1. Reason for report

- 1.1 At the Annual Council meeting each year a Scheme of Delegation to Officers is approved by Council and by the Leader. The Scheme is an appendix to the Council's constitution. In 2010, the Scheme was amended to meet the requirements of the Local Government and Public Involvement in Health Act 2007, principally by clarifying whether powers are delegated by the Council, by the Leader in the case of executive powers, or both. The Scheme was last updated by Council on 16th May 2012 and only a small number of minor corrections are proposed which deal with changes to departments and chief officer titles.

3. COMMENTARY

- 3.1 The Scheme of Delegation to Officers sets out formal delegation of various powers to the Council's chief officers and their staff, and forms part of the Council's Constitution (Appendix 10). The Scheme is normally updated for approval at the Council's annual meeting in May each year, although under the Local Government and Public Involvement in Health Act 2007 any executive powers delegated to officers have to be delegated not by the Council, but by the Leader of the Council, and it is open to the Leader to table changes to the executive scheme. The executive or non-executive origin of each delegation in the scheme is reflected in a column which indicates whether each individual delegation derives from the Leader or from Council, or both.
- 3.2 The scheme has been reviewed and officer titles have been updated to accord with the recent changes in departmental structures and to correct any minor inaccuracies. The amended scheme is attached at [Appendix 1](#).
