38 Petition

It calls on the government to take a more realistic view of the finance and statutory responsibilities of a Council which already has a low spending per head."

The motion was **CARRIED**.

(2) UK Corporation Tax

The following motion was moved by Councillor Ian Dunn and seconded by Councillor Kathy Bance MBE -

"This Council requests the Executive to include a requirement in all future tenders that the successful bidder should pay full UK Corporation Tax on the profit they make on the contract and not make use of tax havens."

With the agreement of Councillor Dunn, the motion was deferred to the next meetings of the Executive and Resources PDS Committee and the Executive so that Councillors could be properly informed of the legal and financial implications.

COUNCIL MEETING

13th October 2014

ORAL QUESTIONS FROM MEMBERS OF THE COUNCIL

1. From Councillor Peter Fookes to the Portfolio Holder for Resources

What was the result of the employment tribunal relating to changes to staff terms and conditions?

Reply:
The outcome of an obscure claim by 18 staff supported by Unison has had no impact on the Council's localised pay and terms and conditions of employment contract. Bromley Council remains the only London Council to successfully come out of the unproductive national collective bargaining machinery too large and unresponsive to the pressures facing local authorities.

Although the 18 staff successfully argued at the employment tribunal that their right to have their pay collectively negotiated with the union was undermined, the decision does not change the current position or the merit of adopting a localised pay contract. Our staff are experiencing the benefit of the new local arrangement. For two years running Bromley staff received a higher pay settlement on time unlike the on going protracted pay disputes at the national level. Hence Bromley services (apart from non community schools) would not be affected by the national ballot for strike or any other form of industrial action by local government staff.

Supplementary Question:
When will the result of this Employment Tribunal be reported to Councillors and is it not time that Councillor Arthur apologised to the eighteen members of staff who were caused a lot of distress over this particular bribe offered by the Council?

Reply:
It is clear the the pantomime season is upon us when we get this nonsense from the other side. They campaigned against it. If Councillor Fookes had his way, instead of getting 1.7% in April and merit pay they would have had not one penny to date. That was what he wanted for his staff who he led down the garden path, with his group. Now he is trying to lead us down the garden path talking about an item which in the overall scheme of things is trivial. It is trivial – does he expect me to apologise to 18 people or 2,000 staff? Do you expect me to apologise to 2,000 staff for giving them a minimum of £200 per, for giving over 200 of them a merit pay increases, for giving them all a pay increase month in advance of the national pay increase? I would suggest Councillor Fookes that you should apolgise to the staff for misleading them, for not serving their purposes. 98% of them agreed with us and only 2% agreed with your side of the chamber - it is you who should apologise for trying to take money out of the pockets of our working staff.

2. From Councillor Chris Pierce to the Portfolio holder for Public Protection and Safety

In relation to the recent placing of a considerable number of asylum seekers at the Mary Rose Inn Hotel in the heart of St Mary Cray village without the knowledge of LBB and local Councillors, can the Portfolio Holder please explain which agency placed the asylum seekers there and why LBB were not consulted, and further, to provide reassurances that no further such placements will take place in what is clearly such an unsuitable environment?

Reply:
I can confirm that 44 Asylum seekers were placed in the Mary Rose Hotel, St Mary Cray by Clearsprings, who are a housing provider commissioned by the Home Office.

Clearsprings should have advised LBB which they did not. We only found out about the Asylum seekers from our Borough Police Commander - a completely unacceptable situation. Clearsprings have now apologised for not advising us in the first place. The Home office is to raise this matter with Clearsprings at their next formal meeting with them.

I can confirm that all 44 Asylum seekers have been moved out of the Mary Rose Hotel and that no further placements are planned for this hotel. Officers have reminded the Management that this hotel is not an appropriate place for such people.

3. From Cllr Angela Wilkins to the Portfolio Holder for Care Services

References were made at recent PDS committees to the fact that this Council “has a policy of not allowing any more care homes in the Borough because they cost too much”.

I am not aware of any government guidelines that allow the potential cost of care homes to be a justification for not allowing any more to be built. Nor would the Labour Group support such a decision purely on this basis.

Unless the Council has conducted the required Strategic Housing Market and Strategic Housing Land Availability Assessments, and has thereby ascertained that the needs of older people are being met, I believe that this policy would fall outside the requirements of the National Planning Policy Framework.

Can the Portfolio Holder for Care Services please assure me that Bromley Council is in compliance with requirements of the NPPF and all other relevant legislation , and that they are satisfied the Borough is and will be providing adequate care accommodation for its older residents?

Reply:
We in the Department have no recollection of making such a simplistic statement.

Rather, it has been made clear that, when considering the projected needs of residents, we appear to have an oversupply of care homes places in the borough and subject to legal advice, we would like that reflected in any future strategic plan.

Further, the development of Care Homes usually results in zero affordable housing (on the grounds of viability or management issues) thus not helping to assist with our statutory housing duties.

Adopted Unitary Development Plan (UDP) Housing Objective 2 seeks "To promote mixed and balanced communities by meeting the housing requirements of the whole community, including those in need of affordable and supported housing"

Planning policies do not resist care homes in principle, however, planning applications are considered on their individual merits in the light of adopted plans (including the UDP, London Plan and the NPPF) as well as other material considerations. With specific reference to Care Homes, adopted UDP Policy C6 additionally seeks to ensure that proposals for specialist elderly accommodation would be appropriately designed and located for the needs of the residents, providing suitably landscaped amenity space and access to local shops and services, appropriate to the mobility of the residents. The accessibility of shops and services becomes less relevant for care homes where residents have a high degree of dependency and limited mobility.

The emerging draft Local Plan is being developed in response to local evidence, reflecting the requirements of the NPPF and in conformity with the London Plan. The Local Plan "Draft Policies and Designations" document was published for consultation in February 2014. It includes evolving draft Local Plan policies which currently carry only limited weight. Specialist and Older People Accommodation is addressed by draft Policy 5.11.

Supplementary Question:
Based on the fact that no more care homes because we cannot afford them was actually stated on severall occasions by Conservative Councillors, one of whom said "I don't know if we put it to full Council or not" I have a concern. Would you consider having a word with your chief whip to ensure that your councillors and your department's policy are aware of each other.

Reply:
If we had a whip, I would refer it to him or her.

4. From Cllr Kevin Brooks to the Portfolio Holder for Public Protection & Safety

Can the portfolio holder please update members as to progress in the Waste4Fuel saga and does he feel that enough liaison and communication with residents has been undertaken?

Reply:
The latest update, subject to the Environment Agency's final confirmation is that this site has now been formally abandoned (as of 9th October) and that their permit for operations at the Cornwall Drive site have been withdrawn.

Regarding liaison with residents, yes of course it has been.

Consistent and regular updates have been made with the local residents associations around any key dates or changes to the long term aim of having the site better regulated or ideally closed if it could not be brought back into compliance. Indeed, the Chairman of the nearest and worst affected residents association sits personally as a member of the "Westminster Group," a body which holds semi regular meetings where a cohort of local Councillors, MPs, the local GLA member, DEFRA and the Environment Agency meet to discuss the latest news and future use of this troubled site.

Supplementary Question:
This is a situation that has gone on for a long time now, with residents facing further fires and increased pollution. Would Councillor Stevens give Members any specific information or a timeline in regard to further actions to end what is becoming a nightmare for residents.

Reply:
I do not think you listened to my answer. I have just said that the permit has been revoked permanently. Therefore, there is going to be no more hassles for the residents as the site is no longer in use. Obviously, what happens from now on is a matter of discussions between the Council, DEFRA and the Environment Agency. They are on-going discussions, involving the landowners, because ultimately they are responsible for the site. When we have news, that will come out – there is no news at the moment.

5. From Cllr Vanessa Allen to the Portfolio Holder for the Environment

What process will the Council go through to respond to the Bakerloo Line Extension consultation and what opportunity will all councillors have to input into the Council's response?

Reply:
In terms of the Bakerloo Line extension to Hayes, it should be emphasised that the recent unsolicited consultation has been very much the extended GLA family; all views from local residents, businesses and Political Groupings should obviously be directed to them via their own advertised contact points.

So far as the Council's response to the consultation is concerned, it should be noted that this proposition is neither the London Borough of Bromley's first (DLR extension to Bromley North) nor second (Tramlink extension to Crystal Palace) preferred transport solution for which we have been lobbying for as a Borough for a number of years.

It is therefore safe to say that we hold considerable reservations over the extent of the proposal at present given its excessive cost compared to our preferred choices and its stated intention to remove direct links to Charing Cross, Cannon Street and London Bridge for a significant swathe of the Borough's population.

To that end, the Council's response will be heavily weighted on the soundings being gathered by local Councillors from individual residents and residents associations living along the affected "corridor" over the course of coming weeks which I know

most, if not all on this side of the Chamber are already undertaking and to which I would strongly encourage the minority groups to contribute to.

As soon as that feedback has been collated, I will draft and sign a letter encompassing our findings and mark it for public release on the Council's website.

Supplementary Question:
I am disappointed in the Portfolio Holder's response that Councillors will not have the opportunity to discuss this. It represents a major opportunity potentially for a third of the Borough. Given that the option of the DLR extension appears to be off the table according to both TfL and the Mayor, I would ask that this approach is re-considered. We should be given a proper opportunity to discuss this at least as part of the committee system if not in full Council.

Reply:
Councillor Allen seems to think it is appropriate that Councillors decide what happens to the constituents' interests in Clock House Ward, and I look forward to seeing her explain on the doorstep to her constituents why they should loose direct connections to Charing Cross, London Bridge and Cannon Street. This is a process by which we consult with residents. Whatever our views are, residents should have the key say in this. I would remind all Councillors, especially those living along that corridor, that many of your residents bought their houses and moved to the borough to have direct connections to London to facilitate their employment. To anyone that is positively in favour, good luck – I am not. I will wait and see what residents say. To anyone who wants to do away with direct links to London I would love to see that put in writing.

Further Supplementary Question:
Would the Portfolio Holder agree that if this was so important for Councillor Allen and her residents to have this debated she should have put a motion down for tonight.

Reply:
I would agree, but there are high politics involved. We know that the Labour group at Lewisham are very keen on this option, as we have seen the rather ill-tempered and ill-judged comments of one of their cohort in recent days. More important is what residents want – that is what we are here for, that is our job. It could be that this scheme is totally unsuitable, TfL are wrong, and that we should not give up on DLR. We should remind TfL that they are civil servants and that this is the Mayor's opportunity to give Bromley what we want. We will see – we will see through consultation and the residents of Bromley will decide – that is how it should be.

6. From Councillor Nicholas Bennett of the Leader of the Council

What is the latest budget projection for each of the following four years and if he will make a statement?

Reply:
Members will be aware that we face an ongoing period of austerity as a result of the actions of the previous Government leaving the country facing record levels of public debt. As a result, the Conservative-led government has been forced to take drastic

action which has led to significant reductions in grant funding. This, along with inflationary pressures and growing demand for our services leaves us with an extremely challenging period ahead. We are currently projecting a budget deficit of £10m for the civic year year 2015/16, £34m, ie an extra £24m, in 2016/17, moving to a deficit of £55m in 2017/18 and rising to a deficit of approximately £68m in 2018/19.

These are the figures, and I will make some comments on the back of these. Firstly, this Administration is doing everything in our power to limit any impact these pressures will have on our local residents. We continue to drive through efficiencies, sweat our assets better, seek to support business growth to increase our retained proportion of business rates and examine ways we can better deliver services, amongst other things. We will continue to do all these things, but additionally we will step up our lobbying of government, demanding a fairer government funding settlement for the residents of Bromley. My colleagues and I have regular meetings with our M.P.s, indeed only last Friday I was putting our case to the MP for Bromley and Chislehurst and in a fortnight's time I will be amongst a number of other London leaders who will be going to no. 10 to further put the argument for a fairer deal for local government. I will certainly be arguing for real localism, not the one we seem to have at the moment, and I will be challenging the government to ensure much more local democratic accountability in the health service which will result in deep and real integration with our partners in health, delivering sustainable healthcare but, equally important, significant savings that could be and should be invested in social care.

Supplementary Question:
Could I ask the Leader how much we have already had to save?

Reply:
It is in the region of about £57-£58m over the last four years. As a saving, just to be more accurate, while we are talking about figures, whether it is reduction in government grant of a certain amount, added to by added demand through demographics, the significant increase in landfill tax, etc., so the deficit overall is about £68m and we have had effective savings of about £57/58m over the last four years.

7. From Councillor David Livett to the Portfolio Holder for Public Protection and Safety

Will the portfolio holder set out the actions now planned by the Council and its partners to ensure the nuisance of waste and waste transfer at the Waste4Fuel site is brought to an early and final close?

Reply:
Depending on confirmation that this site has now been abandoned (as at 9th October) the first aspect to your question may hopefully have already been answered.

The Council remains in conversation with the EA, DEFRA and local MPs as to how and when they intend to remove the balance of the accumulated waste from the site and as soon as I have news for you on this narrow but important point I offer you my assurance that I will update you immediately.

8. From Councillor Peter Fookes to the Portfolio Holder for Resources

How much was invested by Bromley Council last year in payday loan companies?

Reply:
None.

Supplementary Question:
I do not think that is correct. Isn't it time that this Council ceased to invest in companies that cause misery to some of our most vulnerable residents.

Reply:
There is a comment I could make, but I will restrain myself.

9. From Cllr Kevin Brooks to the Portfolio Holder for the Environment

Residents groups, Friends groups and Penge traders are trying hard to create a cleaner locality. What steps will the portfolio holder take over the current ineffectual street cleaning to ensure local people feel supported and that their own efforts are not in vain?

Reply:
Whilst I do not accept the premise of Cllr Brooks' question that the current street cleaning is "ineffectual", we have discussed this issue many times previously in this Chamber over the years and it is fair to say that the service can be impaired in more tightly parked roads across the Borough where automated cleansing equipment cannot access the kerb-lines and budgetary constraints prevent constant manual intervention.

To that end , there are a number of channels local groups, business and Ward Members can utilise to engage with the Council to address local issues and concerns. The most obvious being that routine street cleaning matters can and wherever possible should be reported directly to the relevant service department using the Council's FixMyStreet online reporting mechanism. This will facilitate early remedial action.

Information gathered from service requests via this system assists officers in determining whether trends related to cleanliness are indicative of street cleansing per se, or more so, as a result of storage and containment of waste, fly tipping and the dumping of domestic waste on streets between routine scheduled street cleaning and it is obviously very important not to conflate these different aspects of any given problem at any location where such a problem might exist.

Other activities range from community led cleanup operations with the Council supporting a volunteer approach, to a wider multi-agency partnership between the Police, Council and Housing Associations. The various agencies are tasked with

problem solving, ranging from fly-tipping to anti-social behaviour, under the umbrella of 'Operation Crystal'. The next planned operations for the Penge area have been arranged on the 20th November and 4th December.

Finally, I have on many occasions extended an invitation to Colleagues opposite that if there are candidate roads which might benefit from being attended to at the weekend when there is greater accessibility to the kerb lines, to please make them known for consideration and assessment by Environment al Services officers. That offer remains open.

Supplementary Question:
I understand that while the staff may be visible, and I am talking about the High Street rather than side roads, to me the problem seems to be inadequate equipment. We have someone with a very small litter-picker and a broom. This just seems inadequate for a High Street. I mentioned the Penge Traders - we are trying to encourage businesses and therefore shoppers to come into Penge. With this inadequate equipment people are not going to come in, are not going to invest and it will become a vicious circle.

Reply:
Everything is driven by the available finance. The Council's finances have been impaired over years gone by, as you have heard from Councillor Carr. We face an enormous financial ask in the years to come. We all accept that we cannot just ask the contractors to do more – not possible. One thing I would suggest, and I fully admire and support your efforts around what you are trying to do with Penge busineses, what we would suggest in other places is, maybe if Penge was heading towards a BID situation, this is something where traders might be able to get together and, for a sum, supplement what the Council is doing. I would be very supportive and I would encourage that. Fundamentally, there is little more resource if any that the Council can supply; I wish it were otherwise and I sympathise with your plight.

10. From Councillor Nicholas Bennett of the Leader of the Council

Further to my written question at the last meeting regarding the proposed development of Crystal Palace by the Zhongrong International (Group) Ltd what response has he had to his letter of 9th July to the Chairman, whether the Draft Business Plan has been produced and the competition for the new building undertaken?

Reply:
I can inform Councillor Bennett that I have received a positive response to my letter dated 9th July and following a meeting just a week or so ago, ZRG`s representatives have agreed to Bromley producing a draft Legal Agreement setting out disposal terms whilst they develop their business plan. I remain hopeful that ZRG will be able to agree our Land Agreement requirements which we believe are neither unreasonable or unrealistic.

I understand that the Architects' Design Competition is essentially on hold until the Land Agreement has been agreed.

Supplementary Question:
Whilst we are all very supportive of the idea that Crystal Palace should be redeveloped and excited at the plans that have been put forward, would he agree that the developers must put forward a proper argued business case, go through the proper planning process and do things in the proper democratic way which is done in this country.

Reply:
It is hugely important to give comfort and satisfaction to local residents who fear that may not be the case. Ever since we launched this project with ZhongRong and partners back in December last year I have been very clear exactly the points Councillor Bennett makes have to be achieved. It has to be a sustainable, viable development that meets the requirements of local people with its transport and all the other things and it must go through our planning process. It must go through our planning process. Almost inevitably the final decision will almost certainly be taken by the Mayor of London or the Minister of State.

11. From Councillor David Livett to the Portfolio Holder for Resources

Will the portfolio holder specify the value of the reserves held by the Council at 30 September (or if not available the most recently available date) that could be returned to the rate payers but which instead are being retained by the Council to defray future reductions in income or increases in costs?

Reply:
The short answer to the question is £20m, which is contained within the reserves. The balance are not held for the reason suggested. The total value of earmarked reserves and general fund balances at 30th September 2014 is £107, 617k. Some of these reserves are set aside to deal with technical accounting matters, generally relating to the timing of expenditure, others are ring-fenced to meet specific funding requirements or are subject to the terms of a Section 256 agreement with health. It is important to note that reserves are one-off moneys and are utilised to resource investment in schemes that will deliver long-term savings, support economic development, create employment opportunities and enable income opportunities as well as have sufficient resources to manage financial risk during this unprecedented period of austerity. It is not financially sustainable to use Council reserves as part of the revenue budget to fund on-going service costs, and neither is it sustainable to give that money to residents, when we will need it. The position on reserves is reported to the Executive as part of the Financial Accounts report in June each year, as well as the Council Tax report to Executive in February each year. Bromley's overall reserves are expected to remain below average for London, and have to be considered in the context of an underlying budget gap of over £60m by 2018/19. The Council has reduced its levels of general reserves - general fund reserves in 1997 were £131m. Part of the reduction reflects funding towards the Invest to Save Fund and the Economic Development Fund – both funds will help support the achievement of sustainable savings and income to the Council. Details of the Council's reserves are set out in a table (appendix 1.)

Supplementary Question:
I understood that we were intending to use those reserves to offset the impacts of the reduced grants in future years. We are not holding these reserves to offset future reductions in income and the impact of this government's policies?

Reply:
Some years ago there was a situation when the capital and revenue of this Council became blurred, and so for a period of time moneys were taken from capital to prop up revenue spend. We decided five to six years ago as an Administration that would no longer happen, so there is a clear wall between capital and revenue. Our capital comes from the sale of assets, from investments and so on – the money is locked there as capital – it is not taken into revenue to prop up spend, either current or anticipated. It is very tempting to say that we can take money from reserves to prop up revenue. This is a fool's economy – what you would end up doing is selling off the seedcorn. That is not the way to run a business and it is not what we will do.

(As the thirty minutes allocated to oral replies had run out, the Mayor advised that written replies would be sent for questions 12, 13 and 14.)

12 From Councillor Peter Fookes to the Portfolio Holder for Resources

How much was paid to private landlords in housing benefit payments last year?

Reply:
In the financial year 2013/14, Bromley awarded claimants living in private accommodation housing benefit of £128,074,861.

13. From Councillor Nicholas Bennett of the Portfolio Holder for Education

How many Fixed Penalty Notices for non-attendance at school have been issued in each of the past three school years, how many have been paid and how many of the parents or guardians have subsequently been taken to court for persistent failure to ensure their child attends school?

Reply:
Penalty Notices that are not paid automatically go to court, unless they were found to be incorrectly issued or, since the issue of the penalty notice, attendance has improved and as such it is not in the public interest to proceed. We have recently developed and implemented the "Simple Caution", which is recordable and can be used as part of the decision process should attendance become an issue again. It should be noted that the parent is summonsed for the failure to secure regular attendance and not for failure to pay the fine.

When taking them into the court arena there is a defined time parameter that needs to be adhered to. Unfortunately as can be seen in the data for 2011-2012 there was a high level of PN not taken to court. During that time period the amount of time allowed for payment was 42 days, thus reducing the window of opportunity for obtaining a summons if payment was not made.

