3.1. Licensing Act 2003.

The Licensing Act 2003 states that any premises requires a licence/certificate issued by the Council (premises licence/club premises certificate) where the following activities occur:-

Provision of regulated entertainment

- a) Plays. (Where the audience exceeds 500 people)
- b) Films.
- c) Indoor sporting events. (Where the audience exceeds 1000 people)
- d) Boxing or wrestling entertainment.
- e) Live music. (subject to the Live Music Act 2013 exemptions)
- f) Recorded music.
- g) Performances of dance. (Where the audience exceeds 500 people)

Provision of late-night refreshment (between 2300hrs and 0500hrs).

Supply of alcohol (on and off sales).

The supply of alcohol by or on behalf of a club to, or to the order of, a member of the club.

The sale by retail of alcohol by or on behalf of a club to a guest of a member of the club for consumption on the premises where the sale takes place.

Licences/Certificates may be issued subject to any terms, conditions or restrictions the Council feels are appropriate to address any or all of the four licensing objectives.

The Council has previously agreed Bromley's Statement of Licensing Policy for the Period 2021 – 2026.

The Licensing Sub-Committee must consider the Statement of Licensing Policy and any Special Policy of Cumulative Impact currently in force when making any decisions in respect of these applications.

Members' attention is drawn to the following parts of the policy which are relevant to this application.

4. IMPACT ON VULNERABLE ADULTS AND CHILDREN

- 4.1 Licensing regimes provide for additional controls through specific permissions to undertake activities. Both the Licensing Act 2003 and Gambling Act 2005 contain licensing objectives which seek to protect particular vulnerable groups. In the case of the Licensing Act 2003 it seeks to protect children from harm whereas the licensing objectives under the Gambling Act

2005 are wider and seek to protect children and vulnerable adults from being harmed or exploited.

- 4.2 Businesses and the Council are required to promote these objectives in the way they operate or make decisions.
- 4.3 Details of applications under both Acts are referred to the appropriate safeguarding teams for comment. None were received in this instance.

5. TRANSFORMATION / POLICY IMPLICATIONS

- 5.1 Both the Licensing Act 2003 and the Gambling Act 2005 require the Council to prepare, consult on and publish statements of their licensing policy. These must be reviewed at least every 5 years under the Licensing Act and 3 years under the Gambling Act.
- 5.2 Members should make decisions in accordance with these policies but are free to depart from them with good reason.
- 5.3 The current policies are -
 - Statement of Licensing Policy 2021 - 2026
http://www.bromley.gov.uk/downloads/file/226/statement_of_licensing_policy_2021-2026
 - Statement of gambling policy 2022 - 2025
http://www.bromley.gov.uk/downloads/file/325/gambling_policy

6. FINANCIAL IMPLICATIONS

- 6.1 There are rights of Judicial Review and appeal to the Magistrates Court against the decision of the Sub-Committee under both the Licensing and Gambling Acts. If an appeal were to be lodged there are costs associated with defending it. These are difficult to quantify and the Courts can award costs. In the event of a successful appeal we could pay the costs of the appellant as well as our own. Equally if we successfully defended an appeal, it is open to the Court to order our costs to be paid by the appellant.

7. PERSONNEL IMPLICATIONS

- 7.1 Number of staff (current and additional): 1 Licensing Officers supported by 3.5 FTE Administration Staff.
- 7.2 If from existing staff resources, number of staff hours: A licensing application typically takes 7hrs professional officer time and 5hrs administration time.

8. LEGAL IMPLICATIONS

- 8.1 Any Parties involved in a hearing before a Sub-Committee can seek a Judicial Review if the Local Authority has failed to administer the hearing in accordance with proper procedures.
- 8.2 Any Party involved with the hearing before licensing subcommittee can appeal any decision made at that hearing to the magistrate's court.
- 8.3 The Council has adopted a procedure for the conduct of hearings.

