- What are the opportunities for employment space, types of space, and where?
- What are the constraints for employment space?
- What does the pipeline for employment space look like?
- How do we promote viability of commercial space over residential prior to the Local Plan?
- How do we encourage developers to come forward?
- What type of business support is required for established businesses to enable them to continue to grow?
- What other work is being done by partners that we are not aware of?

**6 START UP BROMLEY FILM SHOWCASE**

A film highlighting the impact on the start-up businesses supported through the programme this year

**7 DISCUSSION 2: GREEN AND STEM SKILLS**

- What is your organisation/business doing to work towards the green economy?
- What are your current or planned projects locally where you think we could work together?

- What are the challenges associated with STEM skills and recruitment?
- How can we promote STEM clusters in the borough?
