27 MINUTES

The Minutes of the Council Meeting held on 25th June 2012 were confirmed, subject to an update in respect of oral Question 6 (Appendix B). The Portfolio Holder for the Environment advised that the number of people paying for their garden waste to be removed was 7,300 and that the figure of 8,000 included enquiries received.

28 DECLARATIONS OF INTEREST

Councillor Auld reported that in accordance with the Localism Act 2011 he had a Discloseable Pecuniary Interest in item 8 (Localised Pay and Conditions of Service) as his wife worked for the local authority. He would therefore not be taking part in any discussion or voting on this issue and as required under the Council's Local Code of Conduct would leave the chamber whilst the item was being considered.

Councillors Colin Smith and Diane Smith both declared personal interests as their daughter worked part-time for the Library Service although this was not a Discloseable Pecuniary Interest.

29 QUESTIONS BY MEMBERS OF THE PUBLIC

Two members of the public attended to ask oral questions details of which are set out in Appendix A to these Minutes.

30 QUESTIONS BY MEMBERS

These are attached at Appendices B and C.

31 STATEMENTS MADE BY THE LEADER OF THE COUNCIL, PORTFOLIO HOLDERS OR CHAIRMEN OF COMMITTEES

1) The Portfolio Holder for Public Protection and Safety made a Statement on SLAM and Bethlem Hospital in response to the oral question and request from Cllr Nicholas Bennett J.P.

Councillor Stevens advised that since the Council agreed the Motion at its last meeting (Minute 24A – 25.06.12 refers) concerning breaches of security at Bethlem Royal Hospital, a further letter had been sent asking for a formal response to this but nothing had been forthcoming until 24th August 2012. In their joint reply the Chief Executive and Chairman of the Hospital Board stated that they did not accept the Council's conclusions on the way security was managed at the Hospital. Councillor Stevens had therefore been shocked when subsequently he had been informed of a serious incident at the Hospital when Police had been called to deal with a disturbance amongst patients on

the night of 30th September 2012. He was aware that an independent review of this situation was being undertaken, the outcome of which was awaited. However, the Police had informed Councillor Stevens that the SLAM staff were not properly trained to deal with the situation. The Police now had to do joint training with the SLAM Security Team to ensure that they were properly trained to deal with this kind of incident in the future.

The Leader of the Council on being informed of the situation had sought to arrange a meeting with the Hospital's Acting Chief Executive but had been told that a meeting was already arranged for 20th November 2012. Soon after this the Leader was informed by a hospital member of staff of their concerns that with the closure of units elsewhere more dangerous patients were being brought to the hospital and that the recent incident had demonstrated that the Trust lacked the resources to manage dangerous patients. After much persistence the Leader had finally spoken to the Acting Chief Executive on 25th October 2012 and expressed the Council's deep concerns and lack of confidence in the Chairman of the Hospital Board. Members were informed that the Leader of the Council, together with the Portfolio Holder and Chairman of the PDS Committee, Officers of the Council and the Police would be meeting with the Acting Chief Executive and his Team on 20th November 2012 when the Council's concerns and displeasure at the way this situation had been dealt would be made very clear.

The Portfolio Holder stated that he would continue to challenge SLAM when they failed to take the security of residents living nearby seriously and he would also continue to question their decisions and demand that they consult with the Council over any changes planned for the future.

The Portfolio Holder for Renewal and Recreation made a Statement on the latest situation concerning the provision of Christmas Lights in West Wickham High Street in response to a written question from Councillor Nicholas Bennett JP.

Councillor Morgan reported that Christmas lights had been displayed in West Wickham High Street for the past 20 years. However, as a result of the High Street being made a Red Route TfL had taken over responsibility for it and had said they would not allow the lights to be displayed this year for Health & Safety reasons. They had told local traders that if they wanted to go ahead with the lights they would have to pay for the lamp columns to be stress tested at a cost of £150 per column. The Portfolio Holder explained that Bromley tested its lamp columns every 2 years. As there were 20 columns in the High Street area such costs were prohibitive and it seemed that there would be no lights along the road. Following numerous email messages between the various parties involved the Portfolio Holder was glad to announce that 'sense to some extent had prevailed' as TfL were now willing to allow wrap around Christmas lighting to be used this year in stead of the previous lighting at a cost of £75. Councillor Morgan wished to place on record his thanks to James Cleverly the GLA Member, Officers of the Council, the local Residents Association and the West Wickham Town Centre Manager for all they had done in bringing about a resolution to the situation.

32 LOCALISED PAY AND CONDITIONS OF SERVICE

A Motion to adopt from 1st April 2013, or the earliest possible date thereafter, localised pay and conditions of service on the following basis was duly proposed and seconded:

(i) Withdraws from the NJC, GLPC and Soulbury Committees and introduces an annual local pay review mechanism to replace the existing national and regional collective bargaining arrangements and the LJNC for Lecturers in Adult Education.

(ii) Discontinues the existing PRP scheme for MG staff and ceases to accept a recommendation from Inbucon on the market movement in salary bands for staff on the Bromley Management Grades (MG) - the MG annual salary review will be undertaken via the same single local annual pay review mechanism as all other staff (except teachers.)

(iii) Introduces a scheme of discretionary non-consolidated non-pensionable rewards for exceptional performance applicable to all staff; and

(iv) Withholds pay increases for under performing staff to reinforce the link between individual performance and pay.

The Chief Executive to be given delegated authority to progress the detailed work necessary to achieve the implementation of localised pay on the basis of the framework set out in recommendations (i)-(iv) inclusive above.

38 MOTIONS

Notice of four Motions had been received and these were dealt with as follows:

1) Library Service – (Revised version)

The following Motion was proposed by the Councillor Tom Papworth, and seconded by Councillor Reg Adams:-

“Bromley Council

1. reiterates its commitment to ensuring that all residents of the London Borough of Bromley of Bromley are able to easily access library services;

2. acknowledges the receipt of a petition in 2011 of over 1,000 signatures from residents (especially from Crystal Palace, Penge & Cator and Clock House) calling on Bromley Council to save Anerley Library
3. notes with concern the threat to the long term future of Upper Norwood Joint Library by the 60% cut in funding imposed by Croydon Council;
4. notes the excellent service provided by Anerley and Upper Norwood Libraries to Bromley residents in the Crystal Palace Ward
5. seeks the commitment from the Executive that some library services continue to be provided from the Anerley Town Hall site, following the development of a new library in Penge town centre
6. seeks assurances from the Leader and Portfolio Holder that they will work with Croydon and Lambeth Councils to explore how the long term future and governance of the Upper Norwood Joint Library can be secured.”

On being put to the vote this revised Motion was LOST.

2. Government Planning Policies

The following Motion was proposed by Councillor Peter Dean and seconded by Councillor Alexa Michael:

“This Council notes with great concern the recent proposed planning changes announced by Eric Pickles MP, Secretary of State for Communities and Local Government.

In particular, this Council is concerned about specific proposals to allow residents to build conservatories and single storey rear extensions of up to eight metres (30 feet) in domestic gardens without having to apply for planning permission until late 2015, and the proposal to encourage Councils to use the National Planning Policy Framework to vary the extent of the Green Belt in their areas.

This Council believes those proposals:

- would have an adverse and irrevocable impact on the character of the Borough, including further encroachment of the Green Belt and undesirable changes to properties;
- would reduce the quality of life for neighbours and Borough residents generally;
- would undermine both the ability of individual residents to object to planning proposals that affect them and elected Councillors’ power to refuse bad planning applications.

This Council therefore urges the Secretary of State to reconsider the above proposals and also calls on the Borough’s MPs to lobby against the proposals.”

On being put to the vote the Motion was CARRIED.

Order of Business

Councillor Getgood requested that in view of the important subject matter and the lateness of time that his Motion on Hospital Services be taken next for discussion – after brief discussion a Motion to proceed on that basis was moved and seconded and was **CARRIED**.

(Councillor Colin Smith asked for the recording of his contrary vote against changing the order of business.)

3 Hospital Services

The following Motion was proposed by Councillor John Getgood and seconded by Councillor Kathy Bance:

“This council welcomes the positive and helpful recommendations of the Special Administrator to deal with the financial problems associated with the South London Health Trust in his initial report published on 29th October 2012.

However, this Council is deeply concerned that the proposals to close Orpington Hospital, the Lewisham A&E and Maternity units and to withdraw services from the Beckenham Beacon will be harmful to the standards of health care for people living in Bromley.

This council calls on the Leader of the Council and the Chief Executive to respond to the consultation by drawing attention to these concerns and to approach the four Members of Parliament representing the Borough to present a united response to the Special Administrator on the recommendations he will finally make to the Secretary of State for Health.”

An Amendment to the Motion was put that it be referred to the Care Services PDS Committee for consideration at the meeting on 4th December 2012 when the Trust Special Administrator would be attending whilst members discussed the consultation proposals.

On being put to the vote this amendment to the Motion was CARRIED.

(Note: The Leader of the Council stated that he would write to the Trust Special Administrator seeking an extension to the consultation period following the Council Meeting.)

3. European Union

The following Motion was proposed by Councillor Colin Smith and seconded by Councillor Richard Scoates:

“This Council notes with profound concern, recent widespread reports that the European Union intends to seek significant additional financial contributions from the UK over coming years, further to expand its own still un-audited and wasteful budget. This at a time when the Coalition Government is quite rightly trying to eliminate the worrying domestic deficit it inherited from its predecessors.

The EU provides little obvious benefit to the residents of this Borough. This Council therefore firmly believes that with valued local services facing acute ongoing pressure as a result of Central Government’s 28% cut to Local Government funding, that the EU must be forced to play its part in the solution too, by reducing its call on the Bromley taxpayers’ purse.

Accordingly, this Council respectfully calls on the Coalition Government to inform the EU of its intention to make large, real time reductions to the UK’s future contributions to the EU’s budget and likewise respectfully requests the Borough’s 4 MPs to use their influence within the House of Commons to promote this desired outcome.”

An amendment to the Motion deleting the majority of paragraphs two and the entire last paragraph from the Motion was moved and seconded.

On being put to the vote this amendment was LOST.

On being put to the vote the original Motion was CARRIED.

COUNCIL MEETING

12th NOVEMBER 2012

ORAL QUESTIONS FROM MEMBERS OF THE PUBLIC

1. From Pam Remon to Councillor Graham Arthur, Resources Portfolio Holder

The Equality Trust web site tells us that closing the income gap between rich and poor is good for everybody. So, will Bromley Council reconsider setting up a Fairness Commission in the light of the high rate of pay for Bromley executives and, also, agree to pay the London Living Wage for its directly-employed and contractor-employed low paid workers?

Reply:

Pursuant to the Localism Act 2010 the Council has a Pay Policy Statement and a key element of the Statement is the relationship between the remuneration of the highest paid employee (the Chief Executive) and the remuneration of the lowest paid employee, commonly referred to as the pay multiple. The Council's current pay multiple of 1.13, or 1.6 (based on median salary) is within the range recommended to the government by Lord Hatton, following a comprehensive review of fair pay in the public sector.

Tonight the Council will consider the recommendation from the General Purposes and Licensing Committee to implement a localised merited pay framework, thus enabling the Council to link pay increases with performance for all staff across the organisation except teachers. It also means that the Council will withdraw from the national and regional pay negotiating frameworks and replace these with a local process by democratically elected Councillors at Full Council meetings. It will enable the Council to innovate and flex its reward strategies to reflect local circumstances with a view to maintaining competitive pay rates and conditions of employment in order to recruit and retain a well motivated quality workforce. Hence there is no need for a formal policy on the London Living Wage and the Council has no authority on the matter as far as third party employment relationship with their staff is concerned.

Supplementary Agenda

Mrs Remon did not consider that the response addressed the issue of fairness as many London Boroughs were beginning to address the inequalities in their pay structures. She asked if the Portfolio Holder considered it FAIR that the highest paid member of Bromley Council should be earning £97.00 per hr for a 40 hr week and the lowest paid worker should be earning £7.00 per hr for a 40 hr week?"

Reply:

The Portfolio Holder would be happy to discuss this further with her after the meeting and said that these issues would be looked at in the future as we went forward with the introduction of the Pay Policy.

2. From Onay Kasab to Councillor Graham Arthur, Resources Portfolio Holder

The Council should be aware that Veolia has dismissed four employees on the grounds that they removed unauthorised waste despite no money changing hands. Can the Council confirm that they have played no part in influencing the disciplinary process with a view to ensuring that the four are dismissed and remain dismissed?

Reply:

The questioner will I am sure be familiar with the T&G's *National Recognition and Procedural Agreement 2006 for Municipal Services' Operation* agreement with Veolia, and in particular Section 9, which deals with Gross misconduct.

Within section 9.1, under the heading Corruption it states that:

“Unlawful receipt of money, goods or favours or of excessive hospitality in respect of services rendered (this includes unauthorised waste removals regardless of whether payment is received or not) but this does not include the receipt of unsolicited gratuities.”

It is clearly for Veolia to determine the seriousness of the allegation and the appropriate disciplinary action.

Supplementary Question:

Mr Onay Kasab questioned how it could be fair for an employee of Veolia to go through a disciplinary process and not be disciplined or dismissed and yet the Council had waived the 'red card' and said that the employee should not continue to be employed by the Company. He thought that if the Council wished to retain that level of influence it should have considered that when originally deciding to privatise such services. He also commented that with all the various issues going on at the moment including an industrial dispute with your own workforce it would be far better for the Council to keep out of the matter and let Unite and Veolia sort things out between them.

Reply:

Councillor Smith responded that the Council had not interceded and not handed out red cards and any allegations that they had were simply not true. Referring to the issue raised about fairness he stated that the facts were that a crew had been caught 'red handed' taking some 60 litres of garden waste

including 2 full hippo bags and 2 car seats and refuted protests from the gallery that this was not the case.

The Portfolio Holder also thought that it was wrong that officials purporting to represent/recruit staff had circulated letters saying that the only reason the men had been sacked was for taking some garden waste away at the request of a householder which was not the truth.

COUNCIL MEETING

12th NOVEMBER 2012

ORAL QUESTIONS BY MEMBERS OF THE COUNCIL

1. From Councillor Nicholas Bennett JP of the Portfolio Holder for Public Protection and Safety

What information he has regarding recent events at the Bethlem Hospital and if he will make a statement?

Reply:

The Portfolio Holder for Public Protection and Safety will be making a Statement on this matter which will be dealt with under item 7 when there will be opportunity for member questions.

2. From Councillor Nicholas Bennett JP of the Leader of the Council

What representations he has made to the new Chief Executive of the South London and Maudsley Trust regarding the Council's concerns about the management of the Bethlem Hospital site?

Reply:

Councillor Carr responded that like you and indeed most if not all members, I have had very real concerns about the poor level of management at the Hospital with regards to security. For that reason we tried to arrange for the earliest possible meeting with the interim Chief Executive, Mr Gus Heathfield, as soon as he took over in his new position. This seemed not to be as straight forward as I had hoped and so I was forced to settle for a conference call on Wednesday 25th October. This conference call took place with myself, the Portfolio Holder for Public Protection and Safety and Mr Heathfield.

After all normal introductions and pleasantries I believe I very clearly articulated to Mr Heathfield our very grave concerns at the casual and dismissive attitude to public safety demonstrated by the Hospital and indeed the previous Chief Executive and the Chairman of the Board. We explained what we considered to be a very poor response to recent incidents and the failure to abide by the recently agreed protocol. I went on to explain that my colleagues and I had lost faith in the management of the organisation and went on to suggest that a member of the Authority should be asked to join the Board.

That said I did assure the interim Director that the Local Authority would seek to work with him and his colleagues to ensure these issues could be corrected as it was crucial for the well being and safety of our residents.

Finally it was agreed to arrange a date on Tuesday 20th November 2012 when I, the Portfolio Holder, the Chief Executive, Mr Davies and the Deputy Borough Commander would meet with Mr Heathfield to further our discussion.

Supplementary Question:

Councillor Bennett thanked the Leader for this response and referred to the concerns of local residents of West Wickham Ward which bordered onto the hospital boundary and their concerns about escaped patients who ended up in the shopping centre. He asked if the Leader would point out to the new Chief Executive that it was perfectly legitimate for this Council to express the concerns and fears of its local residents to him as Council Members were the only democratically elected representatives for the Borough unlike the SLAM Board which was appointed by the Secretary of State and had no democratic input directly from the electorate. Also that the Council would expect the new Chief Executive to respond very clearly to Council and resident's concerns in a more positive way which was not done under the previous regime.

Reply:

Councillor Carr fully agreed with these views which he thought should be directed to the Interim Chief Executive and he was aware that the Police also had very serious concerns about the dismissive attitude shown previously and advised that he would be happy to report back following the meeting.

3. From Councillor Nicholas Bennett JP of the Leader of the Council

Whether he will initiate a cross council review of all public facing services to see what processes currently undertaken by paper could be undertaken on line, including those carried out on behalf of the council by contractors?

Reply:

The Leader replied that he would happily initiate a cross council review as suggested by the Member and would be happy to discuss with contractors something similar.

Supplementary Question:

Councillor Bennett referred to the work already going on through the Education PDS Committee and the New Technology Working Group, Chaired by Councillor Will Harmer, to bring more work on line. He asked if the Leader would bring to the attention of Liberata a complaint he had received from a resident who was moving out of the Borough and had been told that he had to complete a form on line which then had to be printed off and posted to the Council. To claim any refund would be by post could involve him in 5 sets of written correspondence on an issue which Councillor Bennett felt ought to be dealt with fully on line.

Reply:

Councillor Carr responded that he would be happy to take this up with Liberata but it had to be borne in mind that whilst we could negotiate and encourage changes to their procedure he was not sure that the Council was in a position to make contractors carry this out but he would do what he could.

WRITTEN QUESTIONS BY MEMBERS OF THE COUNCIL

1. From Councillor Russell Mellor of the Portfolio Holder for Care Services

My question to the Chairman of Development Control Committee of the 25th June advised me of the number of Social rented and affordable housing units, which had been completed. Can the Portfolio Holder advise me as to the number of units which, were allocated to Bromley residents under the Council's nominated rights for such schemes.

Reply:

Please see attached Appendix 1.

2. From Councillor Russell Mellor of the Portfolio Holder for the Environment

I would be obliged if the Portfolio Holder can advise me as to the financial cost of removing discarded chewing gum from Bromley streets.

Reply:

It is estimated that between £15,000 to £20,000 will be spent removing chewing gum from the Borough's streets during this Civic Year.

3. From Councillor Tony Owen of the Portfolio Holder for Resources

Please will you list all overseas travel undertaken by members and officers on council related business since my last question on this subject (July 2007) and with the same level of detail.

Reply:

Please see attached Appendix 2. There are still some returns due from Departments as the records are not held centrally and a comprehensive list will be circulated as soon as possible following the Council Meeting. (Revised list now attached since the Council Meeting)

4. From Councillor Nicholas Bennett JP of the Leader of the Council

What progress is being made in reducing the purchase of paper by moving to print on demand for leaflets, committee papers etc and advising customers of on line facilities?

Reply:

The use of paper by the Council has been substantially reduced in the current year -

Boxes ordered 2011/12	4,587 boxes
Boxes ordered 2012/13 (to Sept.)	2156 boxes
Boxes ordered 2012/13 (projected)	3,504 boxes
Whole year reduction	1,083 boxes

This amount covers the MFD (Multi-Function Device) fleet, 32 satellite locations and the Central Print Bureau. On-line analysis of the output of individual MFD's enables the Centralised Support Team to only order the required number of boxes and additionally suspend ordering during periods of low use such as the summer holiday, Easter and Christmas/New Year breaks.

Central Print Bureau copy volumes are continuing to reduce -

Copies 2011/12	2,459,136 (of which 957,172 are committee papers)
Copies 2012/13 (to Sept.)	789,462
Copies 2012/13 (projected)	1,578,924 (of which 674,748 are committee papers)
Whole year reduction	880,212

This reduction is in no small part a consequence of the down-turn in leaflet production requests, but the number of committee reports being copied is also reducing.

Design work requests registered through the Centralised Support Team have also reduced significantly -

April to September 2011 - 274 jobs
April to September 2012 - 22 jobs

Of the 274 design jobs registered from April to September 2011, 33% were for leaflet design.

There has been a marked decrease in requests to display leaflets at the Council's main reception desk and other outlets and this trend is continuing. The majority of the requests to display information/posters are from Public Health and requests to publicise up-coming events. The Reception team continually advises customers to use on-line services, directing and supporting them to use the public PC's. An example of this is encouraging customers to apply for free school meals on-line and assisting these customers, if necessary.

5. From Councillor Nicholas Bennett JP of the Portfolio Holder for Resources

How many posts have been deleted from the council's establishment in each of the past four years including the current financial year as a result of:

- i. abolition of the post
- ii. transfer to an outsourced contractor?

1. Reason for report

The attached report was considered by the Executive at its meeting on 9th January 2013 and concerns the need for the Council to adopt a local Scheme for Council Tax Support/Reduction. From 1st April 2013 the current national scheme for providing assistance with Council Tax (Council Tax Benefit) will cease and is to be replaced by a local authority designed scheme for those claimants of working-age to be known as Council Tax Support/Reduction. This new Scheme must be adopted before 31st January 2013 otherwise a default scheme would be imposed.

Following consultation the Executive was asked to consider 2 Options (as referred to in Paragraphs 3.5 to 5 of the report) and decided to recommend Option 1 for adoption by Council.

A copy of the new local Scheme which is set out in the prescribed formula is attached.

2. **RECOMMENDATIONS**

(1) Council is requested to adopt the new Council Tax Support/Reduction Scheme based on Option 1, as set out in the report circulated, with effect from 1st April 2013.

(2) That the Finance Director, in consultation with the Director of Resources and the Resources Portfolio Holder, be authorised to make any necessary minor changes to the Scheme as required.

