1. Reason for report

- 1.1 It was agreed at a previous meeting that visits to schools in Bromley by Members of Bromley SACRE are important for their ability to understand the teaching and learning of religious education and SACRE's requirement to monitor RE and collective worship in schools. It is also a good way to highlight the work of SACRE to teachers.
- 1.2 It was also agreed that the RE consultant should be released from organising and making school visits during this year in order to use the time to work on the Bromley Syllabus revision.
- 1.3 The Chair of SACRE agree to coordinate members and contact schools to make visits during this time.
