MODEL CAPABILITY PROCEDURE FOR TEACHING STAFF IN COMMUNITY AND VOLUNTARY CONTROLLED SCHOOLS

1. PURPOSE AND SCOPE

- 1.1 This procedure is designed to help and encourage all staff achieve and maintain good standards of job performance.
- 1.2 Throughout the operation of this procedure, the Head Teacher/Chair of Governors and/or Governors' Committee will have due regard to the requirements of the ACAS Code of Practice on Disciplinary and Grievance Procedures, and the Equality Act 2010 to ensure consistency of treatment and fairness.
- 1.3 This procedure applies only to teachers or Head Teachers about whose performance there are serious concerns that the appraisal process has been unable to address. The Line Manager must make it clear to the employee when the formal procedure is being used.
- 1.4 This procedure does not cover the normal day-to-day supervision where a Line Manager may have to counsel, train or otherwise discuss with an employee instances of poor performance. It is intended to cover those cases where an employee's work performance is below the required standard through lack of capability. It does not cover instances of misconduct or incapability due to ill-health, both of which are dealt with under separate procedures.
- 1.5 If an employee commences sick leave whilst subject to the capability procedure, the capability procedure should continue unless medical advice sought from an Occupational Health Adviser reveals an underlying medical condition, in which case the situation will be considered in the light of the facts and circumstances of the particular case.
- 1.6 Concerns about a Head Teacher's performance may be identified by the Governors or LA Officers at an early stage through their normal involvement in the management of the school. The Director of Education and Care Services should also be advised of such concerns at an early stage.
- 1.7 An Ofsted inspection or similar formal review of the school might also reveal deficiencies in performance which need to be addressed.
- 1.8 The procedure is designed to provide assistance and encouragement to staff to achieve and maintain good standards of performance in their duties. With this objective in mind, the procedure provides for the employee to receive guidance, support and feedback over a reasonable period of time to meet realistic targets and standards. The employee must also accept responsibility

for meeting any standards and targets set. These procedures are therefore aimed at achieving the required improvement, not punishment, but if all else fails, they will help ensure a fair dismissal.

- 1.9 The procedure applies to all teachers, including Head Teachers, employed under the School Teachers' Pay and Conditions Act 1991 and any successor Act, and the Conditions of Service for School Teachers in England and Wales with the exception of staff employed on a casual day-to-day basis.
- 1.10 In the circumstances where a Newly Qualified Teacher is significantly failing to meet the requirements of his/her statutory induction period, the formal capability procedure will be used including the fast track, where appropriate, to resolve the matter.
- 1.11 During the course of the capability procedure an employee might raise a grievance against the actions of the manager handling the case or against other Senior Managers. Normally this will be dealt with as part of consideration of the facts of the case under this procedure. However, the manager investigating the case will seek advice from the appropriate professional adviser and, depending on the circumstances, it may be appropriate to suspend the formal capability procedure for a short period until the grievance can be considered.
- 1.12 The Governing Body and Head Teacher will monitor the operation and effectiveness of this procedure.

2. RIGHTS OF REPRESENTATION

- 2.1 Employees have the right to be accompanied at all stages of the formal capability procedure. They may be accompanied by a companion who may be a work colleague, a friend of their choice or a trade union representative who has been certified by their union as being competent.
- 2.2 Employers also have the right to be accompanied at all stages of the formal capability procedure. The Director of Education and Care Services or his/her representative has a right to attend to give advice as to the law and procedure only when a dismissal is being considered.
- 2.3 The Director of Education and Care Services may also attend any other stage of the procedure to give advice as to the law and procedure as required at the invitation of the Head Teacher or Governors' Committee.
- 2.4 It is also possible for the Chairman of Governors or Head Teacher to request that the LA or some other professional adviser either conducts or assists in the conduct of the investigation, and the operation of this procedure.
- 2.5 If the employee is a trade union official, no formal action under the procedure should be taken until the circumstances of the case have been discussed with the appropriate branch secretary or full-time official.

3. DEFINITIONS AND AUTHORITY TO INITIATE ACTION

3.1 The following definitions will apply throughout this procedure:

The Governing Body may delegate its power to dismiss any member of staff to the Head Teacher, an individual Governor or group of Governors with or without the Head Teacher.