Any application for a summons to the court has to be made and listed for court within 6 months from the last date of the offence. Any such applications must be supported with evidence, normally this is in the form of statements and signed Head Teachers Certificates, given the parent is being summonsed for the failure to secure regular attendance and not the non-payment of the fine.

I am aware that during this time frame a large amount of late requests were submitted by a particular academy at the end of the academic year. The LA were reliant on further information before issuing . This information was not available until the school returned. This then impacted on the time frames as described above for obtaining summons.

As you can see the data shows an increase in the issue of PN. This impart could be for the following reasons:

- Unauthorised leave (holiday)
- School's use as an early intervention
- Change of practise within Bromley EWS

The data for legal disposals is collected on a yearly basis via PRAB return.

The table below gives the data that Councillor Bennett has requested.

Year (Academic Sep - July)	A PN issued	B Paid	C Court as a result of unpaid PN	D Withdrawn	E Total number of summons issued This includes column C	F Cases taken where P previous PN was issued.

14. From Councillor David Livett to the Portfolio Holder for Resources

Will the portfolio holder set out how the comparative risks to the public purse of its investments in commercial property, diversified growth funds and corporate bonds are measured and controlled by the Council?

Reply:

Diversified Growth Funds (DGFs)

Currently the Council's only investments in DGFs are through its Pension Fund (two separate funds run by Baillie Gifford and Standard Life), although an item on this meeting's agenda seeks approval to include DGFs as approved investments under the Treasury Management Investment Strategy. Diversified Growth Funds are pooled investment funds that contain a wide range of assets, including alternative asset classes such as commodities and infrastructure, and are a good way of diversifying investment risk. They aim to achieve significantly higher returns than bank lending. In addition they aim to achieve similar returns to equities in the long-term, but with less risk and, on average, around half the volatility. More details on DGFs including comparative risk were reported to Executive on 10th September 2014. It is important to remember that this represents a medium term investment and such investments should be made over a 3 to 5 years period.

We receive regular written reports from the investment managers which include data on returns and risk and we also meet with them face-to-face on a regular basis. We also receive professional advice from advisers on a regular basis which includes projections of future returns from all our investments and analysis of the pension scheme's liabilities. Although risk cannot be eliminated, we believe that this level of oversight is appropriate in dealing with investment risk.

Corporate Bonds

Corporate bonds are approved investments under our Treasury Management Investment Strategy (first approved by Council as eligible investments in November 2012). Potential benefits and drawbacks were reported to Members as follows:

Benefits / Counter measures	Drawbacks / Risks
Potential for higher returns than gilts and other assets	Higher perceived risk
Potential for greater liquidity than fixed term deposits (if sold before maturity)	Risk of capital loss (if sold before maturity)
Credit ratings, credit default swaps	Credit risk

NB. There are other risks, including interest rate risk, inflation risk, re-investment risk, default risk and call-in risk, most of which are the same for any type of investment. These will be controlled by risk management procedures built into the investment strategy and treasury management procedures and, as is always the case, potential investments will be discussed with external advisers.

To date the Council has only invested in one corporate bond to date (this matured in April 2014). An item on this meeting's agenda seeks approval to a lowering of the minimum credit rating for corporate bonds from AA- to A- and it is possible that this may lead to more investment opportunities in this area. Risk on corporate bonds is mainly managed through the credit ratings and credit default swaps notified to us by our external advisers, Capita Treasury Solutions (formerly Sector Treasury Services) and a minimum credit rating of A- would still represent a secure "investment grade" option. Any decision on a corporate bond investment will only be taken after consultation with the advisers.

Investment in commercial property comes with higher risk than other forms of investment (such as treasury management returns), but often generates higher returns. The main risks are voids (loss of rent and increased costs) through tenant failure or lease expiry and poor liquidity. To minimise these risks, the Council has adopted prudent investment criteria focussing on prime locations in Bromley High Street, sound tenant covenants with unexpired terms of 5 years or more and producing an initial return of at least 6%.

The investment strategy was last reviewed by the Executive on 15th January 2014, when a report from the Council's property consultant, Colliers International, was presented to Members. Colliers advised:

" As market sentiment continues to improve, whilst we expect property to enjoy a generally sustained period of modest positive growth from 2013 through to 2017, there is still a risk on the downside. This could happen if institutions suffer cash outflows, interest rates unexpectedly rise or the banks swamp the market with secondary assets being offered for sale. However, we feel the balance of risk is on the "upside" and we expect continued growth in investor demand as the availability and cost of debt improves which will drive capital value growth."

As indicated in the report to Executive a combination of lower risk investment relating to Treasury Management combined with a separate investment strategy in property acquisitions generating higher yields (and risks) provides a balanced investment strategy.

(The Mayor allowed the following urgent question in view of the matter and the short timescale.)

15. Urgent Question from Councillor Angela Wilkins to the Leader of the Council

Given the scale and potential impact of proposals for development of the Crystal Palace NSC, does the Leader agree with me that the GLA is not being realistic in allowing only three weeks consultation with local residents and local council members?

If so, would the Leader agree to support a request to the GLA from Cllr Williams and myself to extend the period of the consultation and to contact the Mayor's office accordingly?

Reply:
I do have a great deal of sympathy with what is behind this question. I am not yet convinced that the scale and potential impact will be that significant - I hold my judgement. I have made my own personal representations to the GLA and sought some comfort from the GLA and the Mayor's chief of staff, asking for, and getting recognition from the Mayor's Office, that three weeks and three days is an unusually short period of time for consultation. On that basis I asked them to extend it – they were loathe to do so and at my personal request were not prepared to do that. I would be happy to make a more formal recommendation in the interests of all our residents in the borough that we request an extension of probably two to three weeks for the consultation period to be six weeks instead of three weeks and three days.

COUNCIL MEETING

13th October 2014

WRITTEN QUESTIONS FROM MEMBERS OF THE COUNCIL

1. From Councillor Peter Fookes to the Portfolio Holder for Care Services

When will the new medical centre/pharmacy in Oakfield Rd, Penge be opening?

Reply:

According to NHS England, 15 December 2015.

2. From Councillor Peter Fookes to the Portfolio Holder for Environmental Services

How many complaints were received last year with regard to street cleaning in Penge and Cator ward?

Reply:

I am advised that there were 349 reports concerning street cleaning in Penge & Cator Ward of which 1 was registered as a "complaint."

3. From Councillor Peter Fookes to the Portfolio Holder for Education

How many pupils are still waiting to be offered a primary school place?

Reply:

There are 15 reception children waiting to be placed (these are late applications, just received. We are still waiting for their proof of address ducuments). In Years 1 to 6 there are 30 children where we are still waiting for proof of address documents and these will be placed within the agreed 20 day rule. However, we do have a problem with a lack of spare Key Stage One places and where this is an issue we have to use the Fair Access Protocol which allows schools to go over their admission number.

4. From Cllr Richard Williams to the Portfolio Holder for Renewal & Recreation

Are there plans to introduce a homework club and toddler Rhyme Tyme sessions at Anerley Library Hub?

Reply:

There are no plans to introduce either a homeworking club or toddler Rhyme Tyme session at Anerley Town Hall. These activities continue to be offered at the new Penge Library. The position at Anerley remains the same as previously reported that

a library offer, comprising an automatic book locker and a number of Peoples Network Terminals will be installed, this is likely to be finalised by the end of October.

5. From Cllr Katherine Bance to the Portfolio Holder for the Environment

Can you please provide statistics for the reports to the Council on rubbish dumped on High Street Penge for 2014 and indicate if this is higher, average or lower compared to other wards.

Reply:

There have been 53 cases of dumped rubbish reported in High Street Penge year to date (as at 8th October).

This is higher than in other High Streets.

6. From Councillor Katherine Bance to the Portfolio Holder for Education

How will LBB ensure that all stakeholders have had the opportunity to consult on the plans to market test the outsourcing of SEN provision before it is on an agenda at PDS.

Reply:

The decision to commence the market testing of Education Services was approved by the Council's Executive on 16th July 2014. The process of market testing is now in progress and is expected to take up to a year before a recommendation on the outcome is presented for decision to Executive. The Council makes no assumption as to the outcome of market testing of Education Services – outsourcing is one possible outcome.

The market testing is for all Education Services of which Special Educational Needs (SEN) is one of a wide range of services. Stakeholders, across all Education Services, will be engaged throughout the process in various ways. These include:

- Representation on the Evaluation Panel: school representatives, as the major stakeholder in receipt of Education Services (including SEN), will be included in the Core Evaluation Panel responsible for the evaluation of proposals;

- Staff and Service User Referral Panels: Referral Panels will support the Core Evaluation Panel by providing feedback on proposals, or parts of proposals, upon referral. There will be a number of Service User Referral Panels, including Panels for Schools, Early Years, Special Educational Needs and Sensory Support. In this way, stakeholder representatives will be directly involved in the market testing process, informing the consideration of proposals. Representation on the Panels is currently being arranged.

- Communications: there will be a number of ways in which the Council and stakeholders will engage on a regular basis, including: a dedicated website for updates; a dedicated e-mail address to receive comments; and briefings, via letters or meetings, as required.

Finally, suitable arrangements will be made in due course for appropriate engagement with stakeholders in relation to the decision making process. This may take different forms depending on the recommended outcome of the market testing process and, as a result, will be planned closer to the time.

7. From Councillor Katherine Bance to the Portfolio Holder for Renewal and Recreation

Why are LBB discouraging new businesses by charging for information on the planning status of empty properties and please provide details of the charges?

Reply:

We make charges for anyone who wishes to search the planning register for information about the planning history of a property, which is £46. The public can also come in and search our records themselves by prior appointment and planning decisions since the early 1980s are available on our website, including all relevant documentation for cases from 2003.

The principal way to obtain a formal confirmation of the lawful planning use of a property is by submission of a certificate of lawfulness for either a proposed or existing use. The fee for this would be £385 for an existing use or £192.50 for a proposed use.

There is no intention to discourage new businesses but there is a cost to providing the information which is why we make a charge.

8. From Cllr Ian Dunn to the Portfolio Holder for Resources

How much housing benefit was paid during 2013/14 in respect of privately rented accommodation which was previously owned by the London Borough of Bromley? How many individual cases does this represent?

Reply:

It is not possible to identify properties previously owned by the London Borough of Bromley from our Council Tax or benefit records.

The stock transfer of Bromley domestic properties to Broomleigh Housing Association (now known as Affinity Sutton) was undertaken in 1992.

In the year 2013/14, £44,931,636 Housing Benefit was paid to Affinity Sutton; however this would also include entitlement made in respect of properties acquired/built since the date of the transfer. The above sum relates to payment for 8,919 different claimants.

10. From Councillor Kevin Brooks to the Portfolio Holder for the Environment

In accordance with Council policy, Penge toilets are to be closed and replaced with the Community Toilet Scheme. Will the portfolio holder reassure residents that this will not result in poor service by ensuring that:

- There is correct and conspicuous signage on the High Street as to location of the toilets
- The provision in Penge will be monitored and that any problems will be swiftly resolved.

- All staff in McDonalds, Wetherspoons and Sainsbury's are to be fully informed that the toilets are for public use and there is no obligation make purchases
- Any complaint of pressure put on the public to buy products would be taken to the franchiser by the council
- Space must be provided for potential queues
- Money must be ring-fenced to ensure the empty building will not become an eyesore and that graffiti, broken windows etc. will be dealt with as a matter of urgency.

Reply:

In line with the minutes and recommendations of the Enviromental Services PDS meeting held on 23rd September, I can confirm that the Community Toilet Scheme in Penge will be signed and advertised in an indentical manner to other participating locations across the Borough.

If Ward colleagues in any place learn of deficiencies in either that or any other regard (ie sales pressure, cleanliness or staff being 'off message') I would ask them to make Officers aware to facilitate early remedial action taking place .

Any graffiti which might arise will be attended to in a timely manner via the existing contractual arrangements.

Funding also remains available for any short term maintenance issues which might arise, notwithstanding that this facility will shortly be placed for disposal on the property market, eliminating any need to set a longer term budget .

11. From Councillor Angela Wilkins to the Portfolio Holder for the Resources

How many payments on account have been made to housing benefit claimants for each of the last 12 months and what is the percentage of payments on account of all claims for each of these months?

The table below provides the number of new claims processed on a monthly basis.

Ward Councillor Views

1. Have Ward Councillors been asked for comments? N/A.

2. Summary of Ward Councillors comments:

3. COMMENTARY

General

3.1 Under the requirements of the CIPFA Code of Practice on Treasury Management, the Council is required, as a minimum, to approve an annual treasury strategy in advance of the year, a mid-year review report and an annual report following the year comparing actual activity to the strategy. In practice, the Director of Finance has reported quarterly on treasury management activity for many years, as well as reporting the annual strategy before the year and the annual report after the year-end. This report includes a mid-year review for 2014/15 and details of treasury management activity during the quarter ended 30th September 2014 and the period 1st April 2014 to 30th September 2014. The 2014/15 annual strategy, including the MRP (Minimum Revenue Provision) Policy Statement and prudential indicators, was originally approved by Council in February 2014. Amendments (comprising an increase in the limits for part-nationalised banks, Lloyds and RBS, a lowering of the minimum credit rating for bond investments and the inclusion of diversified growth funds as permitted investments) were approved by Council in October 2014. The annual report for the financial year 2013/14 was approved by the Council in July 2014.

3.2 Recent changes in the regulatory environment place a much greater onus on members for the review and scrutiny of treasury management policy and activities. This report is important in that respect, as it provides details of the actual position for treasury activities and highlights compliance with the Council's policies previously approved by Members.

3.3 The Council has monies available for Treasury Management investment for the following main reasons:

(a) Positive cash flow;
(b) Monies owed to creditors exceed monies owed by debtors;
(c) Receipts (mainly from Government) received in advance of payments being made;
(d) Capital receipts not yet utilised;
(e) Provisions made in the accounts for liabilities e.g. provision for outstanding legal cases which have not yet materialised;
(f) General and earmarked reserves retained by the Council.

3.4 Some of the monies identified above are of short term use and cannot be used for longer term investment purposes and any investment of these needs to be highly "liquid", particularly if it relates to a positive cash flow position which can change in the future. Future monies available for Treasury Management investment will depend on the budget position of the Council and whether the Council will need to substantially exhaust capital receipts and reserves. Against a backdrop of unprecedented cuts in Government funding (which will require the Council to make revenue savings to balance the budget in future years), there is a probability that such actions may be required in the medium term which will reduce the monies available for investment.

3.5 The Council has approved an Investment Strategy for Treasury Management, which has been regularly reviewed in recent years to provide a wider range of investment options, ranging from investment in corporate bonds to various investment choices over a 3 to 5 year timeframe, including investments in a property fund and in Diversified Growth Funds. The CIPFA Code of Practice states that priority must be given to security and liquidity over the return on investments. Any "wholesale" investment made by the Council does not have the protection available to personal savers.

3.6 The Council has also identified an alternative investment strategy relating to property investment. Further details were provided in September when the PDS Committee was informed that the planned property purchases, including purchases to date, will generate income of £2m per annum with an equivalent yield of 5 to 6%. This is based on a longer term

investment timeframe of at least 3 to 5 years. This alternative investment ensures that the monies available can attract higher yields for the longer term.

3.7 A combination of lower risk investment relating to Treasury Management and a separate investment strategy in property acquisitions generating higher yields (and risks) provides a balanced investment strategy. Any investment decisions will also need to consider the high probability that interest rates will increase. The available resources for the medium term, given the ongoing reductions in Government funding, will need to be regularly reviewed.

Treasury Performance in the quarter ended 30th September 2014

3.8 **Borrowing:** The Council's healthy cashflow position continued through the whole of 2013/14 and through the first two quarters of 2014/15, as a result of which no borrowing has been required.

3.9 **Investments:** The following table sets out details of investment activity during the September quarter and during the financial year 2014/15 to date:-

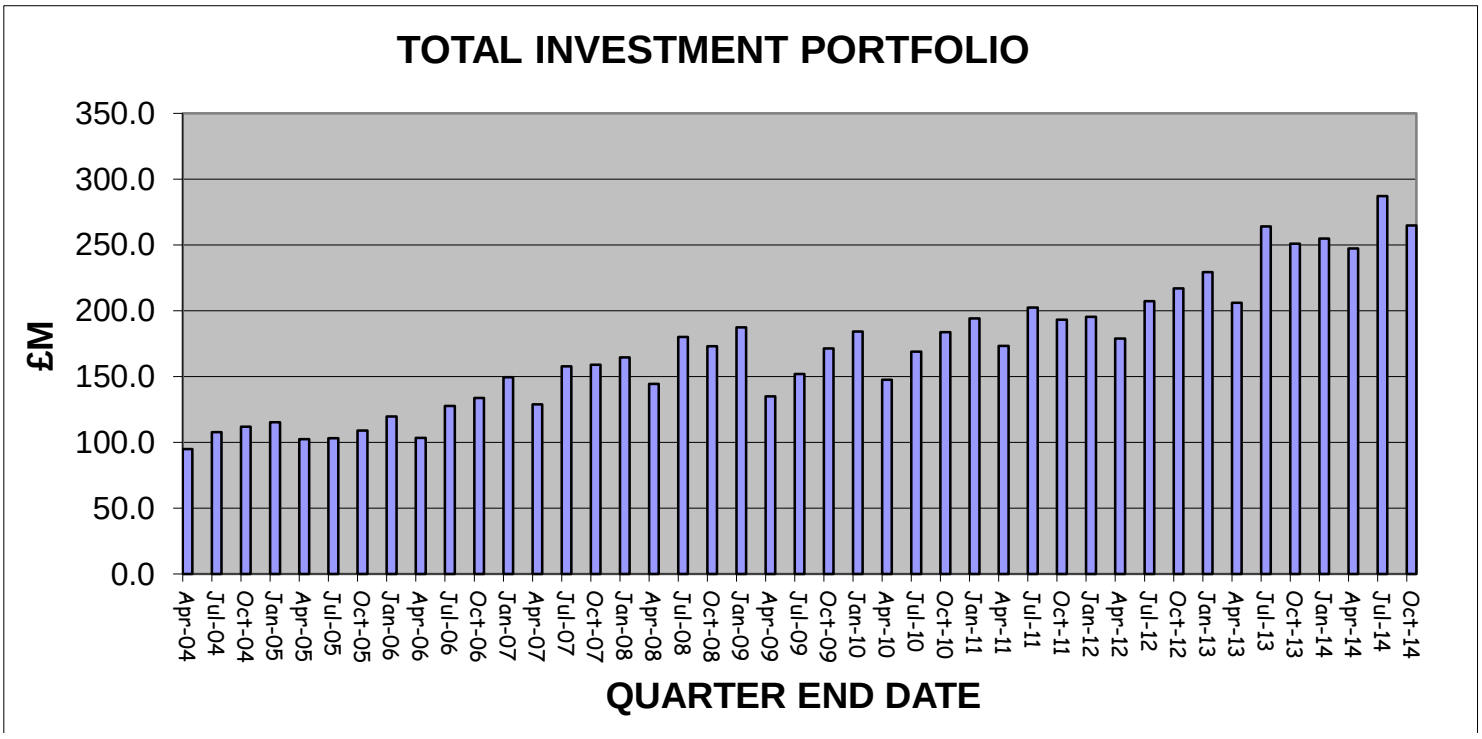
3.10 Details of the outstanding investments at 30th September 2014 are shown in maturity date order in Appendix 1 and by individual counterparty in Appendix 2. The average return on all new "core" investments was 1.39% during the September quarter. For comparison, the average LIBID rates for the September quarter were 0.35% for 7 days, 0.44% for 3 months, 0.58% for 6 months and 0.93% for 1 year. The average rate achieved on new investments placed in the period 1st April to 30th September 2014 was 1.11%, compared to the average LIBID rates of 0.35% for 7 days, 0.42% for 3 months, 0.55% for 6 months and 0.88% for 1 year. The improved average rate earned on new investments so far this year reflects the longer-term deposits placed in the September quarter with other local authorities and banks and compares favourably with the budget assumption (1% on new investments).

3.11 Base rate has now been 0.5% since March 2009 and the latest forecast by Capita (in October 2014) is for it to begin to slowly rise from around the middle of 2015. Reports to previous meetings, most recently to the September meeting, have highlighted the fact that options with regard to the reinvestment of maturing deposits have become seriously limited due to bank credit rating downgrades. Changes to lending limits and eligibility criteria have in the past been temporarily successful in alleviating this, but we have still found ourselves in the position of not having many investment options other than placing money with instant access accounts at relatively low interest rates. Active UK banks on our list now comprise only Lloyds, RBS, HSBC, Barclays, Santander UK and Nationwide and all of these have reduced their interest rates significantly in recent years. On 13th October, Council approved an increase of £40m (from £40m to £80m) in the lending limits of both Lloyds and RSB and this will improve the overall return on investments and reduce the amount invested in low-interest instant access accounts.

