

APPENDIX 1

BECKENHAM TOWN CENTRE : INDICATIVE PROGRAMME OF POTENTIAL CAPITAL IMPROVEMENTS

Improvement
Appoint urban design consultant to prepare a scheme and design guide for visual improvement of the High Street to be coordinated with other improvements i.e. relating to signage, shop fronts, lighting, traffic management, etc
Installation of a Beckenham Town Sign of similar design as Beckenham Green example at the War Memorial entrance to the High Street
Improve signage to off street car parks
Install 2 high quality community noticeboards (possibly incorporating maps)
Installation of extra lighting for pedestrians over footways
Control access to private alleyways and parking areas (including gating)
Coordinated installation of upgraded heritage street lamps and furniture
Decluttering exercise to achieve removal of unnecessary signs, poles & equipment – including unmaintained telephone boxes; reduce number of posts in the footways
Floodlight heritage buildings and signs with uplighters to enhance night time atmosphere
Improve siting and external cleanliness of litter bins
Christmas Lights