The Head Teacher is normally expected to lead in all initial staff dismissal decisions. The Head Teacher may involve other Governors in dismissal processes (e.g. investigations) but where responsibility for staff dismissal has been delegated to the Head Teacher, the final decision on whether to terminate an individual's employment rests with the Head Teacher. However, if the Head Teacher has been extensively involved in the individual case, he/she should consider whether to refer the dismissal to a relevant committee.

Where the Governing Body has delegated responsibility for staff dismissal to a relevant committee, the provisions below regarding the constitution of such a committee shall apply.

- | | |
|---|---|
| Line Manager | - anyone who has been delegated supervisory responsibilities by the Head Teacher for the operation of this procedure. Only in secondary schools may this authority be delegated by the Head Teacher to those below Deputy Head Teacher. |
| Head Teacher | - Head Teacher of the school. Where the person subject to the procedure is the Head Teacher, the Senior Manager should be the Chairman of Governors. |
| Committees and Appeal Committees | - Committees established by the Governing Body to deal with capability matters. The Governing Body may establish the committees it thinks necessary to deal with a particular function. However, the Regulations provide for Governing Bodies to establish a Staff Dismissal Committee and a Staff Dismissal Appeal Committee to deal with staff dismissals. The Capability Committee and the Staff Dismissal Committee may be the same Committee. An Appeal Committee should consist only of Governors who have taken no part in the decision against which the appeal is made.

All committees should comprise a minimum of three Governors unless exceptional circumstances apply. |
| Director of Education and Care Services | - includes any Officer or Adviser with specific delegated power. |
| Days | - working days or consecutive days if it is necessary and/or possible to progress matters outside term time. |

- 3.2 Reference throughout this procedure to the Line Manager, Head Teacher, Director of Education and Care Services, Chairman of Governors and employee shall include their personal representatives as appropriate. In most instances, the Director of Education and Care Services representative will be a member of the LA's Human Resources Consultancy Service. In some cases the Line Manager and the Head Teacher may be the same person (eg smaller schools).
- 3.3 The following table details the maximum action which can be imposed at various levels of authority, and the various stages of the formal capability procedure applicable to these levels:

Level of Authority	Authorised to
Line Manager	<ul style="list-style-type: none"> - carry out investigations and assessment and decide what action is required in consultation with the Head Teacher and any other professional adviser - initiate action under the formal capability procedure in consultation with the Head Teacher if s/he is not the Head Teacher - issue formal oral and written warnings in consultation with the Head Teacher if s/he is not the Head Teacher.
Head Teacher	<ul style="list-style-type: none"> - carry out investigations and assessment and decide what action is required. - initiate action under the formal capability procedure - issue formal and oral warnings including a final written warning - withhold an incremental rise - suspend (in consultation with the Chairman of Governors) - refer a case to the Governors' Committee for consideration - dismiss (in consultation with the Director of Education and Care Services)
Committee	<ul style="list-style-type: none"> - hear appeals against a final written warning issued by a Head Teacher - suspend or order a Head Teacher to end a suspension - issue formal or final written warnings or some other penalty if appropriate - hear appeals against a decision not to remove a warning from the personal file
Staff Dismissal Committee	<ul style="list-style-type: none"> - conduct formal capability hearings where dismissal is under consideration where authority has not been delegated to the Head Teacher or where the Head Teacher has been involved in the preparation of the case and also issue formal or final written warnings or some other penalty if appropriate - dismiss (in consultation with the Director of Education and Care Services)

Level of Authority	Authorised to
Appeal Committee	<ul style="list-style-type: none"> - hear appeals against any penalty imposed by a Committee except termination of employment. - order an end to a suspension
Staff Dismissal Appeal Committee	<ul style="list-style-type: none"> - hears appeals against the Staff Dismissal Committee or Head Teacher's decision to dismiss.

3.4 To ensure fairness throughout the procedure, different people must participate at the original committee and appeal committee hearings. However, where the case concerns a continuing or related matter, the same Committee can hear the case on subsequent occasions.

