3. COMMENTARY

Consultation on this plan began at the Conference in November 2009 and many stakeholders shared their thoughts during the early stages of the draft plan. The plan was then circulated for wider stakeholder consultation in March. As part of this exercise, easy read and sensory impairment formats have been developed to achieve maximum participation. The plan has been circulated to over 100 stakeholders who attended the day plus representatives from all the partnership groups and boards.

The plan, which supports the 'Building a Better Bromley 2020 vision' aim of 'Independence and Health', was presented to the Adult and Community Service PDS Committee on 14th April 2010.

The consultation period has now closed. Feedback has been received from a high proportion of representatives and all comments have been considered. Responses have been received from a wide range of partners. Where the feedback falls outside the remit of the plan, it has been forwarded to the appropriate Lead Commissioner for consideration in the wider service delivery plans.

The final proposed version of the plan is attached as Appendix 1 and a list of the sections updated is provided as Appendix 2.

As in previous years, an update on progress made against the plan in the first half of the 2010/11 financial year will be brought back to PDS in November 2009.

4. POLICY IMPLICATIONS

The plan reflects the priorities of 'Building a Better Bromley' and includes the main LPSA actions of the Local Area Agreement as they relate to this portfolio. Other policy implications are included within the substance of the plan.
