- 2.48. Carefully protect existing ramp.
- 2.49. Carefully protect existing ramp.
- 2.50. Carefully protect existing ramp.

2. CHURCH HILL ENTRANCE AND EASTERN WALL

- 2.1. Remove existing wall from existing historic plan.
- 2.2. Remove existing wall from existing historic plan.
- 2.3. Remove existing wall from existing historic plan.
- 2.4. Remove existing wall from existing historic plan.
- 2.5. Remove existing wall from existing historic plan.
- 2.6. Remove existing wall from existing historic plan.
- 2.7. Remove existing wall from existing historic plan.
- 2.8. Remove existing wall from existing historic plan.
- 2.9. Remove existing wall from existing historic plan.
- 2.10. Remove existing wall from existing historic plan.
- 2.11. Remove existing wall from existing historic plan.
- 2.12. Remove existing wall from existing historic plan.
- 2.13. Remove existing wall from existing historic plan.
- 2.14. Remove existing wall from existing historic plan.
- 2.15. Remove existing wall from existing historic plan.
- 2.16. Remove existing wall from existing historic plan.
- 2.17. Remove existing wall from existing historic plan.
- 2.18. Remove existing wall from existing historic plan.
- 2.19. Remove existing wall from existing historic plan.
- 2.20. Remove existing wall from existing historic plan.
- 2.21. Remove existing wall from existing historic plan.
- 2.22. Remove existing wall from existing historic plan.
- 2.23. Remove existing wall from existing historic plan.
- 2.24. Remove existing wall from existing historic plan.
- 2.25. Remove existing wall from existing historic plan.
- 2.26. Remove existing wall from existing historic plan.
- 2.27. Remove existing wall from existing historic plan.
- 2.28. Remove existing wall from existing historic plan.
- 2.29. Remove existing wall from existing historic plan.
- 2.30. Remove existing wall from existing historic plan.
- 2.31. Remove existing wall from existing historic plan.
- 2.32. Remove existing wall from existing historic plan.
- 2.33. Remove existing wall from existing historic plan.
- 2.34. Remove existing wall from existing historic plan.
- 2.35. Remove existing wall from existing historic plan.
- 2.36. Remove existing wall from existing historic plan.
- 2.37. Remove existing wall from existing historic plan.
- 2.38. Remove existing wall from existing historic plan.
- 2.39. Remove existing wall from existing historic plan.
- 2.40. Remove existing wall from existing historic plan.

3. LIBRARY LANDSCAPE

- 3.1. Remove existing wall from existing historic plan.
- 3.2. Remove existing wall from existing historic plan.
- 3.3. Remove existing wall from existing historic plan.
- 3.4. Remove existing wall from existing historic plan.
- 3.5. Remove existing wall from existing historic plan.
- 3.6. Remove existing wall from existing historic plan.
- 3.7. Remove existing wall from existing historic plan.
- 3.8. Remove existing wall from existing historic plan.
- 3.9. Remove existing wall from existing historic plan.
- 3.10. Remove existing wall from existing historic plan.
- 3.11. Remove existing wall from existing historic plan.
- 3.12. Remove existing wall from existing historic plan.
- 3.13. Remove existing wall from existing historic plan.
- 3.14. Remove existing wall from existing historic plan.
- 3.15. Remove existing wall from existing historic plan.
- 3.16. Remove existing wall from existing historic plan.
- 3.17. Remove existing wall from existing historic plan.
- 3.18. Remove existing wall from existing historic plan.
- 3.19. Remove existing wall from existing historic plan.
- 3.20. Remove existing wall from existing historic plan.
- 3.21. Remove existing wall from existing historic plan.
- 3.22. Remove existing wall from existing historic plan.
- 3.23. Remove existing wall from existing historic plan.
- 3.24. Remove existing wall from existing historic plan.
- 3.25. Remove existing wall from existing historic plan.
- 3.26. Remove existing wall from existing historic plan.
- 3.27. Remove existing wall from existing historic plan.
- 3.28. Remove existing wall from existing historic plan.
- 3.29. Remove existing wall from existing historic plan.
- 3.30. Remove existing wall from existing historic plan.

