### 3. COMMENTARY

#### Meeting Schedule

- 3.1 Each PDS Committee determines its own work programme, balancing the roles of (i) holding the Executive to account, (ii) policy development and review and (iii) external scrutiny. This Committee has the additional role of providing a lead on scrutiny issues and coordinating PDS work.
- 3.2 PDS Committees need to prioritise their key issues. The work programme also needs to allow room for items that arise through the year, including Member requests, call-ins and referrals from other Committees. Committees need to ensure that their workloads are realistic and balanced, allowing sufficient time for important issues to be properly scrutinised. Members also need to consider the most appropriate means to pursue each issue – the current overview and scrutiny arrangements offer a variety of approaches, whether through a report to a meeting, a time-limited working group review, a presentation, a meeting focused on a single key issue or any other method.
- 3.3 A schedule of the Committee’s meetings in 2014/15 is attached at [Appendix 1](#). The timing of meetings is tied to the need to pre-scrutinise Executive agendas. As in previous years, question sessions with the Leader, Resources Portfolio Holder and Chief Executive will be added to the programme throughout the year.

#### Sub-Committees and Working Groups

- 3.4 The Policy Development and Scrutiny Toolkit suggests that each Committee should aim to carry out no more than two or three full scale reviews each year, and it offers guidance and techniques for prioritising reviews. At a time of pressure on Member and officer resources it is important that any additional work is carefully targeted at priority issues where improvements can be achieved. In recent years, this Committee has examined a number of issues through its Working Groups - part of the Committee’s workload may include follow-up work on some of these reviews (such as the work of the New Technology Working Group or the Costs and Charges Working Group).