3.12 In the September quarter, we took advantage of an increase in demand for cash from other local authorities and invested a total of £23m at rates between 1.50% and 1.90%. We also placed a total of £10m for 2 years with Lloyds at an average of 1.265% and a further £15m in a 2-year deposit with RBS linked to the 3-month Libor rate, but with a floor of 1.52% and a ceiling of 2.00%. Finally, we invested a further £5m with the CCLA Property Fund, bringing the total up to £10m.

3.13 In recent years, Lloyds has consistently offered better rates than other UK banks, but has reduced its rates significantly in the last year and is currently offering 0.57% for 3 months up to 1.00% for 1 year (they were paying 3.00% for 1 year as recently as July 2012). All the other UK banks and building societies on our lending list are now paying similar rates. Following the decision at the September meeting to recommend that the Council approve an increase in the limits for Lloyds and RBS (agreed by Council on 13th October), rates for longer periods were obtained from both banks. After consultation with Capita, a total of £40m was withdrawn from other investments (Svenska and Money Market Funds) and was invested in a 3 year RBS Certificate of Deposit (CD) at 1.85%. Rates from Lloyds are not as attractive and further investment options will be considered in the coming weeks. The Director of Finance will continue to monitor rates and counterparty quality and take account of external advice prior to any investment decisions.

3.14 The graph below shows total investments at quarter-end dates back to 1st April 2004 and shows how available funds have increased steadily over the years, largely due to the earlier receipt of government funding. This has been a significant contributor to the over-achievement of investment income against budgeted income in recent years.



Other accounts

3.15 Money Market Funds

The Council currently has 7 AAA-rated Money Market Fund accounts, with Prime Rate, Ignis, Insight, Morgan Stanley, Blackrock, Fidelity and Legal & General, all of which have a maximum investment limit of £15m. In common with market rates for fixed-term investments, interest rates on money market funds have fallen considerably in recent years. The Ignis fund currently offers

the best rate (around 0.48%). The total balance held in Money Market Funds (£24.4m as at 30th September 2014 and, currently, £36.2m as at 5th November 2014) has generally been higher in the last two years than previously as bank credit rating downgrades have continued to restrict counterparty eligibility. The reduction in the latest quarter is mainly due to the completion of a large town centre property acquisition in September. A total of £40m was withdrawn from low-earning investment accounts (including Money Market Funds) in October to fund the £40m investment in a 3 year RBS CD, but this was reinstated, temporarily at least, at the beginning of November. Money Market Funds currently offer the lowest interest of all our eligible investment vehicles with the exception of the Government Debt Management and Deposit Fund (currently 0.25%).

3.16 Notice Accounts

Svenska Handelsbanken

In August 2013, the Council placed £15m in an instant access account with the Swedish Bank, Svenska Handelsbanken. The account originally paid 0.60%, but the rate was reduced to 0.50% in July 2014. As investment options were limited and the rate was better than that we were earning on our Money Market Funds, the account was left open until after the Council approved the increased limits for Lloyds and RBS in October. The account was, however, closed on 22nd October 2014 to provide part of the 3 year CD investment with RBS. The average daily balance in the first two quarters of 2014/15 was £7.5m.

RBS

In March 2013, RBS announced a new 95-day notice account paying a rate of 0.80%. The Council made an initial deposit of £12.5m in March and increased this to £15m in April 2013. The rate was reduced to 0.60% in October 2013 and, in April 2014, RBS informed us that the rate would reduce to 0.30% in August, so we closed the account on 25th August 2014. The average daily balance in the first two quarters of 2014/15 was £6.45m.

Deutsche Bank

In the autumn of 2013, Capita notified the Council that they had negotiated a 95-day notice account facility with Deutsche Bank at a rate of 0.74%. Deutsche is an eligible counterparty on our lending list with a maximum investment sum of £5m and, on 25th November 2013, this sum was deposited. The £5m is still invested and the average daily balance in the first two quarters of 2014/15 was £2.5m. Notice to terminate was given at the end of October and the principal sum plus interest will be returned to us on 2nd February 2015.

3.17 Other investments: Corporate Bonds and Payden Sterling Reserve Fund

At its meeting on 12th November 2012, the Council approved the addition of corporate bonds (minimum credit rating AA-, maximum period 5 years) and the Payden Sterling Reserve Fund to our lending list. On 27th November, following advice from Capita, we made our first investment in a corporate bond, £1.1m with Standard Chartered Bank. The bond matured on 28th April 2014 with a coupon value of 0.70%. In October, the Council agreed to a lowering of the minimum credit rating for corporate bonds to A-, which may provide us with more investment opportunities in the future. In November 2012, £15m was invested in the Payden Fund and that sum is still invested. The longer-term nature of the Payden Fund means that a better return will be secured by holding to maturity, although we could at any time withdraw our money by giving 3 days' notice. As at 30th September 2014, our share of the Payden Sterling Reserve Fund was valued at £15,241k, which represented a return of 0.85% since inception.

3.18 Investment in CCLA Property Fund

In September 2013, the Portfolio Holder and Full Council approved the inclusion of collective (pooled) investment schemes as eligible investment vehicles in the Council's Investment Strategy with an overall limit of £25m and a maximum duration of 5 years. Such investment would require the approval of the Director of Finance in consultation with the Resources Portfolio Holder. Following consultation between the Director of Finance and the Resources Portfolio Holder, an account was opened in January with the CCLA Local Authorities' Property Fund and an initial deposit of £5m was made. Following more consultation, a further £5m deposit was made at the end of July 2014. This is a medium to long-term investment and performance data will be reported in due course.

3.19 Investment with Heritable Bank

Members will be aware from regular updates to the Resources Portfolio Holder and the Executive that the Council had £5m invested with the Heritable Bank, a UK subsidiary of the Icelandic bank, Landsbanki, when it was placed in administration in early-October 2008 at which time our investment was, and still is, frozen. An initial dividend was paid to the Council in July 2009 and, since then, a further 13 dividends have been received. To date, 94.0% (£4,783k) of our total claim (£5,087k) has been returned to us, leaving a balance of £304k (6.0%). Council officers and our external advisers remain hopeful of a full recovery.

3.20 For information, the claim we were obliged to submit consisted of the principal sum (£5m) plus interest due to the date on which Heritable was placed in administration (around £87,000). We were not able to lodge a claim for the full amount of interest (£321,000) that would have been due at the original investment maturity date (29/6/09). In accordance with proper accounting practice and guidance from CIPFA, we made provision in our 2008/09 accounts for an impairment loss of £1.64m and met this from the General Fund in that year. In line with revised guidance from CIPFA relating to the 2009/10 accounts, we were able to reduce the impairment by £300k and this sum was credited to the General Fund. An improvement in the administrator's recovery estimate in 2011 to between 86% and 90% (previously it was between 79% and 85%) enabled us to reverse a further £730k of the impairment in 2011/12. The Council's accounts included a provision for a net loss of £610k as at 31st March 2013 (12% of the claim, based on the midpoint of the administrator's estimate), but, as we had recovered 94% as at 31st March 2014, we were able to reverse more of the impairment in 2013/14 (£311k). We are currently waiting for an update from the administrator.

3.21 External Cash Management

External cash managers, Tradition UK Ltd, currently manage £20m of our cash portfolio and provide useful advice and information on treasury management matters. In the first half of

2014/15, Tradition UK achieved a return of 1.15% (mainly as a result of longer term investments placed in March and August 2014). Tradition UK work to the same counterparty list as the Council's in-house team and so have also been constrained by strategy changes approved after the Icelandic Bank crisis and by ratings downgrades in recent years. Details of externally managed funds placed on deposit as at the time of writing this report are shown below.

Bank	Sum	Start Date	Maturity	Period	Rate
Lloyds	£7.5m	18/08/14	18/08/16	2 years	1.28%

Mid-Year Review of Treasury Management Strategy Statement and Annual Investment Strategy for 2014/15

3.22 Under the requirements of the CIPFA Code of Practice on Treasury Management, the Council is required to receive a mid-year review report on performance against the approved strategy. The Annual Investment Strategy was originally approved by Council in February 2014 and was updated in October 2014. A mid-year review, including comments on the economic background during the first half of 2014/15 and on the outlook, is included at Annex A.

Regulatory Framework, Risk and Performance

3.23 The Council's treasury management activities are regulated by a variety of professional codes and statutes and guidance:

- The Local Government Act 2003 (the Act), which provides the powers to borrow and invest as well as providing controls and limits on this activity;
- The Act permits the Secretary of State to set limits either on the Council or nationally on all local authorities restricting the amount of borrowing which may be undertaken (although no restrictions were made in 2009/10);
- Statutory Instrument (SI) 3146 2003, as amended, develops the controls and powers within the Act;
- The SI requires the Council to undertake any borrowing activity with regard to the CIPFA Prudential Code for Capital Finance in Local Authorities;
- The SI also requires the Council to operate the overall treasury function with regard to the CIPFA Code of Practice for Treasury Management in the Public Services;
- Under the Act the CLG has issued Investment Guidance to structure and regulate the Council's investment activities;
- Under section 238(2) of the Local Government and Public Involvement in Health Act 2007 the Secretary of State has taken powers to issue guidance on accounting practices. Guidance on Minimum Revenue Provision was issued under this section on 8th November 2007.

3.24 The Council has complied with all of the above relevant statutory and regulatory requirements which limit the levels of risk associated with its treasury management activities. In particular its adoption and implementation of both the Prudential Code and the Code of Practice for Treasury Management means both that its capital expenditure is prudent, affordable and sustainable, and its treasury practices demonstrate a low risk approach.

4. POLICY IMPLICATIONS

4.1 In line with government guidance, the Council's policy is to seek to achieve the highest rate of return on investments whilst maintaining appropriate levels of risk, particularly security and liquidity.

5. FINANCIAL IMPLICATIONS

5.1 A rate of 1% was assumed in the 2014/15 budget for interest on new investments and the budget for net interest earnings was set at £1,591k. Interest rates appear to have started to increase slowly and Capita now expect the Bank of England base rate to begin to rise slowly from around the middle of 2015. There have been no improvements to counterparty credit ratings, which means that the restrictions to investment opportunities that followed ratings downgrades in recent years have still been in place. In October, however, following a recommendation from the Executive, the Council approved an increase in the limits for the two part-nationalised banks (Lloyds and RBS) from £40m and 2 years to £80m and 3 years and, this, together with higher rates from longer-term deals placed with other local authorities and with higher average balances than anticipated, has resulted in a considerable improvement in interest earnings in 2014/15. At this stage, it is estimated that the 2014/15 outturn for interest earnings will be around £0.8m above budget.

Treasury Management Strategy Statement and Annual Investment Strategy

Mid-year Review Report 2014/15

1 Background

The Council operates a balanced budget, which broadly means cash raised during the year will meet its cash expenditure. Part of the treasury management operations ensure this cash flow is adequately planned, with surplus monies being invested in low risk counterparties, providing adequate liquidity initially before considering maximising investment return.

The second main function of the treasury management service is the funding of the Council's capital plans. These capital plans provide a guide to the borrowing need of the Council, essentially the longer term cash flow planning to ensure the Council can meet its capital spending operations. This management of longer term cash may involve arranging long or short term loans, or using longer term cash flow surpluses, and on occasion any debt previously drawn may be restructured to meet Council risk or cost objectives. In practice, the Council has not in the past borrowed to finance its capital expenditure and has no plans to do so at present.

As a consequence treasury management is defined as:

> "The management of the local authority's investments and cash flows, its banking, money market and capital market transactions; the effective control of the risks associated with those activities; and the pursuit of optimum performance consistent with those risks."

2 Introduction

The Chartered Institute of Public Finance and Accountancy's (CIPFA) Code of Practice on Treasury Management 2011 was initially adopted by this Council in February 2012.

The primary requirements of the Code are as follows:

1. Creation and maintenance of a Treasury Management Policy Statement which sets out the policies and objectives of the Council's treasury management activities.
2. Creation and maintenance of Treasury Management Practices which set out the manner in which the Council will seek to achieve those policies and objectives.
3. Receipt by the full Council of an annual Treasury Management Strategy Statement - including the Annual Investment Strategy and Minimum Revenue Provision Policy - for the year ahead, a **Mid-year Review Report** and an Annual Report (stewardship report) covering activities during the previous year.
4. Delegation by the Council of responsibilities for implementing and monitoring treasury management policies and practices and for the execution and administration of treasury management decisions.
5. Delegation by the Council of the role of scrutiny of treasury management strategy and policies to a specific named body. For this Council the delegated body is the Executive & Resources PDS Committee:

   This mid-year report has been prepared in compliance with CIPFA's Code of Practice on Treasury Management, and covers the following:

- An economic update for the first six months of 2014/15;
- A review of the Treasury Management Strategy Statement and Annual Investment Strategy;
- A review of the Council's investment portfolio for 2014/15;
- A review of the Council's borrowing strategy for 2014/15;
- A review of any debt rescheduling undertaken during 2014/15;
- A review of compliance with Capital and Treasury Prudential Limits for 2014/15.

3 Economic update

3.1 Economic background

- After strong UK GDP quarterly growth of 0.7%, 0.8% and 0.7% in quarters 2, 3 and 4 respectively in 2013, (2013 annual rate 2.7%), and 0.7% in Q1 and 0.9% in Q2 2014 (annual rate 3.2% in Q2), it appears very likely that strong growth will continue through 2014 and into 2015 as forward surveys for the services and construction sectors, are very encouraging and business investment is also strongly recovering. The manufacturing sector has also been encouraging though the latest figures indicate a weakening in the future trend rate of growth. However, for this recovery to become more balanced and sustainable in the longer term, the recovery needs to move away from dependence on consumer expenditure and the housing market to exporting, and particularly of manufactured goods, both of which need to substantially improve on their recent lacklustre performance. This overall strong growth has resulted in unemployment falling much faster through the initial threshold of 7%, set by the Monetary Policy Committee (MPC) last August, before it said it would consider any increases in Bank Rate. The MPC has, therefore, subsequently broadened its forward guidance by adopting five qualitative principles and looking at a much wider range of about eighteen indicators in order to form a view on how much slack there is in the economy and how quickly slack is being used up. The MPC is particularly concerned that the current squeeze on the disposable incomes of consumers should be reversed by wage inflation rising back above the level of inflation in order to ensure that the recovery will be sustainable. There also needs to be a major improvement in labour productivity, which has languished at dismal levels since 2008, to support increases in pay rates. Most economic forecasters are expecting growth to peak in 2014 and then to ease off a little, though still remaining strong, in 2015 and 2016. Unemployment is therefore expected to keep on its downward trend and this is likely to eventually feed through into a return to significant increases in pay rates at some point during the next three years. However, just how much those future increases in pay rates will counteract the depressive effect of increases in Bank Rate on consumer confidence, the rate of growth in consumer expenditure and the buoyancy of the housing market, are areas that will need to be kept under regular review.

- Also encouraging has been the sharp fall in inflation (CPI), reaching 1.5% in July, the lowest rate since 2009. Forward indications are that inflation is likely to fall further in 2014 to possibly 1%. The return to strong growth has also helped lower forecasts for the increase in Government debt by £73bn over the next five years, as announced in the Autumn Statement, and by an additional £24bn, as announced in the March 2014 Budget -

which also forecast a return to a significant budget surplus, (of £5bn), in 2018-19. However, monthly public sector deficit figures have disappointed so far this year.

- In September, the U.S. Federal Reserve continued with its monthly $10bn reductions in asset purchases, which started in December 2014. Asset purchases have now fallen from $85bn to $15bn and are expected to stop in October 2014, providing strong economic growth continues. First quarter GDP figures were depressed by exceptionally bad winter weather, but quarter 2 rebounded strongly to 4.6%.
- The Eurozone is facing an increasing threat from deflation. In September, the inflation rate fell further, to reach 0.3%. However, this is an average for all EZ countries and includes some countries with negative rates of inflation. Accordingly, the ECB did take some rather limited action in June and September to loosen monetary policy in order to promote growth.

3.2 Interest Rate Forecast

The Council's treasury advisor, Capita Treasury Solutions, has provided forecasts as follows:

Capita undertook a review of its interest rate forecasts in October 2014 and their latest forecast now includes a first increase in Bank Rate in quarter 2 of 2015 (previously anticipated in quarter 1).

4 Treasury Management Strategy Statement and Annual Investment Strategy update

The Treasury Management Strategy Statement (TMSS) for 2014/15, which includes the Annual Investment Strategy, was initially approved by this Council in February 2014. A subsequent revision was approved in October 2014. It sets out the Council's investment priorities as being:

- Security of capital;
- Liquidity; and
- Yield.

The Council will aim to achieve the optimum return (yield) on investments commensurate with proper levels of security and liquidity. In the current economic climate it is considered appropriate to keep investments short term to cover cashflow needs, but also to seek out value available in periods up to 12 months (up to 3 years with the part-nationalised banks Lloyds and RBS), with highly credit rated financial institutions, using Capita's suggested creditworthiness approach, including sovereign credit rating and Credit Default Swap (CDS) overlay information.

5 Investment Portfolio 2014/15

Investment rates available in the market have been broadly stable during the quarter and have continued at historically low levels as a result of the ultra-low Bank Rate and other extraordinary measures such as the Funding for Lending Scheme.

Details of the Council's investment activity during the first six months of 2014/15 are provided in paragraphs 3.9 to 3.18 of the covering report and lists of current investments are provided in Appendices 1 (in maturity date order) and 2 (by counterparty). Excluding the frozen Heritable investment of £5m, the Council held £264.9m of investments as at 30th September 2014 (£287.2m as at 30th June 2014).

The Director of Finance confirms that the approved limits within the Annual Investment Strategy were not breached during the first six months of 2014/15.

The Council's budgeted investment return for 2014/15 is £1.591m, which is based on an assumed interest rate of 1.00% for new investments, and, due partly to longer term investments placed at higher rates and partly to higher balances than anticipated, the current projection is for a surplus of £0.8m.

6 Borrowing

The Council's capital financing requirement (CFR) as at 1st April 2014 was £2.6m. The CFR denotes the Council's underlying need to borrow for capital purposes and, for Bromley, relates to outstanding finance lease liabilities in respect of plant, equipment and vehicles. If the CFR is positive, the Council may borrow from the PWLB or the market (external borrowing) or from internal balances on a temporary basis (internal borrowing). The Council does not borrow to finance its capital expenditure and has, in recent years, only had to borrow short-term (for cashflow purposes) on a very few occasions.

No borrowing is currently anticipated during this financial year or in any later financial year.

ANNEX B

Prudential and Treasury Indicators – Mid-Year Review 2014/15

The old capital control system was replaced in April 2004 by a prudential system based largely on self-regulation by local authorities themselves. At the heart of the system is The Prudential Code for Capital Finance in Local Authorities, developed by CIPFA. The Code requires the Council to set a number of prudential indicators designed to monitor and control capital expenditure, financing and borrowing. The indicators for 2014/15 were approved by the Executive and the Council in February 2014 and this Annex sets out the actual performance against those indicators in the first six months, updating them where necessary. Prudential and Treasury Indicators are relevant for the purposes of setting an integrated treasury management strategy.

The Council is required to indicate if it has adopted the CIPFA Code of Practice on Treasury Management. This original 2001 Code was adopted by the full Council in February 2002 and the revised 2011 Code was initially adopted by full Council in February 2012.

Prudential Indicators for Capital Expenditure

This table shows the revised estimates for capital expenditure and the changes since the Capital Programme for 2014/15 was agreed in February 2014. The increase in the latest estimate for 2014/15 is mainly the result of the significant level of slippage in expenditure planned for 2013/14 and to the approval of additional investment property acquisitions, both of which have been highlighted in previous reports to the Executive and to PDS Committees.

Changes to the Prudential Indicators for the Capital Financing Requirement, External Debt and the Operational Boundary

It is a statutory duty for the Council to determine and keep under review the "Affordable Borrowing Limits", which comprise external / internal borrowing and other long-term liabilities, mainly finance leases. The Council's approved Treasury and Capital Prudential Indicators (affordability limits) are outlined in the approved TMSS. The table below shows the expected "worst case" debt position over the period. This is termed the Operational Boundary. Bromley has an operational "borrowing" limit (Operational Boundary) of £30m, although in practice, this limit is never in danger of being breached.

The Authorised Limit, which represents the limit beyond which borrowing is prohibited, is another of the prudential indicators and needs to be set and revised by Members. It reflects the level of borrowing which, while not desired, could be afforded in the short term, but is not sustainable in the longer term. It is the expected maximum borrowing need with some headroom for unexpected movements. This is the statutory limit determined under section 3 (1) of the Local Government Act 2003 and, for Bromley, this figure has been set at £60m.

The table also shows the CFR, which is the underlying external need to incur borrowing for a capital purpose. The Council's capital financing requirement (CFR) as at 1st April 2014 was £2.6m. The CFR denotes the Council's underlying need to borrow for capital purposes. If the CFR is positive, the Council may borrow from the PWLB or the market (external borrowing) or from internal balances on a temporary basis (internal borrowing). The Council's CFR relates to liabilities arising from finance leases entered into in recent years in respect of various items of plant and equipment. The Council currently has no external borrowing as such.

