3. COMMENTARY

Meeting Schedule

- 3.1 Each PDS Committee determines its own work programme, balancing the roles of – (i) holding the Executive to account, (ii) policy development and review and (iii) external scrutiny. This Committee has the additional role of providing a lead on scrutiny issues and coordinating PDS work.
- 3.2 PDS Committees need to prioritise their key issues. The work programme also needs to allow room for items that arise through the year, including Member requests, call-ins and referrals from other Committees. Committees need to ensure that their workloads are realistic and balanced, allowing sufficient time for important issues to be properly scrutinised. Members also need to consider the most appropriate means to pursue each issue – the current overview and scrutiny arrangements offer a variety of approaches, whether through a report to a meeting, a time-limited working group review, a presentation, a meeting focused on a single key issue or any other method.
- 3.3 A schedule of the Committee’s meetings in 2012/13 is attached at [Appendix 1](#). The timing of meetings is tied to the need to pre-scrutinise Executive agendas. Provisional dates for question and answer sessions with the Leader, Resources Portfolio Holder and Chief Executive are included - these are subject to confirmation.

Working Groups

- 3.4 In [Appendix 2](#), PDS Working Groups and other sub-groups are set out. The Policy Development and Scrutiny Toolkit suggests that each Committee should aim to carry out no more than two or three full scale reviews each year, and it offers guidance and techniques for prioritising reviews.
- 3.5 In recent years, the Committee has examined a number of issues through its Working Groups. Part of the Committee’s workload may include follow-up work on some of these reviews, and the Committee at its last meeting suggested monitoring progress with the recommendations from two previous reviews – Communications and New Technology.
- 3.6 Officers have prepared draft terms of reference for a Working Group to look at the impact in Bromley of the Government’s forthcoming policy changes to local government finance. Councillors Bosshard, Getgood, Mellor, Noad and (possibly) William Huntington-Thresher have agreed to participate in the Working Group, and a date for a first meeting is being sought before the summer recess. The terms of reference agreed at the last meeting are -
- (1) To consider the impact for Bromley of the proposals arising from the Government’s Local Government Resource Review which are to be implemented from 2013/14 onwards, in particular the three main strands -
 - (i) Localisation of Business Rates;
 - (ii) Localisation of Council Tax Benefit;
 - (iii) Community Budgets.
 - (2) To bring forward proposals and recommendations for implementation in Bromley in response to the government proposals.
