

LONDON BOROUGH OF BROMLEY

STATEMENT OF EXECUTIVE DECISION

The Portfolio Holder for the Environment, Councillor Colin Smith, has made the following executive decision:

BUDGET MONITORING 2012/13

Reference Report (ES12109):

Env Budget Monitoring 2012/13

Enc. 1 for Env Budget Monitoring 2012/13

Decision:

The latest 2012/13 budget projection for the Environment Portfolio be endorsed.

Reasons:

Based on expenditure and activity levels to 31st August 2012, the 2012/13 budget for the Environment Portfolio is projected to balance at year end.

The proposed decision was scrutinised by the Environment PDS Committee on 25th September 2012 and the Committee supported the proposal.

LONDON BOROUGH OF BROMLEY

STATEMENT OF EXECUTIVE DECISION

The Portfolio Holder for the Environment, Councillor Colin Smith, has made the following executive decision:

CAPITAL PROGRAMME – FIRST QUARTER MONITORING 2012/13 AND FINAL OUTTURN 2011/12

Reference Report (RES12151):

ENV PDS 250912 Capital Programme - 1st Quarter Monitoring 2012-13 and Final Outturn 2011-12

ENV PDS 250912 Appendix A to Capital Programme Report

Decision:

The changes agreed by the Executive in July be confirmed.

Reasons:

At its meeting on 25th July 2012, the Executive agreed a revised Capital Programme for 2012/13 to 2015/16 and changes in respect of the Capital Programme for the Environment Portfolio are highlighted in Report RES12151.

The proposed decision was scrutinised by the Environment PDS Committee on 25th September 2012 and the Committee supported the proposal.

LONDON BOROUGH OF BROMLEY

STATEMENT OF EXECUTIVE DECISION

The Portfolio Holder for the Environment, Councillor Colin Smith, has made the following executive decision:

EXTENSION TO CONTRACT FOR PROVISION OF MOBILE PHONE PARKING

Reference Report (ES12111):

Extension to Contract for Provision of Mobile Phone Parking

Decision:

(1) The contract for mobile phone parking payment be extended for a further two years.

(2) The policy of reducing the number of pay and display machines be continued where practical.

Reasons:

Report ES12111 reviews the first 2.5 years of the scheme for mobile phone parking payment, going forward into the third and final year of the contract. There is an option to extend the contract at the Council's discretion for a further period not exceeding two years and the report sets out the reasons for recommending an extension.

Parking payment by mobile phone has proved to be a continuing success with an average 410 transactions per day. This is steadily increasing with a projected 150,000 transactions for 2012/13.

The removal of 23 pay and display machines at specific on-street locations has also taken place throughout the Borough (enabling the machines to be recycled) with a further 18 machines ready to be removed. The Mobile Phone Parking Scheme is advertised at each location where a machine has been removed. Removal of the machines does not affect the public's ability to pay by cash given the provision of at least one machine within the zone.

Mobile phone payment has contributed to the Council being able to reduce cash collection costs by £43k per annum. If mobile phone payment continues to increase, additional savings could be generated from cash collection costs. The expected growth would also enable more pay and display machines to be removed and recycled.

Bromley Parking Services and Cobalt Technologies have worked well together in introducing new parking schemes or making adjustments to parking tariffs. There is scope within the current contact to provide other mobile phone parking solutions in future and Bromley Parking Services and Cobalt are keen to explore such ideas.

Officers have maintained a close interest in services provided by other mobile phone parking companies and are not aware of any different services that would warrant a tendering exercise. It is felt that there are clear advantages to continuing with the contract and this decision gives approval to extend the contract for a further two years.

The proposed decision was scrutinised by the Environment PDS Committee on 25th September 2012 and the Committee supported the proposal.

LONDON BOROUGH OF BROMLEY

STATEMENT OF EXECUTIVE DECISION

The Portfolio Holder for the Environment, Councillor Colin Smith, has made the following executive decision:

TFL FUNDED WORK PROGRAMME FOR 2013/14

Reference Report (ES12116):

TFL FUNDED WORK PROGRAMME FOR 2013/14

Enc. 1 for LIP Programme Update

Enc. 2 for LIP Programme Update

Decision:

- (1) The programme of formula funded schemes for 2013/14 at Enclosure 1 to Report ES12116 be approved for submission to Transport for London.**
- (2) The bid for Bridges and Structures at Enclosure 2A to Report ES12116 be approved for submission to Transport for London.**
- (3) The programme for Principal Road Maintenance at Enclosure 2B to Report ES12116 be approved for submission to Transport for London.**
- (4) The Director of Environmental Services, in consultation with the Environment Portfolio Holder, be authorised to make post-submission changes to the programme to reflect any necessary changes to priority, potential delays to implementation following detailed design and consultation, or other unforeseen events.**

Reasons:

In relation to Bromley's 2013/14 formula allocation from TfL (£2.771m), this decision provides approval for a recommended list of schemes to be submitted to TfL in early October 2012.