4. PRIORITY FORECOURT

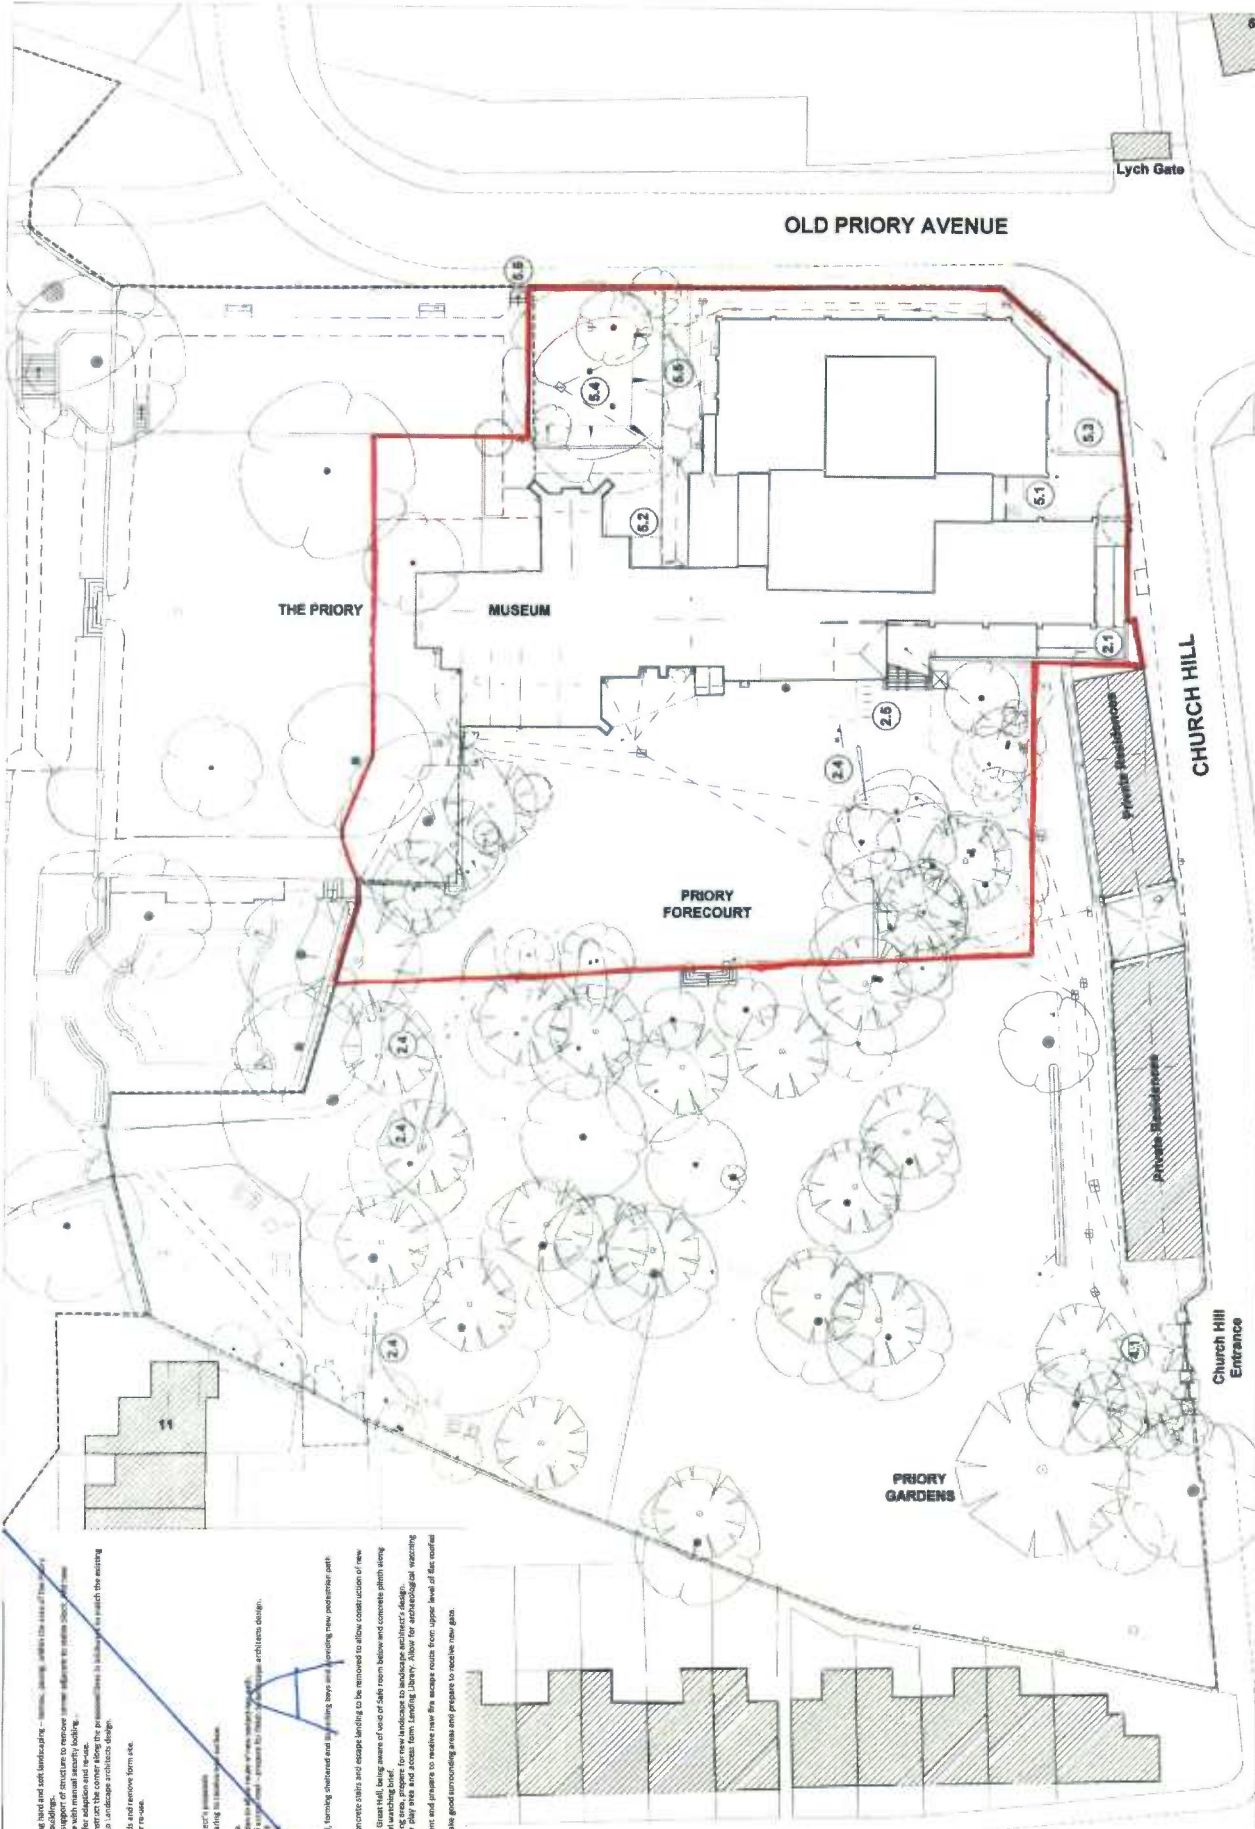

- 4.1. Remove existing wall from existing historic plan.
- 4.2. Remove existing wall from existing historic plan.
- 4.3. Remove existing wall from existing historic plan.
- 4.4. Remove existing wall from existing historic plan.
- 4.5. Remove existing wall from existing historic plan.
- 4.6. Remove existing wall from existing historic plan.
- 4.7. Remove existing wall from existing historic plan.
- 4.8. Remove existing wall from existing historic plan.
- 4.9. Remove existing wall from existing historic plan.
- 4.10. Remove existing wall from existing historic plan.
- 4.11. Remove existing wall from existing historic plan.
- 4.12. Remove existing wall from existing historic plan.
- 4.13. Remove existing wall from existing historic plan.
- 4.14. Remove existing wall from existing historic plan.
- 4.15. Remove existing wall from existing historic plan.
- 4.16. Remove existing wall from existing historic plan.
- 4.17. Remove existing wall from existing historic plan.
- 4.18. Remove existing wall from existing historic plan.
- 4.19. Remove existing wall from existing historic plan.
- 4.20. Remove existing wall from existing historic plan.
- 4.21. Remove existing wall from existing historic plan.
- 4.22. Remove existing wall from existing historic plan.
- 4.23. Remove existing wall from existing historic plan.
- 4.24. Remove existing wall from existing historic plan.
- 4.25. Remove existing wall from existing historic plan.
- 4.26. Remove existing wall from existing historic plan.
- 4.27. Remove existing wall from existing historic plan.
- 4.28. Remove existing wall from existing historic plan.
- 4.29. Remove existing wall from existing historic plan.
- 4.30. Remove existing wall from existing historic plan.