3.5 In the event that the school's delegated budget is suspended then dismissal decisions will be taken by the Director of Education and Care Services, and any subsequent appeal will be heard by a Committee appointed under arrangements agreed by the Local Authority. In other cases the Staff Dismissal Committee and Staff Dismissal Appeal Committee should have regard to the LA's financial interest in dismissals, including the requirement to consult Human Resources in such circumstances.

4. STAGES IN THE FORMAL CAPABILITY PROCEDURE

4.1 This procedure applies where there are serious concerns regarding performance which the appraisal process has been unable to address. The period set for improvement will be reasonable and proportionate providing sufficient opportunity for improvement to take place. This period will normally be between four and ten weeks. Where the education of pupils is jeopardised, the period given for improvement under the formal procedure is to be not more than four weeks (in which case a final written warning will be issued). The stages are as follows:

Formal capability meeting

4.2 At least five days' notice will be given of the formal capability meeting. The notification will contain sufficient information about the concerns about performance and their possible consequences to enable the teacher to prepare to answer the case at a formal capability meeting. It will also contain copies of any written evidence; the details of the time and place of the meeting; and will advise the teacher of their right to be accompanied by a companion who may be a colleague, a trade union official, or a trade union representative who has been certified by their union as being competent.

4.3 This meeting is intended to establish the facts. It will be conducted by the Chair of Governors (for Head Teacher capability meetings) or Head Teacher or Line Manager (for other teachers). The meeting allows the teacher, accompanied by a companion if they wish, to respond to concerns about their performance and to make any relevant representations. This may provide new information or a different context to the information/evidence already collected.

- 4.4 The person conducting the meeting may conclude that there are insufficient grounds for pursuing the capability issue and that it would be more appropriate to continue to address the remaining concerns through the appraisal process. In such cases, the capability procedure will come to an end. The person conducting the meeting may also adjourn the meeting. In other cases, the meeting will continue. During the meeting, or any other meeting which could lead to a formal warning being issued, the person conducting the meeting will:
- (i) identify the performance professional shortcomings;
 - (ii) consider any factors contributing to the poor performance including those submitted by the Teacher/Head Teacher and his/her representative;
 - (iii) give clear guidance on the improved standard of performance needed to ensure that the Teacher/Head Teacher can be removed from formal capability procedures;
 - (iv) explain any support that will be available to help the teacher improve his/her performance;
 - (v) set out the timetable for improvement and explain how performance will be monitored and reviewed. The timetable will depend on the circumstances of the individual case, and will be in accordance with the seriousness of the lack of capability of the employee. Should the teacher be absent due to ill health, this may need to be reviewed accordingly in the timescale allowed for improvement. In such circumstances, the employee must be referred immediately to the Occupational Health Physician to enable an assessment to take place of his/her health and fitness for continued employment.
 - (vi) **Normally, the period given for improvement will be no more than ten weeks after the date of entry into the formal procedure.**
(Additional text to be inserted following outcome of consultation: "The period set for improvement will however be reasonable and proportionate providing sufficient opportunity for improvement to take place and may be longer dependent on the circumstances". **In extreme cases, where the education of pupils is jeopardised, the period given for improvement after the date of a final written warning will be no more than four weeks;**
 - (vii) warn the teacher formally of the consequences of a failure to improve within the set period and that this could lead to dismissal. In very serious cases, this warning could be a final written warning;
 - (viii) notes will be taken of formal meetings and a copy sent to the member of staff. Where a warning is issued, the Teacher/Head Teacher will be informed in writing of the matters covered in the points above and given information about the timing and handling of the review stage and the procedure and time limits for appealing against the warning.

Formal Capability Review Meeting

- 4.5 Following this structured period of assessment, support, monitoring and evaluation, the next stage will be to arrange a formal capability review meeting to provide feedback and review progress and outcomes.
- 4.6 At least five days' notice of the meeting will be given and the notification will include the time and place of the meeting and will advise the Teacher/Head Teacher of their right to be accompanied.

4.7 Where in the opinion of the person/committee conducting the meeting:-

4.7.1 a satisfactory and sustained level of performance has been achieved there will be no further action under the formal procedure except to monitor the situation as part of normal management meetings in accordance with the appraisal process which will re-start. Any formal warning issued will remain on file until the Head Teacher/Committee is of the view that this can be removed.

