

Annex A: Indicative minimum funding levels for 2015-16

1. The table below provides more information about each of the indicative minimum funding levels. These may change when we have final confirmation of local authorities' 2014-15 local funding formulae.

		Minimum funding levels		
		Primary	Secondary	
Age-weighted pupil unit		£2,845	Key stage 3: £3,951 Key stage 4: £4,529	
Pupils who have been eligible for free school meals in the past six years		£893	£1,080	For a pupil who is both eligible for free school meals and lives in an IDACI band 1 to 6 area, the local authority would attract both the FSM and relevant IDACI band minimum funding levels.
Pupils who live in an area that is in one of the income deprivation affecting children index (IDACI) bands	IDACI 1	£237	£321	
	IDACI 2	£290	£423	
	IDACI 3	£387	£530	
	IDACI 4	£453	£596	
	IDACI 5	£511	£659	
	IDACI 6	£741	£894	
Looked after children		£1,009	£1,009	The same measure would be used as is currently set out in the 2014-15 school funding arrangements. The minimum funding level would apply to the children reported to the Department, through the annual children looked after return and who are looked after children, for one day or more at the census point.
Pupils with low prior attainment		£878	£1,961	For the primary measure, this would apply to pupils who did not reach the expected level of development on the new Early Years Foundation Stage Profile or who achieved fewer than 78 points on the old EYFSP. For secondary pupils the minimum funding level applies to pupils not reaching L4 at KS2 in either English or maths.
English as an additional language		£505	£1,216	This minimum funding level would apply to pupils with EAL who entered the English state school system in the past three years.
Lump sum		£117,082	£128,189	Middle schools would attract a minimum lump sum weighted by their ratio of primary to secondary year groups in the school. All-through schools would attract the secondary amount.
Sparsity sum		£53,988	£53,988	A taper would apply, whereby the size of the sum is in inverse proportion to the size of the school. The criteria for attracting the minimum funding level would be the same as the criteria for the sparsity factor in local formulas. Details of this are in '2014-15 Revenue Funding Arrangements: Operational Information for Local Authorities'.