5. PRIORITY FORECOURT

- 5.1. Remove existing wall from existing historic plan.
- 5.2. Remove existing wall from existing historic plan.
- 5.3. Remove existing wall from existing historic plan.
- 5.4. Remove existing wall from existing historic plan.
- 5.5. Remove existing wall from existing historic plan.
- 5.6. Remove existing wall from existing historic plan.
- 5.7. Remove existing wall from existing historic plan.
- 5.8. Remove existing wall from existing historic plan.
- 5.9. Remove existing wall from existing historic plan.
- 5.10. Remove existing wall from existing historic plan.
- 5.11. Remove existing wall from existing historic plan.
- 5.12. Remove existing wall from existing historic plan.
- 5.13. Remove existing wall from existing historic plan.
- 5.14. Remove existing wall from existing historic plan.
- 5.15. Remove existing wall from existing historic plan.
- 5.16. Remove existing wall from existing historic plan.
- 5.17. Remove existing wall from existing historic plan.
- 5.18. Remove existing wall from existing historic plan.
- 5.19. Remove existing wall from existing historic plan.
- 5.20. Remove existing wall from existing historic plan.
- 5.21. Remove existing wall from existing historic plan.
- 5.22. Remove existing wall from existing historic plan.
- 5.23. Remove existing wall from existing historic plan.
- 5.24. Remove existing wall from existing historic plan.
- 5.25. Remove existing wall from existing historic plan.
- 5.26. Remove existing wall from existing historic plan.
- 5.27. Remove existing wall from existing historic plan.
- 5.28. Remove existing wall from existing historic plan.
- 5.29. Remove existing wall from existing historic plan.
- 5.30. Remove existing wall from existing historic plan.

6. PRIORITY FORECOURT

- 6.1. Remove existing wall from existing historic plan.
- 6.2. Remove existing wall from existing historic plan.
- 6.3. Remove existing wall from existing historic plan.
- 6.4. Remove existing wall from existing historic plan.
- 6.5. Remove existing wall from existing historic plan.
- 6.6. Remove existing wall from existing historic plan.
- 6.7. Remove existing wall from existing historic plan.
- 6.8. Remove existing wall from existing historic plan.
- 6.9. Remove existing wall from existing historic plan.
- 6.10. Remove existing wall from existing historic plan.
- 6.11. Remove existing wall from existing historic plan.
- 6.12. Remove existing wall from existing historic plan.
- 6.13. Remove existing wall from existing historic plan.
- 6.14. Remove existing wall from existing historic plan.
- 6.15. Remove existing wall from existing historic plan.
- 6.16. Remove existing wall from existing historic plan.
- 6.17. Remove existing wall from existing historic plan.
- 6.18. Remove existing wall from existing historic plan.
- 6.19. Remove existing wall from existing historic plan.
- 6.20. Remove existing wall from existing historic plan.
- 6.21. Remove existing wall from existing historic plan.
- 6.22. Remove existing wall from existing historic plan.
- 6.23. Remove existing wall from existing historic plan.
- 6.24. Remove existing wall from existing historic plan.
- 6.25. Remove existing wall from existing historic plan.
- 6.26. Remove existing wall from existing historic plan.
- 6.27. Remove existing wall from existing historic plan.
- 6.28. Remove existing wall from existing historic plan.
- 6.29. Remove existing wall from existing historic plan.
- 6.30. Remove existing wall from existing historic plan.
