206. Bethlem Royal Hospital Update	<p>It was resolved that:</p> <p>A report be provided to the Committee following the completion of investigations into the escape incident of February 2012.</p> <p>It was noted that a meeting of SLaM was going to take place in February 2014, when a decision would be made in respect of inviting a member of the PPS/PDS Committee to sit on the Board of Governors.</p>	<p>A report has been drafted and seen by some Committee Members. It is proposed to invite the new Chief Executive of SLaM to the July PPS/PDS meeting. It is further proposed that the report in question be available to Members 1 hour before the meeting in a Committee Room.</p>
27th November 2012		
72C. Putting Victims First – More Effective Responses to Anti-Social Behaviour	<p>Although the number of interventions would be reduced by the Draft Anti-Social Behaviour Bill as it removed certain Orders and condensed layers of intervention and noting that the schedule of short, medium and longer term objectives set out at paragraph 3.3 of Report ES13015 would be contained within existing budgets, it was nevertheless recommended that an assessment be made of any additional costs potentially falling to the Council - this assessment to involve engagement with other Council Departments (including Legal) and agencies such as the police.</p>	<p>Work is continuing to assess resource requirements as a result of measures outlined in the Draft Anti-Social Behaviour Bill. As central government guidance has yet to be received on the new arrangements (e.g. allocation of responsibilities, definitions etc.), it has been agreed to provide the report when such information becomes available.</p> <p>The Bill is currently at the Report Stage in the House of Lords.</p>
