### **3. COMMENTARY**

#### **(i) Changes to Executive Decision-Making Arrangements**

3.1 The format of CYP Member meetings and work programme development takes full account of changes to Executive Decision Making arrangements agreed by Full Council on 16 March 2009. The new arrangements mean that there are no longer scheduled Portfolio Holder meetings and instead reports on proposed decisions will be presented at PDS Committee meetings for pre-scrutiny with the Portfolio Holder attending to present his proposals, answer questions and receive comments. The Portfolio Holder will then make his decisions separately in the days following a meeting and this will continue to follow a formal process of recording and publishing each decision.

#### **(ii) Work Programme**

3.2 The Forward Rolling Work Programme at **Appendix 1** provides information on items scheduled for decision by the Children and Young People Portfolio Holder, items for consideration by the Children and Young People Policy Development and Scrutiny Committee and proposed information briefing for Members on which no decision is required.

3.3 The Work Programme provides a reference on future work and enables it to be amended in the light of future developments and circumstances.

3.4 The focus of CYP PDS Committee work should be on (i) holding the CYP Portfolio Holder to account, (ii) pre-decision scrutiny and (iii) policy development.

#### **(iii) PDS Reviews**

3.5 A significant part of any PDS work should take place outside of Committee meetings in the form of time-limited Reviews. In agreeing a programme of Reviews, the PDS Committee should take into account Member capacity to deliver and Officer capacity to support the reviews. No more than a few in-depth reviews are recommended for any one year.

#### **(iv) Contracts for CYP PDS Scrutiny**

3.6 The Rolling Contracts Register provides, at each PDS meeting, the following details on all Children and Young People Contracts with a whole life value of £50k or higher:

- Contracts Awarded – subsequent to those reported at the previous PDS Committee;
- Status of Contracts ending within the next six months;
- Status of Contracts ending within the next six to twelve months.

3.7 Details are presented in **Appendix 2**.

#### **(v) Bromley Welcare**

3.8 The Local Authority currently commissions a contract of £136K (annual value) for social work services below the level for the social care and safeguarding team's intervention. This contract has run successfully for a number of years. Welcare is a Christian Charity, which works preventatively with children and families in need, irrespective of faith, culture, abilities or life choices, to achieve a better quality of life for children and families. It was formed by joining together a number of small charities based in and around London. Bromley Welcare originally chose not to join with the parent organisation and as such has kept its own Trustees and administration. The Trustees have recently agreed to merge with the wider organisation

which is based in Southwark. Officers have met with the management and chair of trustees and have been assured that the service to Bromley through our contracts will be enhanced rather than diminished by belonging to an organisation with increased support. It is proposed that the contracts continue but with the new legal identity once the merger is complete. A variation to the existing contract will be implemented to reflect the new legal identity.

This process will invite ongoing expressions of interest to join a pool of providers, subject to meeting minimum qualification criteria. It is expected that longer term contracts will be put in place with annual negotiation of volumes. Contracts will be a mixture of 'block' contracts and 'call off' contracts, dependent upon assessment of demand for specific qualifications.</p> <p>It is planned that current contracts will be extended or varied where necessary to align all contracts under the same open and competitive procurement process for 2011/2012.</p> <p>A request for a variation or exemption to the relevant contracts is submitted for approval at the 15 June 2010 CYP PDS meeting.</p>