1. Reason for report

1.1 At its meeting on 26th November 2014 the Executive considered the attached report and recommended that Council adopts the proposed Local Council Tax Reduction Scheme for 2015/16. The scheme proposed replicates the 2014/15 scheme, except where minor variations are required due to legislative changes and annual upratings. The Executive recommended that the scheme be adopted, with the Leader requesting that consideration be given to investigating the implications for increasing the percentage of council tax that claimants had to pay themselves in future years.

1.2 The main elements of the scheme are:

- Assessments for working-age claimants are based on 81% of the claimant's council tax liability. Therefore, working-age claimants have to pay a minimum of 19% of their council tax liability.
- Assessments for claimants of pensionable age will have their entitlement calculated on 100% of their council tax liability.
- A budget of £100k per annum is available for the awarding of additional assistance where exceptional hardship/circumstances are demonstrated.

1.3 The findings from the consultation exercise carried out between 5th September and 27th October 2014 are set out in Appendix 1 and the recommended scheme is set out in Appendix 2. It should also be noted that the scheme attached at Appendix 2 will need revising to reflect the adoption date of the 2015 scheme and where appropriate 2014 replaced with 2015 and 2014/15 replaced with 2015/16.

3. COMMENTARY

Background

From April 2013, the scheme for providing assistance to households in meeting their council tax liability changed from a national scheme (Council Tax Benefit) to a locally agreed scheme (Council Tax Support). However, in respect of claimants of pensionable age, the scheme continued to be based on national rules and regulations, with the undertaking that they would not be worse off than if the previous scheme continued to exist.

The Government funding of the scheme changed from a subsidy based system where the Authority was recompensed 100% of the entitlement awarded, to a grant based system. The grant being based on a maximum of 90% of previous year's expenditure.

Following the mandatory consultation exercise and Government's offer of additional funding for 2013/14 to those authorities that restricted the minimum amount working-age claimants had to pay to 8.5% of their liability, the following scheme was adopted at Full Council on the 21 January 2013.

Year	Minimum working-age liability
2013/14	8.5%
2014/15	19%

Also included in the scheme was a budget of £100k per annum to be used for awarding discretionary assistance where a claimant demonstrated exceptional circumstances/hardship.

Consultation Exercise

The Resources Portfolio Holder approved on the 8/7/14 the undertaking of a consultation exercise, with the recommendation being that the scheme remains as for 2014/15.

A web based consultation exercise was undertaken during the period 5/9/14-27/10/14, with notification of the exercise being included in Council Tax demands issued during this period. The findings are entered as Appendix 1 to this report.

The main finding was that the majority of those completing the consultation document were in favour of retaining the current scheme. Not surprising, of those indicating they wished to vary the scheme, those currently receiving Council Tax Support wanted the level of assistance to increase, whilst those not currently receiving Council Tax Support wanted it to reduce.

Recommended scheme

The Council Tax Support scheme recommended for 2015/16 replicates the main aspects of the scheme operational in the current financial year. The only variations being resultant of minor legislative changes and annual uprating's. Appendix 2 shows the full proposed scheme; however as advised earlier, this will be subject to minor amendments as a result of legislative change and annual uprating's.

The Main elements of the scheme are:

- Assessments for working-age claimants are based on 81% of the claimants council tax liability. Therefore, working-age claimants have to pay a minimum of 19% of their council tax liability.
- Assessments for claimants of pensionable age will have their entitlement calculated on 100% of their council tax liability
- A budget of £100k per annum be made available for the awarding of additional assistance where exceptional hardship/circumstances are demonstrated

4. POLICY IMPLICATIONS

The Authority's Council Tax Support/Reduction Scheme needs to be adopted at a meeting of the Full Council by the end of January preceding the financial year to which it relates. It is therefore proposed that the recommendation arising from this meeting be taken to Full Council on the 8 December 2014.

The scheme adopted by the Authority can be changed in future years; however dependant on the scale and nature of the planned revision it may be necessary to undertake a further consultation exercise and/or grant transitional protection for those adversely affected.

When considering the recommendation, Members attention is drawn to the impact assessment completed prior to adoption of the 2013/14 scheme. For more information use the link to the assessment.http://cds.bromley.gov.uk/documents/s50006017/Appendix%202.pdf

5. FINANCIAL IMPLICATIONS

The proposed scheme reflects the reduced Government funding introduced at the time of the movement to a locally based scheme. There are no additional financial implications.

6. LEGAL IMPLICATIONS

Section 33 (1) (e) of the Welfare Reform Act 2012 abolished the national scheme of Council Tax benefit. Section 10(1) of that Act introduced a new Section 13 A(2) into the Local Government Finance Act 1992 which obliged each local authority to make its own scheme for those who it considered to be in financial need and Bromley complied with this provision.

Schedule 1 A of the 1992 Act sets out the procedural steps required to make or revise a scheme. These include an obligation to consider whether or not to change a scheme for any financial year. Where changes are made there is a statutory obligation to publish a draft scheme and to consult with such persons as we deem to have an interest . That will include both individuals who receive benefit and those who don`t. Any new scheme must be adopted by 31 January in the financial year preceding that in which it is to apply.

Council Tax Reduction – Consultation Report

30 October 2014

Author : Louise Freeth

1. Consultation

A public consultation exercise was undertaken for the 15/16 Council Tax Reduction Scheme during the period from 5th September 2014 until 27th October 2014.

This was available through the Bromley website with details of the process being included in any Council Tax Bills issued during this period.

The consultation exercise was based on 5 simple questions to residents of the Borough;

1. The proposal for Bromley's 2015/16 scheme is to retain the same scheme as introduced for 2014/15. This means no significant increases to Council Tax demand due to support changes. Do you agree with this approach?

   YES / NO

2. If *NO* do you think Council Tax Reduction claimants should;

   Pay more Council Tax e.g. receive less support
   Pay less council Tax e.g. receive more support

3. Are there any other changes you would like to see to the Bromley Council Tax Support Scheme for 2015/16 or general comments regarding CTS.

   Free Text Box

Supplementary questions were asked, for monitoring purposes, to determine whether respondents were currently in receipt of Council Tax Reduction or were completing the consultation on behalf of a representative body.

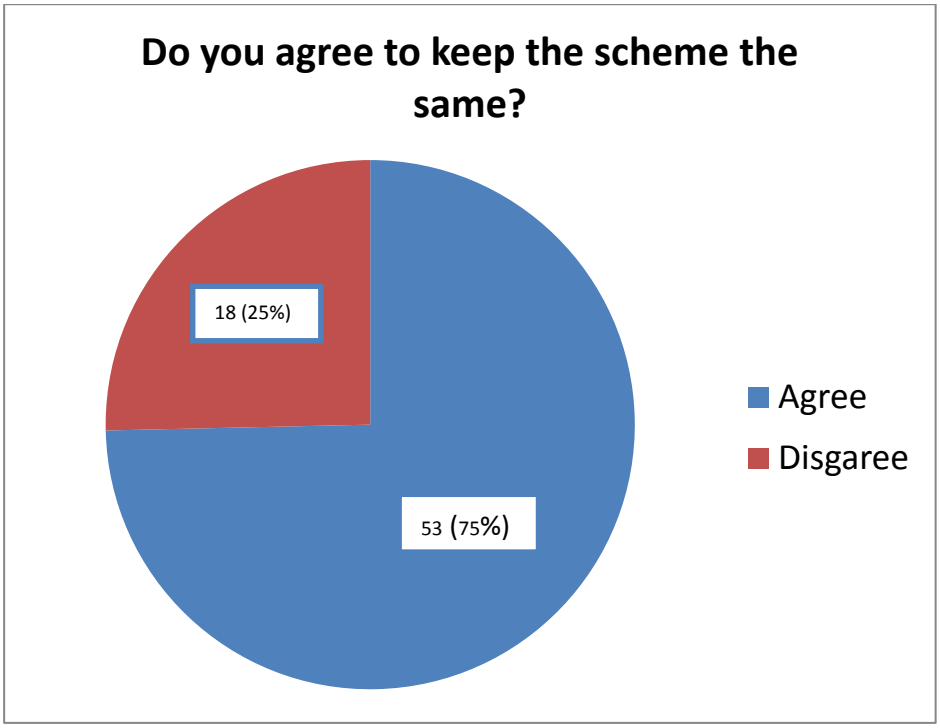
Standard Equality and Diversity questions were also asked, but it was made clear that providing this information was voluntary.

The outcome of the consultation was that 155 citizens accessed the consultation but only 38% of them went on to fully complete it. While this may seem low, industry standards around consultation suggest that anything above 30% should be considered a good response rate.

Details of consultation responses are shown below

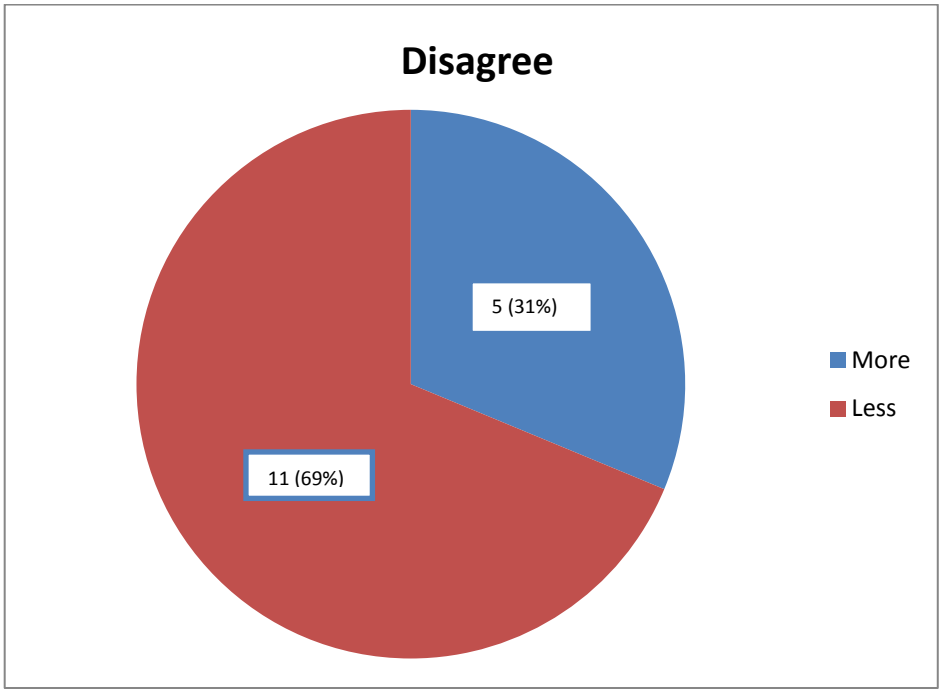
Question 1 - The proposal for Bromley's 2015/16 scheme is to retain the same scheme as introduced for 2014/15. This means no significant increases to Council Tax demand due to support changes. Do you agree with this approach?

Overall response.

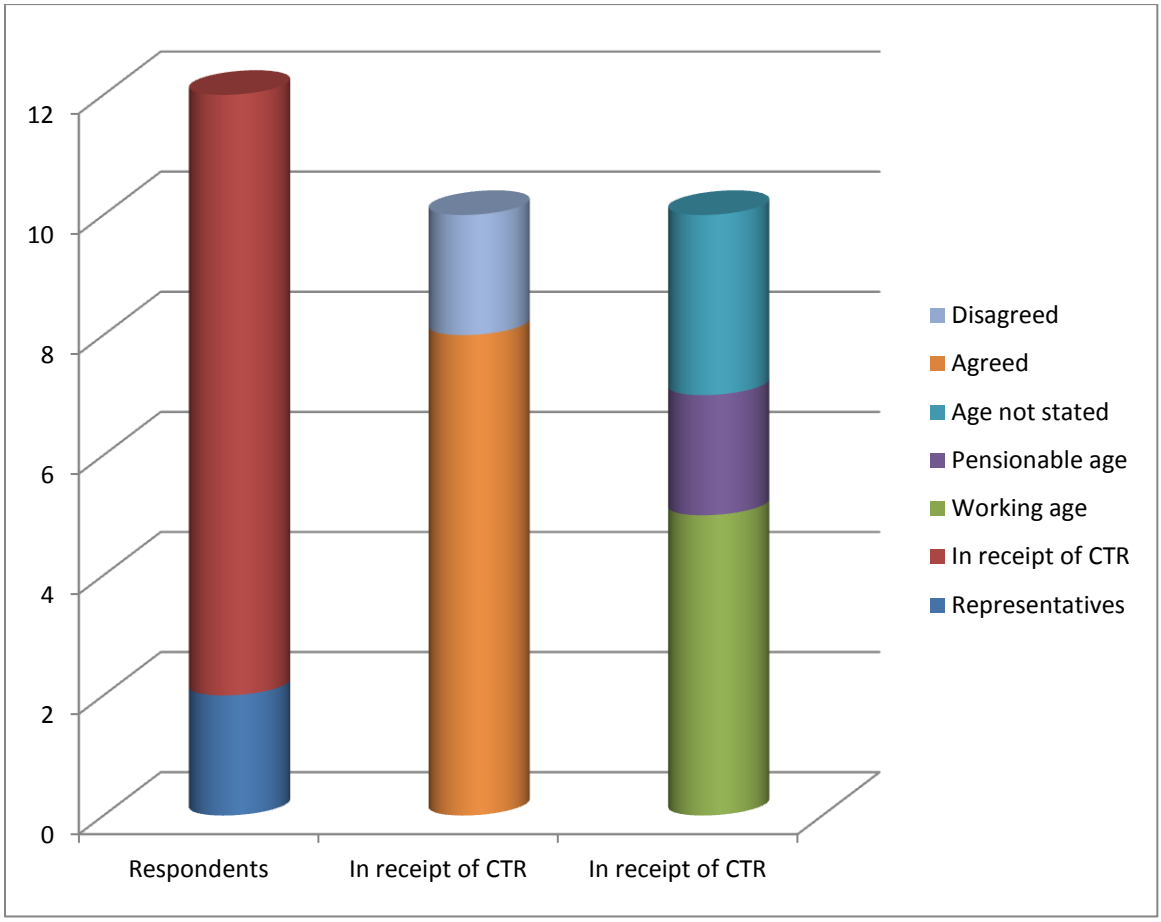


Of those who responded fully, the overall outcome was that they wished to keep the scheme the same.

Where respondents disagreed, the majority believed that CTR recipients should pay more Council Tax and receive less support.



Analysis of respondents.



As illustrated above:

Of the overall completed responses, only 2 were submitted by representative organisations.

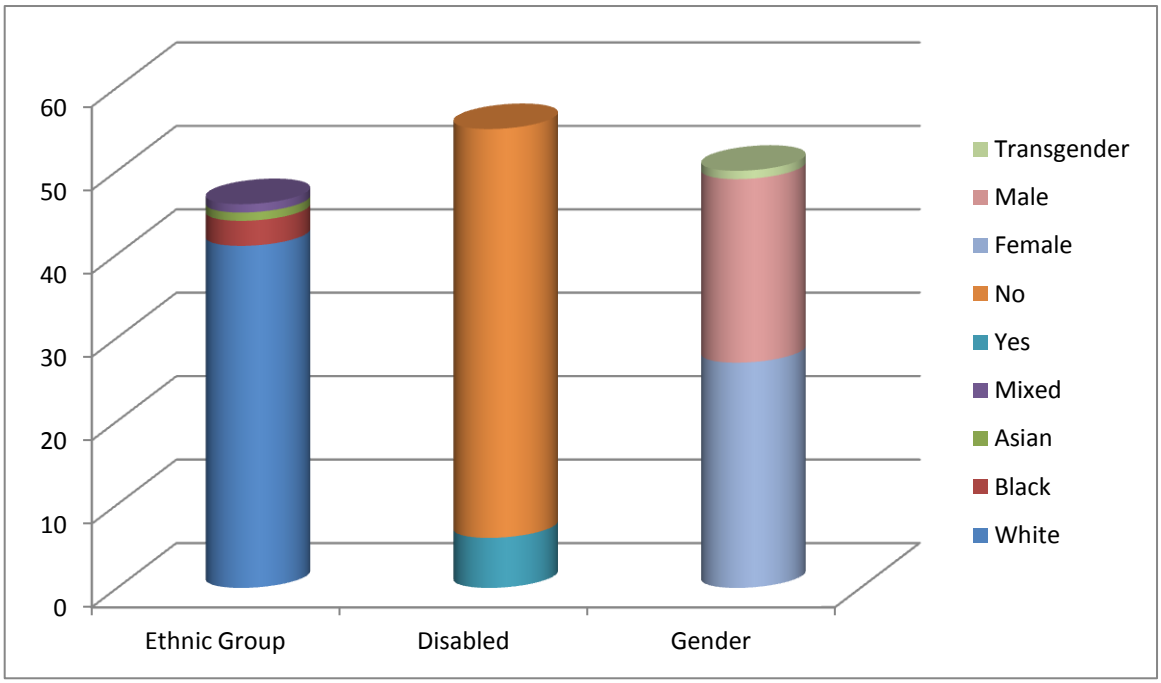
The majority of individually completed responses, 49 (83%) were submitted by individuals who were not currently in receipt of Council Tax Reduction.

Of the 10 responses received from current CTR recipients, 8 of them agreed that the scheme should remain the same with the remaining 2 stating that they believed the level of support should be increased to enable them to pay less.

While 3 of the 10 current CTR recipients declined to state their age, 2 were of pensionable age and 5 were of working age.

Equality and Diversity.

As the chart below illustrates, while the questions relating to equality and diversity were voluntary, from those respondents who chose to complete them it can be seen that the majority of respondents would refer to themselves as being white females without any disabilities.



2. Timetable for Implementation

The new scheme will commence on 1st April 2015 for one year.

(a) A is the amount set by the authority as the council tax for the relevant financial year in respect of the dwelling in which he is a resident and for which he is liable, subject to any discount which may be appropriate to that dwelling under the 1992 Act; and (b) B is the number of days in that financial year, less any deductions in respect of non-dependants which fall to be made under

paragraph 30 (non-dependant deductions: pensioners and persons who are not pensioners).

(2) In calculating a person's maximum council tax reduction under this scheme any reduction in the amount that person is liable to pay in respect of council tax, which is made in consequence of any enactment in, or made under, the 1992 Act (other than a reduction under this scheme), is to be taken into account.

(3) Subject to sub-paragraph (4), where an applicant is jointly and severally liable for council tax in respect of a dwelling in which he is resident with one or more other persons, in determining the maximum council tax reduction in his case in accordance with sub-paragraph (1), the amount A is to be divided by the number of persons who are jointly and severally liable for that tax.

(4) Where an applicant is jointly and severally liable for council tax in respect of a dwelling with only his partner, sub-paragraph (3) does not apply in his case.

(5) The reference in sub-paragraph (3) to a person with whom an applicant is jointly and severally liable for council tax, where the applicant is a person who is not a pensioner, does not include a student to whom paragraph 75(1) (entitlement of students to a reduction under this scheme) applies.

(b) not less than £188.00 but less than £326.00, the deduction to be made under this paragraph is £7.45 x 1/7;

(c) not less than £326.00 but less than £406.00, the deduction to be made under this paragraph is £9.40 x 1/7.

(3) Only one deduction is to be made under this paragraph in respect of a couple or, as the case may be, members of a polygamous marriage (other than where there is an award of universal credit) and, where, but for this paragraph, the amount that would fall to be deducted in respect of one member of a couple or

polygamous marriage is higher than the amount (if any) that would fall to be deducted in respect of the other, or any other, member, the higher amount is to be deducted.

(4) In applying the provisions of sub-paragraph (2) in the case of a couple or, as the case may be, a polygamous marriage, regard must be had, for the purpose of that sub-paragraph, to the couple's or, as the case may be, all members of the polygamous marriage's joint weekly gross income.

(5) Where in respect of a day—

(a) a person is a resident in a dwelling but is not himself liable for council tax in respect of that dwelling and that day;

(c) the person to whom paragraph (a) refers is a non-dependant of two or more of the liable persons, the deduction in respect of that non-dependant must be apportioned equally between those liable persons.

(6) No deduction is to be made in respect of any non-dependants occupying an applicant's dwelling if the applicant or his partner is—

(a) blind or treated as blind by virtue of paragraph 10 of Schedule 3 (additional condition for the disability premium); or

(b) receiving in respect of himself—

(i) attendance allowance, or would be receiving that allowance but for—

(aa) a suspension of benefit in accordance with regulations under section 113(2) of the SSCBA; or

(bb) an abatement as a result of hospitalisation; or

(ii) the care component of the disability living allowance, or would be receiving that component but for—

(aa) a suspension of benefit in accordance with regulations under section 113(2) of the SSCBA; or

(bb) an abatement as a result of hospitalisation; or

(iii) the daily living component of personal independence payment, or would be receiving that allowance but for a suspension of benefit in accordance with regulations under section 86 of the Welfare Reform Act 2012 (hospital in-patients); or

(iv) an AFIP, or would be receiving that payment but for a suspension of it in accordance with any terms of the armed and reserve forces compensation scheme which allows for a suspension because a person is undergoing medical treatment in a hospital or similar institution.