3. COMMENTARY

3.1 Introduction

The current means for households to receive assistance with their Council Tax is the Council Tax Benefit (CTB) scheme. CTB is a national scheme, with very limited local discretion. The entitlement is based on 100% of a household's liability, with approximately two-thirds of those receiving CTB in Bromley having their full Council tax met. Currently approximately 22,000 households in Bromley receive Council Tax Benefit, with an annual value of approximately £19.6m.

Initial details of the proposed changes were reported to the July 2012 meeting of The Executive; however for ease of reference they have been repeated below:

From the 01 April 2013 the current national scheme for providing assistance with Council Tax (Council Tax Benefit) ceases to exist and is to be replaced by a local authority designed scheme for those claimants of working-age. This is to be known as Council Tax Support/Reduction (CTS/R). For those of pensionable age the scheme will continue to be based on national rules and regulations.

Under the proposals contained in the current Local Government Finance Act the Council has full discretion over the design of the new CTS/R scheme for working-age claimants.

In respect of pensioners the national scheme applies and this will be almost identical to the current Council Tax Benefit scheme, with the undertaking that the claimants will not be worse off than if CTB had continued.

Included in the consultation document issued by the Department for Communities and Local Government (DCLG) was the statement that funding would be set at the level of 90% of that awarded by way of subsidy to Council Tax Benefit (covering pensioners and working age). However, when the indicative funding figures were received from the DCLG they showed a reduction of almost 13%. The reason given for the variance was the expectation that the numbers eligible for assistance would reduce, non-dependant deductions would increase and funding towards overpayments was withdrawn.

Should a scheme not be adopted by Members before the 31 January 2013, a default scheme would be imposed. This scheme would be widely in line with the current CTB scheme and as a result not bring about savings in the entitlement awarded resulting in the Council fully meeting the loss of grant of £2.23m without direct compensatory savings.

3.2 Consultation

At the 25 July 2012 meeting of The Executive a decision was made to undertake consultation on CTS/R being based on 75% of the households Council Tax Liability. The consultation exercise closed on the 12 October 2012 by which time just over 1,000 responses had been received.

For ease of reference I have listed below the headlines that emerged:

- The majority of people favour basing the proposed CTS/R scheme on the current Council Tax Benefit (CTB) scheme
- Strong support from non-claimants and pensioners for working age claimants to contribute towards their Council Tax; far fewer working age claimants agree this is fair
- The proposal to set money aside to help claimants facing exceptional circumstances is very well supported
- If a contribution has to be made, working-age claimants suggest a minimum of 15%. This was the lowest of the options provided
- The balance of opinion favours the retention of the £16,000 savings threshold
- Phasing in of the scheme over 2 years to reduce the immediate impact is supported

The GLA responded to Bromley's consultation on the 12th October. In the main their communication was just reiterating the content of our proposed scheme; however they did include the following statement:

"The GLA considers that in formulating the council tax support scheme each billing authority should both consider and address how it intends to take advantage of the technical reforms. The additional revenues could be used to partly offset the Council's forecast council tax shortfall and potentially allow Bromley to increase the maximum level of assistance to households in respect of their council tax liability."

A report containing more detailed information on the consultation responses is attached as Appendix1.

3.3 Additional Government Funding

The July 2012 report to The Executive informed of the indicative funding figures advised by the DCLG. However, on the 15th October Baroness Hanham announced that the DCLG was making available an additional £100 million funding to Councils for supporting them in developing well-designed schemes and maintain positive incentives to work. The funding takes the form of a transition grant and is available for one year only.

In order to access the additional funding, the scheme to be adopted would need to fulfil the following criteria.

- Those who are currently receiving 100% support under the current CTB arrangements pay no more than 8.5% of their council tax liability;
- The taper rate does not increase above 25%
- There is no sharp reduction in support for those entering work – for claimants currently entitled to less than 100% support, the taper will be applied to an amount at least equal to their maximum eligible award; and

In allowing flexibility over aspects of the scheme, the Government would not expect LA's to impose large additional increases in non-dependant deductions.

Figures released by the DCLG indicate that once only funding of £352k would be available (£416k including GLA element).

Council's will need to make an application for funding after the 31 January 2013 (date by which local schemes need to be adopted) with any sum due being paid in March 2013.

3.4 Caseload Variations

At the time of the July report to "The Executive", Bromley's Council Tax Benefit (CTB) caseload was increasing. This was built into the calculations when advising of the changes that would need to be made in order for expenditure under the proposed CTS/R scheme to be fully met by the reduced level of Government funding.

Since July, the number of households receiving CTB together with the corresponding expenditure has reduced to April 2012 levels, thereby reversing the upward trend that has been in place since 2008. The figures included in this report have therefore been revised to reflect the updated position.

3.5 Options

As a result of the changes detailed in paragraph 3.4 and having taken into account the making available of a £100k discretionary fund for those facing exceptional circumstances, CTS/R would need to be based on 81% of liability to meet the funding gap.

All options relate to applying a minimum Council Tax liability to working-age claimants only, with claimants of pension credit age being protected from being worse off under the new scheme.

Below are detailed 2 options for consideration, the first of which would result in Bromley qualifying for the additional government funding (parag 3.3) of £352k (excluding the GLA element).

Option 1

Working-age claimants would be required to contribute a minimum of 19% towards their Council Tax liability. However, in respect of 2013/14 only transitional protection would be applied, limiting the minimum contribution to 8.5% of their Council Tax liability. This option would enable the Authority to qualify for the additional Government funding (LBB £352,327 and GLA £109,013)

Option 2

Working-age claimants would be required to contribute a minimum of 19% towards their Council Tax liability, with the full sum becoming liable from Year 1 (2013/14)

3.6 Appeals

Confirmation has now been received that appeals will be considered by the Valuation Tribunals. Limited details are currently known but we have been advised that further information will be released in January 2013. However, it appears that there will be a requirement to draft 2 submissions and attend 2 hearings where a claimant is asking for review of his HB and CTS/R. Also, the responsible body would potentially have to consider the merits of a case against rules/regulations of 300+ LA's.

3.6 Software

Capita, the council's benefits software provider has advised that they will be able to revise the current computer system to accommodate both of the options contained in this report. However, the time between the release of the revised software and the annual Council Tax billing for 2013/14 is limited, therefore we are in regular contact with our provider in order to minimise the chance of slippage.

4. POLICY IMPLICATIONS

The scheme adopted by the Authority can be changed in future years; however dependant on the scale and nature of the planned revision it may be necessary to undertake a further consultation exercise and/or grant transitional protection for those adversely affected.

5. FINANCIAL IMPLICATIONS

After revising the savings requirements in the light of the reduction in CTB expenditure and caseload, the CTS/R scheme would need to produce savings of £2.235m in order to cover the reduction in Government funding. When adding in the £100k intended for the granting of discretionary awards this makes the shortfall £2.335m.

If all working age claimants were required to contribute a minimum of 19% towards their Council Tax liability, expenditure would be reduced by approximately £2.36m.

The Council will receive in the year surplus on the collection fund of £1.8m which could be used to support the cost of any phasing of changes to the system

Option 1

Working-age claimants are liable to pay a minimum of 8.5% of their council tax liability in year 1 (2013/14) and 19% thereafter. The additional funding would be received from the Government, with the remaining shortfall in the first year being met from the surplus on the collection fund which currently stands at £1.8m. Detail of the collection fund surplus is reported elsewhere on the agenda.

Option 1	Reduction in funding + £100k discretionary fund	Less additional Govt. funding	Net reduction in funding	Less reduction in expenditure through minimum liability.	Net cost / deficit to be funded from collection fund

2014/15 – 19%	2335	0	2335	2360	-25

Option 2

Working-age claimants are liable to pay a minimum of 19% of their council tax liability from the commencement of the new scheme

Option 2	Reduction in funding + £100k discretionary fund	Less additional Govt. funding	Net reduction in funding	Less reduction in expenditure through minimum liability.	Net cost / deficit to be funded from collection fund

2014/15 – 19%	2335	0	2335	2360	-25

Impact on Collection

It is inevitable that collection rates will fall for the affected claimants and although the final outturn will not be known for at least 3 years the results will be affected by the view of magistrates considering court summonses as well as the impact of welfare reform. The impact of any changes and collection levels will need to be reflected in the Council's four year financial forecast.

6. LEGAL IMPLICATIONS

As is outlined in the report the council carried out a detailed consultation exercise following on from the Executive decision in July. At that point, details of government support for the changes hadn't been released. Consideration has been given as to whether further consultation was needed before putting option 1 forward. The conclusion is that as no-one from a group with protected characteristics would be disadvantaged by this option and as there would not be a material impact on other services through a one off use of surpluses in the collection fund then further consultation was not required.

Members in making their decision must have regard to the consultation outcome and the equality impact assessment.

If a scheme is not agreed by Council before 31 January 2013 then the default scheme will apply.

Council Tax Support

Consultation Findings

October 2012

THE LONDON BOROUGH
www.bromley.gov.uk

Introduction

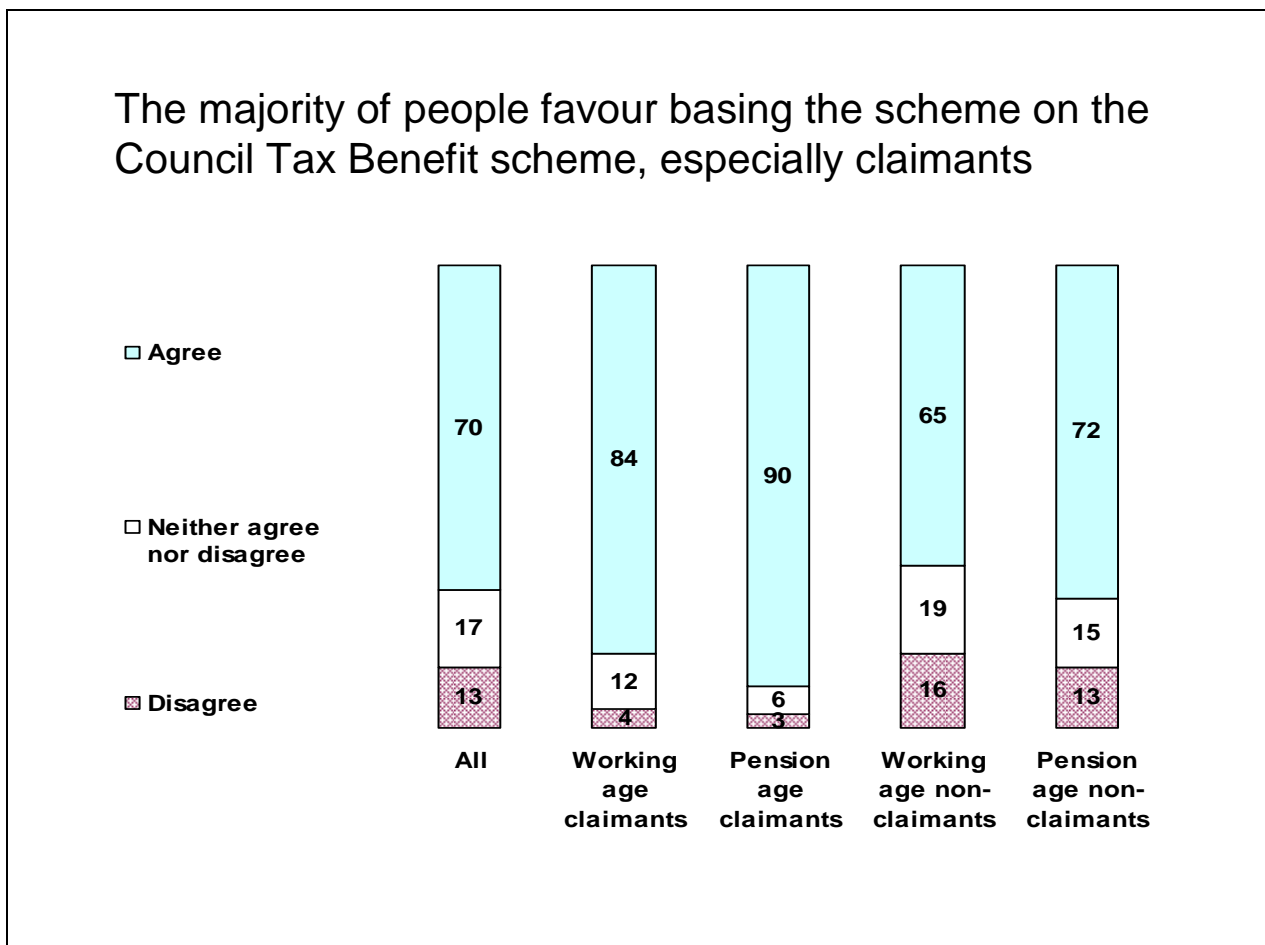

These are the main findings from the Council Tax Support consultation exercise. The report covers the feedback from stakeholders to the key principles of the proposed new scheme and possible adaptations to it, and includes comments received. Details of the consultation methodology and response rates are available at the end of the report.

NB: Some of the percentages in the charts add up to 99% or 101% due to rounding.

Basing the scheme on the current Council Tax Benefit scheme

A key principle of the proposed scheme was that any change should be as predictable as possible for everyone affected. Therefore it was proposed that eligibility for Council Tax Support would continue to be calculated by comparing the income and savings of the person(s) claiming Support against the minimum amount of money the government says a claimant can live on. Bromley also proposes to maintain the current way in which Council Tax Benefit is calculated.

A clear majority of people favour the proposal to base the scheme on the current Council Tax Benefit scheme, and this is particularly so for claimants of both working and pension age.

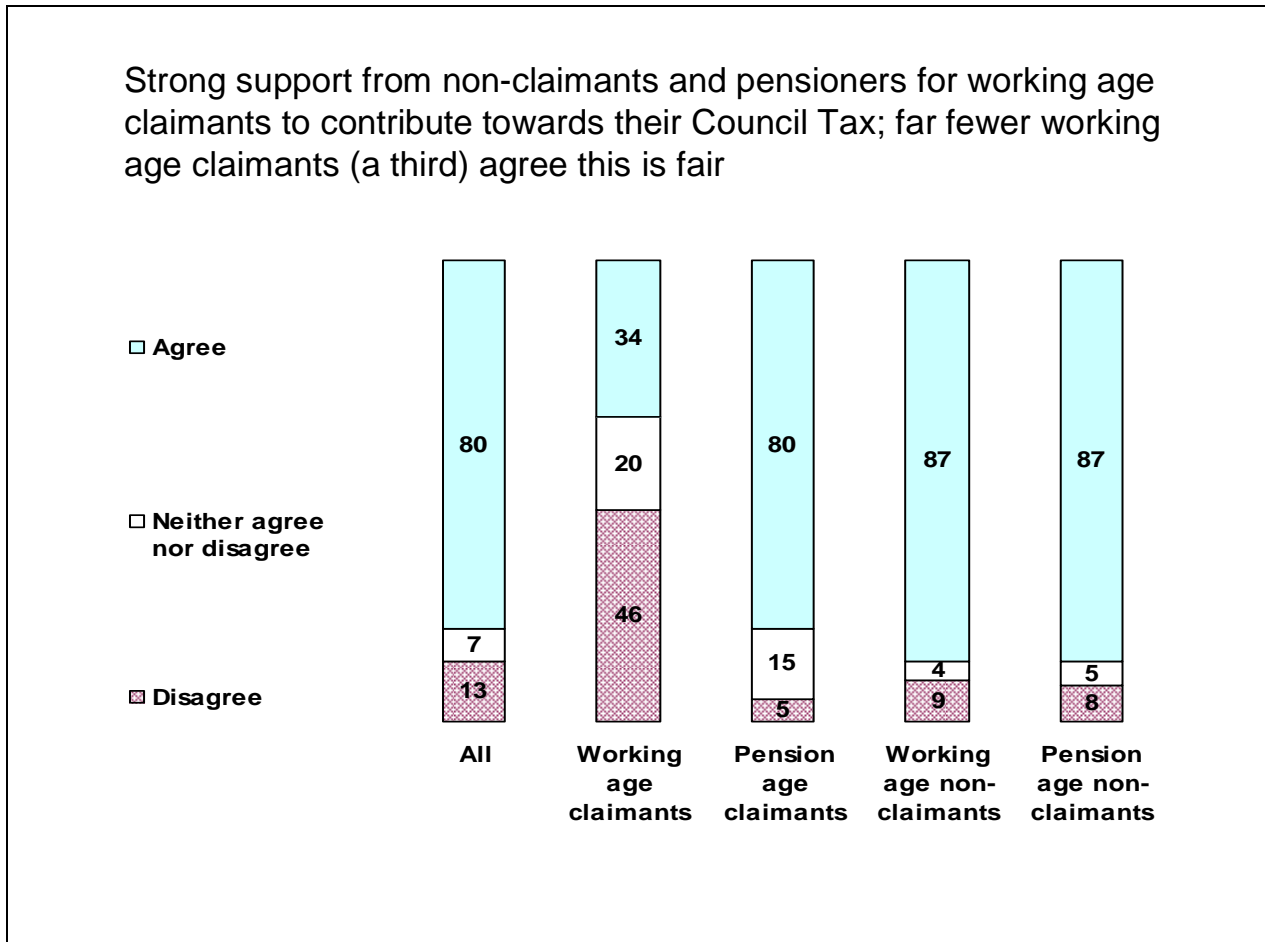

The online survey responses endorse this approach.

Everyone should pay something

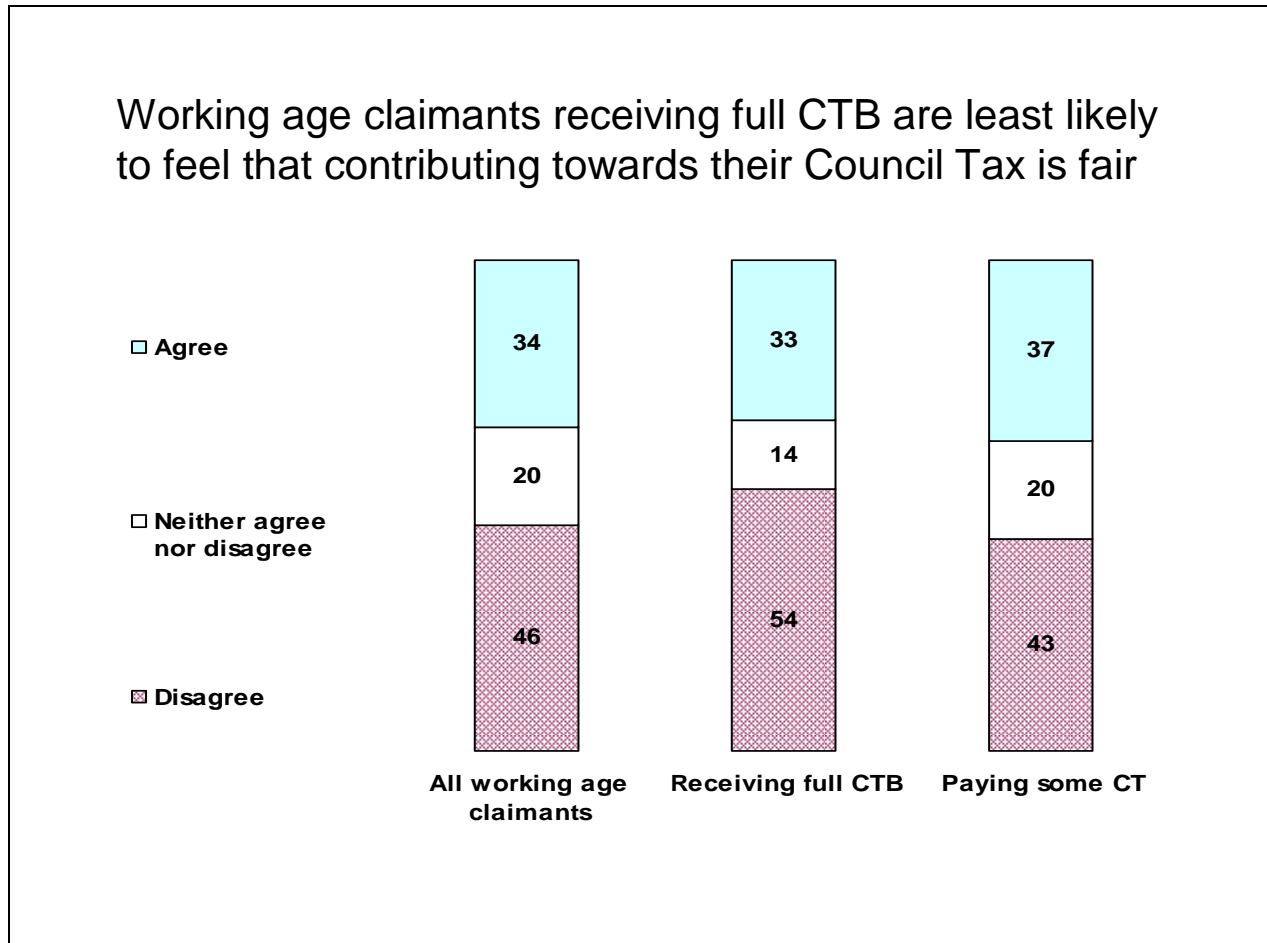

It was proposed that all claimants of working age pay at least 25% of their Council Tax bill, with the existing benefit calculations applying to the remaining 75%.

Pensioners and non-claimants are very clearly in favour, but only a third of working age claimants feel it is fair that they should make a contribution of this magnitude towards their Council Tax.

The overall response online is more divided, reflecting the fact that approximately half of those responding were Council Tax Benefit claimants. On balance though, the number agreeing with the premise outweighs the number disagreeing.

Among working age claimants, those receiving full Council Tax Benefit are somewhat more likely to feel it is unfair that they should have to make this level of contribution (54%), compared with 43% of those who currently pay some of their Council Tax.

Further assistance in exceptional circumstances

The Council proposed to give further assistance to those facing exceptional hardship or circumstances.

This proposal is very well supported, both by claimants and non-claimants (though supported particularly enthusiastically by claimants and pensioners).

