

**QUESTION TO THE PORTFOLIO HOLDER FROM MR COLIN WILLETTS
FOR WRITTEN REPLY**

With regard to the dumping of 'green waste' at the northern end of Cotmandene Crescent car park, could the Portfolio Holder tell me the number of penalty notices sent out to the offenders and exactly how many have resulted in successful prosecutions or fines successfully collected?

Reply

With regard to the dumping of waste in the vicinity of the Cotmandene Crescent car park and the incidents that have been filmed using the Council's CCTV system, I can report the following outcomes:

Currently subject to further investigation	42
Warning Letters sent	28
Fixed Penalty Notices served	29

This activity has only recently been instigated and at this moment in time none of the cases have progressed beyond the fixed penalty stage and none have been the subject of prosecution.

At this early stage, we are unable to provide information on the total amount of money successfully collected as a result of these actions.