(7) No deduction is to be made in respect of a non-dependant if—

(a) although he resides with the applicant, it appears to the authority that his normal home is elsewhere; or

(b) he is in receipt of a training allowance paid in connection with youth training established under section 2 of the Employment and Training Act 1973 or section 2 of the Enterprise and New Towns (Scotland) Act 1990; or

(c) he is a full-time student within the meaning of Part 11 (students); or

(d) he is not residing with the applicant because he has been a patient for a period in excess of 52 weeks, and for these purposes—

(i) "patient" has the meaning given in paragraph 19(6), and

(ii) where a person has been a patient for two or more distinct periods separated by one or more intervals each not exceeding 28 days, he is to be treated as having been a patient continuously for a period equal in duration to the total of those distinct periods.

(e) he is not residing with the applicant because he is a member of the regular forces or the reserve forces (within the meaning of section 374 of the Armed Forces Act 2006) who is absent, while on operations, from the dwelling usually occupied as their home.

(8) No deduction is to be made in respect of a non-dependant—

(a) who is on income support, state pension credit, an income-based jobseeker's allowance or an income-related employment and support allowance; or

(b) to whom Schedule 1 to the 1992 Act applies (persons disregarded for purposes of discount) but this paragraph does not apply to a non-dependant who is a student to whom paragraph 4 of that Schedule refers.

(9) In the application of sub-paragraph (2) there is to be disregarded from the non-dependant's weekly gross income—

(a) any attendance allowance, disability living allowance, personal independence payment or an AFIP received by him;

(b) any payment made under or by the Trusts, the Fund, the Eileen Trust, MFET Limited, the Skipton Fund, the Caxton Foundation or the Independent Living Fund (2006) which, had his income fallen to be calculated under paragraph 54 (calculation of income other than earnings: persons who are not

pensioners), would have been disregarded under paragraph 28 of Schedule 8 (income in kind); and

(c) any payment which, had his income fallen to be calculated under paragraph 54, would have been disregarded under paragraph 41 of Schedule 8 (payments made under certain trusts and certain other payments).

PART 8 Alternative maximum council tax reduction for the purposes of calculating eligibility for a reduction under this scheme and amount of reduction

Alternative maximum council tax reduction under this scheme: pensioners and persons who are not pensioners

31.—(1) Subject to sub-paragraphs (2) and (3), the alternative maximum council tax reduction in respect of a day where the conditions set out in paragraph 15 (alternative maximum council tax reduction: pensioners) or 18 (alternative maximum council tax reduction: persons who are not pensioners) are fulfilled, is the amount determined in accordance with Schedule 4 (amount of alternative council tax reduction).

(2) Subject to sub-paragraph (3), where an applicant is jointly and severally liable for council tax in respect of a dwelling in which he is resident with one or more other persons, in determining the alternative maximum council tax reduction in his case, the amount determined in accordance with Schedule 4 must be divided by the number of persons who are jointly and severally liable for that tax.

(3) Where an applicant is jointly and severally liable for council tax in respect of a dwelling with only his partner, solely by virtue of section 9 of the 1992 Act (liability of spouses and civil partners), sub-paragraph (2) does not apply in his case.

PART 9 Amount of reduction under this scheme

Amount of reduction under this scheme: Classes A to F

32.—(1) Where a person is entitled to a reduction under this scheme in respect of a day, the amount of the reduction to which he is entitled is as follows.

(2) Where the person is within class A or D, that amount is the amount which is the maximum council tax reduction in respect of the day in the applicant's case.

(3) Where the person is within class B or E, that amount is the amount found by deducting amount B from amount A, where "amount A" and "amount B" have the meanings given in paragraph 14(f) or 17(f), as the case may be.

(4) Where the person is within class C or F, that amount is the amount which is the alternative maximum council tax reduction in respect of the day in the applicant's case.

(5) Sub-paragraph (6) applies where both—

(a) sub-paragraph (2) or sub-paragraph (3), and

(b) sub-paragraph (4), apply to a person.

(6) The amount of the reduction to which the person is entitled is whichever is the greater of—

(a) the amount of the reduction given by sub-paragraph (2) or sub-paragraph (3), as the case may be, and

(b) the amount of the reduction given by sub-paragraph (4).

PART 10 Income and capital for the purposes of calculating eligibility for a reduction under this scheme and amount of reduction

CHAPTER 1

Income and capital: general

Calculation of income and capital: applicant's family and polygamous marriages

33.—(1) The income and capital of—

(a) an applicant; and

(b) any partner of that applicant,

is to be calculated in accordance with the provisions of this Part.

(2) The income and capital of any partner of the applicant is to be treated as income and capital of the applicant, and in this Part any reference to the applicant applies equally to any partner of that applicant.

(3) Except where paragraph 37 applies, where an applicant or the partner of an applicant is married polygamously to two or more members of his household—

(a) the applicant must be treated as possessing capital and income belonging to each such member; and

(b) the income and capital of that member is to be calculated in accordance with the following provisions of this Part in like manner as for the applicant.

Circumstances in which income and capital of non-dependant is to be treated as applicant's

34.—(1) Sub-paragraph (2) applies where it appears to the authority that a non-dependant and an applicant have entered into arrangements in order to take advantage of this scheme and the non-dependant has more income and capital than the applicant.

(2) Except where—

(a) the applicant is a pensioner and is on a guarantee credit, or

(b) the applicant is not a pensioner and is on income support, an income-based jobseeker's allowance or an income-related employment and support allowance, the authority must treat the applicant as possessing income and capital belonging to that non-dependant and, in such a case, any income and capital which the applicant does possess is to be disregarded.

(3) Where an applicant is treated as possessing income and capital belonging to a non-dependant under sub-paragraph (2) the income and capital of that non-dependant must be calculated in accordance with the following provisions of this Part in like manner as for the applicant and, except where the context otherwise requires, any reference to the "applicant" is to be construed for the purposes of this Part as if it were a reference to that non-dependant.

CHAPTER 2 Income and capital: pensioners in receipt of guarantee credit or savings credit

Applicant in receipt of guarantee credit: pensioners

35. In the case of an applicant who is a pensioner and who is in receipt, or whose partner is in receipt, of a guarantee credit, the whole of his capital and income must be disregarded.

Calculation of applicant's income and capital in savings credit only cases: pensioners

36.—(1) In determining the income and capital of an applicant who is a pensioner and who has, or whose partner has, an award of state pension credit comprising only the savings credit, subject to the following provisions of this paragraph, the authority must use the calculation or estimate of the applicant's or as the case may be, the applicant's partner's income and capital made by the Secretary of State for the purpose of determining the award of state pension credit.

(2) Where the calculation or estimate provided by the Secretary of State includes the amount taken into account in that determination in respect of net income, the authority may only adjust that amount so far as necessary to take into account—

(a) the amount of any savings credit payable;

(b) in respect of any dependent children of the applicant, child care charges taken into account under paragraph 57(1)(c) (calculation of income on a weekly basis);

(c) the higher amount disregarded under this scheme in respect of—

(i) lone parent's earnings; or

(ii) payments of maintenance, whether under a court order or not, which is made or due to be made by—

(aa) the applicant's former partner, or the applicant's partner's former partner; or

(bb) the parent of a child or young person where that child or young person is a member of the applicant's family except where that parent is the applicant or the applicant's partner;

(d) any amount to be disregarded by virtue of paragraph 10(1) of Schedule 5 (sums disregarded from applicant's earnings: pensioners);

(e) the income and capital of any partner of the applicant who is treated as a member of the applicant's household under paragraph 8, to the extent that it is not taken into account in determining the net income of the person claiming state pension credit;

(f) paragraph 34 (circumstances in which capital and income of a non-dependant is to be treated as applicant's), if the authority determines that that provision applies in the applicant's case;

(g) such further reduction (if any) as the authority thinks fit under section 13A(1)(c) of the 1992 Act (power of billing authority to reduce amount of council tax payable);

(h) any amount to be disregarded by virtue of paragraph 6 of Schedule 5 (exempt work). (3) Paragraphs 39 to 46 (calculation of income: pensioners) and 57 to 61 (calculation of income: pensioners and persons who are not pensioners) do not apply to the amount of the net income to be taken into account under sub-paragraph (1), but do apply (so far as relevant) for the purpose of determining any adjustments to that amount which the authority makes under sub-paragraph (2).

(4) If sub-paragraph (5) applies, the authority must calculate the applicant's capital in accordance with paragraphs 63, 65 to 68 and 70 (calculation of capital: pensioners).

(5) This sub-paragraph applies if—

(a) the Secretary of State notifies the authority that the applicant's capital has been determined as being £16,000 or less or the authority determines his capital as being £16,000 or less;

(b) subsequent to that determination the applicant's capital rises to more than £16,000; and

(c) the increase occurs whilst there is in force an assessed income period within the meaning of sections 6 and 9 of the State Pension Credit Act 2002.

CHAPTER 3 Income and capital where there is an award of universal credit

Calculation of income and capital: persons who are not pensioners who have an award of universal credit

37.—(1) In determining the income of an applicant—

(a) who has, or

(b) who (jointly with his partner) has,

an award of universal credit the authority must, subject to the following provisions of this paragraph, use the calculation or estimate of the amount of the income of the applicant, or the applicant and his partner jointly (as the case may be), made by the Secretary of State for the purpose of determining the award of universal credit.

(2) The authority must adjust the amount of the income referred to in sub-paragraph (1) by multiplying the amount by 12 and dividing the product by 52.

(3) The authority may only adjust the amount of the income as adjusted in accordance with sub-paragraph (2) so far as necessary to take into account—

(a) the amount of the award of universal credit, determined in accordance with sub-paragraph (3);

Calculation of net earnings of employed earners: persons who are not pensioners

52.—(1) For the purposes of paragraph 47 (average weekly earnings of employed earners: persons who are not pensioners), the earnings of an applicant who is not a pensioner derived or likely to be derived from employment as an employed earner to be taken into account must, subject to sub-paragraph (2), be his net earnings.

(2) There is to be disregarded from an applicant's net earnings, any sum, where applicable, specified in paragraphs 1 to 16 of Schedule 7 (sums disregarded in the calculation of earnings: persons who are not pensioners).

(3) For the purposes of sub-paragraph (1) net earnings must, except where sub-paragraph (6) applies, be calculated by taking into account the gross earnings of the applicant from that employment over the assessment period, less—

(a) any amount deducted from those earnings by way of—

(i) income tax;

(ii) primary Class 1 contributions under the SSCBA;

(b) one-half of any sum paid by the applicant by way of a contribution towards an occupational pension scheme;

(4) In this paragraph "qualifying contribution" means any sum which is payable periodically as a contribution towards a personal pension scheme.

(5) The amount in respect of any qualifying contribution is to be calculated by multiplying the daily amount of the qualifying contribution by the number equal to the number of days in the assessment period; and for the purposes of this paragraph the daily amount of the qualifying contribution is to be determined—

(a) where the qualifying contribution is payable monthly, by multiplying the amount of the qualifying contribution by 12 and dividing the product by 365;

(b) in any other case, by dividing the amount of the qualifying contribution by the number equal to the number of days in the period to which the qualifying contribution relates.

(6) Where the earnings of an applicant are estimated under paragraph 47(2)(b) (average weekly earnings of employed earners: classes D to F), his net earnings is to be calculated by taking into account those earnings over the assessment period, less—

(a) an amount in respect of income tax equivalent to an amount calculated by applying to those earnings the basic rate of tax applicable to the assessment period less only the personal relief to which the applicant is entitled under sections 35 to 37 of the Income Tax Act 2007 (personal allowances) as is appropriate to his circumstances but, if the assessment

period is less than a year, the earnings to which the basic rate of tax is to be applied and the amount of the personal relief deductible under this sub-paragraph is to be calculated on a pro rata basis;

(b) an amount equivalent to the amount of the primary Class 1 contributions that would be payable by him under the SSCBA in respect of those earnings if such contributions were payable; and

(c) one-half of any sum which would be payable by the applicant by way of a contribution towards an occupational or personal pension scheme, if the earnings so estimated were actual earnings.

Earnings of self-employed earners: persons who are not pensioners

53.—(1) Subject to sub-paragraph (2), "earnings", in the case of employment as a self-employed earner of a person who is not a pensioner, means the gross income of the employment.

(2) "Earnings" does not include any payment to which paragraph 31 or 32 of Schedule 8 refers (payments in respect of a person accommodated with the applicant under arrangements made by alocal authority or voluntary organisation and payments made to the applicant by a health authority, local authority or voluntary organisation in respect of persons temporarily in the applicant's care) nor does it include any sports award.

(3) This paragraph applies to—

(a) royalties or other sums paid as a consideration for the use of, or the right to use, any copyright, design, patent or trade mark; or

(b) any payment in respect of any—

(i) book registered under the Public Lending Right Scheme 1982; or

(ii) work made under any international public lending right scheme that is analogous to the Public Lending Right Scheme 1982, where the applicant is the first owner of the copyright, design, patent or trade mark, or an original contributor to the book or work concerned.

(4) Where the applicant's earnings consist of any items to which sub-paragraph (3) applies, those earnings must be taken into account over a period equal to such number of weeks as is equal to the number obtained (and any fraction is to be treated as a corresponding fraction of a week) by dividing the earnings by—

(a) the amount of reduction under this scheme to which the applicant would have been entitled had the payment not been made, plus

(b) an amount equal to the total of the sums which would fall to be disregarded from the payment under Schedule 7 (sums disregarded in the calculation of earnings: persons who are not pensioners) as appropriate in the applicant's case.

Calculation of income other than earnings: persons who are not pensioners

54.—(1) For the purposes of paragraph 49 (average weekly income other than earnings: persons who are not pensioners), the income of an applicant who is not a pensioner which does not consist of earnings to be taken into account must, subject to sub-paragraphs (2) to (8), be his gross income and any capital treated as income under paragraph 55 (capital treated as income: persons who are not pensioners).

(2) There is to be disregarded from the calculation of an applicant's gross income under sub-paragraph (1), any sum, where applicable, specified in Schedule 8.

(3) Where the payment of any benefit under the benefit Acts is subject to any deduction by way of recovery the amount to be taken into account under sub-paragraph (1) must be the gross amount payable.

(4) Where the applicant or, where he is a member of a couple, his partner is receiving a contributory employment and support allowance and that benefit has been reduced under regulation 63 of the Employment and Support Allowance Regulations 2008, the amount of that benefit to be taken into account is the amount as if it had not been reduced.

(5) Where an award of any working tax credit or child tax credit under the Tax Credits Act 2002 is subject to a deduction by way of recovery of an overpayment of working tax credit or child tax credit which arose in a previous tax year the amount to be taken into account under sub-paragraph (1) is to be the amount of working tax credit or child tax credit awarded less the amount of that deduction.

(6) Sub-paragraphs (7) and (8) apply where—

(a) a relevant payment has been made to a person in an academic year; and

(b) that person abandons, or is dismissed from, his course of study before the payment to him of the final instalment of the relevant payment.

(7) Where a relevant payment is made quarterly, the amount of a relevant payment to be taken into account for the assessment period for the purposes of sub-paragraph (1) in respect of a person to whom sub-paragraph (7) applies, is to be calculated by applying the formula—

$$(A – (B \times C)) / D$$

where—

(a) A = the total amount of the relevant payment which that person would have received had he remained a student until the last day of the academic term in which he abandoned, or was dismissed from, his course, less any deduction under paragraph 81(5) (costs of travel, books and equipment);

(b) B = the number of reduction weeks from the reduction week immediately following that which includes the first day of that academic year to the reduction week which includes the day on which the person abandoned, or was dismissed from, his course;

(c) C = the weekly amount of the relevant payment, before the application of the £10 disregard, which would have been taken into account

as income under paragraph 81(2) (treatment of student loans) had the person not abandoned or been dismissed from, his course and, in the case of a person who was not entitled to a reduction under this scheme immediately before he abandoned or was dismissed from his course, had that person, at that time, been entitled to housing benefit;

(d) D = the number of reduction weeks in the assessment period.

(8) Where a relevant payment is made by two or more instalments in a quarter, the amount of a relevant payment to be taken into account for the assessment period for the purposes of sub-paragraph (1) in respect of a person to whom sub-paragraph (7) applies, is to be calculated by applying the formula in sub-paragraph (8) but as if—

A = the total amount of relevant payments which that person received, or would have received, from the first day of the academic year to the day the person abandoned the course, or was dismissed from it, less any deduction under paragraph 81(5).

(9) In this paragraph—

"academic year" and "student loan" have the same meanings as in Part 11 (students);

"assessment period" means—

(a) in a case where a relevant payment is made quarterly, the period beginning with the reduction week which includes the day on which the person abandoned, or was dismissed from, his course and ending with the reduction week which includes the last day of the last quarter for which an instalment of the relevant payment was payable to that person;

(b) in a case where the relevant payment is made by two or more instalments in a quarter, the period beginning with the reduction week which includes the day on which the person abandoned, or was dismissed from, his course and ending with the reduction week which includes—

(i) the day immediately before the day on which the next instalment of the relevant payment would have been due had the payments continued; or

(ii) the last day of the last quarter for which an instalment of the relevant payment was payable to that person,

whichever of those dates is earlier;

"quarter" in relation to an assessment period means a period in that year beginning on—

(c) 1st January and ending on 31st March;

(d) 1st April and ending on 30th June;

(e) 1st July and ending on 31st August; or

(f) 1st September and ending on 31st December;

"relevant payment" means either a student loan or an amount intended for the maintenance of dependants referred to in paragraph 76(7) or both.

(10) For the avoidance of doubt there must be included as income to be taken into account under sub-paragraph (1)—

(a) any payment to which paragraph 41(2) or 51(2) (payments not earnings) applies; or

(b) in the case of an applicant who is receiving support under section 95 or 98 of the Immigration and Asylum Act 1999 including support provided by virtue of regulations made under Schedule 9 to that Act, the amount of such support provided in respect of essential living needs of the applicant and his dependants (if any) as is specified in regulations made under paragraph 3 of Schedule 8 to the Immigration and Asylum Act 1999.

(e) any sum to which paragraph 51(a) of Schedule 10 refers;

(f) rehabilitation allowance made under section 2 of the Employment and Training Act 1973;

(g) child tax credit;

(h) working tax credit, or

(3) Any payment of income, other than a payment of income specified in sub-paragraph (4), made—

(a) to a third party in respect of a single applicant or a member of the family (but not a member of the third party's family) must, where that payment is a payment of an occupational pension, a pension or other periodical payment made under a personal pension scheme or a payment made by the Board of the Pension Protection Fund, be treated as possessed by that single applicant or, as the case may be, by that member;

(9) Where an applicant is treated as possessing any income under any of sub-paragraphs (1) to (8), the foregoing provisions of this Part apply for the purposes of calculating the amount of that income as if a payment had actually been made and as if it were actual income which he does possess.

(10) Where an applicant is treated as possessing any earnings under sub-paragraph (6) the foregoing provisions of this Part apply for the purposes of

calculating the amount of those earnings as if a payment had actually been made and as if they were actual earnings which he does possess except that paragraph 42(2) or 52(3) (calculation of net earnings of employed earners: pensioners and persons who are not pensioners, respectively) do not apply and his net earnings are to be calculated by taking into account those earnings which he is treated as possessing, less—

CHAPTER 6 Income: further provisions applying to pensioners and persons who are not pensioners

Calculation of income on a weekly basis

57.—(1) Subject to paragraph 60 (disregard of changes in tax, etc.), the income of an applicant is to be calculated on a weekly basis—

(a) by estimating the amount which is likely to be his average weekly income in accordance with this Part;

appropriate, up to a maximum deduction in respect of the applicant's family of whichever of the sums specified in sub-paragraph (3) applies in his case.

(2) The conditions of this paragraph are that—

(a) the applicant's earnings which form part of his average weekly income are less than the lower of either his relevant child care charges or whichever of the deductions specified in sub-paragraph (3) otherwise applies in his case; and

(b) that applicant or, if he is a member of a couple either the applicant or his partner, is in receipt of either working tax credit or child tax credit.

(2) There must be disregarded from the net profit of an applicant who is not a pensioner, any sum, where applicable, specified in paragraphs 1 to 16 of Schedule 7 (sums disregarded in the calculation of earnings: persons who are not pensioners).

(3) For the purposes of sub-paragraph (1)(a) the net profit of the employment must, except where sub-paragraph (9) applies, be calculated by taking into account the earnings of the employment over the assessment period less—

(a) subject to sub-paragraphs (5) to (8), any expenses wholly and exclusively incurred in that period for the purposes of that employment;

(b) an amount in respect of—

(i) income tax; and

(4) For the purposes of sub-paragraph (1)(b) the net profit of the employment is to be calculated by taking into account the earnings of the employment over the assessment period less, subject to sub-paragraphs (5) to (8), any expenses wholly and exclusively incurred in that period for the purposes of the employment.