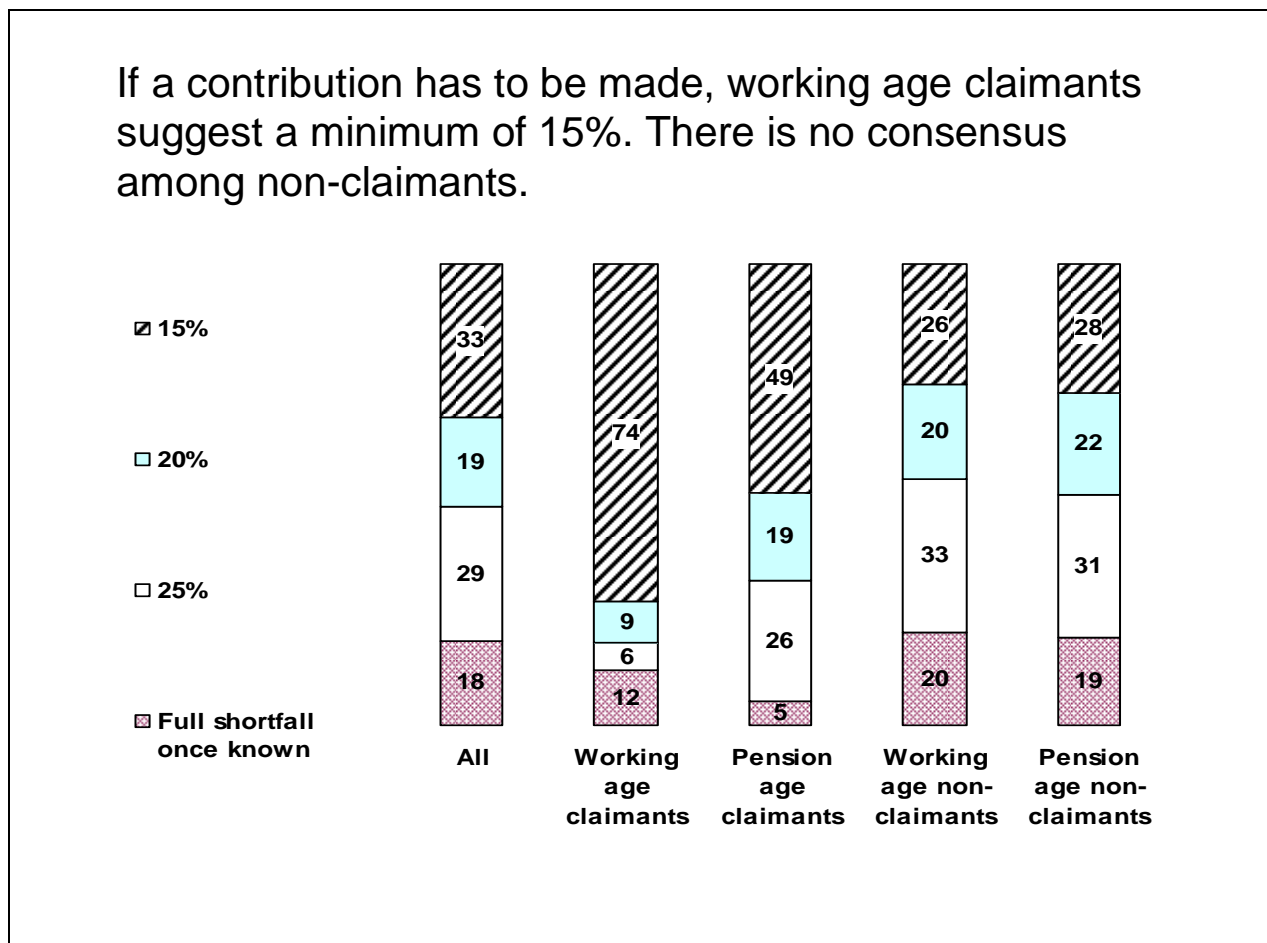

Those responding online are equally supportive.

The minimum amount a household should contribute

While the scheme proposed at least 25% contribution, survey participants were asked to select the minimum amount they believed a household should pay towards their council tax. This question was asked with the proviso that any benefit expenditure incurred in excess of the government grant would result in less money being available for other Council services. To provide context, the amount that each option would generate towards the shortfall in funding was shown (15% equating to £1.95m, 20% to £2.59m and 25% to £3.27m).

A substantial majority of working age claimants chose the 15% level of contribution, and pension age claimants were also more supportive of this option than the higher ones. The opinions of non-claimants spanned the whole range of options, with no clear view emerging. While a third of them selected the 25% option, half chose the smaller contributions of either 15% or 20%.

The online feedback generally favoured the 15% contribution.

Backdating

Several possible adaptations to the scheme were put forward so that stakeholders could comment. Each option was accompanied by an estimate of the amount that would be generated, to give real context to the question. One of adaptations cited was a reduction in the period for which backdated benefit could be granted. Under the current Council Tax Benefit arrangements, working age claimants can request that any Benefit be backdated for a period of up to 6 months. This is awarded subject to set 'good cause' criteria. The options put forward were no backdating (resulting in additional income of £60k), a reduction to one month (£30k), or keeping the existing six month period.

Both working age and pension age claimants favour retaining the six month limit. Non-claimants were more likely to select the one month option, with a third of them wanting to keep the existing limit. The least favoured option among all groups is no backdating.

No backdating is also the least favoured option online; on balance the preference is to retain the current six month limit.

The £16,000 capital savings threshold

Currently those with any savings or capital above £16,000 are ineligible to claim Council Tax Benefit. Survey participants were asked whether they thought it would be better to retain this level, or to reduce it. Reducing the threshold to £10,000 would generate £40k, and to £5,000 would generate £160k.

The balance of opinion supports retaining the current limit, although almost half of households would be prepared to see it reduced. Working age non-claimants were the least wedded to the existing threshold, but even so the £16,000 option was the one most frequently chosen.

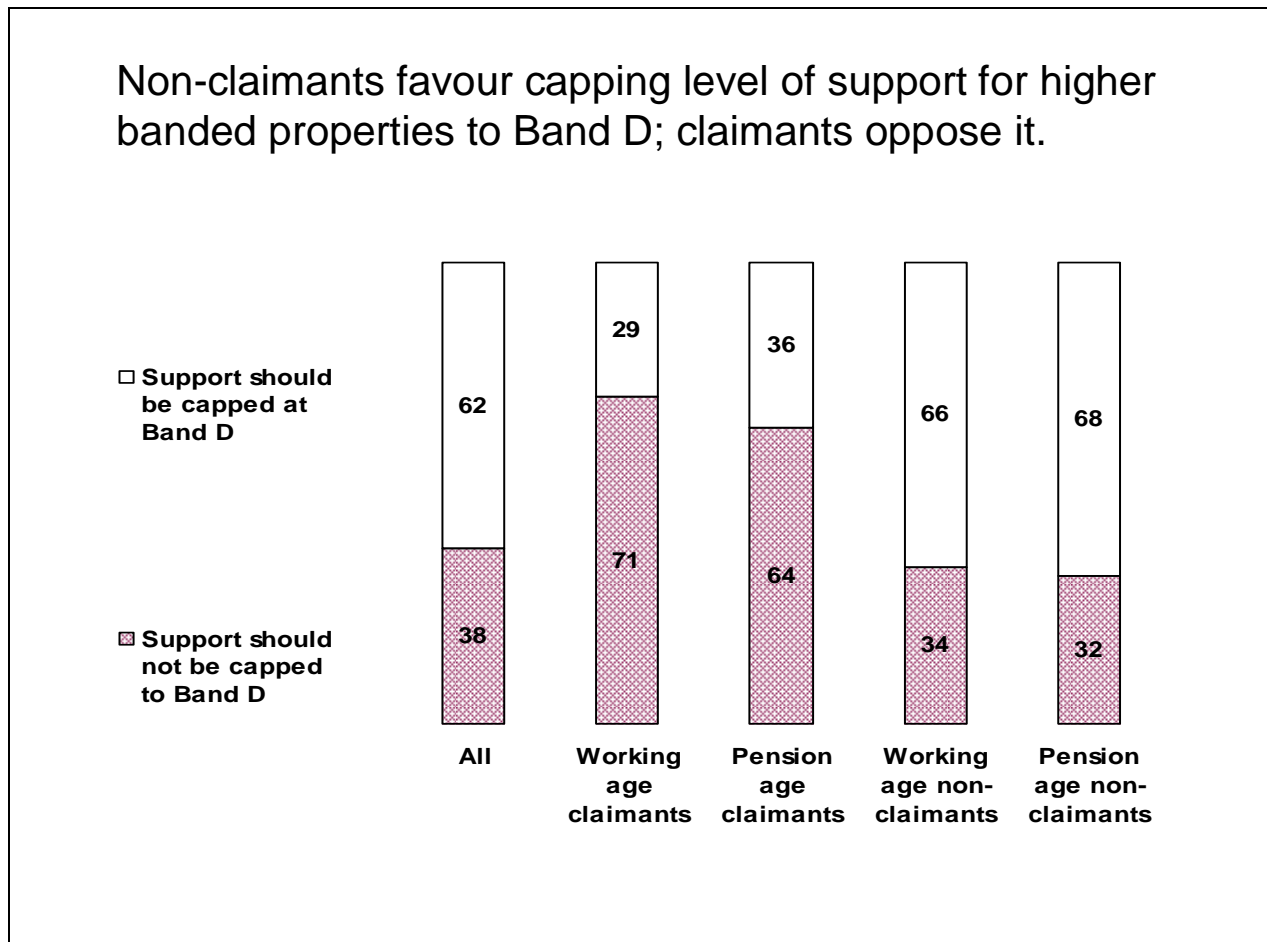

Those responding online were also divided as to whether the limit should remain or be reduced, but they too were most likely to select the £16,000 option.

Limiting the amount of support according to property band

A possible adaptation could be to limit the amount of support to Band 'D' level (so that, for instance, someone in a Band 'F' property could only claim as though they lived in a Band 'D' property). This option would generate approximately £400k.

Claimants are against capping, but non-claimants broadly support it.

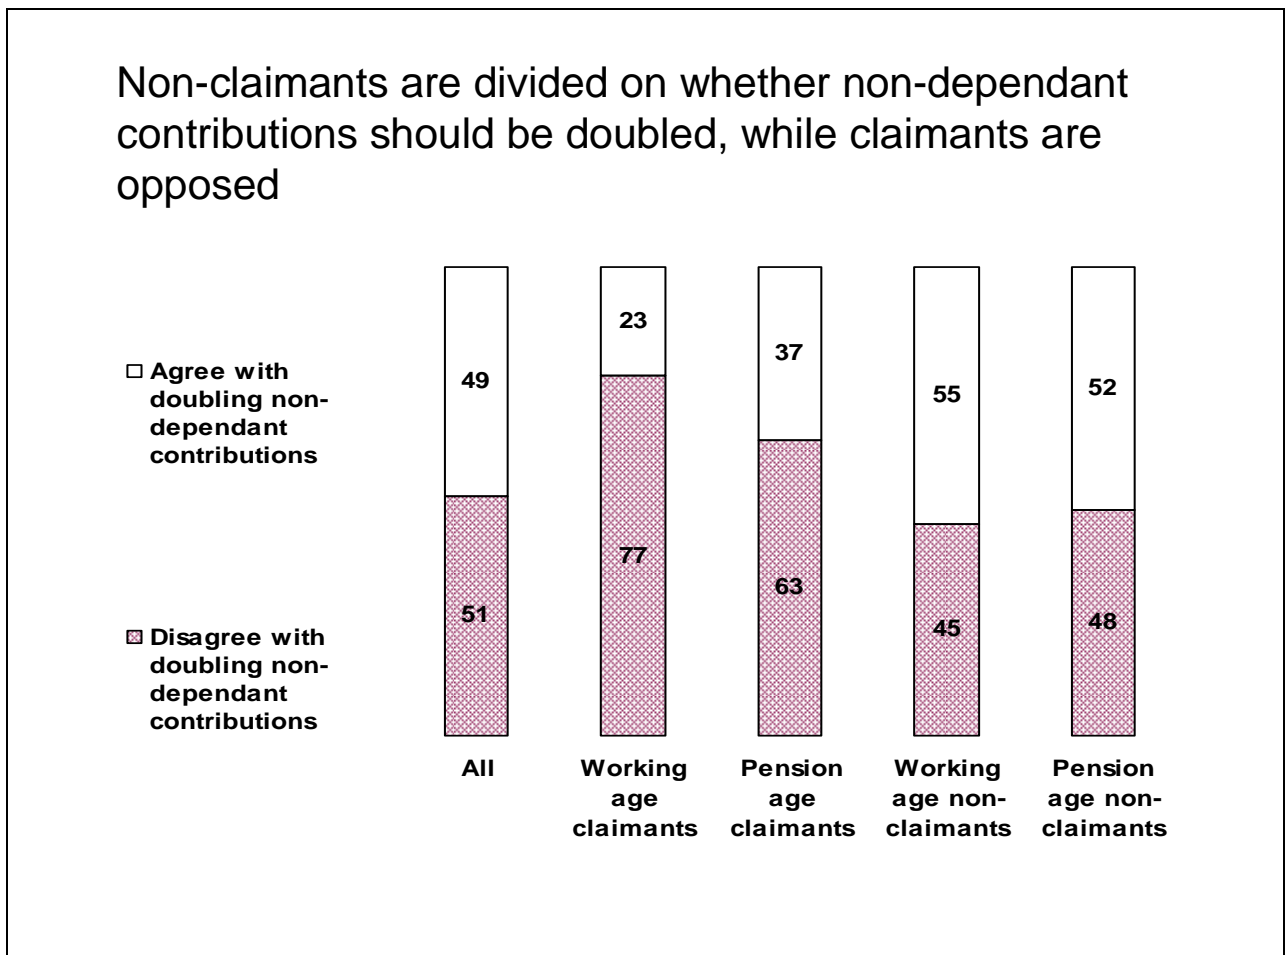

The online feedback was divided on this issue.

Non-dependants

After a claimant's own eligibility is calculated, the amount of Council Tax Benefit currently awarded is reduced to take account of an expected contribution towards the Council Tax bill from any other adults in the household, for example an adult son or daughter aged over 18. The amount of reduction in benefit entitlement is in line with the number of non dependants and the amount of income they receive.

Doubling the level of non-dependant deductions compared with the current Council Tax scheme would generate an estimated £160k.

Claimants, particularly of working age, are against this idea. Non-claimants are divided on the issue (the difference between those agreeing and disagreeing is not statistically significant).

The opinions of those responding online were also divided.

Phasing in the scheme

Participants in the survey were asked for their views on the idea of phasing in the scheme over a period of two years, given the financial impact the change will have on working age households currently receiving assistance with their Council Tax. They were reminded that until the proposed scheme was fully implemented, less money would be available for other Council services.

Taking this into account, the majority of claimants and non-claimants alike support phasing in the scheme.

The online survey echoes this view.

Comments received

Everyone who participated in the consultation was asked to comment on whether they felt that the proposed changes will affect particular individuals or groups more than others. Just over a quarter of the respondents to the postal questionnaire chose to comment. The main themes to emerge were:

- People with disabilities/vulnerable people/pensioners will be most affected (mentioned by 25% of those making any comment)
- People on low incomes should not be punished (11%)
- All types of households will be affected (10%)
- Need a system fair to all/system needs a big shake up/check all claims (8%)
- People on benefits will struggle (7%)
- Families/one parent families will struggle (5%)

People were also given the opportunity to make any further comments about the proposals, and about one in five did so. The main themes were:

- Everyone should pay something (11%)
- These changes will cause much greater hardship (7%)
- Tax the high earners (5%)

In the online survey responses to these questions included:

- Particularly affected or most in need of help are low income families/low income families not on income support/families with young children receiving full Council Tax Benefit/young single unemployed/those with severe disabilities who cannot work/the elderly/vulnerable people/those in private rented accommodation who cannot get social housing
- An apparently small amount of money is a lot when you do not have any/any reduction will make lives very difficult especially as cost of living is rising/will push people into poverty, debt and despair
- People on higher income should pay more/means test single occupants/increase Council Tax
- The administration of the Council Tax Benefit scheme could be made quicker/more cost efficient by doing more by email/online rather than by paper/post
- Reduce senior staff pay

The main themes to emerge from consultation with representative organisations were:

- Claimants, especially those on full Council Tax Benefit, are already struggling/receiving handouts from food banks/burden on the poorest is disproportionately high/changes will exacerbate stress and hardship/increase in homelessness and debt/possible demonstrations as happened over poll tax
- Enforcement and recovery – cost of collecting likely to outweigh amount Council hopes to raise/extra court costs/difficulty in getting money from those without bank accounts/part time workers who change jobs frequently will be time consuming to deal with
- People on benefits think they will be unaffected/need to publicise the changes more widely eg at job centre

A response was also received from the GLA to Bromley's proposed scheme. In summary this made the following points:

- The determination of Council tax Support schemes is a local matter, and should be specific to local circumstances.
- The GLA suggests the Council consider the challenges in collecting relatively small sums of money from claimants on low incomes who cannot pay by direct debit or other automatic methods. Given the low awareness of the changes there is a significant risk that collection rates will be lower for councils in the first year of the new system.
- The additional revenues from the technical reforms could be used to reduce the amount to be recovered from working age claimants.
- The GLA and London authorities should work towards a consensus on how instalment payments to the GLA may be varied to take account of lower than expected collection rates or higher than expected demand for Council Tax Support.

The following section provides an account of the consultation methodology and survey response rates.

Consultation Methodology

The postal questionnaires were sent to 8,000 Bromley households. 4,000 of these were sent to working age claimants as they are the group most affected by the proposals, and a robust sample of these was required. The other 4,000 were sent to other groups (working age non-claimants and pensioners) as it was felt that they should also be given the opportunity to respond to an issue of such importance, and that even if they are not directly affected, their views should be taken into account. Within these groups, samples were selected on a random basis in order to attain as representative a result as possible.

The Council's website featured an online survey throughout the consultation period which contained questions mirroring the postal questionnaire. The online survey was widely promoted through a borough wide poster and leaflet campaign, and offered the opportunity to anyone to express their views. The views of these additional respondents are important, but they are self selecting, and they have therefore not been added together with the postal respondents and are instead shown separately.

The consultation exercise also intended to engage with as many interested stakeholders - including hard to reach groups - as possible. Bromley arranged a number of sessions for local voluntary and welfare organisations to provide a briefing on the new Council Tax Support arrangements and to provide a forum for feedback into the process.

The Council also made available a dedicated phone number and email address.

Response Rates

Despite the publicity the response rate from working age claimants to the postal questionnaire was lower (at 11%) than from those who will be unaffected (15%). This disparity has also been reported by other councils undertaking surveys as part of their consultation on this issue.

In total enough questionnaires were received back to allow us to analyse the views of each of these groups: working age claimants, pension age claimants, working age non-claimants and pension age non-claimants.

If these sub groups were added together they would not give an accurate reflection of the views of Bromley households, due to the high proportion of working age claimants in the sample. Therefore, to give us the best of both worlds, the data for 'all households' has been statistically weighted to correct for this, and therefore to be a more accurate reflection of what Bromley residents eligible to pay Council Tax think.

Replies were received from all age groups from age 18 upwards, though most, as might be expected, were from those aged 30 and over. As is the case with postal surveys generally the response rate was higher among pensioners.

The responses represent a wide range of views, including those of families with children, single parents, single person households, couples with no children and households with full or part time workers. They also cover households that include someone who is disabled, and this includes various forms of impairment (physical, sensory, mental, learning and long-term health conditions). In keeping with the profile of the borough, the majority of the feedback came from white British residents, with responses also received from a variety of other ethnicities.

The online survey replicated the postal survey as far as possible. As other councils have found, response to the online survey has been low (35 responses despite the publicity and despite appearing on the front page of the website for much of the time). A very few comments from members of the public were also received by email or post, and these have been merged in with the online survey comments.

The findings of the online survey and feedback by email are reported here for completeness, but it should be remembered that the findings of the postal questionnaire will be much more robust and reliable.

Comments made by representative organisations, and also by the Greater London Authority, are identified separately.

Equality Impact Assessment for Council Tax Support

London Borough of Bromley

Part 1: Description of policy change and its relevance to equality

Category of trigger for Equality Impact Assessment (EIA): A change to existing policy

Proposed change

From 31 March 2013 Council Tax Benefit (CTB) has been abolished. The Local Government Act replaces CTB for working age claimants with a scheme designed by each local authority. Funding will no longer be demand led. It will be based on an estimate of Borough caseloads, with an overall budget 10% lower than that of CTB.

Residents who meet the state pension credit age will be eligible for a separate national scheme which will “leave them no worse off than they are now”.

Reason for the service change

Every billing authority in England must design a scheme specifying the reductions which are to apply to amounts of Council Tax payable in respect of dwellings in its area.

Currently, CTB is a national scheme to assist those who are on a low income to meet their Council Tax liability. Individuals apply for CTB and if their income is below a certain level, which takes account of their circumstances, they are eligible for a reduction on their Council Tax bill. The council receives a grant to pay for this.

The Government has announced that expenditure on the scheme must be reduced by 10% from 1st April 2013 and it will be for local Councils to determine how to manage that funding reduction.

Bromley must design a new support policy. The scheme must be in place by 31 January 2013 or the Government default scheme modelled on the current Council Tax Benefit scheme will be imposed. The “default scheme” will, by design, not meet the shortfall in funding. This would mean that the borough and its preceptors would have to find the shortfall from elsewhere.

Information about the changes

Bromley has the option of not designing a local scheme and allowing the cost of the shortfall to fall on the Council's general budget for supplies and services, or of designing a revised scheme.

Following consultation with the Greater London Authority, the Council undertook a two month consultation on proposals for a local scheme which closed on the 12 October 2012.

Part 2 – Collection of Evidence – what do we know?

