Workstreams included continued use of CCTV in targeted areas via both fixed and mobile cameras to target emerging crime and anti-social behaviour and the successful delivery of four Community Impact Days. Work to reduce crime against the elderly and vulnerable was ongoing with Trading Standards receiving 233 enquiries for investigation during Quarter 1 2022/23 in relation to 76 cases of financial abuse, allegations of scams or doorstep crime with a total customer detriment of over £505k and future estimated savings of £146,333.</p> <p>RESOLVED, that the report be noted.</p>	
26	COMBATING DRUGS PARTNERSHIP	Action
	<p>The Senior Strategist, Public Health reported that Dame Carol Black had recently been commissioned by the Government to conduct a two-part independent review of drugs which had resulted in 32 recommendations for change to improve the effectiveness of drug prevention and treatment and to help more people recover from dependence. As part of the Government's response, the Local Authority was required to form a Combating Drugs Partnership which would bring together key partners and stakeholders to work holistically towards achieving impactful, long-lasting change in breaking drugs supply chains; delivering world class treatment and recovery systems; and achieving a shift in demand for recreational drugs in Bromley. The inaugural meeting of the Combating Drugs Partnership would be held on 6 September 2022 and would focus on agreeing its Terms of Reference which was required to be in place by November 2022. It was aimed to bring together a mix of strategic and operational partners within the Partnership and expressions of interest were invited from partners that had not received an invite.</p> <p>In considering the update, the LBB Assistant Director: Public Health advised that work was underway to understand local need in this area including Drugs and Alcohol Needs Assessments. The representative of the National Probation Service underlined the importance of establishing robust governance arrangements for the Partnership which could be based around the protocol used by other high-level Bromley partnerships. Another Member suggested that the membership of the Partnership include more representation from children and young people services to enable early intervention and requested the LBB Director of Children, Education and Families be approached. 27	DHR AND PREVENT VERBAL UPDATE	Action
	<p>The LBB Head of Commercial Regulation and Trading Standards gave an update on Domestic Homicide Reviews and Prevent.</p> <p>During Quarter 1 of the 2022/23 financial year, there had been a small increase in referrals into the Channel programme, but numbers remained minimal. There were a small number of active Domestic Homicide Reviews including one review relating to a house fire which had previously been submitted to the Home Office and for which the Quality Assurance Panel response was awaited. Another review had been paused until legal proceedings had been completed which was not expected to be until January 2023 at the earliest. In July 2022, notification of two further prospective Domestic Homicide Reviews had been received. Having considered the two cases, the Reviewing Panel had resolved that one be subject to a Domestic Homicide Review on the basis of evidence of coercive control and emotional abuse, whilst the other was referred to the Local Authority for a Safeguarding Adults Review.</p> <p>RESOLVED, that the update be noted.</p>

Increases had also been seen in Non-Domestic Violence with Injury, which was violence outside the home, and Knife Crime Offences, which were most</p>	

	<p>prevalent in Bromley Town Centre, of 18% and 38% respectively over the past year which was likely a response to the post-COVID period with the Night-Time economy now re-established. Total Burglary offenses had reduced by 18% in the past year which was unanticipated and would be subject to further investigation. Decreases had also been seen in Anti-Social Behaviour Calls, Sexual Offences, Domestic Abuse Offences and Hate Crime of 24%, 4%, 3% and 2% in comparison with Quarter 1 2021/22 respectively.</p> <p>In response to a number of questions, Inspector Stuart Baker advised that Operation Nightingale had recently been launched to tackle the root causes of serious violence. Two Community Impact Days would shortly be delivered in the Bromley Town Centre and Mottingham areas to target emerging crime and anti-social behaviour, and a Partner observed the importance of such activities in maintaining public confidence in the Police. With regard to Domestic Abuse Offences, a Partner noted the small decrease on Quarter 1 2021/22 and observed that there had been over 4,000 Domestic Abuse incidents reported during the rolling 12-month period which represented a return from the COVID-19 peak to pre-COVID levels.</p> <p>A Member requested that the Police be invited to an upcoming meeting of the Public Protection and Enforcement PDS Committee to provide an update on performance and priorities.</p> <p>RESOLVED, that the update be noted.</p>	Clerk

Work was underway to tackle this issue, including engagement in schools, and partners were requested to share any information they had with Trading Standards.</p> <p>The LBB Head of Neighbourhood Management introduced himself and the LBB Environmental Investigations Manager. As well as being responsible for the monitoring of the Veolia contract, the team monitored issues such as fly tipping and had recently set up a Joint Action Group to tackle environmental issues. Partners were encouraged to report environmental crime and public realm and street safety issues via the <i>Fix my Street</i> app or Bromley Council website.</p> <p>The Bromley Fire Commander thanked partners for their contributions to the LFB Community Risk Management Plan. Summer 2022 had been a very challenging period for the London Fire Brigade with a number of major incidents declared including large scale grass fires and a high-rise fire at St Mark's Square, Bromley.
