REASONS FOR VARIATIONS

1. Building Control Cr £10k

For the chargeable service, an income deficit of £70k is anticipated based on information to date. This is being more than offset by a projected underspend within salaries of £95k arising from reduced hours working / vacancies. In accordance with Building Account Regulations, the net surplus of £25k will be carried forward via the earmarked reserve for the Building Control Charging Account.

Within the non-chargeable service, as a result in delays in not appointing to vacant posts, there is a projected underspend of £10k.

2. Planning Cr £40k

Income from non-major planning applications is £48k above budget for the first four months of the year, and a surplus of £120k is projected for the year. For information, actual income received for April to July is £45k higher than that received for the same period last year.

For major applications, £66k has been received as at 31st July and planning officers within the majors team have provided a schedule of additional potential income that may be received in the coming months of approximately £220k. Allowing for delays in some of this income being received, as well as other items not being received at all, a deficit of £120k is being projected for major applications at this stage of the year.

There is projected surplus income of £40k from pre-application meetings due to higher than budgeted activity levels.

Summary of variations within Planning:

£'000

Surplus income from non-major applications	Cr	120
Income deficit within major applications		120
Surplus pre-application income	Cr	40
Total variation for planning	Cr	40

3. Renewal Cr £20k

Within salaries, there is a projected net underspend of £20k. This has arisen due to a combination of departing staff being replaced at the lower end of the salary scale, and a secondment to Resources not being back-filled for 6 months.

4. Culture £60k

A budget saving of £150k was built into the culture budget for 2014/15 in anticipation that a review of the service would deliver the necessary savings. To date only £90k savings have been identified, leaving a budget gap of £60k. It is expected that further savings will be identified to ensure a balanced budget from April 2015.

5. Libraries Dr £200k

As part of the budget setting process for 2014/15, savings of £300k were built into the library budget. Detailed consultations have taken place with both staff and the public over the last few months about options to reduce opening hours. The installation of the Radio Frequency Identification Data system (RFID) in the remaining 9 libraries will be undertaken in the next two months and it is expected that only part year savings of £100k will be achieved this financial year. The full £300k savings will be achieved from April 2015.

Waiver of Financial Regulations

The Council's Contract Procedure Rules state that where the value of a contract exceeds £50k and is to be exempted from the normal requirement to obtain competitive quotations, the Chief Officer has to obtain the agreement of the Director of Resources and Finance Director and (where over £100,000) approval of the Portfolio Holder, and report use of this exemption to Audit Sub committee bi-annually. Since the last report to the Executive no waivers have been actioned.

Virements Approved to date under Director's Delegated Powers

Details of virements actioned by Chief Officers under delegated authority under the Financial Regulations "Scheme of Virement" will be included in financial monitoring reports to the Portfolio Holder. Since the last report to Executive, no virements have been actioned.