Description of data used

In order to assess the impact of this policy change, Bromley has used information from a variety of different sources including:

- Data collected from records from the Council Tax and Housing Benefit systems;
 - Consultation responses - including equality monitoring data;
 - Census 2011 first release data;
- Bromley's Budget Strategy & other financial information about the service.

General Information - Bromley's population and evidenced inequality

Financial information and Impact

The impact of this proposed scheme will affect all future and current claimants of working age. The proposed scheme purports to recover the estimated funding gap from working age claimants. The amount of Council Tax claimable for current claimants would be reduced by 19% under the proposals, with the existing benefit calculations applying to the remaining 81%. However, transitional protection is being considered and if applied, for the first year (13/14) the level of reduction would be restricted to 8.5%. All current working-age Council Tax Benefit recipients would therefore have their assistance based on 91.5% of the council tax liability on the property (following the applying of discounts) in 2013/14 and 81% of their Council Tax thereafter.

Table 1 below shows the assumed impact of a reduction in Council Tax Support for those of working age based on a reduction of 8.5% (based on the current rates of Council Tax) and 19%

Breakdown of current claimants

In order to understand how the proposed changes will impact on different protected groups Bromley has examined data, where available, based on the current benefit caseload. Data is available on the following: age, gender and disability which are noted in Table 2. There is very limited data available on the ethnic breakdown of current claimants as only 3,042 claimants have completed the appropriate section on the benefit application form and of that 1,735 declined to disclose the information.

Part 3 – Consultation and engagement – what do those affected think?

Process

Following publication of the draft scheme, a formal consultation period ran between 15 August 2012 and 12 October 2012. The scheme forwarded for consultation was significantly different to that now being proposed; this report apart from the areas advising as to the consultation process and the subsequent results relate to the revised scheme.

An 8 week consultation period was undertaken which reflected the complex nature of the proposals and the short timetable the borough faced for implementing the new scheme. To mitigate the shorter consultation period the Council wrote directly to a large number of claimants to obtain their views.

Postal questionnaires were sent to 8,000 Bromley households in total to help inform the process. Of these, 4,000 were sent to a random sample of the working age claimants. An online survey regarding the new arrangements was publicised and made available on the Council's website. Leaflets and posters advising of the consultation were distributed across the Borough.

The consultation exercise was designed to engage with as many interested stakeholders - including hard to reach groups - as possible. Bromley arranged a number of sessions for local voluntary and welfare organisations to provide a briefing on the new Council Tax Support arrangements and to provide a forum for feedback into the process.

Summary of Consultation Responses

A total of 1019 postal questionnaires were returned. This represents 12.7% of those surveyed. A number of online questionnaires have also been completed and feedback has been obtained through the stakeholder forums and the dedicated telephone number and email address.

In total, enough questionnaires were received to allow the views of each of the following groups to be analysed separately: working age claimants, pension age claimants, working age non-claimants and pension age non-claimants. The response rate from working age claimants to the postal questionnaire was considerably lower (at 10.85%) than from those unaffected (14%). This disparity has also been reported by other Councils undertaking surveys as part of their consultation on this issue.

Not surprisingly responses differed between working-age claimants receiving CTB, pension-age claimants and those not receiving benefit. With the difference being particularly stark in the responses to the question as to whether all working-age claimants should contribute towards Council Tax.

In the comments area of the postal questionnaire people were asked to comment on whether they felt that the proposed changes would affect particular individuals or groups more than others. Of those that chose to comment, 25% stated that people with disabilities/vulnerable people/pensioners would be most affected. Those answering the same question on the online survey cited a wide range of groups including low income families, families with young children, young single unemployed, those with severe disabilities, the elderly and those in private rented accommodation who cannot get social housing.

The main themes to emerge from consultation with representative organisations were that those on benefits are already struggling and the proposals would increase stress and hardship. It was also observed that many of the people on benefits did not realise that the change would affect them.

Networking sessions with other local authorities indicate that, despite their best efforts, the message that all claimants will have to make a contribution toward their Council Tax next year is not well understood. As a result, the Council plans to undertake a major awareness exercise once the final decision has been made. This will include publicity, direct mailing and an invite to “drop in” sessions.

The number of respondents from protected groups was too small to be able to meaningfully differentiate between the views of those who share or do not share a particular protected characteristic.

As advised earlier in this document, the proposals that were included in the consultation exercise varied significantly to those now being proposed. The scheme originally proposed was for all working-age claimants to pay a minimum of 25% of their Council Tax liability from 01 April 2013; therefore the responses need to be considered in that light.

As a result of responses to the consultation, changes to caseload, the provision of additional Government funding (if certain criteria met) and receipt of the final Government funding figure; it is now proposed that working-age claimant pay a minimum of 19% of their Council Tax liability. As advised earlier in the report, it is currently being considered as to whether transitional protection be applied in the first year (2013/14), restricting the minimum liability to 8.5%

Part 4 - Analyse of evidence and description of the impact

Characteristic	Actual or likely impacts (negative/positive/no impact) and justification	Actions to be taken to mitigate potential negative impacts (include name of lead and estimated date of completion)
Age	<p>Neutral impact for pension age claimants as the Government has stipulated this group must have their claims assessed as they are now.</p> <p>Given the large number of CTB claimants that are single parent families with dependent children the change in policy may have a negative impact on levels of child poverty. There is insufficient evidence to be certain what this impact will be.</p> <p>Justification This policy is being introduced in response to a national Government requirement and includes the stipulation to protect those of pension age.</p> <p>Like other councils throughout the country, Bromley's financial position remains challenging. Reduced Government funding has put significant pressure on the Authority's finances. As such it is not considered financially sustainable to maintain the current model of support provided to those claiming help with their Council Tax.</p>	<p>It is proposed a hardship fund be retained for those faced with exceptional circumstances. It is further planned to retain all aspects of the current CTB scheme that provides assistance by way of disregards of income and increased allowances.</p> <p>The Council will monitor the impact on this Client group through monitoring of communications, complaints, appeals, request for discretionary awards and applications for the Local Welfare Provision.</p> <p>Responsible Officer(s) Head of Revenues & Benefits – Monitoring to commence 1/4/13</p>

Sex	<p>Females are disproportionately represented amongst current CTB claimants.</p> <p>The policy change will have a negative impact on current and future working age CTB claimants (regardless of gender) as claimants will have to contribute more towards their council tax bill than they have had previously.</p> <p>Although the policy change is applied universally (i.e. men and women will both face the same reduction in CTB) our evidence makes clear that a greater proportion of current CTB claimants are women and therefore as a protected group women will feel the impact of this policy change in greater numbers.</p> <p><i>Justification – please see earlier response</i></p>	<p>Monitoring of the impact on women who claim Council Tax Support will be undertaken from April 2013. Local Council Tax Reduction Scheme

Explanatory Note.

The following policy details the local Council Tax Reduction Scheme adopted by the London Borough of Bromley on xx/xx/xx for the period commencing on 1st April 2013 in accordance with Section 13a of the Local Government Finance Act 1992 (as amended).

The scheme is based upon the Council Tax Reduction Schemes (Default Scheme) (England) Regulations 2012 and includes all the statutory requirements prescribed in the Council Tax Reduction Schemes (Prescribed Requirements) England Regulations 2012 and the Local Government Finance Act (as amended). The Council has no discretion with regard to the operation of a scheme for those of pension credit age.

The intention for those of working age is that the maximum reduction will be gradually decreased over a two year period with the maximum reduction in the financial year 2013/14 being limited to 91.5% and 81% in 2014/15.

However, the council reserves the right to review the scheme during its first year of operation and make any relevant amendments required as a result of this.

29.—(1) Subject to sub-paragraphs (2) to (4), a person's maximum council tax reduction amount in respect of a day is 100 per cent of the amount A/B, if they are pensioners, but, for those of working age the council intends to phase in the reduction with the maximum reduction being 91.5 per cent during the financial year 2013/14 dropping to 81 per cent for the financial year 2014/15 where -

(a) A is the amount set by the authority as the council tax for the relevant financial year in respect of the dwelling in which he is a resident and for which he is liable, subject to any discount which may be appropriate to that dwelling under the 1992 Act; and (b) B is the number of days in that financial year, less any deductions in respect of non-dependants which fall to be made under paragraph 30 (non-dependant deductions: pensioners and persons who are not pensioners).

(2) In calculating a person's maximum council tax reduction under this scheme any reduction in the amount that person is liable to pay in respect of council tax, which is made in consequence of any enactment in, or made under, the 1992 Act (other than a reduction under this scheme), is to be taken into account.

(3) Subject to sub-paragraph (4), where an applicant is jointly and severally liable for council tax in respect of a dwelling in which he is resident with one or more other persons, in determining the maximum council tax reduction in his case in accordance with sub-paragraph (1), the amount A is to be divided by the number of persons who are jointly and severally liable for that tax.

(4) Where an applicant is jointly and severally liable for council tax in respect of a dwelling with only his partner, sub-paragraph (3) does not apply in his case.

(5) The reference in sub-paragraph (3) to a person with whom an applicant is jointly and severally liable for council tax, where the applicant is a person who is not a pensioner, does not include a student to whom paragraph 75(1) (entitlement of students to a reduction under this scheme) applies.

(b) not less than £186.00 but less than £322.00, the deduction to be made under this paragraph is £7.25;

(c) not less than £322.00 but less than £401.00, the deduction to be made under this paragraph is £9.15.

(3) Only one deduction is to be made under this paragraph in respect of a couple or, as the case may be, members of a polygamous marriage (other than where there is an award of universal credit) and, where, but for this paragraph, the amount that would fall to be deducted in respect of one member of a couple or polygamous marriage is higher than the amount (if any) that would fall to be deducted in respect of the other, or any other, member, the higher amount is to be deducted.

(4) In applying the provisions of sub-paragraph (2) in the case of a couple or, as the case may be, a polygamous marriage, regard must be had, for the purpose of that sub-paragraph, to the couple's or, as the case may be, all members of the polygamous marriage's joint weekly gross income.

(5) Where in respect of a day—

(a) a person is a resident in a dwelling but is not himself liable for council tax in respect of that dwelling and that day;

(b) other residents in that dwelling (the liable persons) have joint and several liability for council tax in respect of that dwelling and that day otherwise than by virtue of section 9 of the 1992 Act (liability of spouses and civil partners); and

(c) the person to whom paragraph (a) refers is a non-dependant of two or more of the liable persons, the deduction in respect of that non-dependant must be apportioned equally between those liable persons.

(6) No deduction is to be made in respect of any non-dependants occupying an applicant's dwelling if the applicant or his partner is—

(a) blind or treated as blind by virtue of paragraph 10 of Schedule 3 (additional condition for the disability premium); or

(b) receiving in respect of himself—

(i) attendance allowance, or would be receiving that allowance but for—

(aa) a suspension of benefit in accordance with regulations under section 113(2) of the SSCBA; or

(bb) an abatement as a result of hospitalisation; or

(8) No deduction is to be made in respect of a non-dependant—

(a) who is on income support, state pension credit, an income-based jobseeker's allowance or an income-related employment and support allowance; or

(b) to whom Schedule 1 to the 1992 Act applies (persons disregarded for purposes of discount) but this paragraph does not apply to a non-dependant who is a student to whom paragraph 4 of that Schedule refers.

(9) In the application of sub-paragraph (2) there is to be disregarded from the non-dependant's weekly gross income—

(a) any attendance allowance, disability living allowance, personal independence payment or an AFIP received by him;

(b) any payment made under or by the Trusts, the Fund, the Eileen Trust, MFET Limited, the Skipton Fund, the Caxton Foundation or the Independent Living Fund (2006) which, had his income fallen to be calculated under paragraph 54 (calculation of income other than earnings: persons who are not pensioners), would have been disregarded under paragraph 28 of Schedule 8 (income in kind); and

(c) any payment which, had his income fallen to be calculated under paragraph 54, would have been disregarded under paragraph 41 of Schedule 8 (payments made under certain trusts and certain other payments).

(2) Subject to sub-paragraph (3), where an applicant is jointly and severally liable for council tax in respect of a dwelling in which he is resident with one or more other persons, in determining the alternative maximum council tax reduction in his case, the amount determined in accordance with Schedule 4 must be divided by the number of persons who are jointly and severally liable for that tax.

(3) Where an applicant is jointly and severally liable for council tax in respect of a dwelling with only his partner, solely by virtue of section 9 of the 1992 Act (liability of spouses and civil partners), sub-paragraph (2) does not apply in his case.

PART 9 Amount of reduction under this scheme

PART 10 Income and capital for the purposes of calculating eligibility for a reduction under this scheme and amount of reduction

CHAPTER 1

Income and capital: general

Calculation of income and capital: applicant's family and polygamous marriages

33.—(1) The income and capital of—

(a) an applicant; and

(b) any partner of that applicant,

is to be calculated in accordance with the provisions of this Part.

(2) The income and capital of any partner of the applicant is to be treated as income and capital of the applicant, and in this Part any reference to the applicant applies equally to any partner of that applicant.

(3) Except where paragraph 37 applies, where an applicant or the partner of an applicant is married polygamously to two or more members of his household—

(a) the applicant must be treated as possessing capital and income belonging to each such member; and

(b) the income and capital of that member is to be calculated in accordance with the following provisions of this Part in like manner as for the applicant.

Circumstances in which income and capital of non-dependant is to be treated as applicant's

34.—(1) Sub-paragraph (2) applies where it appears to the authority that a non-dependant and an applicant have entered into arrangements in order to take advantage of this scheme and the non-dependant has more income and capital than the applicant.

(2) Except where—

(a) the applicant is a pensioner and is on a guarantee credit, or

(b) the applicant is not a pensioner and is on income support, an income-based jobseeker's allowance or an income-related employment and support allowance, the authority must treat the applicant as possessing income and capital belonging to that non-dependant and, in such a case, any income and capital which the applicant does possess is to be disregarded.

(3) Where an applicant is treated as possessing income and capital belonging to a non-dependant under sub-paragraph (2) the income and capital of that non-dependant must be calculated in accordance with the following provisions of this Part in like manner as for the applicant and, except where the context otherwise requires, any reference to the "applicant" is to be construed for the purposes of this Part as if it were a reference to that non-dependant.

CHAPTER 2 Income and capital: pensioners in receipt of guarantee credit or savings credit

Applicant in receipt of guarantee credit: pensioners

35. In the case of an applicant who is a pensioner and who is in receipt, or whose partner is in receipt, of a guarantee credit, the whole of his capital and income must be disregarded.

Calculation of applicant's income and capital in savings credit only cases: pensioners

36.—(1) In determining the income and capital of an applicant who is a pensioner and who has, or whose partner has, an award of state pension credit comprising only the savings credit, subject to the following provisions of this paragraph, the authority must use the calculation or estimate of the applicant's or as the case may be, the applicant's partner's income and capital made by the Secretary of State for the purpose of determining the award of state pension credit(a).

(2) Where the calculation or estimate provided by the Secretary of State includes the amount taken into account in that determination in respect of net income, the authority may only adjust that amount so far as necessary to take into account—

(a) the amount of any savings credit payable;

(b) in respect of any dependent children of the applicant, child care charges taken into account under paragraph 57(1)(c) (calculation of income on a weekly basis);

(c) the higher amount disregarded under this scheme in respect of—

(e) the income and capital of any partner of the applicant who is treated as a member of the applicant's household under paragraph 8, to the extent that it is not taken into account in determining the net income of the person claiming state pension credit;

(f) paragraph 34 (circumstances in which capital and income of a non-dependant is to be treated as applicant's), if the authority determines that that provision applies in the applicant's case;

(g) such further reduction (if any) as the authority thinks fit under section 13A(1)(c) of the 1992 Act (power of billing authority to reduce amount of council tax payable);

(h) any amount to be disregarded by virtue of paragraph 6 of Schedule 5 (exempt work). (3) Paragraphs 39 to 46 (calculation of income: pensioners) and 57 to 61 (calculation of income: pensioners and persons who are not pensioners) do not apply to the amount of the net income to be taken into account under sub-paragraph (1), but do apply (so far as relevant) for the purpose of determining any adjustments to that amount which the authority makes under sub-paragraph (2).

(4) If sub-paragraph (5) applies, the authority must calculate the applicant's capital in accordance with paragraphs 63, 65 to 68 and 70 (calculation of capital: pensioners).

(5) This sub-paragraph applies if—

- (a) the Secretary of State notifies the authority that the applicant's capital has been determined as being £16,000 or less or the authority determines his capital as being £16,000 or less;
- (b) subsequent to that determination the applicant's capital rises to more than £16,000; and
- (c) the increase occurs whilst there is in force an assessed income period within the meaning of sections 6 and 9 of the State Pension Credit Act 2002.

CHAPTER 3 Income and capital where there is an award of universal credit

Calculation of income and capital: persons who are not pensioners who have an award of universal credit

37.—(1) In determining the income of an applicant—

- (a) who has, or
- (b) who (jointly with his partner) has,

an award of universal credit the authority must, subject to the following provisions of this paragraph, use the calculation or estimate of the amount of the income of the applicant, or the applicant and his partner jointly (as the case may be), made by the Secretary of State for the purpose of determining the award of universal credit.

(2) The authority must adjust the amount of the income referred to in sub-paragraph (1) by multiplying the amount by 12 and dividing the product by 52.

(3) The authority may only adjust the amount of the income as adjusted in accordance with sub-paragraph (2) so far as necessary to take into account—

- (a) the amount of the award of universal credit, determined in accordance with sub-paragraph (3);
- (b) paragraph 34 (circumstances in which income and capital of non-dependant is to be treated as applicant's), if the authority determines that the provision applies in the applicant's case;
- (c) such further reduction (if any) as the authority thinks fit under section 13A(1)(c) of the 1992 Act (power of billing authority to reduce amount of council tax payable).

(4) The amount for the award of universal credit to be taken into account for the purposes of sub-paragraph (3)(a) is to be determined by multiplying the amount of the award of universal credit by 12 and dividing the product by 52.

(5) Paragraph 34 (income and capital of non-dependant to be treated as applicant's) applies for the purpose of determining any adjustments which fall to be made to the figure for income under sub-paragraph (3).

(6) In determining the capital of an applicant—

- (a) who has, or
- (b) who (jointly with his partner) has,

an award of universal credit, the authority must use the calculation or estimate of the capital of the applicant, or the applicant and his partner jointly (as the case may be), made by the Secretary of State for the purpose of determining the award of universal credit.

CHAPTER 4 Income: other pensioners

Calculation of income and capital where state pension credit is not payable: pensioners

38. Where neither paragraph 35 (applicant in receipt of guarantee credit: pensioners) nor 36 (applicant in receipt of savings credit only: pensioners) applies in the applicant's case, his income and capital is to be calculated or estimated in accordance with paragraphs 39 to 46 and 57 to 62 (calculation of income) and Chapter 7 of this Part (calculation of capital).

(4) Where the applicant or, where he is a member of a couple, his partner is receiving a contributory employment and support allowance and that benefit has been reduced under regulation 63 of the Employment and Support Allowance Regulations 2008(a), the amount of that benefit to be taken into account is the amount as if it had not been reduced.

(5) Where an award of any working tax credit or child tax credit under the Tax Credits Act 2002 is subject to a deduction by way of recovery of an overpayment of working tax credit or child tax credit which arose in a previous tax year the amount to be taken into account under sub-paragraph (1) is to be the amount of working tax credit or child tax credit awarded less the amount of that deduction.

(6) Sub-paragraphs (7) and (8) apply where—

(a) a relevant payment has been made to a person in an academic year; and

(b) that person abandons, or is dismissed from, his course of study before the payment to him of the final instalment of the relevant payment.

(7) Where a relevant payment is made quarterly, the amount of a relevant payment to be taken into account for the assessment period for the purposes of sub-paragraph (1) in respect of a person to whom sub-paragraph (7) applies, is to be calculated by applying the formula—

$$(A - (B \times C)) / D$$

where—

(a) A = the total amount of the relevant payment which that person would have received had he remained a student until the last day of the academic term in which he abandoned, or was dismissed from, his course, less any deduction under paragraph 81(5) (costs of travel, books and equipment);

(b) B = the number of reduction weeks from the reduction week immediately following that which includes the first day of that academic year to the reduction week which includes the day on which the person abandoned, or was dismissed from, his course;

(c) C = the weekly amount of the relevant payment, before the application of the £10 disregard, which would have been taken into account as income under paragraph 81(2) (treatment of student loans) had the person not abandoned or been dismissed from, his course and, in the case of a person who was not entitled to a reduction under this scheme immediately before he abandoned or was dismissed from his course, had that person, at that time, been entitled to housing benefit;

(d) D = the number of reduction weeks in the assessment period.

(8) Where a relevant payment is made by two or more instalments in a quarter, the amount of a relevant payment to be taken into account for the assessment period for the purposes of sub-paragraph (1) in respect of a person to whom sub-paragraph (7) applies, is to be calculated by applying the formula in sub-paragraph (8) but as if—

A = the total amount of relevant payments which that person received, or would have received, from the first day of the academic year to the day the person abandoned the course, or was dismissed from it, less any deduction under paragraph 81(5).

(9) In this paragraph—

“academic year” and “student loan” have the same meanings as in Part 11 (students);

“assessment period” means—

(a) in a case where a relevant payment is made quarterly, the period beginning with the reduction week which includes the day on which the person abandoned, or was dismissed from, his course and ending with the reduction week which includes the last day of the last quarter for which an instalment of the relevant payment was payable to that person;

(b) in a case where the relevant payment is made by two or more instalments in a quarter, the period beginning with the reduction week which includes the day on which the person abandoned, or was dismissed from, his course and ending with the reduction week which includes—

(i) the day immediately before the day on which the next instalment of the relevant payment would have been due had the payments continued; or

(ii) the last day of the last quarter for which an instalment of the relevant payment was payable to that person,

whichever of those dates is earlier;

“quarter” in relation to an assessment period means a period in that year beginning on—

(c) 1st January and ending on 31st March;

(d) 1st April and ending on 30th June;

(e) 1st July and ending on 31st August; or

(f) 1st September and ending on 31st December;

“relevant payment” means either a student loan or an amount intended for the maintenance of dependants referred to in paragraph 76(7) or both.

