#### **Reference Report:**

*REDUCTION AND RECYCLING PLAN 2023-25, 16/03/2023 Environment and Community Services Policy Development and Scrutiny Committee*

#### **Decision:**

The Portfolio Holder for Sustainability, Green Services and Open Spaces, approved Bromley's Reduction and Recycling Plan as set out in Appendix A of the report.

#### **Reasons:**

Bromley's RRP (Reduction and Recycling Plan) seeks to compliment the Council's corporate environmental policies

The adoption of the RRP will contribute to the 'Making Bromley Even Better' ambitions for residents to live responsibly and prosper in a safe, clean and green environment and to provide efficient and effective services and value for money.

RRP actions that focus on minimising waste will assist the Council in reducing the cost of its Waste Management Service.

The actions set out in the RRP will contribute to the Environment Portfolio Plan priority to minimise waste and increase recycling.

The RRP is required to demonstrate Bromley's general conformance with the Mayor of London's Waste Management Policy.

The proposed decision was scrutinised by the ECS PDS on March 16th 2023 and the Committee supported the proposal.
