1. Reason for report

Training Activity: What is the Impact of RE?

2. **RECOMMENDATION(S)**

Members are encouraged to attend the training part of the meeting and share any anecdotal evidence they have on the impact of RE as a results of visiting schools themselves.

3. COMMENTARY

Bromley SACRE committee has occasional training sessions during the meeting to enable members to understand and carry out the duties of SACRE.

Previously we have heard of the importance of RE as a subject and from the teachers group on ways in which they deliver RE in their schools. At this meeting we will be looking at the impact of RE on pupils. We will be looking at some Power Point presentations from pupils at Bullers Wood school, which we recently visited, the RE Consultant will also update members on the impact of the new syllabus in Bromley.