(10) For the avoidance of doubt there must be included as income to be taken into account under sub-paragraph (1)—

(a) any payment to which paragraph 41(2) or 51(2) (payments not earnings) applies; or

(b) in the case of an applicant who is receiving support under section 95 or 98 of the Immigration and Asylum Act 1999 including support provided by virtue of regulations made under Schedule 9 to that Act, the amount of such support provided in respect of essential living needs of the applicant and his dependants (if any) as is specified in regulations made under paragraph 3 of Schedule 8 to the Immigration and Asylum Act 1999.

(3) Any payment of income, other than a payment of income specified in sub-paragraph (4), made—

- (a) to a third party in respect of a single applicant or a member of the family (but not a member of the third party's family) must, where that payment is a payment of an occupational pension, a pension or other periodical payment made under a personal pension scheme or a payment made by the Board of the Pension Protection Fund, be treated as possessed by that single applicant or, as the case may be, by that member;

(9) Where an applicant is treated as possessing any income under any of sub-paragraphs (1) to (8), the foregoing provisions of this Part apply for the purposes of calculating the amount of that income as if a payment had actually been made and as if it were actual income which he does possess.

(10) Where an applicant is treated as possessing any earnings under sub-paragraph (6) the foregoing provisions of this Part apply for the purposes of calculating the amount of those earnings as if a payment had actually been made and as if they were actual earnings which he does possess except that paragraph 42(2) or 52(3) (calculation of net earnings of employed earners: pensioners and persons who are not pensioners, respectively) do not apply and his net earnings are to be calculated by taking into account those earnings which he is treated as possessing, less—

(a) by estimating the amount which is likely to be his average weekly income in accordance with this Part;

(b) by adding to that amount the weekly income calculated—

(ii) if the applicant is a person who is not a pensioner, under paragraph 72 (tariff income: persons who are not pensioners); and

(c) deducting from the sum of paragraphs (a) and (b) any relevant child care charges to which paragraph 58 (treatment of child care charges) applies from any earnings which form part of the average weekly income or, in a case where the conditions in sub-paragraph (2) are met, from those earnings plus whichever credit specified in paragraph (b) of that sub-paragraph is appropriate, up to a maximum deduction in respect of the applicant's family of whichever of the sums specified in sub-paragraph (3) applies in his case.

(2) The conditions of this paragraph are that—

(a) the applicant's earnings which form part of his average weekly income are less than the lower of either his relevant child care charges or whichever of the deductions specified in sub-paragraph (3) otherwise applies in his case; and

(a) a daily instalment, the period is 1 day, being the day in respect of which the instalment is paid;

(b) a weekly instalment, the period is 7 days, ending on the day on which the instalment is due to be paid;

(c) a two weekly instalment, the period is 14 days, commencing 6 days before the day on which the instalment is due to be paid;

(d) a four weekly instalment, the period is 28 days, ending on the day on which the instalment is due to be paid.

(4) For the purposes of this paragraph “tax credit” means child tax credit or working tax credit.

Disregard of changes in tax, contributions etc.

60. In calculating the applicant’s income the authority may disregard any legislative change—

- (a) in the basic or other rates of income tax;
- (b) in the amount of any personal tax relief;
- (c) in the rates of social security contributions payable under the SSCBA or in the lower earnings limit or upper earnings limit for Class 1 contributions under that Act, the lower or upper limits applicable to Class 4 contributions under that Act or the amount specified in section 11(4) of that Act (small earnings exception in relation to Class 2 contributions);
- (d) in the amount of tax payable as a result of an increase in the weekly rate of Category A, B, C or D retirement pension or any addition thereto or any graduated pension payable under the SSCBA;
- (e) in the maximum rate of child tax credit or working tax credit,

for a period not exceeding 30 reduction weeks beginning with the reduction week immediately following the date from which the change is effective.

Calculation of net profit of self-employed earners

61.—(1) For the purposes of paragraphs 48 (average weekly earnings of self-employed earners: persons who are not pensioners) and 57 (calculation of income on a weekly basis) the earnings of an applicant to be taken into account must be—

- (a) in the case of a self-employed earner who is engaged in employment on his own account, the net profit derived from that employment;
- (b) in the case of a self-employed earner who is a pensioner whose employment is carried on in partnership, his share of the net profit derived from that employment, less—
 - (i) an amount in respect of income tax and of social security contributions payable under the SSCBA calculated in accordance with paragraph 62 (deduction of tax and contributions of self-employed earners); and
 - (ii) one-half of the amount calculated in accordance with sub-paragraph (11) in respect of any qualifying premium;
- (c) in the case of a self-employed earner who is not a pensioner whose employment is carried on in partnership or is that of a share fisherman within the meaning of the Social Security (Mariners’ Benefits) Regulations 1975(a), his share of the net profit derived from that employment, less—

(i) an amount in respect of income tax and of social security contributions payable under the SSCBA calculated in accordance with paragraph 62 (deduction of tax and contributions for self-employed earners); and

(ii) one-half of the amount calculated in accordance with sub-paragraph (11) in respect of any qualifying premium.

(2) There must be disregarded from the net profit of an applicant who is not a pensioner, any sum, where applicable, specified in paragraphs 1 to 16 of Schedule 7 (sums disregarded in the calculation of earnings: persons who are not pensioners).

(3) For the purposes of sub-paragraph (1)(a) the net profit of the employment must, except where sub-paragraph (9) applies, be calculated by taking into account the earnings of the employment over the assessment period less—

(a) subject to sub-paragraphs (5) to (8), any expenses wholly and exclusively incurred in that period for the purposes of that employment;

(b) an amount in respect of—

(i) income tax; and

(ii) social security contributions payable under the SSCBA,

calculated in accordance with paragraph 62 (deduction of tax and contributions for self-employed earners); and

(c) one-half of the amount calculated in accordance with sub-paragraph (11) in respect of any qualifying premium.

(4) For the purposes of sub-paragraph (1)(b) the net profit of the employment is to be calculated by taking into account the earnings of the employment over the assessment period less, subject to sub-paragraphs (5) to (8), any expenses wholly and exclusively incurred in that period for the purposes of the employment.

(5) Subject to sub-paragraph (6), no deduction is to be made under sub-paragraph (3)(a) or (4), in respect of—

(a) any capital expenditure;

(b) the depreciation of any capital asset;

(c) any sum employed or intended to be employed in the setting up or expansion of the employment;

(d) any loss incurred before the beginning of the assessment period;

(e) the repayment of capital on any loan taken out for the purposes of the employment;

(f) any expenses incurred in providing business entertainment; and

(g) in the case of an applicant who is not a pensioner, any debts, except bad debts proved to be such, but this paragraph does not apply to any expenses incurred in the recovery of a debt.

(6) A deduction is to be made under sub-paragraph (3)(a) or (4) in respect of the repayment of capital on any loan used for—

- (a) the replacement in the course of business of equipment or machinery; or
- (b) the repair of an existing business asset except to the extent that any sum is payable under an insurance policy for its repair.

(7) The authority must refuse to make a deduction in respect of any expenses under sub-paragraph (3)(a) or (4) where it is not satisfied given the nature and the amount of the expense that it has been reasonably incurred.

(8) For the avoidance of doubt—

- (a) a deduction must not be made under sub-paragraph (3)(a) or (4) in respect of any sum unless it has been expended for the purposes of the business;
- (b) a deduction must be made thereunder in respect of—
 - (i) the excess of any value added tax paid over value added tax received in the assessment period;
 - (ii) any income expended in the repair of an existing business asset except to the extent that any sum is payable under an insurance policy for its repair;
 - (iii) any payment of interest on a loan taken out for the purposes of the employment.

(9) Where an applicant is engaged in employment as a child minder the net profit of the employment is to be one-third of the earnings of that employment, less—

- (a) an amount in respect of—
 - (i) income tax; and
 - (ii) social security contributions payable under the SSCBA,

calculated in accordance with paragraph 62 (deduction of tax and contributions for self-employed earners); and

- (b) one-half of the amount calculated in accordance with sub-paragraph (11) in respect of any qualifying premium.

(10) For the avoidance of doubt where an applicant is engaged in employment as a self-employed earner and he is also engaged in one or more other employments as a self-employed or employed earner any loss incurred in any one of his employments must not be offset against his earnings in any other of his employments.

(11) The amount in respect of any qualifying premium is to be calculated by multiplying the daily amount of the qualifying premium by the number equal to the number of days in the assessment period; and for the purposes of this paragraph the daily amount of the qualifying premium must be determined—

(a) where the qualifying premium is payable monthly, by multiplying the amount of the qualifying premium by 12 and dividing the product by 365;

(b) in any other case, by dividing the amount of the qualifying premium by the number equal to the number of days in the period to which the qualifying premium relates.

(12) In this paragraph, “qualifying premium” means any premium which is payable periodically in respect of a personal pension scheme and is so payable on or after the date of application.

Calculation of deduction of tax and contributions of self-employed earners

62.—(1) The amount to be deducted in respect of income tax under paragraph 61(1)(b)(i), (3)(b)(i) or (9)(a)(i) (calculation of net profit of self-employed earners) must be calculated—

(a) on the basis of the amount of chargeable income, and

(b) as if that income were assessable to income tax at the basic rate of tax applicable to the assessment period less only the personal relief to which the applicant is entitled under sections 35 to 37 of the Income Tax Act 2007(a) (personal allowances) as is appropriate to his circumstances.

(2) But, if the assessment period is less than a year, the earnings to which the basic rate of tax is to be applied and the amount of the personal reliefs deductible under this paragraph must be calculated on a pro rata basis.

(3) The amount to be deducted in respect of social security contributions under paragraph 60(1)(b)(i), (3)(b)(ii) or (9)(a)(ii) is the total of—

(a) the amount of Class 2 contributions payable under section 11(1) or, as the case may be, 11(3) of the SSCBA at the rate applicable to the assessment period except where the applicant’s chargeable income is less than the amount specified in section 11(4) of that Act (small earnings exception) for the tax year applicable to the assessment period; but if the assessment period is less than a year, the amount specified for that tax year must be reduced pro rata; and

(b) the amount of Class 4 contributions (if any) which would be payable under section 15 of the SSCBA (Class 4 contributions recoverable under the Income Tax Acts) at the percentage rate applicable to the assessment period on so much of the chargeable income as exceeds the lower limit but does not exceed the upper limit of profits and gains applicable for the tax year applicable to the assessment period; but if the assessment period is less than a year, those limits must be reduced pro rata.

(4) In this paragraph “chargeable income” means—

(a) except where paragraph (b) applies, the earnings derived from the employment less any expenses deducted under sub-paragraph (3)(a) or, as the case may be, (5) of paragraph 61;

(b) in the case of employment as a child minder, one-third of the earnings of that employment.

CHAPTER 7 Capital

Calculation of capital

63.—(1) The capital of an applicant(a) to be taken into account must be, subject to sub-paragraph (2), the whole of his capital calculated in accordance with this Part and (in the case of persons who are not pensioners) any income treated as capital under paragraph 64 (income treated as capital: persons who are not pensioners).

(2) There must be disregarded from the calculation of an applicant’s capital under sub-paragraph (1), any capital, where applicable, specified in—

(a) Schedule 9, in relation to pensioners;

(b) Schedule 10, in relation to persons who are not pensioners.

(3) In the case of an applicant who is a pensioner, his capital is to be treated as including any payment made to him by way of arrears of—

(a) child tax credit;

(b) working tax credit;

(c) state pension credit,

if the payment was made in respect of a period for the whole or part of which a reduction under this scheme was allowed before those arrears were paid.

(4) The capital of a child or young person who is a member of the family of an applicant who is not a pensioner must not be treated as capital of the applicant.

Income treated as capital: persons who are not pensioners

64.—(1) This paragraph applies in relation to persons who are not pensioners.

(2) Any bounty derived from employment to which paragraph 9 of Schedule 7 (sums disregarded in the calculation of earnings: persons who are not pensioners) applies and paid at intervals of at least one year is to be treated as capital.

(3) Any amount by way of a refund of income tax deducted from profits or emoluments chargeable to income tax under Schedule D or E is to be treated as capital.

(4) Any holiday pay which is not earnings under paragraph 41(1)(d) or 51(1)(d) (earnings of employed earners) is to be treated as capital.

(5) Except any income derived from capital disregarded under paragraphs 4, 5, 7, 11, 17, 30 to 33, 50 or 51 of Schedule 10 (capital disregards: persons who are not pensioners), any income derived from capital is to be treated as capital but only from the date it is normally due to be credited to the applicant's account.

(6) In the case of employment as an employed earner, any advance of earnings or any loan made by the applicant's employer is to be treated as capital.

(7) Any charitable or voluntary payment which is not made or due to be made at regular intervals, other than a payment which is made under or by the Trusts, the Fund, the Eileen Trust, MFET Limited, the Skipton Fund, the Caxton Foundation, the Independent Living Fund (2006) or the London Bombings Charitable Relief Fund, is to be treated as capital.

(8) There is to be treated as capital the gross receipts of any commercial activity carried on by a person in respect of which assistance is received under the self-employment route, but only in so far as those receipts were payable into a special account during the period in which that person was receiving such assistance.

(9) Any arrears of subsistence allowance which are paid to an applicant as a lump sum must be treated as capital.

(10) Any arrears of working tax credit or child tax credit must be treated as capital.

Calculation of capital in the United Kingdom

65. Capital which an applicant possesses in the United Kingdom is to be calculated at its current market or surrender value less—

- (a) where there would be expenses attributable to the sale, 10 per cent; and
- (b) the amount of any encumbrance secured on it.

Calculation of capital outside the United Kingdom

66. Capital which an applicant possesses in a country outside the United Kingdom must be calculated—

- (a) in a case where there is no prohibition in that country against the transfer to the United Kingdom of an amount equal to its current market or surrender value in that country, at that value;
- (b) in a case where there is such a prohibition, at the price which it would realise if sold in the United Kingdom to a willing buyer, less, where there would be expenses attributable to sale, 10 per cent and the amount of any encumbrances secured on it.

Notional capital

67.—(1) An applicant is to be treated as possessing capital of which he has deprived himself for the purpose of securing entitlement to a reduction or increasing the amount of that reduction except to the extent that that capital is reduced in accordance with paragraph 68 (diminishing notional capital rule).

(2) A person who is a pensioner who disposes of capital for the purpose of—

(a) reducing or paying a debt owed by the applicant; or

(b) purchasing goods or services if the expenditure was reasonable in the circumstances of the applicant's case, is to be regarded as not depriving himself of it.

(3) Sub-paragraphs (4) to (6) apply in relation to applicants who are not pensioners.

(4) Except in the case of—

(a) a discretionary trust; or

(b) a trust derived from a payment made in consequence of a personal injury; or

(c) any loan which would be obtained only if secured against capital disregarded under Schedule 9; or

(d) a personal pension scheme, occupational pension scheme or a payment made by the Board of the Pension Protection Fund; or

(e) any sum to which paragraph 50(2)(a) of Schedule 10 (capital disregards: persons who are not pensioners) applies which is administered in the way referred to in paragraph 50(1)(a); or

(f) any sum to which paragraph 51(a) of Schedule 10 refers; or

(g) child tax credit; or

(h) working tax credit,

any capital which would become available to the applicant upon application being made, but which has not been acquired by him, is to be treated as possessed by him but only from the date on which it could be expected to be acquired were an application made.

(5) Any payment of capital, other than a payment of capital specified in sub-paragraph (6), made—

(a) to a third party in respect of a single applicant or a member of the family (but not a member of the third party's family) must, where that payment is a payment of an occupational pension, a pension or other periodical payment made under a personal pension scheme or a payment made by the Board of the Pension Protection Fund, be treated as possessed by that single applicant or, as the case may be, by that member;

(b) to a third party in respect of a single applicant or in respect of a member of the family (but not a member of the third party's family) must, where it is not a payment referred to in paragraph (a), be treated as possessed by that single applicant or by that member to the extent that it is used for the food, ordinary clothing or footwear, household fuel or rent of that single applicant or, as the case may be, of any member of that family or is used for any council tax or water charges for which that applicant or member is liable;

(c) to a single applicant or a member of the family in respect of a third party (but not in respect of another member of the family) must be treated as possessed by that single applicant or, as the case may be, that member of the family to the extent that it is kept or used by him or used by or on behalf of any member of the family.

(6) Sub-paragraph (5) does not apply in respect of a payment of capital made—

(a) under or by any of the Trusts, the Fund, the Eileen Trust, MFET Limited, the Independent Living Fund (2006), the Skipton Fund, the Caxton Foundation, or the London Bombings Relief Charitable Fund;

(b) pursuant to section 2 of the Employment and Training Act 1973 in respect of a person's participation—

(i) in an employment programme specified in regulation 75(1)(a)(ii) of the Jobseeker's Allowance Regulations 1996;

(ii) in a training scheme specified in regulation 75(1)(b)(ii) of those Regulations;

(iii) in the Intense Activity Period specified in regulation 75(1)(a)(iv) of those Regulations;

(iv) in a qualifying course within the meaning specified in regulation 17A(7) of those Regulations; or

(v) in the Flexible New Deal specified in regulation 75(1)(a)(v) of those Regulations;

(c) in respect of a person's participation in the Work for Your Benefit Pilot Scheme;

(d) in respect of a person's participation in the Mandatory Work Activity Scheme;

(e) in respect of an applicant's participation in the Employment, Skills and Enterprise Scheme;

(f) under an occupational pension scheme, in respect of a pension or other periodical payment made under a personal pension scheme or a payment made by the Board of the Pension Protection Fund where—

(i) a bankruptcy order has been made in respect of the person in respect of whom the payment has been made or, in Scotland, the

estate of that person is subject to sequestration or a judicial factor has been appointed on that person's estate under section 41 of the Solicitors (Scotland) Act 1980;

(ii) the payment is made to the trustee in bankruptcy or any other person acting on behalf of the creditors; and

(iii) the person referred to in sub-paragraph (i) and any member of his family does not possess, or is not treated as possessing, any other income apart from that payment.

(7) Where an applicant stands in relation to a company in a position analogous to that of a sole owner or partner in the business of that company, he may be treated as if he were such sole owner or partner and in such a case—

(a) the value of his holding in that company must, notwithstanding paragraph 63 (calculation of capital) be disregarded; and

(b) he must, subject to sub-paragraph (8), be treated as possessing an amount of capital equal to the value or, as the case may be, his share of the value of the capital of that company and the foregoing provisions of this Chapter apply for the purposes of calculating that amount as if it were actual capital which he does possess.

(8) For so long as the applicant undertakes activities in the course of the business of the company, the amount which he is treated as possessing under sub-paragraph (7) is to be disregarded.

(9) Where an applicant is treated as possessing capital under any of sub-paragraphs (1), (4) or (5) the foregoing provisions of this Chapter apply for the purposes of calculating its amount as if it were actual capital which he does possess.

Diminishing notional capital rule: pensioners

68.—(1) Where an applicant who is a pensioner is treated as possessing capital under paragraph 67(1) (notional capital), the amount which he is treated as possessing—

(a) in the case of a week that is subsequent to—

(i) the relevant week in respect of which the conditions set out in sub-paragraph (2) are satisfied; or

(ii) a week which follows that relevant week and which satisfies those conditions, is to be reduced by an amount determined under sub-paragraph (3);

(b) in the case of a week in respect of which sub-paragraph (1)(a) does not apply but where—

(i) that week is a week subsequent to the relevant week; and

(ii) that relevant week is a week in which the condition in sub-paragraph (4) is satisfied,

is to be reduced by the amount determined under sub-paragraph (5).

(2) This sub-paragraph applies to a reduction week where the applicant satisfies the conditions that—

(a) he is in receipt of a reduction under this scheme; and

(b) but for paragraph 67(1), he would have received a greater reduction in council tax under this scheme in that week.

(3) In a case to which sub-paragraph (2) applies, the amount of the reduction in the amount of capital he is treated as possessing for the purposes of sub-paragraph (1)(a) must be equal to the aggregate of—

(a) an amount equal to the additional amount of the reduction in council tax to which sub-paragraph (2)(b) refers;

(b) where the applicant has also claimed state pension credit, the amount of any state pension credit or any additional amount of state pension credit to which he would have been entitled in respect of the reduction week to which sub-paragraph (2) refers but for the application of regulation 21(1) of the State Pension Credit Regulations 2002 (notional capital);

(c) where the applicant has also claimed housing benefit, the amount of any housing benefit or any additional amount of housing benefit to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 47(1) of the Housing Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006 (notional capital);

(d) where the applicant has also claimed a jobseeker's allowance, the amount of an income-based jobseeker's allowance to which he would have been entitled in respect of the reduction week to which sub-paragraph (2) refers but for the application of regulation 113 of the Jobseeker's Allowance Regulations 1996 (notional capital); and

(e) where the applicant has also claimed an employment and support allowance, the amount of an income-related employment and support allowance to which he would have been entitled in respect of the reduction week to which sub-paragraph (2) refers but for the application of regulation 115 of the Employment and Support Allowance Regulations 2008 (notional capital).

(4) Subject to sub-paragraph (7), for the purposes of sub-paragraph (1)(b) the condition is that the applicant is a pensioner and would have been entitled to a reduction in council tax under this scheme in the relevant week but for paragraph 67(1).

