 2. Call-in: Call-in is not applicable.
-

Customer Impact

1. Estimated number of users/beneficiaries (current and projected): There are currently 37 deferred pensioner Members in the Scheme.
-

Ward Councillor Views

1. Have Ward Councillors been asked for comments? N/A.
2. Summary of Ward Councillors comments: Council wide

3. COMMENTARY

- 3.1 In a written ministerial statement issued on 19th December 2012, the Government announced its intention to remove access to the Local Government Pension Scheme (LGPS) for Councillors in England. On 10th March 2014, following a period of statutory consultation between April and July 2013, Regulations were laid to withdraw access to the LGPS for new Councillors from 1st April 2014 and for existing Councillors from the end of their current term of office.
- 3.2 As a result of the Government's decision, membership for Councillors ceased on 26th May 2014 and they became entitled to deferred benefits. The following options are available to Councillors with regard to when the deferred benefits can be paid:
- at age 65;
 - between age 65 and 75 (should a Councillor elect to defer payment beyond age 65 the amount of pension payable will be actuarially increased);
 - on or after age 60 and before age 65 without the Council's consent;
 - on or after age 50 and before age 60 with the Council's consent (benefits paid between age 50 and age 55 are usually subject to an additional tax charge);
 - on permanent ill health;
 - on death where a survivor benefit is payable.
- 3.3 Councillors also have the option, if under the age of 64 and providing benefits have not yet come into payment, to transfer the value of their LGPS pension rights to another occupational pension scheme, personal pension plan, stakeholder pension scheme or a buy-out insurance policy. Councillors are recommended to obtain independent financial advice if considering this option. A transfer value quotation can be provided by Liberata pensions on request.
- 3.4 In April 2014, Liberata pensions wrote to all Councillors advising of these changes and, over coming weeks, will be writing again to provide Councillors with their accrued pension benefits and the options available to them.
- 3.5 Where benefits are taken before the age of 65, either with or without the Council's consent, benefits will be actuarially reduced to reflect early payment but the Council has discretion to waive the reduction, in whole or in part, on compassionate grounds. The Council is required to agree a formal policy for the application of this discretion.
- 3.6 To provide consistency with the Council's current policies relating to employees, it is recommended that any application for the early payment of benefits requiring the Council's consent (ie. between ages 50 and 60) be considered by a Chief Officer's Early Retirement Panel. The Panel consists of four Chief Officers, including the Director of Finance and Director of Human Resources.
- 3.7 In considering applications for the early payment of benefits the Panel may exercise discretion to waive any actuarial reduction in individual cases having regard to the health of the Councillor, any financial or emotional hardship they may be suffering and the contribution the Councillor has made to public service.
- 3.8 In the event that a Councillor is not satisfied with the decision of the Panel, it is recommended there be a right of appeal to a Members Appeals Panel consisting of three Members who are not Members of the same Committee(s) as the Councillor.

- 3.9 Members are requested to consider and agree the policy to be applied with regard to the early payment of benefits as set out paras. in 3.6 to 3.8 above.

4. POLICY IMPLICATIONS

- 4.1 Under the provisions of the Local Government Pension Scheme (LGPS) Regulations, Councils are required to agree a formal policy for the exercise of certain discretionary functions.

5. FINANCIAL IMPLICATIONS

- 5.1 The decision to withdraw access to the LGPS for Councillors will result in savings of £68k in 2014/15 and £80k from 2015/16 arising from the fallout of employer contributions.

6. LEGAL IMPLICATIONS

- 6.1 The Public Service Pensions Act 2013 provides primary legislation for all public service schemes including the LGPS 2014.
- 6.2 The LGPS (Transitional Provisions, Savings and Amendment) Regulations 2014 were published on 10th March 2014. Regulation 26 reflects the Government's decision that Councillors and other elected office-holders in England shall no longer have access to the LGPS.