9. PROCUREMENT IMPLICATIONS

There are no procurement implications.

10. PROPERTY IMPLICATIONS

There are no property implications.

11. CARBON REDUCTION/SOCIAL VALUE IMPLICATIONS

There are neutral environmental and carbon reduction implications from the proposals contained in this report.

12. CUSTOMER IMPACT

See para. 4 and 11 and Appendix 3 of this report.

Basically we would like a late night license so we could open our kebab shop until 00.00 am in the weekdays and 01.00am in the weekends

Representations

Application comments:

Objection 01: Cllr Owen

Dear Paul,

I object to this application under the Public Nuisance licensing objective.

The concerns I have are

1. Potential noise nuisance to residents in Crofton Road, Newstead Avenue, Orchard Green, York Rise and other Farnborough & Crofton residents.
2. Risk of increased litter from discarded food containers.
3. An adverse effect on rapid dispersal of patrons from the Maxwell public house and Crofton Halls with a nearby offer of late night, takeaway only, refreshment.

I expect my own Petts Wood & Knoll constituents will suffer little effect as only trains from Sevenoaks and the coast stop at platform 2 on the west side of the station and trains from London terminate on the east side of the station and through train passengers for PW&K are also likely to exit on the east side of the station. I doubt that many will make the detour for a kebab (even if they know of the availability).

There is a risk that some may go for late night refreshment after leaving functions at the civic halls.

Orpington station has only moved into PW&K as a result of the latest boundary review but I have received correspondence from across the tracks from concerned residents who may wish to (or have already) make their own representations.

Kind regards,

Tony Owen

Application comments:

Objection 02: Crofton Road

I object to these proposals. The area is essentially a residential area. Aside from just 1 litter at the bus stop outside the train station there are no litter bins along ANY of the residential roads. It is already a common occurrence to find discarded take away wrappers in my front garden, this will be worse if people walk home along deserted streets at night eating a kebab.

I am also worried about increased noise levels at night. People should be encouraged to go home after midnight, or at least hang around in the town centre which can be policed properly, not lurk on residential streets where families are sleeping

Objection 03: Fairbank Avenue

The concerns residents have are:

Potential noise nuisance to residents in Crofton Road, Newstead Avenue, Orchard Green, York Rise and other Farnborough & Crofton residents.

Increased litter from discarded food containers. As a residential area there are no bins along the route customers would take to get home.

An adverse effect on rapid dispersal of patrons from the Maxwell public house and Crofton Halls with a nearby offer of late night, takeaway only, refreshment.

Poll results from our residents showed 64% of residents living within 1 mile of Sels Kebabs are concerned about noise and litter. 80% for those living in the immediate vicinity.

Kind regards,

REPRESENTATIONS OF SUPPORT

Support 01:

Extending to midnight will help the business to survive these tough times . Trains are late and this will also provide a safe place for young vulnerable peoplestr at night

Support 02: Crofton Road

Hello,

I would like to comment on the application by Sels Kebab to extend their opening hours.

My position is I support the application for the following reasons:

Application comments:

1. As the premises is situated at the station I would think that most of the clientele will come from late night trains and hence would already be in the area and the increase in footfall, cars and use of public transport would be minimal and hence will not cause an increased amount of traffic. In addition as the application does not include the selling of alcohol many disturbances caused by people being under the influence before their train journey would happen regardless

2. It is important to support both local businesses and there is a move locally to increase the night time economy and part of this would need some businesses to be open late

3. There is a concern there could be an increase in litter, that is possible but my experience living close to a bus stop is that we often get takeaway litter in our front drive and I have noticed much of it is from local chain restaurants and we have never noticed any of the polystyrene cartons popular with kebab shops in our front (even though Sels has been open for a few years), so I am not convinced there would be a significant increase in litter in fact I think the lack of litter bins locally had more of an impact on this issue.

I have emailed you directly as your website suggests there are issues with leaving comments

Regards