(5) In such a case the amount of the reduction in the amount of capital he is treated as possessing for the purposes of sub-paragraph (1)(b) is equal to the aggregate of—

(a) the amount of the reduction in council tax to which the applicant would have been entitled in the relevant week but for paragraph 67(1);

(b) if the applicant would, but for regulation 21 of the State Pension Credit Regulations 2002, have been entitled to state pension credit in respect of the benefit week, within the meaning of regulation 1(2) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled;

(c) if the applicant would, but for regulation 47(1) of the Housing Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006, have been entitled to housing benefit or to an additional amount of housing benefit in respect of the benefit week which includes the last day of the relevant week, the amount which is equal to—

(i) in a case where no housing benefit is payable, the amount to which he would have been entitled; or

(ii) in any other case, the amount equal to the additional amount of housing benefit to which he would have been entitled; (d) if the applicant would, but for regulation 113 of the Jobseeker's Allowance Regulations 1996, have been entitled to an income-based jobseeker's allowance in respect of the benefit week, within the meaning of regulation 1(3) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled; and

(e) if the applicant would, but for regulation 115 of the Employment and Support Allowance Regulations 2008, have been entitled to an income-related employment and support allowance in respect of the benefit week, within the meaning of regulation 2(1) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled.

(6) But if the amount mentioned in paragraph (a), (b), (c), (d) or (e) of sub-paragraph (5) ("the relevant amount") is in respect of a part-week, the amount that is to be taken into account under that paragraph is to be determined by—

(a) dividing the relevant amount by the number equal to the number of days in that part-week, and

(b) multiplying the result of that calculation by 7.

(7) The amount determined under sub-paragraph (5) is to be re-determined under that sub-paragraph if the applicant makes a further application and the conditions in sub-paragraph (8) are satisfied, and in such a case—

(a) paragraphs (a) to (e) of sub-paragraph (5) apply as if for the words “relevant week” there were substituted the words “relevant subsequent week”; and

(b) subject to sub-paragraph (9), the amount as re-determined has effect from the first week following the relevant subsequent week in question.

(8) The conditions are that—

(a) a further application is made 26 or more weeks after—

(i) the date on which the applicant made an application in respect of which he was first treated as possessing the capital in question under paragraph 67(1);

(ii) in a case where there has been at least one re-determination in accordance with sub-paragraph (11), the date on which he last made an application which resulted in the weekly amount being re-determined, or

(iii) the date on which he last ceased to be entitled to a reduction under this scheme, whichever last occurred; and

(b) the applicant would have been entitled to a reduction under this scheme but for paragraph 67(1).

(9) The amount as re-determined pursuant to sub-paragraph (7) must not have effect if it is less than the amount which applied in that case immediately before the re-determination and in such a case the higher amount must continue to have effect.

(10) For the purposes of this paragraph—

“part-week”—

(a) in relation to an amount mentioned in sub-paragraph (5)(a), means a period of less than a week for which a reduction in council tax under this scheme is allowed;

(b) in relation to an amount mentioned in sub-paragraph (5)(b), means a period of less than a week for which housing benefit is payable;

(c) in relation to an amount mentioned in sub-paragraph (5)(c), (d) or (e), means—

(i) a period of less than a week which is the whole period for which income support, an income-related employment and support allowance or, as the case may be, an income-based jobseeker’s allowance is payable; and

(ii) any other period of less than a week for which it is payable;

“relevant week” means the reduction week or part-week in which the capital in question of which the applicant has deprived himself within the meaning of paragraph 67(1)—

(a) was first taken into account for the purpose of determining his entitlement to a reduction; or

(b) was taken into account on a subsequent occasion for the purpose of determining or re-determining his entitlement to a reduction on that subsequent occasion and that determination or re-determination resulted in his beginning to receive, or ceasing to receive, a reduction;

and where more than one reduction week is identified by reference to paragraphs (a) and (b) of this definition, the later or latest such reduction week or, as the case may be, the later or latest such part-week is the relevant week;

“relevant subsequent week” means the reduction week or part-week which includes the day on which the further application or, if more than one further application has been made, the last such application was made.

Diminishing notional capital rule: persons who are not pensioners

69.—(1) Where an applicant who is not a pensioner is treated as possessing capital under paragraph 67(1) (notional capital), the amount which he is treated as possessing—

(a) in the case of a week that is subsequent to—

(i) the relevant week in respect of which the conditions set out in sub-paragraph (2) are satisfied; or

(ii) a week which follows that relevant week and which satisfies those conditions, is to be reduced by an amount determined under sub-paragraph (3);

(b) in the case of a week in respect of which sub-paragraph (1)(a) does not apply but where—

(i) that week is a week subsequent to the relevant week; and

(ii) that relevant week is a week in which the condition in sub-paragraph (4) is satisfied, is to be reduced by the amount determined under sub-paragraph (5).

(2) This sub-paragraph applies to a reduction week (or, in the case of persons who are not pensioners, part-week) where the applicant satisfies the conditions that—

(a) he is in receipt of a reduction in council tax under this scheme; and

(b) but for paragraph 67(1), he would have received a greater reduction in council tax under this scheme in that week.

(3) In a case to which sub-paragraph (2) applies, the amount of the reduction in the amount of capital he is treated as possessing for the purposes of sub-paragraph (1)(a) is equal to the aggregate of—

(a) an amount equal to the additional amount of the reduction in council tax to which sub-paragraph (2)(b) refers;

(b) where the applicant has also claimed housing benefit, the amount of any housing benefit or any additional amount of that benefit to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 49(1) of the Housing Benefit Regulations 2006 (notional capital);

(c) where the applicant has also claimed income support, the amount of income support to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 51(1) of the Income Support (General) Regulations 1987 (notional capital);

(d) where the applicant has also claimed a jobseeker's allowance, the amount of an income-based jobseeker's allowance to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 113 of the Jobseeker's Allowance Regulations 1996 (notional capital); and

(e) where the applicant has also claimed an employment and support allowance, the amount of an income-related employment and support allowance to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 115 of the Employment and Support Allowance Regulations 2008 (notional capital).

(4) Subject to sub-paragraph (7), for the purposes of sub-paragraph (1)(b) the condition is that the applicant is not a pensioner and would have been entitled to a reduction in council tax in the relevant week but for paragraph 67(1).

(5) In such a case the amount of the reduction in the amount of capital he is treated as possessing must be equal to the aggregate of—

(a) the amount of council tax benefit to which the applicant would have been entitled in the relevant week but for paragraph 67(1);

(b) if the applicant would, but for regulation 49(1) of the Housing Benefit Regulations 2006, have been entitled to housing benefit or to an additional amount of housing benefit in respect of the benefit week which includes the last day of the relevant week, the amount which is equal to—

(i) in a case where no housing benefit is payable, the amount to which he would have been entitled; or

(ii) in any other case, the amount equal to the additional amount of housing benefit to which he would have been entitled;

(c) if the applicant would, but for regulation 51(1) of the Income Support (General) Regulations 1987, have been entitled to income support in respect of the benefit week, within the meaning of regulation 2(1) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled;

(d) if the applicant would, but for regulation 113 of the Jobseeker's Allowance Regulations 1996, have been entitled to an income-based jobseeker's allowance in respect of the benefit week, within the meaning of regulation 1(3) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled; and

(a) dividing the relevant amount by the number equal to the number of days in that part-week, and

(b) multiplying the result of that calculation by 7.

(7) The amount determined under sub-paragraph (5) is to be re-determined under the appropriate sub-paragraph if the applicant makes a further application and the conditions in sub-paragraph (8) are satisfied, and in such a case—

(a) paragraphs (a) to (e) of sub-paragraph (5) apply as if for the words "relevant week" there were substituted the words "relevant subsequent week"; and

(b) subject to sub-paragraph (9), the amount as re-determined has effect from the first week following the relevant subsequent week in question.

(8) The conditions are that—

(a) a further application is made 26 or more weeks after—

(i) the date on which the applicant made an application for a reduction under this scheme in respect of which he was first treated as possessing the capital in question under paragraph 67(1);

(ii) in a case where there has been at least one re-determination in accordance with sub-paragraph (7), the date on which he last made an application under this scheme which resulted in the weekly amount being re-determined, or

(iii) the date on which he last ceased to be entitled to a reduction under this scheme, whichever last occurred; and (b) the applicant would have been entitled to a reduction under this scheme but for paragraph 67(1).

(9) The amount as re-determined pursuant to sub-paragraph (6) must not have effect if it is less than the amount which applied in that case immediately before the re-determination and in such a case the higher amount must continue to have effect.

(10) For the purposes of this paragraph—

“part-week”—

(a) in relation to an amount mentioned in sub-paragraph (5)(a), means a period of less than a week for which a reduction under this scheme is allowed;

(b) was taken into account on a subsequent occasion for the purpose of determining or re-determining his entitlement to a reduction on that subsequent occasion and that determination or re-determination resulted in his beginning to receive, or ceasing to receive, a reduction, and where more than one reduction week is identified by reference to paragraphs (a) and (b) of this definition, the later or latest such reduction week or, as the case may be, the later or latest such part-week is the relevant week;

“relevant subsequent week” means the reduction week or part-week which includes the day on which the further application or, if more than one further application has been made, the last such application was made.

Capital jointly held

70. Except where an applicant possesses capital which is disregarded under paragraph 67(7) (notional capital), where an applicant and one or more persons are beneficially entitled in possession to any capital asset they must be treated, in the absence of evidence to the contrary, as if each of them were

entitled in possession to the whole beneficial interest therein in an equal share and the foregoing provisions of this Chapter apply for the purposes of calculating the amount of capital which the applicant is treated as possessing as if it were actual capital which the applicant does possess.

Calculation of tariff income from capital: pensioners

71. The capital of an applicant who is a pensioner, calculated in accordance with this Part(a), is to be treated as if it were a weekly income(b) of—

- (a) £1 for each £500 in excess of £10,000 but not exceeding £16,000; and
- (b) £1 for any excess which is not a complete £500.

- (a) the sum of £303 per academic year in respect of travel costs; and
- (b) the sum of £390 per academic year towards the costs of books and equipment, whether or not any such costs are incurred.

(5) Subject to sub-paragraphs (6) and (7), a student's grant income must be apportioned—

- (a) subject to sub-paragraph (8), in a case where it is attributable to the period of study, equally between the weeks in that period beginning with the reduction week, the first day of which coincides with, or immediately follows, the first day of the period of study and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the period of study;
- (b) in any other case, equally between the weeks in the period beginning with the reduction week, the first day of which coincides with, or immediately follows, the first day of the period for which it is payable and ending with the

reduction week, the last day of which coincides with, or immediately precedes, the last day of the period for which it is payable.

(6) Any grant in respect of dependants paid under section 63(6) of the Health Services and Public Health Act 1968 (grants in respect of the provision of instruction to officers of hospital authorities) and any amount intended for the maintenance of dependants under Part 3 of Schedule 2 to the Education (Mandatory Awards) Regulations 2003 must be apportioned equally over the period of 52 weeks or, if there are 53 reduction weeks (including part-weeks) in the year, 53.

(7) In a case where a student is in receipt of a student loan or where he could have acquired a student loan by taking reasonable steps but had not done so, any amount intended for the maintenance of dependants to which neither sub-paragraph (6) nor paragraph 80(2) (other amounts to be disregarded) applies, must be apportioned over the same period as the student's loan is apportioned or, as the case may be, would have been apportioned.

(8) In the case of a student on a sandwich course, any periods of experience within the period of study must be excluded and the student's grant income must be apportioned equally between the weeks in the period beginning with the reduction week, the first day of which immediately follows the last day of the period of experience and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the period of study.

Calculation of covenant income where a contribution is assessed

77.—(1) Where a student is in receipt of income by way of a grant during a period of study and a contribution has been assessed, the amount of his covenant income to be taken into account for that period and any summer vacation immediately following must be the whole amount of the covenant income less, subject to sub-paragraph (3), the amount of the contribution.

(2) The weekly amount of the student's covenant must be determined—

(a) by dividing the amount of income which falls to be taken into account under sub-paragraph (1) by 52 or 53, whichever is reasonable in the circumstances; and

(b) by disregarding £5 from the resulting amount.

(3) For the purposes of sub-paragraph (1), the contribution must be treated as increased by the amount (if any) by which the amount excluded under paragraph 76(2)(g) falls short of the amount specified in paragraph 7(2) of Schedule 2 to the Education (Mandatory Awards) Regulations 2003 (travel expenditure).

Covenant income where no grant income or no contribution is assessed

(b) any covenant income, up to the amount of the standard maintenance grant, which is not so disregarded, must be apportioned equally between the weeks of the period of study;

(c) there must be disregarded from the amount so apportioned the amount which would have been disregarded under paragraph 76(2)(f) and (3) had the student been in receipt of the standard maintenance grant; and

(d) the balance, if any, must be divided by 52 or 53 whichever is reasonable in the circumstances and treated as weekly income of which £5 must be disregarded.

(2) Where a student is in receipt of income by way of a grant and no contribution has been assessed, the amount of his covenanted income must be calculated in accordance with paragraphs (a) to (d) of sub-paragraph (1), except that—

(a) the value of the standard maintenance grant must be abated by the amount of such grant income less an amount equal to the amount of any sums disregarded under paragraph 76(2)(a) to (e); and

(b) the amount to be disregarded under sub-paragraph (1)(c) must be abated by an amount equal to the amount of any sums disregarded under paragraph 76(2)(f) and (g) and (3).

(2) But sub-paragraph (1) applies only if, and to the extent that, the necessary expenditure exceeds or is likely to exceed the amount of the sums disregarded under paragraph 76(2) or (3), 77(3), 78(1)(a) or (c) or 81(5) (calculation of grant income, covenant income and treatment of student loans) on like expenditure.

(2) In calculating the weekly amount of the loan to be taken into account as income—

(a) in respect of a course that is of a single academic year's duration or less, a loan which is payable in respect of that period is to be apportioned equally between the weeks in the period beginning with—

(ii) where the student is required to start attending the course in August or where the course is less than an academic year's duration, the reduction week, the first day of which coincides with, or immediately follows, the first day of the course, and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the course;

(b) in respect of an academic year of a course which starts other than on 1st September, a loan which is payable in respect of that academic year is to be apportioned equally between the weeks in the period—

immediately follows, the first day of that academic year, and

(ii) ending with the reduction week, the last day of which coincides with or immediately precedes, the last day of that academic year, but excluding any reduction weeks falling entirely within the quarter during which, in the opinion of the authority, the longest of any vacation is taken and for the purposes of this paragraph, "quarter" has the same meaning as for the purposes of the Education (Student Support) Regulations 2005;

(c) in respect of the final academic year of a course (not being a course of a single year's duration), a loan which is payable in respect of that final academic year is to be apportioned equally between the weeks in the period beginning with—

(i) except in a case where sub-paragraph (ii) applies, the reduction week, the first day of which coincides with, or immediately follows, the first day of that academic year;

(ii) where the final academic year starts on 1st September, the reduction week, the first day of which coincides with, or immediately follows, the earlier of 1st September or the first day of the autumn term, and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the course;

(d) in any other case, the loan is to be apportioned equally between the weeks in the period beginning with the earlier of—

- (i) the first day of the first reduction week in September; or
- (ii) the reduction week, the first day of which coincides with, or immediately follows the first day of the autumn term, and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of June, and, in all cases, from the weekly amount so apportioned £10 is to be disregarded.

(3) A student is to be treated as possessing a student loan in respect of an academic year where—

- (a) a student loan has been made to him in respect of that year; or
- (b) he could acquire such a loan in respect of that year by taking reasonable steps to do so.

(4) Where a student is treated as possessing a student loan under sub-paragraph (3), the amount of the student loan to be taken into account as income must be, subject to sub-paragraph (5)—

(a) in the case of a student to whom a student loan is made in respect of an academic year, a sum equal to—

- (i) the maximum student loan he is able to acquire in respect of that year by taking reasonable steps to do so; and
- (ii) any contribution whether or not it has been paid to him;

(b) in the case of a student to whom a student loan is not made in respect of an academic year, the maximum student loan that would be made to the student if—

- (i) he took all reasonable steps to obtain the maximum student loan he is able to acquire in respect of that year; and
- (ii) no deduction in that loan was made by virtue of the application of a means test.

(5) There must be deducted from the amount of income taken into account under sub-paragraph (4)—

- (a) the sum of £303 per academic year in respect of travel costs; and
- (b) the sum of £390 per academic year towards the cost of books and equipment,

whether or not any such costs are incurred.

(6) A loan for fees, known as a fee loan or a fee contribution loan, made pursuant to regulations made under Article 3 of the Education (Student Support) (Northern Ireland) Order 1998, section 22 of the Teaching and Higher Education Act 1998 or section 73(f) of the Education (Scotland) Act 1980, shall be disregarded as income.

Treatment of payments from access funds

82.—(1) This paragraph applies to payments from access funds that are not payments to which paragraph 85(2) or (3) (income treated as capital) applies.

(2) A payment from access funds, other than a payment to which sub-paragraph (3) applies, must be disregarded as income.

(3) Subject to sub-paragraph (4) of this paragraph and paragraph 40 of Schedule 8 (disregards in the calculation of income other than earnings: persons who are not pensioners)—

(a) any payments from access funds which are intended and used for an item of food, ordinary clothing or footwear, household fuel, or rent of a single applicant or, as the case may be, of the applicant or any other member of his family, and

(b) any payments from access funds which are used for any council tax or water charges for which that applicant or member is liable, must be disregarded as income to the extent of £20 per week.

(4) Where a payment from access funds is made—

(a) on or after 1st September or the first day of the course, whichever first occurs, but before receipt of any student loan in respect of that year and that payment is intended for the purpose of bridging the period until receipt of the student loan; or

(b) before the first day of the course to a person in anticipation of that person becoming a student, that payment must be disregarded as income.

Disregard of contribution

83. Where the applicant or his partner is a student and, for the purposes of assessing a contribution to the student's grant or student loan, the other partner's income has been taken into account, an amount equal to that contribution must be disregarded for the purposes of assessing that other partner's income.

Further disregard of student's income

84. Where any part of a student's income has already been taken into account for the purposes of assessing his entitlement to a grant or student loan, the amount taken into account must be disregarded in assessing that student's income.

Income treated as capital

85.—(1) Any amount by way of a refund of tax deducted from a student's covenant income must be treated as capital.

(2) An amount paid from access funds as a single lump sum must be treated as capital.

(3) An amount paid from access funds as a single lump sum which is intended and used for an item other than food, ordinary clothing or footwear, household fuel or

rent, or which is used for an item other than any council tax or water charges for which that applicant or member is liable, must be disregarded as capital but only for a period of 52 weeks from the date of the payment.

Disregard of changes occurring during summer vacation

86. In calculating a student's income the authority must disregard any change in the standard maintenance grant, occurring in the recognised summer vacation appropriate to the student's course, if that vacation does not form part of his period of study from the date on which the change occurred to the end of that vacation.

PART 12 Extended reductions

CHAPTER 1

Extended reductions: pensioners

87. Paragraphs 88 to 93 apply in relation to applicants who are pensioners.

Extended reductions (qualifying contributory benefits): pensioners

88.—(1) Except in the case of an applicant who is in receipt of state pension credit, an applicant who is entitled to a reduction under this scheme by virtue of falling within any of classes A to C is entitled to an extended reduction (qualifying contributory benefits) where—

- (a) the applicant or the applicant's partner was entitled to a qualifying contributory benefit;
- (b) entitlement to a qualifying contributory benefit ceased because the applicant or the applicant's partner—
 - (i) commenced employment as an employed or self-employed earner;
 - (ii) increased their earnings from such employment; or
 - (iii) increased the number of hours worked in such employment,

and that employment is or, as the case may be, those increased earnings or increased number of hours are expected to last five weeks or more;

- (c) the applicant or the applicant's partner had been entitled to and in receipt of a qualifying contributory benefit or a combination of qualifying contributory benefits for a continuous period of at least 26 weeks before the day on which the entitlement to a qualifying contributory benefit ceased; and

- (d) the applicant or the applicant's partner was not entitled to and not in receipt of a qualifying income-related benefit in the last reduction week in which the applicant, or the applicant's partner, was entitled to a qualifying contributory benefit.

(2) An applicant must be treated as entitled to a reduction under this scheme by virtue of falling within any of classes A to C where—

(a) the applicant ceased to be entitled to a reduction under this scheme because the applicant vacated the dwelling in which the applicant was resident;

(b) the day on which the applicant vacated the dwelling was either in the week in which entitlement to a qualifying contributory benefit ceased, or in the preceding week; and

(c) entitlement to the qualifying contributory benefit ceased in any of the circumstances listed in sub-paragraph (1)(b).

Duration of extended reduction period (qualifying contributory benefits): pensioners

89.—(1) Where an applicant is entitled to an extended reduction (qualifying contributory benefits), the extended reduction period starts on the first day of the reduction week immediately following the reduction week in which the applicant, or the applicant's partner, ceased to be entitled to a qualifying contributory benefit.

(2) For the purpose of sub-paragraph (1), an applicant or an applicant's partner ceases to be entitled to a qualifying contributory benefit on the day immediately following the last day of entitlement to that benefit.

(3) The extended reduction period ends—

(a) at the end of a period of four weeks; or

(b) on the date on which the applicant who is receiving the extended reduction (qualifying contributory benefits) has no liability for council tax, if that occurs first.

Amount of extended reduction (qualifying contributory benefits): pensioners

90.—(1) For any week during the extended reduction period the amount of the extended reduction (qualifying contributory benefits) the applicant is entitled to is the greater of—

(a) the amount of council tax reduction to which the applicant was entitled by virtue of falling within any of classes A to C in the last reduction week before the applicant or the applicant's partner ceased to be entitled to a qualifying contributory benefit;

(b) the amount of reduction under this scheme to which the applicant would be entitled under by virtue of falling within any of classes A to C for any reduction week during the extended reduction period, if paragraph 88 (extended reductions (qualifying contributory benefits): pensioners) did not apply to the applicant; or

(c) the amount of reduction under this scheme to which the applicant's partner would be entitled by virtue of falling within any of classes A to C, if paragraph 88 did not apply to the applicant.

(2) Sub-paragraph (1) does not apply in the case of a mover.

(3) Where an applicant is in receipt of an extended reduction (qualifying contributory benefits) under this paragraph and the applicant's partner makes an application for a reduction under this scheme, the authority must not award a reduction in pursuance of that application during the extended reduction period.

Extended reductions (qualifying contributory benefits)—movers: pensioners

91.—(1) This paragraph applies—

(a) to a mover(a); and

(b) from the Monday following the day of the move.

