The overspend was the result of pupil placements in both the Schools' Budget and the non-Schools' Budget and rigorous management action was taken to contain and reduce costs. The overspend was more than £80k less than forecast in January, reflecting some success in reducing costs by the on-going review of all the high cost residential placements. 398 Education Psychologists and SEN team staffing & other costs (net) -120 Consultancy costs for ASD reprovision project and tribunal representation re placements 39 327 During the year a general moratorium was introduced on all non-essential running costs and vacancies frozen, other than for essential posts, with costs minimized for cover for vacant posts. The success of the savings arising from these actions was greater than anticipated in January and the overspend was reduced by £300k. 3. Business Partnerships

The service is in transition to converting to a sold services basis and it has been successful in generating additional income from sales to schools. It has also generated income from external contracts and agreements. This additional income applies in the current year only, the 2012/13 budget has been set on the basis of the future shape of the service.

5 i Children's Social Care Dr £1,775k

Underspending in CAMHS grant

The main pressure on the Children's Social Care budget is the cost of children being placed in care. The following management action continued during the year to control the impact of the placements which can often be at high cost and can relate to children not previously known to Social Care.

- Review children in high cost residential and independent fostering.
- Further strengthened gate keeping. All placements were agreed and approved at CSC Placement Panel and by the Assistant Director for Social Care.
- Implementation of an Adolescent and Parenting Support Team to focus on preventing teenagers coming in to care.
- Joint work with the Housing Department to divert potential 16 plus homeless youngsters away from the care system to supported lodgings through Housing Division.
- A review of fostering provision and costs. A work programme is currently
 under way to increase the number of LBB foster placements and reduce dependency on
 Independent Foster Agencies as well as develop packages of support to carers to
 enable more challenging children to be cared for within foster homes.
- Introduction of rolling interview panels, a Children's Social Care micro-site on the Bromley website, and a two day short listing and invitation to interview turn around time for social work applications to support the recruitment and retention package.
- Tightly controlled purchasing of placements though negotiation, clear specifications, avoiding 'extras', achieving least expensive options where possible.

Care and Resources - £1,709k Children's' Placements UASC and UASC Leaving Care Grants - loss of income Housing Benefit for Care Leavers: under recovery of rent for over 18's Freezing of Saxon Centre Supplies & Services Budgets Freezing of posts within Fostering Service and other savings	1,426 161 202 -24 -56	1,709
The main reasons for the variations is an overspend on the Placement Budgets, loss of income relating to Unaccompanied Asylum Seeking Grants particularly for Care Leavers which results in the Council having to meet the full cost of their care. Other costs relate to the continued pressure on all Leaving Care budgets. Some savings were achieved in year to off-set some of the higher costs.

The main reason for the variation is that a number of underspends were identified during the year to offset overspends with Children's Social Care. These savings were offset by the costs of the Recruitment and Retention package.		135

5 ii Bromley Children Project within Referral and Assessment Service - Cr 1,276k.

Following a decision made by Members in September, twelve of the eighteen Children's Centres were closed during the financial year. The savings achieved were £325k greater than anticipated in January, representing the early achievement of savings built into the 2012/13 budget.

The savings can be analysed as follows;

Savings in business rates against last years' accrual, charges were lower than expected	-124	
Savings are being made by holding posts vacant.	-91	
Central BCFP expenditure and income	-95	
Savings in the commissioning budget	-711

7. THE SCHOOLS' BUDGET No impact on General Fund

Expenditure on schools is funded by Dedicated Schools Grant (DSG) provided by the Department for Education. DSG is ring-fenced and can only be applied to meet expenditure properly included in the Schools' Budget.

The final DSG settlement was confirmed at £89k lower than anticipated, due to reduced pupil numbers and a deficit of £427k was brought forward from 2010/11. In spite of this an underspend has been carried forward into the 2012/13 Schools Budget which will be used to fund future education services.

Waiver of Financial Regulations

Posts being held vacant

Other net variations

The Council's Contract Procedure Rules state that where the value of a contract exceeds £50k and is to be exempted from the normal requirement to obtain competitive quotations, the Chief Officer has to obtain the agreement of the Director of Legal, Democratic and Customer Services and the Director of Resources and (where over £100,000) of the Portfolio holder, and report use of this exemption to Audit sub-committee bi-annually.

Since the last report to the Executive there have been waivers for three contracts exceeding £50,000 but less than £100,000, and three contracts exceeding £100,000.

CYP CARRY FORWARD REQUESTS 2011/12

General £

Bromley Children & Families Project

120,000 Twelve Children's centres closed during 2011/12, resulting is a large underspend in this service at the end of the year. However a carry forward request is being made in order to allow for any residual costs in 2012/13 relating to the vacated premises.

Grant Carry Forward Requests

Grants with "Restrictions" but no "Conditions" Step Up to Social Work

51,312 In December 2011 the Executive approved the release of the Step up to Social Care funding into the CYP Budget, to run the Step Up to Social Work Programme in partnership with the London Boroughs of Bexley and Lewisham. The programme is designed to attract high calibre professionals into children's social work.

As lead Authority Bromley is responsible for accessing and administering the funding on behalf of the South East London Regional Partnership and will receive £698k over a two year period for 12-14 candidates. Funding of £233k was received for 2011/12 and at the end of March £182k had been spent. A budget carry forward is required to continue the programme during 2012/13.

Troubled Families - Preparation Funding

16,837 Funding of £20k was received from the DCLG in February for the Tackling Troubled Families government initiative. The grant was to enable authorities to make preparations to enable the programme to be delivered and further amounts will be allocated over the next 3 years to implement the full programme.

£3k was committed before the end of March to engage a consultant to write the business case. The balance of the grant will be spent in 2012/13 to meet the continuing development and setting up costs including further consultant work and officer time.