Ring-fenced TfL funding will also be available to support other programmes, including Local Transport Priorities, Principal Road Maintenance, Bridges/Structures and Bromley North Village. As such the above decision also approves the submission of bids to TfL for Bridges and Structures and a Programme of Principal Road Maintenance.

The proposed decision was scrutinised by the Environment PDS Committee on 25th September 2012 and the Committee supported the proposal.

LONDON BOROUGH OF BROMLEY

STATEMENT OF EXECUTIVE DECISION

The Portfolio Holder for the Environment, Councillor Colin Smith, has made the following executive decision:

GREEN STREET GREEN PARKING REVIEW

Reference Report (ES12121):

Green Street Green Parking Review

Enc. 1 for Green Street Green Parking Review

Enc. 2 for Green Street Green Parking Review

Decision:

- (1) Parking changes shown on Drawing Number 11033-05 Revision A along with the additional parking and changes for “Old” Shire Lane as shown on Drawing Number 11160-01 be implemented.**
- (2) A consultation on the proposed parking restrictions around the Beechwood Estate (Drawing Number 11033-01-10 Revision C) be undertaken.**
- (3) The decision on final design of the schemes at (1) and (2) above be delegated to the Director of Environmental Services, in consultation with the Environment Portfolio Holder and Ward Members.**
- (4) The Green Street Green and “Old” Shire Lane schemes be reviewed after six months to determine if they have met their objectives and to discover if parking issues need to be addressed in any roads currently outside of the affected area, and that if a scheme is installed in the Beechwood Estate that this scheme is also reviewed at the same time as the Green Street Green and “Old” Shire Lane schemes.**

Reasons:

This decision gives approval for the introduction of a parking scheme in the Green Street Green area.

There is a high demand from shoppers, workers and residents to park on street given a number of small business units in the High Street at Green Street Green. Additionally a number of properties close to the High Street have limited off street parking facilities and residents can find it difficult to find a suitable parking place.

Following informal consultation with Ward Members, traders and resident groups, a formal consultation was undertaken in August 2012 to assess support for introducing a parking scheme.

Proposals for the scheme as originally drafted are outlined in Report ES12121. However the Environment PDS Committee at their meeting on 25th September 2012 supported proposals for revising and adding to those contained in Report ES12121. These proposals are outlined in additional drawings which were tabled at the

Committee meeting and show:

- a revised drawing (Drawing Number 11033-05 Revision A) for the Green Street Green Parking Scheme to replace the drawing appended to Report ES12121;
- a proposed parking scheme for "Old" Shire Lane (Drawing Number 11160-01); and
- proposed parking restrictions around the Beechwood Estate (Drawing Number 11033-01-10 Revision C).

Certain details in the text of Report ES12121 are amended by virtue of Drawing Number 11033-05 Revision A. This drawing takes account of the outcomes from consultation - which were not available when the report was drafted - along with outcomes of a meeting on 21st September 2012 between a Ward Councillor, the Head of Traffic and Road Safety and the Contact Officer for Report ES12121. It was at the recommendation of Ward Councillors that proposals have been developed for the use of "Old" Shire Lane in the context of overall parking proposals for the Green Street Green area.

The proposed decision was scrutinised by the Environment PDS Committee on 25th September 2012 (see text above).

LONDON BOROUGH OF BROMLEY

STATEMENT OF EXECUTIVE DECISION

The Portfolio Holder for the Environment, Councillor Colin Smith, has made the following executive decision:

BRITTENDEN PARADE GREEN STREET GREEN - PROPOSED MAKING UP

Reference Report (ES12128):

Brittenden Parade, Green Street Green - Proposed Making Up

Enc. 1 for Brittenden Parade, Green Street Green - Proposed Making UP

Decision:

(1) The layout for Brittenden Parade as shown on drawing no. ESD-10542-3 be approved.

(2) A First Resolution under s.205(1) of the Highways Act 1980 be made in respect of Brittenden Parade as follows:

The Council do hereby declare that Brittenden Parade, Green Street Green is not sewered, levelled, paved, metalled, flagged, channelled, made good and lighted to its satisfaction and therefore resolve to execute street works therein, under the provisions of the Private Street Works Code as set out in the Highways Act 1980.

Schedule of Works

From the junction with Glentrammon Road to the north to a point some 45.0m south where the street terminates outside no. 5 Brittenden Parade, as more particularly shown on drawing no. ESD-10542-3

Reasons:

Report ES12128 provides details of the referendum results into the making up of Brittenden Parade, Green Street Green.

The proposed decision was scrutinised by the Environment PDS Committee on 25th September 2012 and the Committee supported the proposal.