(5) Subject to sub-paragraph (6), no deduction is to be made under sub-paragraph (3)(a) or (4), in respect of—

(a) any capital expenditure;

(b) the depreciation of any capital asset;

(c) any sum employed or intended to be employed in the setting up or expansion of the employment;

(a) the replacement in the course of business of equipment or machinery; or

(b) the repair of an existing business asset except to the extent that any sum is payable under an insurance policy for its repair.

(7) The authority must refuse to make a deduction in respect of any expenses under sub-paragraph (3)(a) or (4) where it is not satisfied given the nature and the amount of the expense that it has been reasonably incurred.

(8) For the avoidance of doubt—

(a) a deduction must not be made under sub-paragraph (3)(a) or (4) in respect of any sum unless it has been expended for the purposes of the business;

(b) a deduction must be made thereunder in respect of—

(11) The amount in respect of any qualifying premium is to be calculated by multiplying the daily amount of the qualifying premium by the number equal to the number of days in the assessment period; and for the purposes of this paragraph the daily amount of the qualifying premium must be determined—

(a) where the qualifying premium is payable monthly, by multiplying the amount of the qualifying premium by 12 and dividing the product by 365;

(b) in any other case, by dividing the amount of the qualifying premium by the number equal to the number of days in the period to which the qualifying premium relates.

(12) In this paragraph, “qualifying premium” means any premium which is payable periodically in respect of a personal pension scheme and is so payable on or after the date of application.

(b) as if that income were assessable to income tax at the basic rate of tax applicable to the assessment period less only the personal relief to which the applicant is entitled under sections 35 to 37 of the Income Tax Act 2007 (personal allowances) as is appropriate to his circumstances.

(2) But, if the assessment period is less than a year, the earnings to which the basic rate of tax is to be applied and the amount of the personal reliefs deductible under this paragraph must be calculated on a pro rata basis.

(3) The amount to be deducted in respect of social security contributions under paragraph 60(1)(b)(i), (3)(b)(ii) or (9)(a)(ii) is the total of—

(a) the amount of Class 2 contributions payable under section 11(1) or, as the case may be, 11(3) of the SSCBA at the rate applicable to the assessment period except where the applicant's chargeable income is less than the amount specified in section 11(4) of that Act (small earnings exception) for the tax year applicable to the assessment period; but if the assessment period is less than a year, the amount specified for that tax year must be reduced pro rata; and

(b) the amount of Class 4 contributions (if any) which would be payable under section 15 of the SSCBA (Class 4 contributions recoverable under the Income Tax Acts) at the percentage rate applicable to the assessment period on so much of the chargeable income as exceeds the lower limit but does not exceed the upper limit of profits and gains applicable for the tax year applicable to the assessment period; but if the assessment period is less than a year, those limits must be reduced pro rata.

(4) In this paragraph "chargeable income" means—

(a) except where paragraph (b) applies, the earnings derived from the employment less any expenses deducted under sub-paragraph (3)(a) or, as the case may be, (5) of paragraph 61;

(b) in the case of employment as a child minder, one-third of the earnings of that employment.

(7) Where an applicant stands in relation to a company in a position analogous to that of a sole owner or partner in the business of that company, he may be treated as if he were such sole owner or partner and in such a case—

(a) the value of his holding in that company must, notwithstanding paragraph 63 (calculation of capital) be disregarded; and

(b) he must, subject to sub-paragraph (8), be treated as possessing an amount of capital equal to the value or, as the case may be, his share of the

value of the capital of that company and the foregoing provisions of this Chapter apply for the purposes of calculating that amount as if it were actual capital which he does possess.

(8) For so long as the applicant undertakes activities in the course of the business of the company, the amount which he is treated as possessing under sub-paragraph (7) is to be disregarded.

(9) Where an applicant is treated as possessing capital under any of sub-paragraphs (1), (4) or (5) the foregoing provisions of this Chapter apply for the purposes of calculating its amount as if it were actual capital which he does possess.

Diminishing notional capital rule: pensioners

68.—(1) Where an applicant who is a pensioner is treated as possessing capital under paragraph 67(1) (notional capital), the amount which he is treated as possessing—

(a) in the case of a week that is subsequent to—

(i) the relevant week in respect of which the conditions set out in sub-paragraph (2) are satisfied; or

(ii) a week which follows that relevant week and which satisfies those conditions, is to be reduced by an amount determined under sub-paragraph (3);

(b) in the case of a week in respect of which sub-paragraph (1)(a) does not apply but where—

(i) that week is a week subsequent to the relevant week; and

(ii) that relevant week is a week in which the condition in sub-paragraph (4) is satisfied,

is to be reduced by the amount determined under sub-paragraph (5).

(2) This sub-paragraph applies to a reduction week where the applicant satisfies the conditions that—

(a) he is in receipt of a reduction under this scheme; and

(b) but for paragraph 67(1), he would have received a greater reduction in council tax under this scheme in that week.

(3) In a case to which sub-paragraph (2) applies, the amount of the reduction in the amount of capital he is treated as possessing for the purposes of sub-paragraph (1)(a) must be equal to the aggregate of—

(a) an amount equal to the additional amount of the reduction in council tax to which sub-paragraph (2)(b) refers;

(b) where the applicant has also claimed state pension credit, the amount of any state pension credit or any additional amount of state pension credit

to which he would have been entitled in respect of the reduction week to which sub-paragraph (2) refers but for the application of regulation 21(1) of the State Pension Credit Regulations 2002 (notional capital);

(c) where the applicant has also claimed housing benefit, the amount of any housing benefit or any additional amount of housing benefit to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 47(1) of the Housing Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006 (notional capital);

(d) where the applicant has also claimed a jobseeker's allowance, the amount of an income-based jobseeker's allowance to which he would have been entitled in respect of the reduction week to which sub-paragraph (2) refers but for the application of regulation 113 of the Jobseeker's Allowance Regulations 1996 (notional capital); and

(e) where the applicant has also claimed an employment and support allowance, the amount of an income-related employment and support allowance to which he would have been entitled in respect of the reduction week to which sub-paragraph (2) refers but for the application of regulation 115 of the Employment and Support Allowance Regulations 2008 (notional capital).

(4) Subject to sub-paragraph (7), for the purposes of sub-paragraph (1)(b) the condition is that the applicant is a pensioner and would have been entitled to a reduction in council tax under this scheme in the relevant week but for paragraph 67(1).

(5) In such a case the amount of the reduction in the amount of capital he is treated as possessing for the purposes of sub-paragraph (1)(b) is equal to the aggregate of—

(a) the amount of the reduction in council tax to which the applicant would have been entitled in the relevant week but for paragraph 67(1);

(b) if the applicant would, but for regulation 21 of the State Pension Credit Regulations 2002, have been entitled to state pension credit in respect of the benefit week, within the meaning of regulation 1(2) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled;

(c) if the applicant would, but for regulation 47(1) of the Housing Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006, have been entitled to housing benefit or to an additional amount of housing benefit in respect of the benefit week which includes the last day of the relevant week, the amount which is equal to—

(i) in a case where no housing benefit is payable, the amount to which he would have been entitled; or

(ii) in any other case, the amount equal to the additional amount of housing benefit to which he would have been entitled; (d) if the applicant would, but for regulation 113 of the Jobseeker's Allowance Regulations 1996, have been entitled to an income-based jobseeker's allowance in respect of the benefit week, within the meaning of regulation 1(3) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled; and

(e) if the applicant would, but for regulation 115 of the Employment and Support Allowance Regulations 2008, have been entitled to an income-related employment and support allowance in respect of the benefit week, within the meaning of regulation 2(1) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled.

(6) But if the amount mentioned in paragraph (a), (b), (c), (d) or (e) of sub-paragraph (5) ("the relevant amount") is in respect of a part-week, the amount that is to be taken into account under that paragraph is to be determined by—

(a) dividing the relevant amount by the number equal to the number of days in that part-week, and

(b) multiplying the result of that calculation by 7.

(7) The amount determined under sub-paragraph (5) is to be re-determined under that sub-paragraph if the applicant makes a further application and the conditions in sub-paragraph (8) are satisfied, and in such a case—

(a) paragraphs (a) to (e) of sub-paragraph (5) apply as if for the words "relevant week" there were substituted the words "relevant subsequent week"; and

(b) subject to sub-paragraph (9), the amount as re-determined has effect from the first week following the relevant subsequent week in question.

(8) The conditions are that—

(a) a further application is made 26 or more weeks after—

(i) the date on which the applicant made an application in respect of which he was first treated as possessing the capital in question under paragraph 67(1);

(ii) in a case where there has been at least one re-determination in accordance with sub-paragraph (11), the date on which he last made an application which resulted in the weekly amount being re-determined, or

(iii) the date on which he last ceased to be entitled to a reduction under this scheme, whichever last occurred; and

(b) the applicant would have been entitled to a reduction under this scheme but for paragraph 67(1).

(9) The amount as re-determined pursuant to sub-paragraph (7) must not have effect if it is less than the amount which applied in that case immediately before the re-determination and in such a case the higher amount must continue to have effect.

(10) For the purposes of this paragraph—

"part-week"—

(a) in relation to an amount mentioned in sub-paragraph (5)(a), means a period of less than a week for which a reduction in council tax under this scheme is allowed;

(b) in relation to an amount mentioned in sub-paragraph (5)(b), means a period of less than a week for which housing benefit is payable;

(c) in relation to an amount mentioned in sub-paragraph (5)(c), (d) or (e), means—

(i) a period of less than a week which is the whole period for which income support, an income-related employment and support allowance or, as the case may be, an income-based jobseeker's allowance is payable; and

(ii) any other period of less than a week for which it is payable;

"relevant week" means the reduction week or part-week in which the capital in question of which the applicant has deprived himself within the meaning of paragraph 67(1)—

(a) was first taken into account for the purpose of determining his entitlement to a reduction; or

(b) was taken into account on a subsequent occasion for the purpose of determining or re-determining his entitlement to a reduction on that subsequent occasion and that determination or re-determination resulted in his beginning to receive, or ceasing to receive, a reduction;

and where more than one reduction week is identified by reference to paragraphs (a) and (b) of this definition, the later or latest such reduction week or, as the case may be, the later or latest such part-week is the relevant week;

"relevant subsequent week" means the reduction week or part-week which includes the day on which the further application or, if more than one further application has been made, the last such application was made.

Diminishing notional capital rule: persons who are not pensioners

69.—(1) Where an applicant who is not a pensioner is treated as possessing capital under paragraph 67(1) (notional capital), the amount which he is treated as possessing—

(a) in the case of a week that is subsequent to—

(i) the relevant week in respect of which the conditions set out in sub-paragraph (2) are satisfied; or

(ii) a week which follows that relevant week and which satisfies those conditions, is to be reduced by an amount determined under sub-paragraph (3);

(b) in the case of a week in respect of which sub-paragraph (1)(a) does not apply but where—

(i) that week is a week subsequent to the relevant week; and

(ii) that relevant week is a week in which the condition in sub-paragraph (4) is satisfied, is to be reduced by the amount determined under sub-paragraph (5).

(2) This sub-paragraph applies to a reduction week (or, in the case of persons who are not pensioners, part-week) where the applicant satisfies the conditions that—

(a) he is in receipt of a reduction in council tax under this scheme; and

(b) but for paragraph 67(1), he would have received a greater reduction in council tax under this scheme in that week.

(3) In a case to which sub-paragraph (2) applies, the amount of the reduction in the amount of capital he is treated as possessing for the purposes of sub-paragraph (1)(a) is equal to the aggregate of—

(a) an amount equal to the additional amount of the reduction in council tax to which sub-paragraph (2)(b) refers;

(b) where the applicant has also claimed housing benefit, the amount of any housing benefit or any additional amount of that benefit to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 49(1) of the Housing Benefit Regulations 2006 (notional capital);

(c) where the applicant has also claimed income support, the amount of income support to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 51(1) of the Income Support (General) Regulations 1987 (notional capital);

(d) where the applicant has also claimed a jobseeker's allowance, the amount of an income-based jobseeker's allowance to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 113 of the Jobseeker's Allowance Regulations 1996 (notional capital); and

(e) where the applicant has also claimed an employment and support allowance, the amount of an income-related employment and support allowance to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 115 of the Employment and Support Allowance Regulations 2008 (notional capital).

(4) Subject to sub-paragraph (7), for the purposes of sub-paragraph (1)(b) the condition is that the applicant is not a pensioner and would have been entitled to a reduction in council tax in the relevant week but for paragraph 67(1).

(5) In such a case the amount of the reduction in the amount of capital he is treated as possessing must be equal to the aggregate of—

(a) the amount of council tax benefit to which the applicant would have been entitled in the relevant week but for paragraph 67(1);

(b) if the applicant would, but for regulation 49(1) of the Housing Benefit Regulations 2006, have been entitled to housing benefit or to an additional amount of housing benefit in respect of the benefit week which includes the last day of the relevant week, the amount which is equal to—

(i) in a case where no housing benefit is payable, the amount to which he would have been entitled; or

(ii) in any other case, the amount equal to the additional amount of housing benefit to which he would have been entitled;

(c) if the applicant would, but for regulation 51(1) of the Income Support (General) Regulations 1987, have been entitled to income support in respect of the benefit week, within the meaning of regulation 2(1) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled;

(d) if the applicant would, but for regulation 113 of the Jobseeker's Allowance Regulations 1996, have been entitled to an income-based jobseeker's allowance in respect of the benefit week, within the meaning of regulation 1(3) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled; and

(e) if the applicant would, but for regulation 115 of the Employment and Support Allowance Regulations 2008, have been entitled to an income-related employment and support allowance in respect of the benefit week, within the meaning of regulation 2(1) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled.

(6) But if the amount mentioned in paragraph (a), (b), (c), (d) or (e) of sub-paragraph (5) ("the relevant amount") is in respect of a part-week, the amount that is to be taken into account under that paragraph is to be determined by—

(a) dividing the relevant amount by the number equal to the number of days in that part-week, and

(b) multiplying the result of that calculation by 7.

(7) The amount determined under sub-paragraph (5) is to be re-determined under the appropriate sub-paragraph if the applicant makes a further application and the conditions in sub-paragraph (8) are satisfied, and in such a case—

(a) paragraphs (a) to (e) of sub-paragraph (5) apply as if for the words "relevant week" there were substituted the words "relevant subsequent week"; and

(b) subject to sub-paragraph (9), the amount as re-determined has effect from the first week following the relevant subsequent week in question.

(8) The conditions are that—

(a) a further application is made 26 or more weeks after—

(i) the date on which the applicant made an application for a reduction under this scheme in respect of which he was first treated as possessing the capital in question under paragraph 67(1);

(ii) in a case where there has been at least one re-determination in accordance with sub-paragraph (7), the date on which he last made an application under this scheme which resulted in the weekly amount being re-determined, or

(iii) the date on which he last ceased to be entitled to a reduction under this scheme, whichever last occurred; and (b) the applicant would have been entitled to a reduction under this scheme but for paragraph 67(1).

(9) The amount as re-determined pursuant to sub-paragraph (6) must not have effect if it is less than the amount which applied in that case immediately before the re-determination and in such a case the higher amount must continue to have effect.

(10) For the purposes of this paragraph—

"part-week"—

(a) in relation to an amount mentioned in sub-paragraph (5)(a), means a period of less than a week for which a reduction under this scheme is allowed;

(b) in relation to an amount mentioned in sub-paragraph (5)(b), means a period of less than a week for which housing benefit is payable;

(c) in relation to an amount mentioned in sub-paragraph (5)(c), (d) or (e), means—

(i) a period of less than a week which is the whole period for which income support, an income-related employment and support

allowance or, as the case may be, an income-based jobseeker's allowance is payable; and

(ii) any other period of less than a week for which it is payable;

"relevant week" means the reduction week or part-week in which the capital in question of which the applicant has deprived himself within the meaning of paragraph 67(1)—

(a) was first taken into account for the purpose of determining his entitlement to a reduction; or

(b) was taken into account on a subsequent occasion for the purpose of determining or re-determining his entitlement to a reduction on that subsequent occasion and that determination or re-determination resulted in his beginning to receive, or ceasing to receive, a reduction, and where more than one reduction week is identified by reference to paragraphs (a) and (b) of this definition, the later or latest such reduction week or, as the case may be, the later or latest such part-week is the relevant week;

"relevant subsequent week" means the reduction week or part-week which includes the day on which the further application or, if more than one further application has been made, the last such application was made.

Capital jointly held

70. Except where an applicant possesses capital which is disregarded under paragraph 67(7) (notional capital), where an applicant and one or more persons are beneficially entitled in possession to any capital asset they must be treated, in the absence of evidence to the contrary, as if each of them were entitled in possession to the whole beneficial interest therein in an equal share and the foregoing provisions of this Chapter apply for the purposes of calculating the amount of capital which the applicant is treated as possessing as if it were actual capital which the applicant does possess.

Calculation of tariff income from capital: pensioners

71. The capital of an applicant who is a pensioner, calculated in accordance with this Part, is to be treated as if it were a weekly income of—

(a) £1 for each £500 in excess of £10,000 but not exceeding £16,000; and

(4) There must also be excluded from a student's grant income the grant for dependants known as the parents' learning allowance paid pursuant to regulations made under Article 3 of the Education (Student Support) (Northern Ireland) Order 1998 or section 22 of the Teaching and Higher Education Act 1998.

(5) Subject to sub-paragraphs (6) and (7), a student's grant income must be apportioned—

(a) subject to sub-paragraph (8), in a case where it is attributable to the period of study, equally between the weeks in that period beginning with the reduction week, the first day of which coincides with, or immediately follows, the first day of the period of study and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the period of study;

(b) in any other case, equally between the weeks in the period beginning with the reduction week, the first day of which coincides with, or immediately follows, the first day of the period for which it is payable and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the period for which it is payable.

(6) Any grant in respect of dependants paid under section 63(6) of the Health Services and Public Health Act 1968 (grants in respect of the provision of instruction to officers of hospital authorities) and any amount intended for the maintenance of dependants under Part 3 of Schedule 2 to the Education (Mandatory Awards) Regulations 2003 must be apportioned equally over the period of 52 weeks or, if there are 53 reduction weeks (including part-weeks) in the year, 53.

(7) In a case where a student is in receipt of a student loan or where he could have acquired a student loan by taking reasonable steps but had not done so, any amount intended for the maintenance of dependants to which neither sub-paragraph (6) nor paragraph 80(2) (other amounts to be disregarded) applies, must be apportioned over the same period as the student's loan is apportioned or, as the case may be, would have been apportioned.

(8) In the case of a student on a sandwich course, any periods of experience within the period of study must be excluded and the student's grant income must be apportioned equally between the weeks in the period beginning with the reduction week, the first day of which immediately follows the last day of the period of

experience and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the period of study.

Calculation of covenant income where a contribution is assessed

77.—(1) Where a student is in receipt of income by way of a grant during a period of study and a contribution has been assessed, the amount of his covenant income to be taken into account for that period and any summer vacation immediately following must be the whole amount of the covenant income less, subject to sub-paragraph (3), the amount of the contribution.

(2) The weekly amount of the student's covenant must be determined—

(a) by dividing the amount of income which falls to be taken into account under sub-paragraph (1) by 52 or 53, whichever is reasonable in the circumstances; and

(b) by disregarding £5 from the resulting amount.

(3) For the purposes of sub-paragraph (1), the contribution must be treated as increased by the amount (if any) by which the amount excluded under paragraph 76(2)(g) falls short of the amount specified in paragraph 7(2) of Schedule 2 to the Education (Mandatory Awards) Regulations 2003 (travel expenditure).

Covenant income where no grant income or no contribution is assessed

78.—(1) Where a student is not in receipt of income by way of a grant the amount of his covenant income must be calculated as follows—

(a) any sums intended for any expenditure specified in paragraph 76(2)(a) to (e) necessary as a result of his attendance on the course must be disregarded;

(b) any covenant income, up to the amount of the standard maintenance grant, which is not so disregarded, must be apportioned equally between the weeks of the period of study;

(c) there must be disregarded from the amount so apportioned the amount which would have been disregarded under paragraph 76(2)(f) and (3) had the student been in receipt of the standard maintenance grant; and

(d) the balance, if any, must be divided by 52 or 53 whichever is reasonable in the circumstances and treated as weekly income of which £5 must be disregarded.

(2) Where a student is in receipt of income by way of a grant and no contribution has been assessed, the amount of his covenanted income must be calculated in accordance with paragraphs (a) to (d) of sub-paragraph (1), except that—

(a) the value of the standard maintenance grant must be abated by the amount of such grant income less an amount equal to the amount of any sums disregarded under paragraph 76(2)(a) to (e); and

(b) the amount to be disregarded under sub-paragraph (1)(c) must be abated by an amount equal to the amount of any sums disregarded under paragraph 76(2)(f) and (g) and (3).

