4 PETITIONS (Pages 5 - 6)

A petition from Elena Tincu and Sian Thomas was submitted to the Council on 31st January 2011. The petition was headed as follows:

“Petition against parking permit scheme in the Penge East area roads includes: Station Road, Mosslea Road, Kingswood Road, Lucas Road, St John’s Road, Queen Adelaide Road, Montrave Road, Crampton Road, High Street, Bredhurst Close.

We would like to present this petition to the next Environment Policy Development and Scrutiny Committee meeting on Tuesday 1st March 2010. We understand that the results of the public consultation will be presented at this meeting.”

In line with the Council’s Petitions Scheme, Councillor Colin Smith, the Executive Member for the Environment Portfolio, responded to the petitioners on 13th February – a copy is attached at item 4 of the agenda. This response was sent to the head petitioners and published on the Council website.

As the petitioners have exceeded the threshold required, they have requested that the petition is referred to the relevant Policy Development and Scrutiny (PDS) Committee for consideration. The head petitioner or their nominee have five minutes to put their case to Councillors.

Once the Committee has considered what is brought before them, they can choose to make recommendations for action. If there are any recommendations requiring action by Councillors or Officers then a report back to the next scheduled meeting of the PDS Committee is required, which should set out what has been done in response, or if nothing, then the reasons for this.
