#### **1. THE BRIEFING**

- 1.1. The Pharmaceutical Needs Assessment (PNA) is a statutory responsibility of local authorities and clinical commissioning groups (CCGs) to prepare, through the Health and Wellbeing Board.
- 1.2. The attached draft PNA is to be presented for approval to go out for public consultation at the next Health & Wellbeing Board on 16<sup>th</sup> October 2014.
- 1.3. Issuing the draft PNA via this briefing will hopefully allow Board Members sufficient time to review the draft document in advance of the meeting. Any questions in advance of the Board Meeting can be sent to the above contact officer.

#### **2. SUPPORTING DOCUMENTS**

- 2.1 A copy of the draft Pharmaceutical Needs Assessment is enclosed. A printed copy is available for Councillors to view in the Members Room.