4.7.2 the employee has failed adequately to satisfy or maintain targets and/or performance standards set, one of the following will apply:

- (a) a further formal written warning (which may be a final written warning) and a further period of support, monitoring and evaluation. The teacher must be told clearly that failure to achieve an acceptable and sustained standard of performance may result in dismissal. This letter must also record the main points of this meeting and improvements required.
- (b) a different balance of duties, if possible and appropriate;
- (c) an alternative suitable post in the school, if possible and appropriate;
(NB: (b) and (c) would not normally be appropriate for Head Teachers)
- (d) referral of the matter to a Governors' Committee for consideration of dismissal due to failure to improve, in which case consideration will also need to be given to suspension of the teacher and/or alternative teaching arrangements. This Committee must be convened as a 'Staff Dismissal Committee';
- (e) referral of the matter to the Head Teacher where responsibility for consideration of dismissal has been delegated by the Governing Body and the Head Teacher has not been directly involved in the procedures leading to capability action and instigated the proposal to dismiss in question.

Whatever the outcome under 4.81 or 4.82 above the decision will be confirmed in writing to the employee within 5 days of the review meeting.

5. FORMAL CAPABILITY HEARINGS

5.1 If the decision is to deal with the matter at a capability hearing under (d) or (e) above, the letter to the employee must be received not less than **5 working or 7 consecutive days** before the hearing itself and must:

- (i) instruct the employee to attend a formal hearing;
- (ii) contain a written statement of the specific concerns against the employee (confirming the seriousness and that dismissal could be a possible outcome);
- (iii) advise the employee that the hearing forms part of the formal capability procedure (including a copy of the procedure if this has not already been provided);

- (iv) advise the employee of his/her rights of representation;
- (v) contain copies of any relevant documents to be submitted to the hearing;
- (vi) request details of any documents to be submitted and witnesses to be called by the employee.

A duplicate copy of the letter and all documentation must be included for his/her representative.

5.2 Preparing for the Hearing

- 5.2.1 It is good practice to agree a mutually convenient date for the capability hearing with the employee and their representative. This is to ensure that the hearing does not have to be delayed or postponed at the last minute. Where the chosen representative cannot attend the date proposed, the employee can offer an alternative date and time so long as it is reasonable and falls before the period of **5 working or 7 consecutive days** beginning with the first day after the day proposed by management.
- 5.2.2 The employee must have regard to the availability of the managers involved in the case. The location and timing of any alternative hearing should be convenient to both the employee and management.

The Head Teacher/Governing Body must arrange for a clerk to be available to take note of the key points during the hearing.

- 5.2.3 Consideration must be given to requesting the presence of LA advisers for any hearing conducted by the Head Teacher, the Staff Dismissal Committee or Staff Dismissal Appeal Committee. The Director of Education and Care Services' **representative has a right to attend in cases where dismissal could be the outcome**. Any advice given in this respect must be considered before any decision is taken.
- 5.2.4 The Line Manager/Head Teacher presenting the case is also entitled to be assisted by an officer of the LA acting in an advisory capacity. Such an officer should at no time take part as a witness in the proceedings.
- 5.2.5 The Head Teacher/Committee will decide at the hearing whether the case for further formal action has been established after considering all the evidence presented by both sides.
- 5.2.6 If an employee is dismissed as a result of this procedure (serious professional incompetence) or resigns before the formal capability process is completed, the Head Teacher will inform him/her of their statutory duty to report the case to the Teaching Agency.

5.3 Penalties

The possible penalties available to the Head Teacher/Staff Dismissal Committee are:

Level of Performance	Possible Capability Penalty
Continued failure to work to required standards after previous formal written warning(s)	Final written warning, withholding of an increment, transfer or relegation to another post, dismissal with notice

5.4 Decision Letters

5.4.1 The decision on the outcome of the formal capability hearing will be confirmed in writing, within **5 working or 7 consecutive days** of the hearing. At the same time as the employee is informed of the outcome of the hearing, he/she will be advised of any right of appeal.

