REVIEW OF PARKING FEES

Reference Report:

*Parking Services--Review of Fees and Charges-Main Report, 22/11/2022
Environment and Community Services Policy Development and Scrutiny Committee*

Decision:

The Environment Portfolio Holder agreed the following:

- The proposed tariff increases of 20p to all on and off-street parking locations, as set out in section 3 and appendix one.
- The proposed tariff review timescale being changed to every 2 years as set out in section 3.
- The proposed tariff charges for The Civic Offices car park as set out in section 4.
- The proposed changes to The Hill car park as set out in section 5.
- The proposed evening tariff in Mitre Close as set out in section 6
- The proposed implementation of tariffs in the existing free on and off-street parking places as detailed in section 7
- The proposed permit charges as set out in section 8.
- The proposal to accelerate the removal of all pay and display machines across the Borough as set out in section 9.

The Portfolio Holder agreed that there would be no changes made with respect of the Sundridge Car Park at this time.

Reasons:

These recommendations will help take forward the Council's policy of reducing the number of pay and display machines around the Borough and reducing the ongoing maintenance costs on the Parking Enforcement Contract.

The proposed decision was scrutinised by the ECS PDS Committee on 22nd November 2022 and the Committee supported the proposal.