Relationship with amounts to be disregarded under Schedule 8

79. No part of a student's covenant income or grant income is to be disregarded under paragraph 19 of Schedule 8 (disregard of certain charitable and voluntary, etc., payments).

Other amounts to be disregarded

80.—(1) For the purposes of ascertaining income other than grant income, covenant income and loans treated as income in accordance with paragraph 81 (treatment of student loans), any amounts intended for any expenditure specified in paragraph 76(2) (calculation of grant income), necessary as a result of his attendance on the course must be disregarded.

(2) But sub-paragraph (1) applies only if, and to the extent that, the necessary expenditure exceeds or is likely to exceed the amount of the sums disregarded under paragraph 76(2) or (3), 77(3), 78(1)(a) or (c) or 81(5) (calculation of grant income, covenant income and treatment of student loans) on like expenditure.

Treatment of student loans

81.—(1) A student loan is to be treated as income.

(2) In calculating the weekly amount of the loan to be taken into account as income—

(a) in respect of a course that is of a single academic year's duration or less, a loan which is payable in respect of that period is to be apportioned equally between the weeks in the period beginning with—

(i) except in a case where sub-paragraph (ii) applies, the reduction week, the first day of which coincides with, or immediately follows, the first day of the single academic year;

(ii) where the student is required to start attending the course in August or where the course is less than an academic year's duration, the reduction week, the first day of which coincides with, or immediately follows, the first day of the course, and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the course;

(b) in respect of an academic year of a course which starts other than on 1st September, a loan which is payable in respect of that academic year is to be apportioned equally between the weeks in the period—

(i) beginning with the reduction week, the first day of which coincides with or

immediately follows, the first day of that academic year, and

(ii) ending with the reduction week, the last day of which coincides with or immediately precedes, the last day of that academic year, but excluding any reduction weeks falling entirely within the quarter during which, in the opinion of the authority, the longest of any vacation is taken and for the purposes of this paragraph, "quarter" has the same meaning as for the purposes of the Education (Student Support) Regulations 2005;

(c) in respect of the final academic year of a course (not being a course of a single year's duration), a loan which is payable in respect of that final academic year is to be apportioned equally between the weeks in the period beginning with—

(i) except in a case where sub-paragraph (ii) applies, the reduction week, the first day of which coincides with, or immediately follows, the first day of that academic year;

(ii) where the final academic year starts on 1st September, the reduction week, the first day of which coincides with, or immediately follows, the earlier of 1st September or the first day of the autumn term, and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the course;

(d) in any other case, the loan is to be apportioned equally between the weeks in the period beginning with the earlier of—

(i) the first day of the first reduction week in September; or

(ii) the reduction week, the first day of which coincides with, or immediately follows the first day of the autumn term, and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of June, and, in all cases, from the weekly amount so apportioned £10 is to be disregarded.

(3) A student is to be treated as possessing a student loan in respect of an academic year where—

(a) a student loan has been made to him in respect of that year; or

(b) he could acquire such a loan in respect of that year by taking reasonable steps to do so.

(4) Where a student is treated as possessing a student loan under sub-paragraph (3), the amount of the student loan to be taken into account as income must be, subject to sub-paragraph (5)—

(a) in the case of a student to whom a student loan is made in respect of an academic year, a sum equal to—

(i) the maximum student loan he is able to acquire in respect of that year by taking reasonable steps to do so; and

(ii) any contribution whether or not it has been paid to him;

(b) in the case of a student to whom a student loan is not made in respect of an academic year, the maximum student loan that would be made to the student if—

(i) he took all reasonable steps to obtain the maximum student loan he is able to acquire in respect of that year; and

(ii) no deduction in that loan was made by virtue of the application of a means test.

(5) There must be deducted from the amount of income taken into account under sub-paragraph (4)—

(a) the sum of £303 per academic year in respect of travel costs; and

(b) the sum of £390 per academic year towards the cost of books and equipment,

whether or not any such costs are incurred.

(6) A loan for fees, known as a fee loan or a fee contribution loan, made pursuant to regulations made under Article 3 of the Education (Student Support) (Northern Ireland) Order 1998, section 22 of the Teaching and Higher Education Act 1998 or section 73(f) of the Education (Scotland) Act 1980, shall be disregarded as income.

Treatment of payments from access funds

82.—(1) This paragraph applies to payments from access funds that are not payments to which paragraph 85(2) or (3) (income treated as capital) applies.

(2) A payment from access funds, other than a payment to which sub-paragraph (3) applies, must be disregarded as income.

(3) Subject to sub-paragraph (4) of this paragraph and paragraph 40 of Schedule 8 (disregards in the calculation of income other than earnings: persons who are not pensioners)—

(a) any payments from access funds which are intended and used for an item of food, ordinary clothing or footwear, household fuel, or rent of a single applicant or, as the case may be, of the applicant or any other member of his family, and

(b) any payments from access funds which are used for any council tax or water charges for which that applicant or member is liable, must be disregarded as income to the extent of £20 per week.

(4) Where a payment from access funds is made—

(a) on or after 1st September or the first day of the course, whichever first occurs, but before receipt of any student loan in respect of that year and that

payment is intended for the purpose of bridging the period until receipt of the student loan; or

(b) before the first day of the course to a person in anticipation of that person becoming a student, that payment must be disregarded as income.

Disregard of contribution

83. Where the applicant or his partner is a student and, for the purposes of assessing a contribution to the student's grant or student loan, the other partner's income has been taken into account, an amount equal to that contribution must be disregarded for the purposes of assessing that other partner's income.

Further disregard of student's income

84. Where any part of a student's income has already been taken into account for the purposes of assessing his entitlement to a grant or student loan, the amount taken into account must be disregarded in assessing that student's income.

Income treated as capital

85.—(1) Any amount by way of a refund of tax deducted from a student's covenant income must be treated as capital.

(2) An amount paid from access funds as a single lump sum must be treated as capital.

(3) An amount paid from access funds as a single lump sum which is intended and used for an item other than food, ordinary clothing or footwear, household fuel or rent, or which is used for an item other than any council tax or water charges for which that applicant or member is liable, must be disregarded as capital but only for a period of 52 weeks from the date of the payment.

Disregard of changes occurring during summer vacation

86. In calculating a student's income the authority must disregard any change in the standard maintenance grant, occurring in the recognised summer vacation appropriate to the student's course, if that vacation does not form part of his period of study from the date on which the change occurred to the end of that vacation.

PART 12 Extended reductions

CHAPTER 1

Extended reductions: pensioners

87. Paragraphs 88 to 93 apply in relation to applicants who are pensioners.

Extended reductions (qualifying contributory benefits): pensioners

88.—(1) Except in the case of an applicant who is in receipt of state pension credit, an applicant who is entitled to a reduction under this scheme by virtue of falling

within any of classes A to C is entitled to an extended reduction (qualifying contributory benefits) where—

(a) the applicant or the applicant's partner was entitled to a qualifying contributory benefit;

(b) entitlement to a qualifying contributory benefit ceased because the applicant or the applicant's partner—

(i) commenced employment as an employed or self-employed earner;

(ii) increased their earnings from such employment; or

(iii) increased the number of hours worked in such employment,

and that employment is or, as the case may be, those increased earnings or increased number of hours are expected to last five weeks or more;

(c) the applicant or the applicant's partner had been entitled to and in receipt of a qualifying contributory benefit or a combination of qualifying contributory benefits for a continuous period of at least 26 weeks before the day on which the entitlement to a qualifying contributory benefit ceased; and

(d) the applicant or the applicant's partner was not entitled to and not in receipt of a qualifying income-related benefit in the last reduction week in which the applicant, or the applicant's partner, was entitled to a qualifying contributory benefit.

(2) An applicant must be treated as entitled to a reduction under this scheme by virtue of falling within any of classes A to C where—

(a) the applicant ceased to be entitled to a reduction under this scheme because the applicant vacated the dwelling in which the applicant was resident;

(b) the day on which the applicant vacated the dwelling was either in the week in which entitlement to a qualifying contributory benefit ceased, or in the preceding week; and

(c) entitlement to the qualifying contributory benefit ceased in any of the circumstances listed in sub-paragraph (1)(b).

Duration of extended reduction period (qualifying contributory benefits): pensioners

89.—(1) Where an applicant is entitled to an extended reduction (qualifying contributory benefits), the extended reduction period starts on the first day of the reduction week immediately following the reduction week in which the applicant, or the applicant's partner, ceased to be entitled to a qualifying contributory benefit.

(2) For the purpose of sub-paragraph (1), an applicant or an applicant's partner ceases to be entitled to a qualifying contributory benefit on the day immediately following the last day of entitlement to that benefit.

(3) The extended reduction period ends—

(a) at the end of a period of four weeks; or

(b) on the date on which the applicant who is receiving the extended reduction (qualifying contributory benefits) has no liability for council tax, if that occurs first.

Amount of extended reduction (qualifying contributory benefits): pensioners

90.—(1) For any week during the extended reduction period the amount of the extended reduction (qualifying contributory benefits) the applicant is entitled to is the greater of—

(a) the amount of council tax reduction to which the applicant was entitled by virtue of falling within any of classes A to C in the last reduction week before the applicant or the applicant's partner ceased to be entitled to a qualifying contributory benefit;

(b) the amount of reduction under this scheme to which the applicant would be entitled under by virtue of falling within any of classes A to C for any reduction week during the extended reduction period, if paragraph 88 (extended reductions (qualifying contributory benefits): pensioners) did not apply to the applicant; or

(c) the amount of reduction under this scheme to which the applicant's partner would be entitled by virtue of falling within any of classes A to C, if paragraph 88 did not apply to the applicant.

(2) Sub-paragraph (1) does not apply in the case of a mover.

(3) Where an applicant is in receipt of an extended reduction (qualifying contributory benefits) under this paragraph and the applicant's partner makes an application for a reduction under this scheme, the authority must not award a reduction in pursuance of that application during the extended reduction period.

Extended reductions (qualifying contributory benefits)—movers: pensioners

91.—(1) This paragraph applies—

(a) to a mover; and

(b) from the Monday following the day of the move.

(2) The amount of the extended reduction (qualifying contributory benefits) awarded from the Monday from which this paragraph applies until the end of the extended reduction period is to be the amount of reduction under this scheme which was payable to the mover for the last reduction week before the mover, or the mover's partner, ceased to be entitled to a qualifying contributory benefit.

(3) Where a mover's liability to pay council tax in respect of the new dwelling is to a second authority, the extended reduction (qualifying contributory benefits) may take the form of a payment from this authority to—

(a) the second authority; or

(b) the mover directly.

Relationship between extended reduction (qualifying contributory benefits) and entitlement to a reduction by virtue of classes A to C

92.—(1) Where an applicant's reduction under this scheme would have ended when the applicant ceased to be entitled to a qualifying contributory benefit in the circumstances listed in paragraph 88(1)(b), that reduction does not cease to have effect until the end of the extended reduction period.

(2) Part 13 (when entitlement begins and change of circumstances) does not apply to any extended reduction (qualifying contributory benefits) payable in accordance with paragraph 90(1)(a) or paragraph 91(2) (amount of extended reduction — movers: pensioners).

Continuing reductions where state pension credit claimed: pensioners

93.—(1) This paragraph applies where—

(a) the applicant is entitled to a reduction under this scheme;

(b) sub-paragraph (2) is satisfied; and

(c) either—

(i) the applicant has attained the qualifying age for state pension credit or, if his entitlement to income-based jobseeker's allowance or income-related employment and support allowance continued beyond that age, has attained the age of 65; or

(ii) the applicant's partner has actually claimed state pension credit.

(2) This sub-paragraph is only satisfied if the Secretary of State has certified to the authority that the applicant's partner has actually claimed state pension credit or that—

(a) the applicant's award of—

(i) income support has terminated because the applicant has attained the qualifying age for state pension credit; or

(ii) income-based jobseeker's allowance or income-related employment and support allowance has terminated because the applicant has attained the qualifying age for state pension credit or the age of 65; and

(b) the applicant has claimed or is treated as having claimed or is required to make a claim for state pension credit.

(3) Subject to sub-paragraph (4), in a case to which this paragraph applies, a person continues to be entitled to a reduction under this scheme for the period of 4 weeks beginning on the day following the day the applicant's entitlement to income support or, as the case may be, income-based jobseeker's allowance, income-related employment and support allowance, ceased, if and for so long as the applicant otherwise satisfies the conditions for entitlement to a reduction under this scheme.

(4) Where a reduction under this scheme is awarded for the period of 4 weeks in accordance with sub-paragraph (3) above, and the last day of that period falls on a day other than the last day of a reduction week, then a reduction under this scheme must continue to be awarded until the end of the reduction week in which the last day of that period falls.

(5) Throughout the period of 4 weeks specified in sub-paragraph (3) and any further period specified in sub-paragraph (4)—

(a) the whole of the income and capital of the applicant is to be disregarded;

(b) the maximum council tax reduction amount of the applicant is to be that which was applicable in his case immediately before that period commenced.

(6) The maximum reduction is to be calculated in accordance with paragraph 29(1) if, since the date it was last calculated—

(a) the applicant's council tax liability has increased; or

(b) a change in the deduction under paragraph 30 falls to be made.

CHAPTER 2 Extended reductions: persons who are not pensioners

94. Paragraphs 95 to 104 apply in relation to applicants who are not pensioners.

(a) to a mover; and

(b) from the Monday following the day of the move.

(2) The amount of the extended reduction awarded from the Monday from which this paragraph applies until the end of the extended reduction period is to be the amount of reduction under this scheme to which the mover would have been entitled had they, or their partner, not ceased to be entitled to a qualifying income-related benefit.

(3) Where a mover's liability to pay council tax in respect of the new dwelling is to a second authority, the extended reduction (qualifying contributory benefits) may take the form of a payment from this authority to—

(a) the second authority; or

(b) the mover directly.

Relationship between extended reduction and entitlement to a reduction by virtue of classes D to F

99.—(1) Where an applicant's entitlement to a reduction under this scheme would have ended when the applicant ceased to be entitled to a qualifying income-related benefit in the circumstances listed in paragraph 95(1)(b), that entitlement does not cease until the end of the extended reduction period.

(2) Paragraphs 106 and 107 do not apply to any extended reduction payable in accordance with paragraph 95(1)(a) or 98(2) (amount of extended reduction—movers: persons who are not pensioners).

(d) the applicant or the applicant's partner was not entitled to and not in receipt of a qualifying income-related benefit in the last reduction week in which the applicant, or the applicant's partner, was entitled to a qualifying contributory benefit.

(2) An applicant must be treated as entitled to a reduction under this scheme by virtue of falling within any of classes D to F where—

(a) the applicant ceased to be entitled to a reduction under this scheme because the applicant vacated the dwelling in which the applicant was resident;

(b) the day on which the applicant vacated the dwelling was either in the week in which entitlement to a qualifying contributory benefit ceased, or in the preceding week; and

(c) entitlement to the qualifying contributory benefit ceased in any of the circumstances listed in sub-paragraph (1)(b).

Duration of extended reduction period (qualifying contributory benefits): persons who are not pensioners

101.—(1) Where an applicant is entitled to an extended reduction (qualifying contributory benefits), the extended reduction period starts on the first day of the reduction week immediately following the reduction week in which the applicant, or the applicant's partner, ceased to be entitled to a qualifying contributory benefit.

PART 13 When entitlement begins and change of circumstances

Date on which entitlement begins

106.—(1) Subject to sub-paragraph (2), any person by whom or in respect of whom an application for a reduction under this scheme is made and who is otherwise entitled to that reduction is so entitled from the reduction week following the date on which that application is made or is treated as made.

(2) Where a person is otherwise entitled to a reduction under this scheme and becomes liable for the first time for the authority's council tax in respect of a dwelling of which he is a resident in the reduction week in which his application is made or is treated as made, he is so entitled from that reduction week.

Date on which change of circumstances is to take effect

107.—(1) Except in cases where paragraph 60 (disregard of changes in tax, contributions, etc.) applies and subject to the following provisions of this paragraph and (in the case of applicants who are pensioners) paragraph 108 (change of circumstance where state pension credit in payment), a change of circumstances which affects entitlement to, or the amount of, a reduction under this scheme ("change of circumstances"), takes effect from the first day of the reduction week following the date on which the change actually occurs.

(2) Where that change is cessation of entitlement to any benefit under the benefit Acts, the date on which the change actually occurs is the day immediately following the last day of entitlement to that benefit.

(3) Subject to sub-paragraph (4), where the change of circumstances is a change in the amount of council tax payable, it takes effect from the day on which it actually occurs.

(4) Where the change of circumstances is a change in the amount a person is liable to pay in respect of council tax in consequence of regulations under section 13 of the 1992 Act (reduced amounts of council tax) or changes in the discount to which a dwelling may be subject under section 11 or 11A of that Act (discounts), it takes effect from the day on which the change in amount has effect.

(5) Where the change of circumstances is the applicant's acquisition of a partner, the change takes effect on the day on which the acquisition takes place.

(6) Where the change of circumstances is the death of an applicant's partner or their separation, it takes effect on the day the death or separation occurs.

(7) If two or more changes of circumstances occurring in the same reduction week would, but for this paragraph, take effect in different reduction weeks in accordance with sub-paragraphs (1) to (6) they take effect from the day to which the appropriate sub-paragraph from (3) to (6) above refers, or, where more than one day is concerned, from the earlier day.

(8) Where the change of circumstances is that income, or an increase in the amount of income, other than a benefit or an increase in the amount of a benefit under the

SSCBA, is paid in respect of a past period and there was no entitlement to income of that amount during that period, the change of circumstances takes effect from the first day on which such income, had it been paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of this scheme.

(9) Without prejudice to sub-paragraph (8), where the change of circumstances is the payment of income, or arrears of income, in respect of a past period, the change of circumstances takes effect from the first day on which such income, had it been timeously paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of this scheme.

(10) Sub-paragraph (11) applies if—

(a) the applicant or his partner has attained the age of 65; and

(b) either—

(i) a non-dependant took up residence in the applicant's dwelling; or

(ii) there has been a change of circumstances in respect of a non-dependant so that the amount of the deduction which falls to be made under paragraph 30 increased.

(11) Where this sub-paragraph applies, the change of circumstances referred to in sub-paragraph (10)(b) takes effect from the effective date.

(12) In sub-paragraph (11), but subject to sub-paragraph (13), "the effective date" means—

(a) where more than one change of a kind referred to in sub-paragraph (10)(b) relating to the same non-dependant has occurred since—

(i) the date on which the applicant's entitlement to a reduction under this scheme first began; or

(ii) the date which was the last effective date in respect of such a change,

whichever is the later, the date which falls 26 weeks after the date on which the first such change occurred;

(b) where paragraph (a) does not apply, the date which falls 26 weeks after the date on which the change referred to in sub-paragraph (10)(b) occurred.

(13) If in any particular case the date determined under sub-paragraph (12) is not the first day of a reduction week, the effective date in that case is to be the first day of the next reduction week to commence after the date determined under that sub-paragraph.

Change of circumstances where state pension credit in payment

108.—(1) Sub-paragraphs (2) and (3) apply where—

(a) the applicant is in receipt of state pension credit;

(b) the amount of state pension credit awarded to him is changed in consequence of a change in the applicant's circumstances or the correction of an official error; and

(c) the change in the amount of state pension credit payable to the applicant results in a change in the amount of a reduction he receives under this scheme.

(2) Where the change of circumstance is that an increase in the amount of state pension credit payable to the applicant results in—

(a) an increase in the reduction he receives under this scheme, the change takes effect from the first day of the reduction week in which state pension credit becomes payable at the increased rate; or

(b) a decrease in the reduction he receives under this scheme, the change takes effect from the first day of the reduction week next following the date on which—

(i) the local authority receives notification from the Secretary of State of the increase in the amount of state pension credit; or

(ii) state pension credit is increased, whichever is the later.

(3) Where the change of circumstance ("the relevant change") is that the applicant's state pension credit has been reduced and in consequence the reduction the applicant receives under this scheme reduces—

(a) in a case where the applicant's state pension credit has been reduced because the applicant failed to notify the Secretary of State timeously of a change of circumstances, the relevant change takes effect from the first day of the reduction week from which state pension credit was reduced; or

(b) in any other case the relevant change takes effect from the first day of the reduction week next following the date on which—

(i) the authority receives notification from the Secretary of State of the reduction in the amount of state pension credit; or

(ii) state pension credit is reduced, whichever is the later.

(4) Where the change of circumstance is that state pension credit is reduced and in consequence of the change, the amount of a reduction he receives under this scheme is increased, the change takes effect from the first day of the reduction week in which state pension credit becomes payable at the reduced rate.

(5) Where a change of circumstance occurs in that an award of state pension credit has been made to the applicant or his partner and this would result in a decrease in the amount of reduction he receives under this scheme, the change takes effect from the first day of the reduction week next following the date on which—

(a) the authority receives notification from the Secretary of State of the award of state pension credit; or

(b) entitlement to state pension credit begins, whichever is the later.