5.4.2 If a penalty is to be imposed, the employee must be informed in writing, as appropriate, of:-

- (i) details of the specific concerns;
- (ii) a brief summary of the findings as to the facts presented at the capability hearing;
- (iii) the nature of the penalty imposed or alternative course of action decided upon;
- (iv) the opportunity to ask for clarification of the action to be taken and from whom.

5.4.3 Where dismissal is not the outcome, the decision letter must state:

- (a) the level of performance required in the future;
- (b) the time scale within which the performance will be monitored and improvement assessed and who will be responsible for carrying this out;
- (c) arrangements for guidance, feedback, supervision or training, where appropriate;
- (d) what will happen if work performance fails to meet the required standards;
- (e) the specified period of time after which he/she may request removal of a warning from file and to whom;
- (f) the employee's right of appeal and how and to whom this should be presented.

5.4.4 A copy of this letter should be sent to the employee and his/her representative, the Director of Education and Care Services, and a copy retained on file. As indicated in the letter an employee may request the Committee or Head Teacher, after a specified period of time, to have any warning letter on file removed for the purpose of future capability proceedings. Such a request shall be fully considered and not unreasonably refused and

the Committee or Head Teacher will respond in writing to this request normally within **5 working or 7 consecutive days**, giving reasons if this request is refused.

6. APPEALS

6.1 Under this procedure an employee has the right to appeal against:

- a final written warning
- a decision not to remove a warning from the employee's file
- dismissal
- lesser penalties

6.2 In all other cases the employee is entitled to register his/her dissent against a formal warning and to have his/her reason(s) for this recorded as part of the decision letter.

6.3 The appeal will be heard by an Appeal Committee as appropriate but there will be no further right of appeal beyond a hearing by one such Committee. In the case of an appeal against dismissal the Appeal Committee must be convened as the Staff Dismissal Appeal Committee.

6.4 The Appeal hearing provides an opportunity for a rehearing of the case to determine whether the original decision was reasonable in the circumstances.

APPEAL AGAINST	RIGHT OF APPEAL
Final written warning issued by Head Teacher	Committee
Head Teacher's decision not to remove a warning from the personal file	Committee
Any decision of the Committee except a decision arising from an earlier appeal stage	Appeal Committee or Staff Dismissal Appeal Committee

6.5 A request for an appeal must be made to the Head Teacher within **5 working or 7 consecutive days** of the receipt of the letter detailing the decision.

7. DISMISSAL

7.1 A Staff Dismissal Committee or Head Teacher (where in receipt of delegated powers) is authorised to determine the dismissal with notice of an employee (in consultation with the Director of Education and Care Services). The Capability Committee and the Staff Dismissal Committee may be the same Committee.

- 7.2 The decision to dismiss will be confirmed in writing to the employee, his/her representative and the Director of Education and Care Services. The letter will also contain the reasons for the dismissal and the right of appeal to the Staff Dismissal Appeal Committee within **5 working or 7 consecutive days** of receipt of the letter.
- 7.3 Where the Staff Dismissal Appeal Committee decides to uphold the decision of the Staff Dismissal Committee to dismiss there will be no further internal right of appeal. This decision may be communicated verbally to the employee at the conclusion of the hearing but will in every case be confirmed in writing to the employee, his/her representative and the Director of Education and Care Services within **5 working or 7 consecutive days**.
- 7.4 Within **5 working or 7 consecutive days** of the date of written notification of the decision to dismiss by the Head Teacher / Staff Dismissal Committee, the Director of Education and Care Services will give notice to terminate the employee's contract of employment at the school.
- 7.5 If the appeal to the Staff Dismissal Appeals Committee overturns the decision of the Staff Dismissal Committee to dismiss, the termination notice may be rescinded.

PROCEDURE FOR CONDUCTING FORMAL HEARINGS BEFORE A GOVERNORS COMMITTEE/THE STAFF DISMISSAL COMMITTEE/HEAD TEACHER

Once a decision has been made to hold a formal hearing the employee will be sent a letter notifying him/her of the hearing (with a duplicate copy for his/her representative) to be received not less than **five working or seven consecutive days** before the hearing itself.
