**ADULT EDUCATION FEES AND CHARGES 2012/13**

**Reference Report:**

That course fees at Bromley Adult Education College for the academic year beginning September 2012 be increased as recommended in the report.

**Reasons:**

An increase in fees charged for adults enrolling on courses at Bromley Adult Education College will allow the College to maintain income at a time when Government funding for adult learning is being reduced and will continue to meet the income generation expectations for the Skills Funding Agency.

The proposed decision was scrutinised by the Renewal and Recreation PDS Committee on 27 March 2012 and the Committee supported the proposal.

**BUDGET MONITORING REPORT 2011/12**

**Reference Report:**

*RR PDS 270312 - Budget Monitoring, 27/03/2012 Renewal and Recreation Policy Development and Scrutiny Committee*

*RR PDS 270312 - Budget Monitoring App, 27/03/2012 Renewal and Recreation Policy Development and Scrutiny Committee*

**Decision:**

- 1) That the latest 2011/12 budget projection for the Renewal and Recreation Portfolio be endorsed.
- 2) That the programme of activities proposed as part of the Outer London Fund Round 2 (including match funding) for Bromley Town Centre totalling £2.180m be approved.

**Reasons:**

The Resources Portfolio Plan for 2010/11 includes the aim of effective monitoring and control of expenditure within budget and includes the target that each service department will spend within its own budget.

The four year financial forecast highlights the financial pressures facing the council. It remains imperative that strict budgetary control continues to be exercised in 2011/12 to minimise the risk of compounding financial pressures in future years.

With regard to the Outer London Fund Round 2, funding is subject to finalisation of a grant agreement with the GLA and all projects and expenditure will need to be implemented between April 2012 and March 2014.

The proposed decision was scrutinised by the Renewal and Recreation PDS Committee on 27 March 2012 and the Committee supported the proposal.

- 1) removal of all windows that have been inserted into the roof space of the dwelling (with the exception of the window in the western roof slope which has already been removed);
- 2) reconstruction of the roof and the gaps left by the removal of the windows to be tiled with a similar type and colour to those used on the remainder of the roof;; and