(6) Where, in the case of an applicant who, or whose partner, is or has been awarded state pension credit comprising only the savings credit, there is—

(a) a change of circumstances of a kind described in any of sub-paragraphs (2) to (5) which results from a relevant calculation or estimate; and

(b) a change of circumstances which is a relevant determination,

each of which results in a change in the amount of reduction the applicant receives under this scheme, the change of circumstances referred to in sub-paragraph (b) takes effect from the day specified in sub-paragraph (2), (3), (4) or (5) as the case may be, in relation to the change referred to in paragraph (a).

(7) Where a change of circumstance occurs in that a guarantee credit has been awarded to the applicant or his partner and this would result in an increase in the amount of a reduction the applicant receives under this scheme, the change takes effect from the first day of the reduction week next following the date in respect of which the guarantee credit is first payable.

(8) Where a change of circumstances would, but for this sub-paragraph, take effect under the preceding provisions of this paragraph within the 4 week period specified in paragraph 93 (continuing reductions where state pension credit claimed), that change takes effect on the first day of the first reduction week to commence after the expiry of the 4 week period.

(9) In this paragraph—

“official error” means an error made by—

(a) the authority or a person—

(i) authorised to carry out any function of the authority relating to this scheme; or

(ii) providing services relating to this scheme directly or indirectly to the authority; or

(b) an officer of—

(i) the Department for Work and Pensions; or

(ii) the Commissioners of Inland Revenue, acting as such,

but excludes any error caused wholly or partly by any person or body not specified in paragraph (a) or (b) of this definition and any error of law which is shown to have been an error only by virtue of a subsequent decision of the court;

“relevant calculation or estimate” means the calculation or estimate made by the Secretary of State of the applicant’s or, as the case may be, the applicant’s partner’s income and capital for the purposes of the award of state pension credit;

“relevant determination” means a change in the determination by the authority of the applicant’s income and capital using the relevant calculation or estimate, in accordance with paragraph 36(1).

PART 14

Applications (including duties to notify authority of change of circumstances)

Making an application

109.—(1) In the case of—

(a) a couple or (subject to paragraph (b)) members of a polygamous marriage an application is to be made by whichever one of them they agree should so apply or, in default of agreement, by such one of them as the authority determines; or

(b) in the case of members of a polygamous marriage to whom paragraph 37 (income and capital: award of universal credit) applies, an application is to be made by whichever one of the parties to the earliest marriage that still subsists they agree should so apply or, in default of agreement, by such one of them as the authority determines.

(2) Where a person who is liable to pay council tax in respect of a dwelling is unable for the time being to act, and—

(a) a deputy has been appointed by the Court of Protection with power to claim, or as the case may be, receive benefit on his behalf; or

(b) in Scotland, his estate is being administered by a judicial factor or any guardian acting or appointed under the Adults with Incapacity (Scotland) Act 2000 who has power to apply or, as the case may be, receive benefit on his behalf; or

(c) an attorney with a general power or a power to apply or, as the case may be, receive benefit, has been appointed by that person under the Powers of Attorney Act 1971, the Enduring Powers of Attorney Act 1985 or the Mental Capacity Act 2005 or otherwise, that deputy, judicial factor, guardian or attorney, as the case may be, may make an application on behalf of that person.

(3) Where a person who is liable to pay council tax in respect of a dwelling is unable for the time being to act and sub-paragraph (2) does not apply to him, the authority may, upon written application made to them by a person who, if a natural person, is over the age of 18, appoint that person to exercise on behalf of the person who is unable to act, any right to which that person might be entitled under this scheme and to receive and deal on his behalf with any sums payable to him.

(4) Where a person who is liable to pay council tax in respect of a dwelling is for the time being unable to act and the Secretary of State has appointed a person to act on his behalf under regulation 33 of the Social Security (Claims and Payments) Regulations 1987 (persons unable to act), the authority may if that person agrees, treat him as if he had been appointed by them under sub-paragraph (3).

(5) Where the authority has made an appointment under sub-paragraph (3) or treated a person as an appointee under sub-paragraph (4)—

(a) it may at any time revoke the appointment;

(b) the person appointed may resign his office after having given 4 weeks notice in writing to the authority of his intention to do so;

(c) any such appointment must terminate when the authority is notified of the appointment of a person mentioned in sub-paragraph (2).

(6) Anything required by this scheme to be done by or to any person who is for the time being unable to act may be done by or to the persons mentioned in sub-paragraph (2) above or by or to the person appointed or treated as appointed under this paragraph and the receipt of any such person so appointed shall be a good discharge to the authority for any sum paid.

(7) The authority must—

(a) inform any person making an application of the duty imposed by paragraph 115(1)(a);

(b) explain the possible consequences (including prosecution) of failing to comply with that duty; and

(c) set out the circumstances a change in which might affect entitlement to the reduction or its amount.

Date on which an application is made

110.—(1) Subject to sub-paragraph (7), the date on which an application is made is—

(a) in a case where—

(i) an award of state pension credit which comprises a guarantee credit has been made to the applicant or his partner, and

(ii) the application is made within one month of the date on which the claim for that state pension credit which comprises a guarantee credit was received at the appropriate DWP office, the first day of entitlement to state pension credit which comprises a guarantee credit arising from that claim;

(b) in a case where—

(i) an applicant or his partner is a person in receipt of a guarantee credit,

(ii) the applicant becomes liable for the first time to pay council tax in respect of the dwelling which he occupies as his home, and

(iii) the application to the authority is received at the designated office within one month of the date of the change, the date on which the change takes place;

(c) in a case where—

(i) an award of income support, an income-based jobseeker's allowance or an income- related employment and support allowance or an award of universal credit has been made to the applicant or his partner, and

(ii) the application is made within one month of the date on which the claim for that income support, jobseeker's allowance, employment and support allowance or universal credit was received, the first day of entitlement to income support, an income-based jobseeker's allowance, an income-related employment and support allowance or universal credit arising from that claim;

(d) in a case where—

(i) an applicant or his partner is a person on income support, an income-based jobseeker's allowance or an income-related employment and support allowance or has an award of universal credit,

(ii) the applicant becomes liable for the first time to pay council tax in respect of the dwelling which he occupies as his home, and

(iii) the application to the authority is received at the designated office within one month of the date of the change, the date on which the change takes place;

(e) in a case where—

(i) the applicant is the former partner of a person who was, at the date of his death or their separation, entitled to a reduction under this scheme, and

(ii) where the applicant makes an application for a reduction under this scheme within one month of the date of the death or the separation, the date of the death or separation;

(f) except where paragraph (a), (b) or (e) is satisfied, in a case where a properly completed application is received within one month (or such longer period as the authority considers reasonable) of the date on which an application form was issued to the applicant following the applicant first notifying, by whatever means, the authority of an intention to make an application, the date of first notification;

(g) in any other case, the date on which the application is received at the designated office.

(2) For the purposes only of sub-paragraph (1)(c) a person who has been awarded an income-based jobseeker's allowance or an income-related employment and support allowance is to be treated as entitled to that allowance for any days which immediately precede the first day in that award and on which he would, but for regulations made under—

(a) in the case of income-based jobseeker's allowance, paragraph 4 of Schedule 1 to the Jobseekers Act 1995 (waiting days); or

(b) in the case of income-related employment and support allowance, paragraph 2 of Schedule 2 to the Welfare Reform Act 2007 (waiting days), have been entitled to that allowance.

(3) Where the defect referred to in paragraph 7 of Schedule 1 to this scheme (application by telephone)—

(a) is corrected within one month (or such longer period as the authority considers reasonable) of the date the authority last drew attention to it, the authority must treat the application as if it had been duly made in the first instance;

(b) is not corrected within one month (or such longer period as the authority considers reasonable) of the date the authority last drew attention to it, the authority must treat the application as if it had been duly made in the first instance where it considers it has sufficient information to decide on the application.

(4) The authority is to treat a defective application as if it had been validly made in the first instance if, in any particular case, the conditions specified in sub-paragraph (5)(a), (b) or (c) are satisfied.

(5) The conditions are that—

(a) where paragraph 4(a) of Schedule 1 (incomplete form) applies, the authority receives at its designated office the properly completed application or the information requested to complete it or the evidence within one month of the request, or such longer period as the authority may consider reasonable; or

(b) where paragraph 4(b) of Schedule 1 (application not on approved form or further information requested by authority) applies—

(i) the approved form sent to the applicant is received at the designated office properly completed within one month of it having been sent to him; or, as the case may be,

(ii) the applicant supplies whatever information or evidence was requested under paragraph 4 of that Schedule within one month of the

request, or, in either case, within such longer period as the authority may consider reasonable; or

(c) where the authority has requested further information, the authority receives at its designated office the properly completed application or the information requested to complete it within one month of the request or within such longer period as the authority considers reasonable.

(6) Except in the case of an application made by a person treated as not being in Great Britain, where a person has not become liable for council tax to the authority but it is anticipated that he will become so liable within the period of 8 weeks (the relevant period), he may apply for a reduction under this scheme at any time in that period in respect of that tax and, provided that liability arises within the relevant period, the authority is to treat the application as having been made on the day on which the liability for the tax arises.

(7) Except in the case of an application made by a person treated as not being in Great Britain, where the applicant is not entitled to a reduction under this scheme in the reduction week immediately following the date of his application but the authority is of the opinion that unless there is a change of circumstances he will be entitled to a reduction under this scheme for a period beginning not later than—

(a) in the case of an application made by—

(i) a pensioner, or

(ii) a person who has attained, or whose partner has attained, the age which is 17 weeks younger than the qualifying age for state pension credit, the seventeenth reduction week following the date on which the application is made, or

(b) in the case of an application made by a person who is not a pensioner, the thirteenth reduction week following the date on which the application is made, the authority may treat the application as made on a date in the reduction week immediately preceding the first reduction week of that period of entitlement and award a reduction accordingly.

(8) In this paragraph "appropriate DWP office" means an office of the Department for Work and Pensions dealing with state pension credit or an office which is normally open to the public for the receipt of claims for income support, a jobseeker's allowance or an employment and support allowance.

Back-dating of applications: pensioners

111.—(1) Subject to sub-paragraph (2), the time for the making of an application under this scheme by a pensioner is as regards any day on which, apart from satisfying the condition of making an application, the applicant is entitled to such a reduction, that day and the period of three months immediately following it.

(2) In any case where paragraph 110(1)(a) applies, sub-paragraph (1) does not entitle a person to apply for a reduction under this scheme in respect of any day

earlier than three months before the date on which the claim for state pension credit is made (or treated as made by virtue of any provision of the Social Security (Claims and Payments) Regulations 1987).

Back-dating of applications: persons who are not pensioners

112.—(1) Where an applicant who is a person who is not a pensioner—

(a) makes an application under this scheme which includes (or which he subsequently requests should include) a period before the application is made; and

(b) from a day in that period, up to the date he made the application (or subsequently requested that the application should include a past period), the applicant had continuous good cause for failing to make an application (or request that the application should include that period), the application is to be treated as made on the date determined in accordance with sub-paragraph

(2) That date is the latest of—

(a) the first day from which the applicant had continuous good cause;

(b) the day 6 months before the date the application was made;

(c) the day 6 months before the date when the applicant requested that the application should include a past period.

Information and evidence

113.—(1) Subject to sub-paragraph (3), a person who makes an application for a reduction under this scheme must satisfy sub-paragraph (2) in relation both to himself and to any other person in respect of whom he is making the application.

(2) This sub-paragraph is satisfied in relation to a person if—

(a) the application is accompanied by—

(i) a statement of the person's national insurance number and information or evidence establishing that that number has been allocated to the person; or

(ii) information or evidence enabling the authority to ascertain the national insurance number that has been allocated to the person; or

(b) the person has made an application for a national insurance number to be allocated to him and the application for the reduction is accompanied by—

(i) evidence of the application for a national insurance number to be so allocated; and

(ii) the information or evidence enabling it to be so allocated.

(3) Sub-paragraph (2) does not apply—

(a) in the case of a child or young person in respect of whom an application for a reduction is made;

(b) to a person who—

(i) is a person treated as not being in Great Britain for the purposes of this scheme;

(ii) is subject to immigration control within the meaning of section 115(9)(a) of the Immigration and Asylum Act 1999; and

(iii) has not previously been allocated a national insurance number.

(4) Subject to sub-paragraph (5), a person who makes an application, or a person to whom a reduction under this scheme has been awarded, must furnish such certificates, documents, information and evidence in connection with the application or the award, or any question arising out of the application or the award, as may reasonably be required by the authority in order to determine that person's entitlement to, or continuing entitlement to a reduction under this scheme and must do so within one month of the authority requiring him to do so or such longer period as the authority may consider reasonable.

(5) Nothing in this paragraph requires a person to furnish any certificates, documents, information or evidence relating to a payment to which sub-paragraph (7) applies.

(6) Where a request is made under sub-paragraph (4), the authority must—

(a) inform the applicant or the person to whom a reduction under this scheme has been awarded of his duty under paragraph 115 (duty to notify change of circumstances) to notify the authority of any change of circumstances; and

(b) without prejudice to the extent of the duty owed under paragraph 115, indicate to him either orally or by notice or by reference to some other document available to him on application and without charge, the kind of change of circumstances which is to be notified.

(7) This sub-paragraph applies to any of the following payments—

(a) a payment which is—

(i) disregarded under paragraph 28 of Schedule 8 (sums disregarded in the calculation of income other than earnings: persons who are not pensioners) or paragraph 38 of Schedule 10 (capital disregards: persons who are not pensioners); or

(ii) made under or by the Trusts, the Fund, the Eileen Trust, MFET Limited, the Skipton Fund, the Caxton Foundation or the London Bombings Relief Charitable Fund;

(b) a payment which is disregarded under paragraph 16 of Schedule 9 (payments made under certain trusts and certain other payments), other than a payment under the Independent Living Fund (2006);

(c) a payment which is disregarded under paragraph 30(9)(b) or (c) (payment made under certain trusts etc.) or paragraph 2(b) or (c) of Schedule 4 (payments made under certain trusts etc.) other than a payment under the Independent Living Fund (2006).

(8) Where an applicant or a person to whom a reduction under this scheme has been awarded or any partner has attained the qualifying age for state pension credit and is a member of, or a person deriving entitlement to a pension under, a personal pension scheme, he must where the authority so requires furnish the following information—

(a) the name and address of the pension fund holder;

(b) such other information including any reference or policy number as is needed to enable the personal pension scheme to be identified.

Amendment and withdrawal of application

114.—(1) A person who has made an application may amend it at any time before a decision has been made on it by a notice in writing delivered or sent to the designated office.

(2) Where the application was made by telephone in accordance with Part 1 of Schedule 1, the amendment may also be made by telephone.

(3) Any application amended in accordance with sub-paragraph (1) or (2) is to be treated as if it had been amended in the first instance.

(4) A person who has made an application may withdraw it by notice to the designated office at any time before a decision has been made on it.

(5) Where the application was made by telephone in accordance with Part 1 of Schedule 1, the withdrawal may also be made by telephone.

(6) Any notice of withdrawal given in accordance with sub-paragraph (4) or (5) has effect when it is received.

(7) Where a person, by telephone, amends or withdraws an application the person must (if required to do so by the authority) confirm the amendment or withdrawal by a notice in writing delivered or sent to the designated office.

Duty to notify changes of circumstances

115.—(1) Subject to sub-paragraphs (3), and (9), the applicant (or any person acting on his behalf) must comply with sub-paragraph (2) if there is a relevant change of circumstances at any time—

(a) between the making of an application and a decision being made on it, or

(b) after the decision is made (where the decision is that the applicant is entitled to a reduction under this scheme) including at any time while the applicant is in receipt of such a reduction.

(2) The applicant (or any person acting on his behalf) must notify any change of circumstances which the applicant (or that person) might reasonably be expected to know might affect his entitlement to, or the amount of, a reduction under this scheme (a "relevant change of circumstances") by giving notice to the authority—

(a) in writing; or

(b) by telephone—

(i) where the authority has published a telephone number for that purpose or for the purposes of Part 1 of Schedule 1 unless the authority determines that in any particular case or class of case notification may not be given by telephone; or

(ii) in any case or class of case where the authority determines that notice may be given by telephone; or

(c) by any other means which the authority agrees to accept in any particular case, within a period of 21 days beginning with the day on which the change occurs, or as soon as reasonably practicable after the change occurs, whichever is later.

(3) The duty imposed on a person by sub-paragraph (1) does not extend to notifying—

(a) changes in the amount of council tax payable to the authority;

(b) changes in the age of the applicant or that of any member of his family;

(c) in the case of an applicant in receipt of a relevant benefit, changes in circumstances which affect the amount of the benefit but not the amount of the reduction under this scheme to which he is entitled, other than the cessation of that entitlement to the benefit.

(4) For the purposes of sub-paragraph (3)(c) "relevant benefit" means income support, an income-based jobseeker's allowance or an income-related employment and support allowance or universal credit.

(5) Notwithstanding sub-paragraph (3)(b) or (c) an applicant is required by sub-paragraph (1) to notify the authority of any change in the composition of his family arising from the fact that a person who was a member of his family is now no longer such a person because he has ceased to be a child or young person.

(6) The duty imposed on a person by sub-paragraph (1) includes—

(a) in the case of a person falling within class C (pensioners: alternative maximum council tax reduction) giving written notice to the authority of changes which occur in the number of adults in the dwelling or in their total

gross incomes and, where any such adult ceases to be in receipt of state pension credit, the date when this occurs;

(b) in the case of a person falling within class F (persons who are not pensioners: alternative maximum council tax reduction) giving written notice to the authority of changes which occur in the number of adults in the dwelling or in their total gross incomes and, where any such adult ceases to be in receipt of income support, an income-based jobseeker's allowance or an income-related employment and support allowance, the date when this occurs.

(7) A person who has been awarded a reduction under this scheme who is also on state pension credit must report—

(a) changes affecting the residence or income of any non-dependant normally residing with the applicant or with whom the applicant normally resides;

(b) any absence from the dwelling which exceeds or is likely to exceed 13 weeks.

(8) In addition to the changes required to be reported under sub-paragraph (7), a person whose state pension credit comprises only the savings credit must also report—

(a) changes affecting a child living with him which may result in a change in the amount of reduction under this scheme allowed in his case, but not changes in the age of the child;

(b) any change in the amount of the applicant's capital to be taken into account which does or may take the amount of his capital to more than £16,000;

(c) any change in the income or capital of—

(i) a non-dependant whose income and capital are treated as belonging to the applicant in accordance with paragraph 34 (circumstances in which income of a non-dependant is to be treated as applicant's); or

(ii) a person to whom paragraph 36(2)(e) (partner treated as member of the household under paragraph 8) refers, and whether such a person or, as the case may be, non-dependant stops living or begins or resumes living with the applicant.

(9) A person who is entitled to a reduction under this scheme and on state pension credit need only report to the authority the changes specified in sub-paragraphs (7) and (8).

PART 15 Decisions by authority

116. The authority must make a decision on an application for a reduction under this scheme within 14 days of paragraphs 110 and 113 and Part 1 of Schedule 1 being satisfied, or as soon as reasonably practicable thereafter.

Notification of decision

117.—(1) The authority must notify in writing any person affected by a decision made by it under this scheme—

(a) in the case of a decision on an application, forthwith or as soon as reasonably practicable thereafter;

(b) in any other case, within 14 days of that decision or as soon as reasonably practicable thereafter.

(2) Where the decision is to award a reduction the notification under sub-paragraph (1) must include a statement—

(a) informing the person affected of the duty imposed by paragraph 115(1)(b);

(b) explaining the possible consequences (including prosecution) of failing to comply with that duty; and

(c) setting out the circumstances a change in which might affect entitlement to the reduction or its amount.

(3) Where the decision is to award a reduction, the notification under sub-paragraph (1) must include a statement as to how that entitlement is to be discharged.

(4) In any case, the notification under sub-paragraph (1) must inform the person affected of the procedure by which an appeal may be made and must refer the person to the provisions in this scheme relating to the procedure for making an appeal.

(5) A person affected to whom the authority sends or delivers a notification of decision may, within one month of the date of the notification of that decision request in writing the authority to provide a written statement setting out the reasons for its decision on any matter set out in the notice.

(6) The written statement referred to in sub-paragraph (5) must be sent to the person requesting it within 14 days or as soon as reasonably practicable thereafter.

(7) For the purposes of this paragraph a person is to be treated as a person affected by a decision of the authority under this scheme where the rights, duties or obligations of that person are affected by that decision and the person falls within sub-paragraph.

(8) This sub-paragraph applies to—

(a) the applicant;

(b) in the case of a person who is liable to pay council tax in respect of a dwelling and is unable for the time being to act—

(i) a deputy appointed by the Court of Protection with power to claim, or as the case may be, receive benefit on his behalf; or

(ii) in Scotland, a judicial factor or any guardian acting or appointed under the Adults with Incapacity (Scotland) Act 2000 who has power to apply or, as the case may be, receive benefit on the person's behalf; or
