Members were also informed that although the proposal did not accord with the three reasons which made development on Urban Open Space acceptable (as set out in Policy G8), in this instance, it was suggested that the temporary nature of the proposal and the fact that it was predominantly a use of land, along with the benefits of the town centre improvements it would support, made it a suitable exception to Policy G8.

Members having considered the report and objections, **RESOLVED that PERMISSION BE GRANTED** as recommended, subject to the conditions set out in the report of the Chief Planner with the deletion of conditions 1 and 2 and the addition of a further 4 conditions to read:-

REASON: In order to comply with Policy NE7 of the Unitary Development Plan and to ensure that as many trees as possible are preserved at this stage, in the interest of amenity.

5 The building(s) hereby permitted shall be removed and the use discontinued and the land reinstated to its former condition on or before 31 July 2015.

REASON: In order that the situation can be reconsidered in the light of the circumstances at that time in the interest of the amenities of the area.

6 No movement of vehicles shall take place on the site before 8 am or after 7 pm on Mondays to Saturdays nor before 10 am or after 4 pm on Sundays and Bank Holidays.

REASON: In order to comply with Policy BE1 of the Unitary Development Plan and in the interest of the amenities of the area.
