1. Reason for report

- 1.1 The annual pay award and various other staff terms and conditions are currently determined via joint employer/trade union negotiations conducted at national (NJC) and regional (GLPC) level. However now more than ever before the various challenges facing local authorities differ significantly according to their local circumstances. One effect of this is that the NJC and GLPC negotiating frameworks are hampered by the inevitable difficulties arising from the need for them to attempt to reconcile the different policy approaches and financial circumstances of the various constituent local authorities.
- 1.2 Current challenges facing local authorities include operating with limited and decreasing resources and competing demands. It is therefore essential to ensure that decisions with significant financial implications are controlled locally, and aligned with budget setting processes and performance outcomes. Within this context this report sets out proposals aimed at withdrawing Bromley from the national and regional collective bargaining arrangements and introducing localised pay and conditions for all staff except teachers.
- 1.3 Subject to Members' endorsement of the proposals and agreement the Assistant Chief Executive (HR) will embark on a process of formal consultation with the relevant recognised trade unions, staff and staff representatives.

3. COMMENTARY

- 3.1 In December 2009 the Council and relevant recognised trade unions reached a collective agreement known as the Single Status Agreement. The main thrust of the Agreement was to harmonise pay arrangements across different sectors of the Council's workforce to address equal pay risks, whilst at the same time simplifying the pay structure to make it clearer, fairer and more efficient.
- 3.2 By means of Single Status the Council introduced a pay and grading structure specific to Bromley known as the "BR grades". Through local negotiations and agreement the Council was also able to introduce significant changes to certain other terms and conditions thereby ensuring that any enhancements to basic salary are offered only when there is evidence of a compelling business need to do so to deliver services.
- 3.3 However although Bromley has gone some way towards localised arrangements, the annual pay review and a number of other core terms and conditions are still determined at national or regional level. This impacts on the control that the Council has over its own employment framework and the link with other business priorities.
- 3.4 Following the implementation of Single Status there also remains a need to re-assess all management grade posts at grade MG6 to:
- ensure that there are no residual equal pay issues at the interface with the new BR grades; and
 - find a more appropriate remuneration mechanism for those staff in highly technical and/or professional posts which do not carry management responsibility but which evaluate higher than BR14 (the top BR grade on the Bromley scale)
- 3.5 Given the above context now is an opportune time for the Council to seek to extend its localised pay and grading arrangements in consultation with key stakeholders including trade unions and departmental representatives and staff. The key drivers behind the need for further change and localisation include:
- Gaining control over the annual pay review process and timetable at a time of significant financial challenge for the Council in order to achieve better alignment with budget setting processes and greater responsiveness to change;
 - Exercising local control in order to give greater emphasis to local circumstances, and improve the Council's ability to innovate and flex in ways not achievable within the nationally agreed terms;
 - Improving the Council's ability to align reward with staff and organisational performance;
 - Achieving efficiencies through harmonisation of the management grade and other Bromley staff pay review arrangements.

Proposals

- 3.6 A big challenge will be balancing the proposals for change with maintaining a motivated and skilled workforce. It is therefore proposed that the Council withdraws from the current national and regional arrangements broadly on an "as is" basis. This means that with the exception of the proposals regarding the annual pay review and the performance related payments for management grade staff, existing terms and conditions would be "frozen" at the point of withdrawal. Any future changes would be for the Council to determine locally in conjunction with the trade unions, staff and staff representatives.
- This approach would keep to a minimum the impact of the changes on existing staff whilst at the same time enabling the Council to exercise more control and improve the links between pay and performance.

3.7 If Members agree then the next steps are for the proposals summarised below and in the attached appendices to be the subject of detailed discussion with the relevant recognised trade unions, staff, departmental representatives and other key stakeholders. The outcome of these discussions and any subsequent changes will be reported to Members for consideration and approval.

3.8 In summary the proposals are to introduce:

3.8.1 A Single Local Annual Pay Review Mechanism (see Appendix 1)

A single local annual pay review mechanism to replace the separate arrangements that currently exist for Bromley employees under the NJC Green Book, Soulbury Committee, Local Joint Negotiating Committee for Bromley Adult Education lecturers, and Management Grade staff. This would involve withdrawing from the existing collective bargaining arrangements as well as ceasing to accept a recommendation from Inbucon on the market movement in salary for staff on the Bromley management grades.

3.8.2 A Scheme of Discretionary Non-consolidated Rewards for Exceptional Performance (Appendix 2)

A scheme which aims to improve the links between pay and performance by recognising and rewarding exceptional performers on an individual basis. In order to maximise the amount of money that can be targeted to reward performance, and to ensure that the value of the benefit is not affected by other considerations, it is proposed that the nature of the rewards payable under the scheme are non-pensionable. The options to deliver this objective are currently under consideration and include, for example, non-cashable vouchers.

3.8.3 A Professional/technical grade equivalent to management grade 6

For highly specialised/technical posts which do not carry any significant management responsibilities, but which evaluate above grade BR14.

4 POLICY IMPLICATIONS

4.1 The introduction of localised pay and conditions is consistent with the Council's objectives around an Excellent Council and the HR Strategy. It also reflects the Council's Core Operating Principles in particular the drive to be efficient and non-bureaucratic seeking to reduce interference and bureaucratic control.

5 FINANCIAL IMPLICATIONS

5.1 With the exception of the Scheme for Exceptional Performance and ceasing the annual pay increase for unsatisfactory performance, the proposals are based on an "as is" basis and can therefore be contained with existing budgets. Funding considerations related to any increase arising from the local annual pay review process and the one-off non consolidated rewards will be aligned with and considered as part of the Council's normal budget setting processes.

5.2 This reports seeks Members approval to proceed with formal consultation on the draft proposals. More details on the financial implications of the changes will be available once the final proposals, following the outcome of consultation, are known. Any final proposals will be reported to Members for their consideration.

6.0 LEGAL AND PERSONNEL IMPLICATIONS

- 6.1 The Council is required by law to constructively engage and meaningfully consult staff and their representatives and, in particularly, the recognised Trade Unions on the proposals. Therefore, a series of consultative meetings and briefing sessions will be arranged across the entire organisation, including schools, to present the “raison d’etre” (business case for change) to staff, Trade Union and Departmental Representatives and other key change leaders and managers (e.g. Head Teachers, governors, line managers, etc.) in the organisation.
- 6.2 The consultation process will not be easy, given the impact of the on-going pay freeze, pension changes and other budget related/cost cutting measures, at local and national levels on staff morale and the real or perceived level of trust amongst staff. The initial reaction from the Unions is not encouraging and, whether they are open to persuasion with a view to achieving a collective agreement, will be assessed during the initial two month consultation period.
- 6.3 If an agreement is not secured the Council may consider other legal options, including individual agreements by staff to vary their terms and conditions of service. As a last resort, the Council may consider the “dismissal and re-engagement” option but this will require a further consultation of one month or three months, depending on the number of staff affected (in line with Section 188 of the Trade Union and Labour Relations (Consolidation) Act 1992).
- 6.4 Also, the proposal reflects the provisions in the Localism Act, particularly as regards improving democratic accountability and transparency in senior staff pay.