(2) The amount of the extended reduction (qualifying contributory benefits) awarded from the Monday from which this paragraph applies until the end of the extended reduction period is to be the amount of reduction under this scheme which was payable to the mover for the last reduction week before the mover, or the mover's partner, ceased to be entitled to a qualifying contributory benefit.

(3) Where a mover's liability to pay council tax in respect of the new dwelling is to a second authority, the extended reduction (qualifying contributory benefits) may take the form of a payment from this authority to—

(a) the second authority; or

(b) the mover directly.

Relationship between extended reduction (qualifying contributory benefits) and entitlement to a reduction by virtue of classes A to C

92.—(1) Where an applicant's reduction under this scheme would have ended when the applicant ceased to be entitled to a qualifying contributory benefit in the circumstances listed in paragraph 88(1)(b), that reduction does not cease to have effect until the end of the extended reduction period.

(2) Part 13 (when entitlement begins and change of circumstances) does not apply to any extended reduction (qualifying contributory benefits) payable in accordance with paragraph 90(1)(a) or paragraph 91(2) (amount of extended reduction — movers: pensioners).

Continuing reductions where state pension credit claimed: pensioners

93.—(1) This paragraph applies where—

(a) the applicant is entitled to a reduction under this scheme;

(b) sub-paragraph (2) is satisfied; and

(c) either—

(i) the applicant has attained the qualifying age for state pension credit or, if his entitlement to income-based jobseeker's allowance or income-related employment and support allowance continued beyond that age, has attained the age of 65; or

(ii) the applicant's partner has actually claimed state pension credit.

(2) This sub-paragraph is only satisfied if the Secretary of State has certified to the authority that the applicant's partner has actually claimed state pension credit or that—

(a) the applicant's award of—

(i) income support has terminated because the applicant has attained the qualifying age for state pension credit; or

(ii) income-based jobseeker's allowance or income-related employment and support allowance has terminated because the applicant has attained the qualifying age for state pension credit or the age of 65; and

(b) the applicant has claimed or is treated as having claimed or is required to make a claim for state pension credit.

(3) Subject to sub-paragraph (4), in a case to which this paragraph applies, a person continues to be entitled to a reduction under this scheme for the period of 4 weeks beginning on the day following the day the applicant's entitlement to income support or, as the case may be, income-based jobseeker's allowance, income-related employment and support allowance, ceased, if and for so long as the applicant otherwise satisfies the conditions for entitlement to a reduction under this scheme.

(4) Where a reduction under this scheme is awarded for the period of 4 weeks in accordance with sub-paragraph (3) above, and the last day of that period falls on a day other than the last day of a reduction week, then a reduction under this scheme must continue to be awarded until the end of the reduction week in which the last day of that period falls.

(5) Throughout the period of 4 weeks specified in sub-paragraph (3) and any further period specified in sub-paragraph (4)—

(a) the whole of the income and capital of the applicant is to be disregarded;

(b) the maximum council tax reduction amount of the applicant is to be that which was applicable in his case immediately before that period commenced.

(6) The maximum reduction is to be calculated in accordance with paragraph 29(1) if, since the date it was last calculated—

(a) the applicant's council tax liability has increased; or

(b) a change in the deduction under paragraph 30 falls to be made.

CHAPTER 2 Extended reductions: persons who are not pensioners

94. Paragraphs 95 to 104 apply in relation to applicants who are not pensioners.

Extended reductions: persons who are not pensioners

95.—(1) An applicant who is entitled to a reduction under this scheme by virtue of falling within any of classes D to F is entitled to an extended reduction where—

(a) the applicant or the applicant's partner was entitled to a qualifying income-related benefit;

(b) entitlement to a qualifying income-related benefit ceased because the applicant or the applicant's partner—

(i) commenced employment as an employed or self-employed earner;

(ii) increased their earnings from such employment; or

(iii) increased the number of hours worked in such employment,

and that employment is or, as the case may be, those increased earnings or increased number of hours are expected to last five weeks or more; and

(c) the applicant or the applicant's partner had been entitled to and in receipt of a qualifying income-related benefit, jobseeker's allowance or a combination of those benefits for a continuous period of at least 26 weeks before the day on which the entitlement to a qualifying income-related benefit ceased.

(2) For the purpose of sub-paragraph (1)(c), an applicant or an applicant's partner is to be treated as having been entitled to and in receipt of a qualifying income-related benefit or jobseeker's allowance during any period of less than five weeks in respect of which the applicant or the applicant's partner was not entitled to any of those benefits because the applicant or the applicant's partner was engaged in remunerative work as a consequence of their participation in an employment zone programme.

(3) For the purpose of this paragraph, where an applicant or an applicant's partner is entitled to and in receipt of joint-claim jobseeker's allowance they must be treated as being entitled to and in receipt of jobseeker's allowance.

(4) An applicant must be treated as entitled to a reduction under this scheme by virtue of falling within any of classes D to F where—

(a) the applicant ceased to be entitled to a reduction under this scheme because the applicant vacated the dwelling in which the applicant was resident;

(b) the day on which the applicant vacated the dwelling was either in the week in which entitlement to a qualifying income-related benefit ceased, or in the preceding week; and

(c) entitlement to the qualifying income-related benefit ceased in any of the circumstances listed in sub-paragraph (1)(b).

(5) This paragraph does not apply where, on the day before an applicant's entitlement to income support ceased, regulation 6(5) of the Income Support (General) Regulations 1987(a) (remunerative work: housing costs) applied to that applicant.

Duration of extended reduction period: persons who are not pensioners

96.—(1) Where an applicant is entitled to an extended reduction, the extended reduction period starts on the first day of the reduction week immediately following the reduction week in which the applicant, or the applicant's partner, ceased to be entitled to a qualifying income-related benefit.

(2) For the purpose of sub-paragraph (1), an applicant or an applicant's partner ceases to be entitled to a qualifying income-related benefit on the day immediately following the last day of entitlement to that benefit.

(3) The extended reduction period ends—

(a) at the end of a period of four weeks; or

(b) on the date on which the applicant to whom the extended reduction is payable has no liability for council tax, if that occurs first.

Amount of extended reduction: persons who are not pensioners

97.—(1) For any week during the extended reduction period the amount of the extended reduction to which an applicant is entitled is to be the higher of—

(a) the amount of the reduction under this scheme to which the applicant was entitled by virtue of falling within any of classes D to F in the last reduction week before the applicant or the applicant's partner ceased to be entitled to a qualifying income-related benefit;

(b) the amount of reduction under this scheme to which the applicant would be entitled by virtue of falling within any of classes D to F for any reduction week during the extended reduction period, if paragraph 95 (extended reductions: persons who are not pensioners) did not apply to the applicant; or

(c) the amount of reduction under this scheme to which the applicant's partner would be entitled by virtue of falling within any of classes D to F, if paragraph 95 did not apply to the applicant.

(2) Sub-paragraph (1) does not apply in the case of a mover.

(3) Where an applicant is in receipt of an extended reduction under this paragraph and the applicant's partner makes an application for a reduction

under this scheme, no amount of reduction under this scheme is to be awarded by the authority during the extended reduction period.

Extended reductions—movers: persons who are not pensioners

98.—(1) This paragraph applies—

- (a) to a mover; and
- (b) from the Monday following the day of the move.

(2) The amount of the extended reduction awarded from the Monday from which this paragraph applies until the end of the extended reduction period is to be the amount of reduction under this scheme to which the mover would have been entitled had they, or their partner, not ceased to be entitled to a qualifying income-related benefit.

(3) Where a mover's liability to pay council tax in respect of the new dwelling is to a second authority, the extended reduction (qualifying contributory benefits) may take the form of a payment from this authority to—

- (a) the second authority; or
- (b) the mover directly.

Relationship between extended reduction and entitlement to a reduction by virtue of classes D to F

99.—(1) Where an applicant's entitlement to a reduction under this scheme would have ended when the applicant ceased to be entitled to a qualifying income-related benefit in the circumstances listed in paragraph 95(1)(b), that entitlement does not cease until the end of the extended reduction period.

(2) Paragraphs 106 and 107 do not apply to any extended reduction payable in accordance with paragraph 95(1)(a) or 98(2) (amount of extended reduction—movers: persons who are not pensioners).

Extended reductions (qualifying contributory benefits): persons who are not pensioners

100.—(1) An applicant who is entitled to a reduction under this scheme by virtue of falling within any of classes D to F is entitled to an extended reduction (qualifying contributory benefits) where—

- (a) the applicant or the applicant's partner was entitled to a qualifying contributory benefit;

 - (i) commenced employment as an employed or self-employed earner;

and that employment is or, as the case may be, those increased earnings or increased number of hours are expected to last five weeks or more;

(c) the applicant or the applicant's partner had been entitled to and in receipt of a qualifying contributory benefit or a combination of qualifying contributory benefits for a continuous period of at least 26 weeks before the day on which the entitlement to a qualifying contributory benefit ceased; and

(d) the applicant or the applicant's partner was not entitled to and not in receipt of a qualifying income-related benefit in the last reduction week in which the applicant, or the applicant's partner, was entitled to a qualifying contributory benefit.

(2) An applicant must be treated as entitled to a reduction under this scheme by virtue of falling within any of classes D to F where—

(a) the applicant ceased to be entitled to a reduction under this scheme because the applicant vacated the dwelling in which the applicant was resident;

(b) the day on which the applicant vacated the dwelling was either in the week in which entitlement to a qualifying contributory benefit ceased, or in the preceding week; and

(c) entitlement to the qualifying contributory benefit ceased in any of the circumstances listed in sub-paragraph (1)(b).

Duration of extended reduction period (qualifying contributory benefits): persons who are not pensioners

101.—(1) Where an applicant is entitled to an extended reduction (qualifying contributory benefits), the extended reduction period starts on the first day of the reduction week immediately following the reduction week in which the applicant, or the applicant's partner, ceased to be entitled to a qualifying contributory benefit.

(2) For the purpose of sub-paragraph (1), an applicant or an applicant's partner ceases to be entitled to a qualifying contributory benefit on the day immediately following the last day of entitlement to that benefit.

(3) The extended reduction period ends—

(a) at the end of a period of four weeks; or

(b) on the date on which the applicant entitled to the extended reduction (qualifying contributory benefits) has no liability for council tax, if that occurs first.

Amount of extended reduction (qualifying contributory benefits): persons who are not pensioners

102.—(1) For any week during the extended reduction period the amount of the extended reduction (qualifying contributory benefits) payable to an applicant is to be the greater of—

(a) the amount of reduction under this scheme to which the applicant was entitled by virtue of falling within any of classes D to F in the last reduction week before the applicant or the applicant's partner ceased to be entitled to a qualifying contributory benefit;

(b) the amount of reduction under this scheme to which the applicant would be entitled by virtue of falling within any of classes D to F for any reduction week during the extended reduction period, if paragraph 100 (extended reductions (qualifying contributory benefits): persons who are not pensioners) did not apply to the applicant; or

(c) the amount of reduction under this scheme to which the applicant's partner would be entitled by virtue of falling within any of classes D to F, if paragraph 100 did not apply to the applicant.

(2) Sub-paragraph (1) does not apply in the case of a mover.

(3) Where an applicant is in receipt of an extended reduction (qualifying contributory benefits) under this paragraph and the applicant's partner makes an application for a reduction under this scheme, no amount of reduction may be allowed by the appropriate authority during the extended reduction period.

Extended reductions (qualifying contributory benefits)—movers: persons who are not pensioners

103.—(1) This paragraph applies—

(a) to a mover; and

(b) from the Monday following the day of the move.

(2) The amount of the extended reduction (qualifying contributory benefit) payable from the Monday from which this paragraph applies until the end of the extended reduction period is to be the amount of reduction under this scheme which was awarded to the mover for the last reduction week before the mover, or the mover's partner, ceased to be entitled to a qualifying contributory benefit.

(3) Where a mover's liability to pay council tax in respect of the new dwelling is to a second authority, the extended reduction (qualifying contributory benefits) may take the form of a payment from this authority to—

(a) the second authority; or

(b) the mover directly.

Relationship between extended reduction (qualifying contributory benefits) and entitlement to reduction by virtue of classes D to F

104.—(1) Where an applicant's reduction under this scheme would have ended when the applicant ceased to be entitled to a qualifying contributory benefit in the circumstances listed in paragraph 100(1)(b), that reduction does not cease until the end of the extended reduction period.

(2) Paragraphs 106 and 107 (dates on which entitlement begins and change of circumstances take effect) do not apply to any extended reduction (qualifying contributory benefits) payable in accordance with paragraph 102(1)(a) or 103(2) (amount of extended reduction—movers: persons who are not pensioners).

CHAPTER 3 Extended reductions: movers in the authority's area

Extended reductions: applicant moving into the authority's area

105. Where—

(a) an application is made to the authority ("the current authority") for a reduction under this scheme, and

(b) the applicant, or the partner of the applicant, is in receipt of an extended reduction from—

(i) another billing authority in England; or

(ii) a billing authority in Wales,

the current authority must reduce any reduction to which the applicant is entitled under this scheme by the amount of that extended reduction.

PART 13 When entitlement begins and change of circumstances

Date on which entitlement begins

106.—(1) Subject to sub-paragraph (2), any person by whom or in respect of whom an application for a reduction under this scheme is made and who is otherwise entitled to that reduction is so entitled from the reduction week following the date on which that application is made or is treated as made.

(2) Where a person is otherwise entitled to a reduction under this scheme and becomes liable for the first time for the authority's council tax in respect of a dwelling of which he is a resident in the reduction week in which his application is made or is treated as made, he is so entitled from that reduction week.

Date on which change of circumstances is to take effect

107.—(1) Except in cases where paragraph 60 (disregard of changes in tax, contributions, etc.) applies and subject to the following provisions of this paragraph and (in the case of applicants who are pensioners) paragraph 108 (change of circumstance where state pension credit in payment), a change of circumstances which affects entitlement to, or the amount of, a reduction under this scheme ("change of circumstances"), takes effect from the first day of the reduction week following the date on which the change actually occurs.

(2) Where that change is cessation of entitlement to any benefit under the benefit Acts, the date on which the change actually occurs is the day immediately following the last day of entitlement to that benefit.

(3) Subject to sub-paragraph (4), where the change of circumstances is a change in the amount of council tax payable, it takes effect from the day on which it actually occurs.

(4) Where the change of circumstances is a change in the amount a person is liable to pay in respect of council tax in consequence of regulations under section 13 of the 1992 Act (reduced amounts of council tax) or changes in the discount to which a dwelling may be subject under section 11 or 11A of that Act(a) (discounts), it takes effect from the day on which the change in amount has effect.

(5) Where the change of circumstances is the applicant's acquisition of a partner, the change takes effect on the day on which the acquisition takes place.

(6) Where the change of circumstances is the death of an applicant's partner or their separation, it takes effect on the day the death or separation occurs.

(7) If two or more changes of circumstances occurring in the same reduction week would, but for this paragraph, take effect in different reduction weeks in accordance with sub-paragraphs (1) to (6) they take effect from the day to which the appropriate sub-paragraph from (3) to (6) above refers, or, where more than one day is concerned, from the earlier day.

(8) Where the change of circumstances is that income, or an increase in the amount of income, other than a benefit or an increase in the amount of a benefit under the SSCBA, is paid in respect of a past period and there was no entitlement to income of that amount during that period, the change of circumstances takes effect from the first day on which such income, had it been paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of this scheme.

(9) Without prejudice to sub-paragraph (8), where the change of circumstances is the payment of income, or arrears of income, in respect of a past period, the change of circumstances takes effect from the first day on which such income, had it been timeously paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of this scheme.

(10) Sub-paragraph (11) applies if—

(a) the applicant or his partner has attained the age of 65; and

(b) either—

(i) a non-dependant took up residence in the applicant's dwelling; or

(ii) there has been a change of circumstances in respect of a non-dependant so that the amount of the deduction which falls to be made under paragraph 30 increased.

(11) Where this sub-paragraph applies, the change of circumstances referred to in sub-paragraph (10)(b) takes effect from the effective date.

(12) In sub-paragraph (11), but subject to sub-paragraph (13), “the effective date” means—

(a) where more than one change of a kind referred to in sub-paragraph (10)(b) relating to the same non-dependant has occurred since—

(i) the date on which the applicant’s entitlement to a reduction under this scheme first began; or

(ii) the date which was the last effective date in respect of such a change,

whichever is the later, the date which falls 26 weeks after the date on which the first such change occurred;

(b) where paragraph (a) does not apply, the date which falls 26 weeks after the date on which the change referred to in sub-paragraph (10)(b) occurred.

(13) If in any particular case the date determined under sub-paragraph (12) is not the first day of a reduction week, the effective date in that case is to be the first day of the next reduction week to commence after the date determined under that sub-paragraph.

Change of circumstances where state pension credit in payment

108.—(1) Sub-paragraphs (2) and (3) apply where—

(a) the applicant is in receipt of state pension credit;

(b) the amount of state pension credit awarded to him is changed in consequence of a change in the applicant’s circumstances or the correction of an official error; and

(c) the change in the amount of state pension credit payable to the applicant results in a change in the amount of a reduction he receives under this scheme.

(2) Where the change of circumstance is that an increase in the amount of state pension credit payable to the applicant results in—

(a) an increase in the reduction he receives under this scheme, the change takes effect from the first day of the reduction week in which state pension credit becomes payable at the increased rate; or

(b) a decrease in the reduction he receives under this scheme, the change takes effect from the first day of the reduction week next following the date on which—

(i) the local authority receives notification from the Secretary of State of the increase in the amount of state pension credit; or

(ii) state pension credit is increased, whichever is the later.

(3) Where the change of circumstance (“the relevant change”) is that the applicant’s state pension credit has been reduced and in consequence the reduction the applicant receives under this scheme reduces—

(a) in a case where the applicant’s state pension credit has been reduced because the applicant failed to notify the Secretary of State timeously of a change of circumstances, the relevant change takes effect from the first day of the reduction week from which state pension credit was reduced; or

(b) in any other case the relevant change takes effect from the first day of the reduction week next following the date on which—

(i) the authority receives notification from the Secretary of State of the reduction in the amount of state pension credit; or

(ii) state pension credit is reduced, whichever is the later.

(4) Where the change of circumstance is that state pension credit is reduced and in consequence of the change, the amount of a reduction he receives under this scheme is increased, the change takes effect from the first day of the reduction week in which state pension credit becomes payable at the reduced rate.

(5) Where a change of circumstance occurs in that an award of state pension credit has been made to the applicant or his partner and this would result in a decrease in the amount of reduction he receives under this scheme, the change takes effect from the first day of the reduction week next following the date on which—

(a) the authority receives notification from the Secretary of State of the award of state pension credit; or

(b) entitlement to state pension credit begins, whichever is the later.

(6) Where, in the case of an applicant who, or whose partner, is or has been awarded state pension credit comprising only the savings credit, there is—

(a) a change of circumstances of a kind described in any of sub-paragraphs (2) to (5) which results from a relevant calculation or estimate; and

(b) a change of circumstances which is a relevant determination,

each of which results in a change in the amount of reduction the applicant receives under this scheme, the change of circumstances referred to in sub-paragraph (b) takes effect from the day specified in sub-paragraph (2), (3), (4) or (5) as the case may be, in relation to the change referred to in paragraph (a).

(7) Where a change of circumstance occurs in that a guarantee credit has been awarded to the applicant or his partner and this would result in an increase in the amount of a reduction the applicant receives under this scheme, the change takes effect from the first day of the reduction week next following the date in respect of which the guarantee credit is first payable.

(8) Where a change of circumstances would, but for this sub-paragraph, take effect under the preceding provisions of this paragraph within the 4 week period specified in paragraph 93 (continuing reductions where state pension credit claimed), that change takes effect on the first day of the first reduction week to commence after the expiry of the 4 week period.

(9) In this paragraph—

“official error” means an error made by—

(a) the authority or a person—

(i) authorised to carry out any function of the authority relating to this scheme; or

(ii) providing services relating to this scheme directly or indirectly to the authority; or

(b) in the case of members of a polygamous marriage to whom paragraph 37 (income and capital: award of universal credit) applies, an application is to be made by whichever one of the parties to the earliest marriage that still subsists they agree should so apply or, in default of agreement, by such one of them as the authority determines.

(2) Where a person who is liable to pay council tax in respect of a dwelling is unable for the time being to act, and—

(a) a deputy has been appointed by the Court of Protection with power to claim, or as the case may be, receive benefit on his behalf; or

(b) in Scotland, his estate is being administered by a judicial factor or any guardian acting or appointed under the Adults with Incapacity (Scotland) Act 2000(a) who has power to apply or, as the case may be, receive benefit on his behalf; or

(c) an attorney with a general power or a power to apply or, as the case may be, receive benefit, has been appointed by that person under the Powers of Attorney Act 1971(b), the Enduring Powers of Attorney Act 1985(c) or the Mental Capacity Act 2005 or otherwise, that deputy, judicial factor, guardian or attorney, as the case may be, may make an application on behalf of that person.

(3) Where a person who is liable to pay council tax in respect of a dwelling is unable for the time being to act and sub-paragraph (2) does not apply to him, the authority may, upon written application made to them by a person who, if a natural person, is over the age of 18, appoint that person to exercise on behalf of the person who is unable to act, any right to which that person might be entitled under this scheme and to receive and deal on his behalf with any sums payable to him.

(4) Where a person who is liable to pay council tax in respect of a dwelling is for the time being unable to act and the Secretary of State has appointed a person to act on his behalf under regulation 33 of the Social Security (Claims and Payments) Regulations 1987 (persons unable to act), the authority may if that person agrees, treat him as if he had been appointed by them under sub-paragraph (3).

(5) Where the authority has made an appointment under sub-paragraph (3) or treated a person as an appointee under sub-paragraph (4)—

(a) it may at any time revoke the appointment;

(b) the person appointed may resign his office after having given 4 weeks notice in writing to the authority of his intention to do so;

(c) any such appointment must terminate when the authority is notified of the appointment of a person mentioned in sub-paragraph (2).

