**11 APPOINTMENT OF COUNCIL REPRESENTATIVES TO SERVE
ON OUTSIDE BODIES**
Report CSD14070

The Committee was requested to consider the appointment of Council representatives to serve on outside bodies and partnerships. Most of the appointments were made annually, but there were also a number of three and four year appointments. A schedule containing the nominations had been circulated – an updated version setting out the Committee's decisions is appended to these minutes.

There were a number of appointments, mainly to smaller local charities, where little information was available and the Committee decided that these should be reviewed before appointments were made.

RESOLVED that

(1) Appointments to the Duke of Edinburgh's Awards Committee, the Phillips and Lubbock Foundations, the William Mosyer Charity, St Mary Cray, the Bromley Relief in Need Charity and the Joanna Collett Charity, Chelsfield, be reviewed and reported to a future meeting.

(2) Councillors Teresa Ball, Alexa Michael and Michael Turner be appointed to the Bromley Adult Education College Governing Body.

(3) The remainder of the nominations set out in the schedule be approved as recommended.

12 LOCAL GOVERNMENT PENSION SCHEME 2014
Report FSD14041

The Committee received a report setting out details of the discretionary functions for which the Council, as both an administering and employing authority, was required to publish a written statement of its policy. The report also provided an overview of the key changes to the Local Government Pension Scheme (LGPS) which came into effect on 1st April 2014.

RESOLVED that

(1) The changes to the LGPS from 1st April 2014 be noted.

(2) The position regarding Academies and Admission Agreements for outsourced services as set out in section 3.13 of the report be noted.

(3) Those discretionary policies discussed in paragraphs 3.8, 3.10 and 3.11 in the report are as agreed and published by full Council as part of the 2014/15 Pay Policy Statement on 24th February 2014.

- (4) **The Council's Policy as regards discretion relating to the funding of additional pension will be as set out in paragraph 3.9.2 of the report.**

13 LOCAL GOVERNMENT PENSION SCHEME FOR COUNCILLORS
Report FSD14043

The report updated the Committee on the Government's decision to withdraw access to the Local Government Pension Scheme (LGPS) for Councillors and set out the discretionary functions for which a formal policy was required to be made by the Council. The Chairman noted that in March the chairman of the Local Government Association, Sir Merrick Cockell, had described the change as "a kick in the teeth for those who have dedicated their life to public service." (*Link to article - [Sir Merrick Cockell - LGC 120314](#)*)

It was confirmed that although the Council and its contractor could not offer financial advice, Liberata would be sending letters with individually tailored information to all Councillors affected to supplement the generic information that had already been circulated.

RESOLVED that

- (1) The Committee notes the Government's decision to withdraw access to the LGPS for Councillors.**

- (2) The proposed discretionary policies with regard to Councillor pensions, as set out in paragraphs 3.6 to 3.8 in the report, be agreed, including recommending the delegations in paragraph 3.8 to Council.**
