrutinised by the ECS PDS Committee on 22nd November 2022 and the Committee supported the proposal.