(6) Anything required by this scheme to be done by or to any person who is for the time being unable to act may be done by or to the persons mentioned in sub-paragraph (2) above or by or to the person appointed or treated as appointed under this paragraph and the receipt of any such person so appointed shall be a good discharge to the authority for any sum paid.

(7) The authority must—

- (a) inform any person making an application of the duty imposed by paragraph 115(1)(a);
- (b) explain the possible consequences (including prosecution) of failing to comply with that duty; and
- (c) set out the circumstances a change in which might affect entitlement to the reduction or its amount.

Date on which an application is made

110.—(1) Subject to sub-paragraph (7), the date on which an application is made is—

(a) in a case where—

(i) an award of state pension credit which comprises a guarantee credit has been made to the applicant or his partner, and

(ii) the application is made within one month of the date on which the claim for that state pension credit which comprises a guarantee credit was received at the appropriate DWP office, the first day of entitlement to state pension credit which comprises a guarantee credit arising from that claim;

(b) in a case where—

(i) an applicant or his partner is a person in receipt of a guarantee credit,

(ii) the applicant becomes liable for the first time to pay council tax in respect of the dwelling which he occupies as his home, and

(iii) the application to the authority is received at the designated office within one month of the date of the change, the date on which the change takes place;

(c) in a case where—

(i) an award of income support, an income-based jobseeker's allowance or an income-related employment and support allowance or an award of universal credit has been made to the applicant or his partner, and

(ii) the application is made within one month of the date on which the claim for that income support, jobseeker's allowance, employment and support allowance or universal credit was received, the first day of entitlement to income support, an income-based jobseeker's allowance, an income-related employment and support allowance or universal credit arising from that claim;

(d) in a case where—

(i) an applicant or his partner is a person on income support, an income-based jobseeker's allowance or an income-related employment and support allowance or has an award of universal credit,

(ii) the applicant becomes liable for the first time to pay council tax in respect of the dwelling which he occupies as his home, and

(iii) the application to the authority is received at the designated office within one month of the date of the change, the date on which the change takes place;

(e) in a case where—

(i) the applicant is the former partner of a person who was, at the date of his death or their separation, entitled to a reduction under this scheme, and

(ii) where the applicant makes an application for a reduction under this scheme within one month of the date of the death or the separation, the date of the death or separation;

(f) except where paragraph (a), (b) or (e) is satisfied, in a case where a properly completed application is received within one month (or such longer period as the authority considers reasonable) of the date on which an application form was issued to the applicant following the applicant first notifying, by whatever means, the authority of an intention to make an application, the date of first notification;

(g) in any other case, the date on which the application is received at the designated office.

(2) For the purposes only of sub-paragraph (1)(c) a person who has been awarded an income-based jobseeker's allowance or an income-related employment and support allowance is to be treated as entitled to that allowance for any days which immediately precede the first day in that award and on which he would, but for regulations made under—

(a) in the case of income-based jobseeker's allowance, paragraph 4 of Schedule 1 to the Jobseekers Act 1995 (waiting days); or

(b) in the case of income-related employment and support allowance, paragraph 2 of Schedule 2 to the Welfare Reform Act 2007 (waiting days), have been entitled to that allowance.

(3) Where the defect referred to in paragraph 7 of Schedule 1 to this scheme (application by telephone)—

(a) is corrected within one month (or such longer period as the authority considers reasonable) of the date the authority last drew attention to it, the authority must treat the application as if it had been duly made in the first instance;

(b) is not corrected within one month (or such longer period as the authority considers reasonable) of the date the authority last drew attention to it, the authority must treat the application as if it had been duly made in the first instance where it considers it has sufficient information to decide on the application.

(4) The authority is to treat a defective application as if it had been validly made in the first instance if, in any particular case, the conditions specified in sub-paragraph (5)(a), (b) or (c) are satisfied.

(5) The conditions are that—

(a) where paragraph 4(a) of Schedule 1 (incomplete form) applies, the authority receives at its designated office the properly completed application or the information requested to complete it or the evidence within one month of the request, or such longer period as the authority may consider reasonable; or

(b) where paragraph 4(b) of Schedule 1 (application not on approved form or further information requested by authority) applies—

(i) the approved form sent to the applicant is received at the designated office properly completed within one month of it having been sent to him; or, as the case may be,

(ii) the applicant supplies whatever information or evidence was requested under paragraph 4 of that Schedule within one month of the request, or, in either case, within such longer period as the authority may consider reasonable; or

(c) where the authority has requested further information, the authority receives at its designated office the properly completed application or the information requested to complete it within one month of the request or within such longer period as the authority considers reasonable.

(6) Except in the case of an application made by a person treated as not being in Great Britain, where a person has not become liable for council tax to the authority but it is anticipated that he will become so liable within the period of 8 weeks (the relevant period), he may apply for a reduction under this scheme at any time in that period in respect of that tax and, provided that liability arises within the relevant period, the authority is to treat the application as having been made on the day on which the liability for the tax arises.

(7) Except in the case of an application made by a person treated as not being in Great Britain, where the applicant is not entitled to a reduction under this scheme in the reduction week immediately following the date of his application but the authority is of the opinion that unless there is a change of circumstances he will be entitled to a reduction under this scheme for a period beginning not later than—

(a) in the case of an application made by—

(i) a pensioner, or

(ii) a person who has attained, or whose partner has attained, the age which is 17 weeks younger than the qualifying age for state pension credit, the seventeenth reduction week following the date on which the application is made, or

(b) in the case of an application made by a person who is not a pensioner, the thirteenth reduction week following the date on which the application is made, the authority may treat the application as made on a date in the reduction week immediately preceding the first reduction week of that period of entitlement and award a reduction accordingly.

(8) In this paragraph “appropriate DWP office” means an office of the Department for Work and Pensions dealing with state pension credit or an office which is normally open to the public for the receipt of claims for income support, a jobseeker’s allowance or an employment and support allowance.

Back-dating of applications: pensioners

111.—(1) Subject to sub-paragraph (2), the time for the making of an application under this scheme by a pensioner is as regards any day on which, apart from satisfying the condition of making an application, the applicant is entitled to such a reduction, that day and the period of three months immediately following it.

(2) In any case where paragraph 110(1)(a) applies, sub-paragraph (1) does not entitle a person to apply for a reduction under this scheme in respect of any day earlier than three months before the date on which the claim for state pension credit is made (or treated as made by virtue of any provision of the Social Security (Claims and Payments) Regulations 1987).

Back-dating of applications: persons who are not pensioners

112.—(1) Where an applicant who is a person who is not a pensioner—

(a) makes an application under this scheme which includes (or which he subsequently requests should include) a period before the application is made; and

(b) from a day in that period, up to the date he made the application (or subsequently requested that the application should include a past period), the applicant had continuous good cause for failing to make an application (or request that the application should include that period), the application is to be treated as made on the date determined in accordance with sub-paragraph

(2) That date is the latest of—

(a) the first day from which the applicant had continuous good cause;

(b) the day 6 months before the date the application was made;

(c) the day 6 months before the date when the applicant requested that the application should include a past period.

Information and evidence

113.—(1) Subject to sub-paragraph (3), a person who makes an application for a reduction under this scheme must satisfy sub-paragraph (2) in relation both to himself and to any other person in respect of whom he is making the application.

(2) This sub-paragraph is satisfied in relation to a person if—

(a) the application is accompanied by—

(i) a statement of the person's national insurance number and information or evidence establishing that that number has been allocated to the person; or

(ii) information or evidence enabling the authority to ascertain the national insurance number that has been allocated to the person; or

(b) the person has made an application for a national insurance number to be allocated to him and the application for the reduction is accompanied by—

(i) evidence of the application for a national insurance number to be so allocated; and

(ii) the information or evidence enabling it to be so allocated.

(3) Sub-paragraph (2) does not apply—

(a) in the case of a child or young person in respect of whom an application for a reduction is made;

(b) to a person who—

(i) is a person treated as not being in Great Britain for the purposes of this scheme(a);

(ii) is subject to immigration control within the meaning of section 115(9)(a) of the Immigration and Asylum Act 1999; and

(iii) has not previously been allocated a national insurance number.

(4) Subject to sub-paragraph (5), a person who makes an application, or a person to whom a reduction under this scheme has been awarded, must furnish such certificates, documents, information and evidence in connection with the application or the award, or any question arising out of the application or the award, as may reasonably be required by the authority in order to determine that person's entitlement to, or continuing entitlement to a reduction under this scheme and must do so within one month of the authority requiring him to do so or such longer period as the authority may consider reasonable.

(5) Nothing in this paragraph requires a person to furnish any certificates, documents, information or evidence relating to a payment to which sub-paragraph (7) applies.

(6) Where a request is made under sub-paragraph (4), the authority must—

(a) inform the applicant or the person to whom a reduction under this scheme has been awarded of his duty under paragraph 115 (duty to notify change of circumstances) to notify the authority of any change of circumstances; and

(b) without prejudice to the extent of the duty owed under paragraph 115, indicate to him either orally or by notice or by reference to some other document available to him on application and without charge, the kind of change of circumstances which is to be notified.

(7) This sub-paragraph applies to any of the following payments—

(a) a payment which is—

(i) disregarded under paragraph 28 of Schedule 8 (sums disregarded in the calculation of income other than earnings: persons who are not pensioners) or paragraph 38 of Schedule 10 (capital disregards: persons who are not pensioners); or

(ii) made under or by the Trusts, the Fund, the Eileen Trust, MFET Limited, the Skipton Fund, the Caxton Foundation or the London Bombings Relief Charitable Fund;

(b) a payment which is disregarded under paragraph 16 of Schedule 9 (payments made under certain trusts and certain other payments), other than a payment under the Independent Living Fund (2006);

(c) a payment which is disregarded under paragraph 30(9)(b) or (c) (payment made under certain trusts etc.) or paragraph 2(b) or (c) of Schedule 4 (payments made under certain trusts etc.) other than a payment under the Independent Living Fund (2006).

(8) Where an applicant or a person to whom a reduction under this scheme has been awarded or any partner has attained the qualifying age for state pension credit and is a member of, or a person deriving entitlement to a pension under, a personal pension scheme, he must where the authority so requires furnish the following information—

(a) the name and address of the pension fund holder(a);

(b) such other information including any reference or policy number as is needed to enable the personal pension scheme to be identified.

Amendment and withdrawal of application

114.—(1) A person who has made an application may amend it at any time before a decision has been made on it by a notice in writing delivered or sent to the designated office.

(2) Where the application was made by telephone in accordance with Part 1 of Schedule 1, the amendment may also be made by telephone.

(3) Any application amended in accordance with sub-paragraph (1) or (2) is to be treated as if it had been amended in the first instance.

(4) A person who has made an application may withdraw it by notice to the designated office at any time before a decision has been made on it.

(5) Where the application was made by telephone in accordance with Part 1 of Schedule 1, the withdrawal may also be made by telephone.

(6) Any notice of withdrawal given in accordance with sub-paragraph (4) or (5) has effect when it is received.

(7) Where a person, by telephone, amends or withdraws an application the person must (if required to do so by the authority) confirm the amendment or withdrawal by a notice in writing delivered or sent to the designated office.

Duty to notify changes of circumstances

115.—(1) Subject to sub-paragraphs (3), (6) and (7), the applicant (or any person acting on his behalf) must comply with sub-paragraph (2) if there is a relevant change of circumstances at any time—

(a) between the making of an application and a decision being made on it, or

(b) after the decision is made (where the decision is that the applicant is entitled to a reduction under this scheme) including at any time while the applicant is in receipt of such a reduction.

(2) The applicant (or any person acting on his behalf) must notify any change of circumstances which the applicant (or that person) might reasonably be expected to know might affect his entitlement to, or the amount of, a reduction under this scheme (a “relevant change of circumstances”) by giving notice to the authority—

(a) in writing; or

(b) by telephone—

(i) where the authority has published a telephone number for that purpose or for the purposes of Part 1 of Schedule 1 unless the authority determines that in any particular case or class of case notification may not be given by telephone; or

(ii) in any case or class of case where the authority determines that notice may be given by telephone; or

(c) by any other means which the authority agrees to accept in any particular case, within a period of 21 days beginning with the day on which the change occurs, or as soon as reasonably practicable after the change occurs, whichever is later.

(3) The duty imposed on a person by sub-paragraph (1) does not extend to notifying—

- (a) changes in the amount of council tax payable to the authority;
- (b) changes in the age of the applicant or that of any member of his family;
- (c) in the case of an applicant in receipt of a relevant benefit, changes in circumstances which affect the amount of the benefit but not the amount of the reduction under this scheme to which he is entitled, other than the cessation of that entitlement to the benefit.

(4) For the purposes of sub-paragraph (3)(c) “relevant benefit” means income support, an income-based jobseeker’s allowance or an income-related employment and support allowance or universal credit.

(5) Notwithstanding sub-paragraph (3)(b) or (c) an applicant is required by sub-paragraph (1) to notify the authority of any change in the composition of his family arising from the fact that a person who was a member of his family is now no longer such a person because he has ceased to be a child or young person.

(6) The duty imposed on a person by sub-paragraph (1) includes—

- (a) in the case of a person falling within class C (pensioners: alternative maximum council tax reduction) giving written notice to the authority of changes which occur in the number of adults in the dwelling or in their total gross incomes and, where any such adult ceases to be in receipt of state pension credit, the date when this occurs;

- (b) in the case of a person falling within class F (persons who are not pensioners: alternative maximum council tax reduction) giving written notice to the authority of changes which occur in the number of adults in the dwelling or in their total gross incomes and, where any such adult ceases to be in receipt of income support, an income-based jobseeker’s allowance or an income-related employment and support allowance, the date when this occurs.

(7) A person who has been awarded a reduction under this scheme who is also on state pension credit must report—

- (a) changes affecting the residence or income of any non-dependant normally residing with the applicant or with whom the applicant normally resides;

- (b) any absence from the dwelling which exceeds or is likely to exceed 13 weeks.

(8) In addition to the changes required to be reported under sub-paragraph (7), a person whose state pension credit comprises only the savings credit must also report—

- (a) changes affecting a child living with him which may result in a change in the amount of reduction under this scheme allowed in his case, but not changes in the age of the child;

- (b) any change in the amount of the applicant’s capital to be taken into account which does or may take the amount of his capital to more than £16,000;

(c) any change in the income or capital of—

(i) a non-dependant whose income and capital are treated as belonging to the applicant in accordance with paragraph 34 (circumstances in which income of a non-dependant is to be treated as applicant's); or

(ii) a person to whom paragraph 36(2)(e) (partner treated as member of the household under paragraph 8) refers, and whether such a person or, as the case may be, non-dependant stops living or begins or resumes living with the applicant.

(9) A person who is entitled to a reduction under this scheme and on state pension credit need only report to the authority the changes specified in sub-paragraphs (7) and (8).

PART 15 Decisions by authority

116. The authority must make a decision on an application for a reduction under this scheme within 14 days of paragraphs 110 and 113 and Part 1 of Schedule 1 being satisfied, or as soon as reasonably practicable thereafter.

Notification of decision

117.—(1) The authority must notify in writing any person affected by a decision made by it under this scheme—

(a) in the case of a decision on an application, forthwith or as soon as reasonably practicable thereafter;

(b) in any other case, within 14 days of that decision or as soon as reasonably practicable thereafter.

(2) Where the decision is to award a reduction the notification under sub-paragraph (1) must include a statement—

(a) informing the person affected of the duty imposed by paragraph 115(1)(b);

(b) explaining the possible consequences (including prosecution) of failing to comply with that duty; and

(c) setting out the circumstances a change in which might affect entitlement to the reduction or its amount.

(3) Where the decision is to award a reduction, the notification under sub-paragraph (1) must include a statement as to how that entitlement is to be discharged.

(4) In any case, the notification under sub-paragraph (1) must inform the person affected of the procedure by which an appeal may be made and must refer the person to the provisions in this scheme relating to the procedure for making an appeal.

(5) A person affected to whom the authority sends or delivers a notification of decision may, within one month of the date of the notification of that decision request

in writing the authority to provide a written statement setting out the reasons for its decision on any matter set out in the notice.

(6) The written statement referred to in sub-paragraph (5) must be sent to the person requesting it within 14 days or as soon as reasonably practicable thereafter.

(7) For the purposes of this paragraph a person is to be treated as a person affected by a decision of the authority under this scheme where the rights, duties or obligations of that person are affected by that decision and the person falls within sub-paragraph.

(8) This sub-paragraph applies to—

(a) the applicant;

(b) in the case of a person who is liable to pay council tax in respect of a dwelling and is unable for the time being to act—

(i) a deputy appointed by the Court of Protection with power to claim, or as the case may be, receive benefit on his behalf; or

(ii) in Scotland, a judicial factor or any guardian acting or appointed under the Adults with Incapacity (Scotland) Act 2000(b) who has power to apply or, as the case may be, receive benefit on the person's behalf; or

(iii) an attorney with a general power or a power to apply or, as the case may be, receive benefit, has been appointed by that person under the Powers of Attorney Act 1971, the Enduring Powers of Attorney Act 1985 or the Mental Capacity Act 2005 or otherwise,

(c) a person appointed by the authority under paragraph 109(3).

PART 16 Circumstances in which a payment may be made

Payment where there is joint and several liability

118.—(1) Where—

(a) a person is entitled to a reduction under this scheme in respect of his liability for the authority's council tax as it has effect in respect of a financial year;

(b) the person entitled to the reduction is jointly and severally liable for the council tax; and

(c) the authority determines that discharging his entitlement by reducing the amount of his liability to which regulation 20(2) of the Council Tax (Administration and Enforcement) Regulations 1992 refers would be inappropriate, it may make a payment to him of the amount of reduction to which he is entitled, rounded where necessary to the nearest penny.

(2) Subject to sub-paragraph (3), any payment made under sub-paragraph (1) must be made to the person who is entitled to the reduction.

(3) Where a person other than the person who is entitled to the reduction under this scheme made the application for the reduction and that first person is a person acting pursuant to an appointment under paragraph 109(3) (persons appointed to act for a person unable to act) or is treated as having been so appointed by virtue of paragraph 109(5), the amount of the reduction may be paid to that person.

(2) An application made on a form provided by the authority is properly completed if completed in accordance with the instructions on the form, including any instructions to provide information and evidence in connection with the application.

(2) A person other than the authority may use an electronic communication in connection with the matters referred to in sub-paragraph (1) if the conditions specified in sub-paragraphs (3) to (6) are satisfied.

(3) The first condition is that the person is for the time being permitted to use an electronic communication by an authorisation given by means of a direction of the Chief Executive of the authority.

(4) The second condition is that the person uses an approved method of—

Persons in receipt of concessionary payments

Person in receipt of benefit

11. For the purposes of this Part of this Schedule, a person is to be regarded as being in receipt of any benefit if, and only if, it is paid in respect of him and is to be so regarded only for any period in respect of which that benefit is paid.

3. COMMENTARY

The Executive at its meeting on 9th January 2013 was informed that Bromley Primary Care Trust (PCT) has identified funding to support investment in further integration of the health and social care/ "promise" programme and have indicated an initial contribution of £2.5m which is expected to be followed by a further contribution at the end of the financial year.

Following discussion of this as part of the initial draft 2013/14 Budget the Executive agreed to recommend Council that the monies be set aside as an earmarked reserve to support future integration of health and social care initiatives and the "promise" programme. The utilisation of the monies will be determined within a formal Section 256 Agreement between the Council and the PCT. Any future release of monies will require the prior approval of the Executive.

Motion

Council Meeting 21st January 2013

To be moved by Councillor Stephen Wells and seconded by Councillor Nicholas Bennett JP -

That this Council approves the following statement setting out the Council's Education commitments, and encourages the Government, schools in Bromley, the Council's Executive and the Council's Portfolio Holder for Education to take the appropriate steps to enable this philosophy to be implemented:

Preamble

The Bromley Education Commitments include some matters which are the responsibility of national government or of our schools, however we believe it is important that the parents, residents and employers we serve and the staff who implement our policies should have a clear statement of the philosophy which underpins those objectives and policies.

Every child matters and deserves a first class education to suit their individual needs and talents. A rounded education is the key to a fulfilling life. The investment we make in our schools and colleges helps to ensure a successful future for our country.

General Principles

- 1. we believe in the right of parents (where practicable) to have as much choice of schools as possible including faith schools;**
- 2. we will support and encourage all Bromley LA schools to convert to academy status;**
- 3. we support the creation of 'free schools' and, where appropriate, will encourage local parents to apply for one;**
- 4. we will continue to support the expansion of selective education, including Grammar Schools, particularly in the central and northern part of the Borough;**
- 5. we will continue to improve the provision of SEN education in the Borough;**

- 6. we support the concept of an education voucher system which gives additional support to children with different educational needs, including academically gifted pupils;**
- 7. we will continue to encourage all Bromley secondary schools to ensure that all suitable pupils are prepared for the universities which best meet their aspirations;**
- 8. we support the concept of a University Technical College (UTC) providing high quality technical education for 14-19 year olds;**
- 9. we support the creation of 'modern apprenticeships' for a wide variety of skilled trades;**
- 10. we support the concept of 'lifelong learning' and the important work of adult education.**

Within the remaining Maintained sector

- 1. we will support schools in ensuring that all teachers and other staff are competent in their role;**
- 2. we will support schools in maintaining good discipline;**
- 3. we will work to improve school governance;**
- 4. we will work to improve the chances for underperforming children particularly in the early years and primary years and will work to encourage the continuing development of high quality early year provision in the Borough through existing and new private and voluntary providers;**
- 5. we will encourage schools to identify children with exceptional talents or academic ability and ensure that their needs are provided for;**
- 6. we will support changes to improve the quality and rigour of the exam system;**
- 7. we will support measures (including reading through Phonics) to ensure that no child leaves primary school unable to read and write English and without a good competence in basic maths.**
