Notes:

(1) Start up Funding Assessment, as announced in the local government finance settlement. Based on previous method of formula funding and the rolling in of some additional specific grants. Start up Funding is split between Revenue Support Grant (RSG), the local share of retained business rates and related "top-up" payment under the new Business Rates Retention Scheme.

(2) Provisional figures as published by the CLG relating to a number of specific grants outside of the Start up Funding Assessment. These grants include funding for Public Health, New Homes Bonus, Housing Benefit Subsidy Administration and a number of smaller grants. There are also a range of other specific grants awarded throughout the year and notified separately to individual authorities for which the information is not included in the CLG published figures.

(3) Provisional draft Band 'D' Council Tax (excluding GLA Precept) based on latest available information. Figures for Sutton and Hackney are as per 2012/13 as information is not yet available relating to 2013/14.
